BOARD OF ADJUSTMENT

David Ruble, Chairman.

Call the Chairman for dates and times of meetings. All meetings are open to the public.

(continued inside back cover)

2020 Annual Town Report
Town of Randolph, New Hampshire

January 1st through December 31st 2020

DEDICATED TO

***Our Public Health Officers
Dr. John McDowell
& Barbara Arnold, Deputy***

The 2020 Annual Town Report is dedicated to Dr. John McDowell and Barbara Arnold.

Acting as our Town Public Health Officer for the last umpteen years, this year showed the expertise and experience of John in addressing immediate and long term needs of a community in crisis. Barbara has also served as Deputy for as many years.

The epidemic took all of us by surprise, but John and Barbara showed their willingness to apply their talents in comforting the community at Town Meeting, advising the population as to best practices in staying healthy, and participating in elections as a presence of authority and expertise.

We are grateful to them for taking a proactive stance in the community when it was time to make plans for closing town hall, successfully managing two elections, and providing guidelines for re-opening town hall for limited use.

***They are our “go to” guys for all things health related and we are grateful to them.
Thank you, John and Barbara!***

Beginning at a point at the centerline of Durand Road, GPS 44.361567 – 71.337258 at the piles of dirt WSW to the end approximately 168.63 ft more or less, GPS 44.361452 – 71.337419, between the properties Map U8 Lot 12 currently owned by Charles Lowe Jr. and Map U8 Lot 5 currently owned by James Batchelder. (The Selectmen Recommend Passage of This Article.)

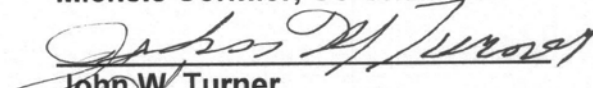

20. To see if the town will vote to designate as Town Forest land a certain parcel of land containing 102.2 acres, situated on the north side of the Durand Road, within the Town of Randolph, New Hampshire, described as R-11, Lot 13 on the relevant tax map, if and when such parcel shall become the property of the Town through a generous donation of John and Mary Berry.
21. Transact any additional business that may legally come before this meeting.

A True Copy...Attest

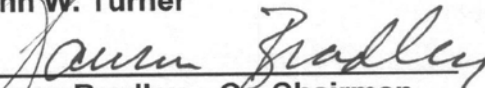

BOARD OF SELECTMEN:

Michele Cormier, Co-Chairman

John W. Turner

Lauren Bradley, Co-Chairman

SPECIAL BALLOT

Are you in favor of the adoption of the amendment to the town zoning ordinance (Land Use Ordinance) as proposed by the Planning Board as follows:

The proposed amendment would change Section 3.43, the Definition of "Setbacks" to clarify the wording and to apply Side and Rear Setbacks to parking lots and driveways in addition to structures. The requirement for a 25-foot setback in Section 5.04 Rear and Side Setbacks would be revised to include driveways and parking lots in addition to structures.

YES

NO

2020 Selectmen's Report

This year was marked by the Coronavirus, and we are pleased to report that the Town of Randolph stepped up, most people wore their masks as requested and kept social distances. For as "social" a town as this one, it was frustrating and difficult for many of us to comply with directives from the Town Public Health Officer. From the beginning, Dr. McDowell guided us through the intricacies of dealing with an epidemic by addressing Town Meeting and then assisting in overseeing both a primary and general election with remarkable limited evidence of virus exposure. An enormous thanks go out to him, his assistant officer, Barbara Arnold, and all town and election staff who cooperated in complying with public health mitigation measures. Thanks also go out to Lauren Bradley who graciously stepped into the role of Emergency Management Director and the many e mail briefings and Zoom meetings she attended in this position, not to mention hands on mailings and preparing guidelines for the town to continue operations during the emergency. In managing town elections, we give a nod to our Town Moderator, David Willcox who diligently guided us through the legalities of each election and kept the entire population enfranchised and safe. We also thank all of our First Responders on the Volunteer Fire Department who put their lives at risk to serve the community throughout this crisis.

Our beautiful old town hall got a facelift this year with a new paint job and repair/replacement/re-pointing of the window panes. This was in addition to a set of new front steps and an upgrade to the accessible ramp entrance on the east side of the building.

The bridge/culvert over Moose Brook near the west end of Durand Road was replaced this year in accordance with engineering and environmental specifications. The same contractor was available to complete a re-dredging of the Ravine House Pool swimming area. This project was undertaken with the financial cooperation of the Randolph Foundation. A smaller cooperative effort involving the Randolph Mountain Club resulted in a new set of steps down to the swimming area on Durand Lake. We are grateful to our partners in this community who are always willing to lend a helping hand.

An unexpected heavy rainstorm on July 14 resulted in some road washouts. The Select board met to establish a working plan to mitigate the damage and improve water flow in the ditches. Damage mostly occurred on the gravel roads, and our Road Agent spent quite a bit of time aggressively ditching all the uphill sides of these roads. While this project was underway, he identified a number of culverts which need to be replaced and are included in the budget for 2021 action.

The Volunteer Fire Department has become the lucky recipient of new air packs donated by the town of Gilford. These air packs have a lifespan of 5 years and have been tested within the last year. In a "pay it forward" move, the Fire Department will be giving our 1964 Jeep Forest Fire Fighting truck to the Town of Errol who are happy to acquire this functioning unit.

The Board is committed to the long-term planning for rebuilding Durand Road and has made some headway this year. Unfortunately, the epidemic has slowed us down some, but this project is still in the planning stage. Test borings have been performed, the road has been surveyed, and prioritization is under way. It is hopeful this project will move forward in the next couple years.

***Respectfully submitted,
Board of Selectmen***

Auditors' Report

This is to certify that on July 23, 2020 we completed an examination of the books, vouchers, bank statements and other financial records of the Tax Collector, Town Clerk, Treasurer, Selectmen, Trustees of Trust Funds, Library Trustees, Conservation Commission and Forest Commission for the fiscal year ending December 31, 2019 and found them to be correct and in order.

Respectfully submitted:

Cecile Mather

4312 Highways & Streets – Winter	\$ 29,700
4313 Bridges & Culverts	\$ 5,800
4316 Street Lighting	\$ 3,100

Motion to amend by Dennis Tupick; 2nd by Bev Jadis Majority **YES**

Amendment to read:

Raise and appropriate \$ 122,200 for HIGHWAYS & STREETS to include:

4310 Highway & Streets	
4311 General Highway	\$ 46,900
4312 Highways & Streets – Summer	\$ 32,500
4312 Highways & Streets – Winter	\$ 29,700
4313 Bridges & Culverts	\$10,000
4316 Street Lighting	\$ 3,100

Motion to accept by Barbara Arnold; 2nd by John McDowell Majority **YES**

2020 Town Warrant Results

7. Raise and appropriate \$ 34,310 for **SANITATION** to include:

4320 Sanitation	
4323 Solid Waste Collection	\$ 14,000
4324 Solid Waste Disposal	\$ 13,110
4325 Solid Waste Clean-Up (Landfill Testing)	\$ 6,700
4326 Sewage Collection & Disposal	\$ 500

Motion to accept by Bill Demers; 2nd Cathy McDowell Majority **YES**

8. Raise and appropriate \$ 3,500 for **HEALTH & WELFARE** to include:

4440 Welfare	
4445 Life-Line	\$ 2,500
4445 Welfare, vendor payments	\$ 1,000

Motion to accept by Susan Ellis; 2nd by Bill Arnold Majority **YES**

9. Raise and appropriate \$ 27,300 for **CULTURE and RECREATION** to include:

4500 Culture & Recreation	
4520 Parks & Recreation	\$ 6,000
4550 Library	\$ 19,150
4583 Patriotic Purposes	\$ 100
4589 Other Culture & Recreation	\$ 2,050

Motion to accept by Steve Teczar; 2nd by Jen Barton Majority **YES**

10. Raise and appropriate \$ 1,760 for **CONSERVATION** to include:

4610 Conservation	
4611 General Expense	\$ 1400
4613 Minute Taker	\$ 360

Motion to accept by Bob Ross; 2nd by John McDowell Majority **YES**

11. Raise and appropriate \$ 53,217 for **DEBT SERVICE** to include:

4700 Debt Service	
4711 Principal – Long Term Notes	\$ 50,000
4721 Interest – Long Term Notes	\$ 3,217

Motion to accept Guy Stever; 2nd by John McDowell Majority **YES**

12. To see if the town will vote to raise and appropriate \$20,000 and place in the **Highway Heavy Vehicle Capital Reserve Fund**. (*The Selectmen Recommend Passage of This Article.*)

2020 Town Warrant Results

Motion to accept by Barbara Arnold; 2nd by Ted Wier Majority **YES**

13. To see if the town will vote to raise and appropriate \$165,000, with \$100,000 of said funds to come from the unassigned fund balance and place in the **Roads and Bridges Expendable Trust**. (*The Selectmen Recommend the Passage of this Article.*)

Motion to accept by Tim Sappington; 2nd by Cathy McDowell Majority **YES**

14. To see if the town will vote to raise and appropriate \$10,000 and place in the **Expendable Trust for Town Buildings**. (*The Selectmen Recommend Passage of This Article.*)

Motion to accept by Martha Sappington; 2nd Bob Ross Majority **YES**

15. To see if the town will vote to raise and appropriate \$10,000 and place in the **Fire Equipment and Protection Expendable Trust Fund**. (*The Selectmen Recommend Passage of This Article.*)

Motion to accept by Yvonne Jenkins; 2nd by Sue Ellis Majority **YES**

16. To see if the town will vote to raise and appropriate \$5,000 and place in the **Expendable Trust for Town Recreation Facilities**. (*The Selectmen Recommend Passage of This Article.*)

Motion to accept by Katie Kelley; 2nd by Bob Ross Majority **YES**

17. To see if the town will vote to raise and appropriate the sum of \$3,000 for the purpose of supporting the **Family Resource Center at Gorham**. (Placed on the Warrant by the petition of 15 Randolph residents.) (*The Selectmen Recommend the Passage of this Article.*)

Motion to accept by Guy Stever; 2nd by Cathy McDowell Majority **YES**

18. To see if the town will vote to raise and appropriate the sum of \$3,500 for the purpose of supporting the **Gorham Community Learning Center in Gorham**. (*Placed on the Warrant by the petition of 10 Randolph residents.*) (*The Selectmen Recommend the Passage of this Article.*)

Motion to accept by Katie Kelley; 2nd by Dwight Bradley Majority **YES**

19. To see if the town will vote to adopt the provisions of RSA 72:61 through RSA 72:72 inclusively, which provide for an optional property tax exemption from the property's assessed value, for property tax purposes, for persons owning real property, which is equipped with solar energy systems intended for use at the immediate site. Such property tax exemption shall be in the amount equal to 100% of the assessed value of qualifying equipment under these statutes. (*The Selectmen Recommend Passage of This Article.*)

Motion to accept by Bill Demers; 2nd by Larry Jenkins Majority **YES**

2020 Town Warrant Results

- 20.** To see if the Town will vote to discontinue completely a portion of Durand Road, formerly known as Old US Route 2 per RSA 231:43. The portion to be discontinued completely, currently a part of a Class VI public highway, is described as follows:

Beginning at a point at the centerline of Durand Road, GPS 44.361567 – 71.337258 at the piles of dirt WSW to the end approximately 168.63 ft more or less, GPS 44.361452 – 71.337419, between the properties Map U8 Lot 12 currently owned by Charles Lowe Jr. and Map U8 Lot 5 currently owned by James Batchelder. (The Selectmen Recommend Passage of This Article.)

Motion to table by Charles Lowe JR; 2nd Sylvia Lowe Majority **NO**

Motion to reconsider Charles Lowe JR; 2nd by Sylvia Lowe Majority **YES**

Motion to table by Charles Lowe JR; 2nd by Sylvia Lowe Majority **YES**

- 21.** To see if the Town will vote to adopt the provisions of RSA 79-F, Taxation of Farm Structures and Land Under Farm Structures. If adopted, this would allow any land necessary to support or service the qualifying farm structure to be considered for current use tax. *(The Selectmen Recommend Passage of This Article.)*

Motion to accept by Bob Ross; 2nd by Jen Barton Majority **YES**

- 22.** To see if the Town will vote to affirm RSA Chapter 286, which allows the town to regulate public assembly, for the purposes of protecting traffic safety, preventing public disturbances and ensuring public health, safety and welfare. RSA 31:39 and 105:9 also apply to this resolution allowing for reimbursement of expenses if needed. *(The Selectmen Recommend Passage of This Article.)*

Motion to accept by Bev Jadis; 2nd by Dwight Bradley Majority **YES**

- 23.** Transact any additional business that may legally come before this meeting.

Barbara Arnold – town's 200th anniversary coming up. There will be a quilt project and more as we get closer to 2014

Guy Stever – there will be more story slams leading up to the 200th anniversary.

Yvonne Jenkins – round of applause for Angela Brown for her years as Treasurer.

Lauren Bradley – we need more volunteers for the fire department.

Meeting closed at 7:15 pm

Land-Use Ordinance Amendments

Randolph Town Meeting – March 10, 2020

1. To see if the Town will vote to adopt Amendment No. 1 of the Land-Use Ordinance, as proposed by the Planning Board to reorganize and renumber the Ordinance, add definitions, make updates to accord with state laws, indicate that solar systems are allowable accessory uses, add details relating to Special Exceptions and nonconforming uses and add a restriction on digital electronic message signs.

Yes ___51

No ___12

2. To see if the Town will vote to adopt Amendment No. 2 of the Land-Use Ordinance, as proposed by the Planning Board to create a Wetlands Conservation Overlay District for the Israel's River. If adopted, development activities within the District would be restricted and would require a conditional use permit from the Planning Board.

Yes ___46

No ___18

3. To see if the Town will vote to adopt Amendment No. 3 of the Land-Use Ordinance, as proposed by the Planning Board to create a Shoreland Protection Overlay District to protect a 25-foot riparian buffer along all perennial streams.

Yes ___42

No ___21

4. To see if the Town will vote to adopt Amendment No. 4 of the Land-Use Ordinance as proposed by the Planning Board to create a Steep Slope Overlay District on slopes over 15%. If adopted, performance standards would need to be met and a conditional use permit from the Planning Board would be required for activities involving 20,000 square feet or more.

Yes ___44

No ___19

5. To see if the Town will vote to adopt Amendment No. 5 of the Land-Use Ordinance as proposed by the Planning Board to authorize the issuance of temporary permits for the use of recreational vehicles or campers as temporary dwellings for up to 4 months or during construction of a permanent dwelling.

Yes___50

No___13

6. To see if the Town will vote to adopt Amendment No. 6 of the Land-Use Ordinance as proposed by the Planning Board to add a single-family dwelling with one detached or attached dwelling unit as a permitted use.

Yes___50

No___12

7. To see if the Town will vote to adopt Amendment No7 of the Land-Use Ordinance as proposed by the Planning Board to strengthen the controls on outdoor lighting to reduce light trespass, glare and skyglow.

Yes___53

No___10

8. To see if the Town will vote to amend the Town Forest Ordinance (part of the land-Use Ordinance) to authorize the Planning Board, upon the recommendation of the Forest Commission and after a public hearing, to designate a ‘special use area’ within the Community Forest and indicate the purpose for which such area is designated. Such a designation would allow the Forest Commission to establish appropriate rules for the public’s use of the area. It might be used for special locations within the Community Forest, such as the motorcyclists’ memorial on Route 2, or a site set aside for an activity, such as glade skiing.

Yes___50

No___13

2020 Library Annual Report

What began as a typical year at the Library turned out to be anything but. Unfortunately, due to the Covid 19 Pandemic, the Randolph Public Library closed to the public on March 18, 2020 and remained closed for the remainder of the year. While our Library has been physically closed, curbside service has been available, as well as all virtual services provided through the website, including Ebsco databases, and NH Downloadable books. The NH State Library curtailed Interlibrary loan services on March 18 and resumed them on September 21 with Covid restrictions; namely a 72-hour quarantining of materials on either end of the loans.

Library operating hours were adjusted to

Mon. & Wed. from 1-5 p.m. and Saturday mornings from 10-12. Additional outdoor seating was provided in the garden area in front of the library for easy access to wi-fi.

One of the positive outcomes of the pandemic has been the collaboration with other North Country libraries. A six-week summer reading program was offered in partnership with the Gorham Public Library. Zoom story time, along with take and make activity bags, was available each week. An online software program called Read squared enabled children and adults to record their reading progress and participate in activities. This program was provided to all NH Public Libraries for 2 years through a CARES grant awarded to the NH State Library.

In the Fall, Randolph joined Berlin Public, Gorham Public, and the Fortier Library of the White Mountains Community College to offer a virtual Zoom series entitled Strong Woman. This allowed us to offer 3 programs for the price of one. Hopefully this newly created “Great North Libraries” collaboration will continue into the future, even after we are able to offer in-person programs here in Randolph.

Virtual Director’s meetings through the NH State Library were attended regularly to stay abreast of ever-changing information and policies. These meetings have been a lifeline connecting Librarians throughout the State during what has been a very difficult time.

2020 Library Annual Report

The Library's automated software program was updated in November. Patrons are able to log into their account from anywhere and search the Library's catalog with new browsing capabilities. The Library's collection was continuously maintained during this closure, including the purchasing of new materials. Yearly visitor statistics are not available for this year, but the number of circulated materials was 1,659 and we welcomed 20 new patrons.

The Library was very happy to welcome Katharine Turnbull to the Library staff as an "on-call" librarian to work when needed. The Friends of the Randolph Public Library elected new Board Members in December; Co-Presidents Anne Forsyth and Catherine Zirpolo, and Secretary Kayla Demers. Michele Cormier will continue in her role as Treasurer. The Trustees and I are looking forward to working with them in 2021.

Monthly Trustee meetings have taken place throughout the year, both virtually and in person. The understanding and wisdom they have provided in order to keep all of our patrons and residents safe this year is appreciated more than they know. Thank you to Trustees Steve Teczar, Heather Wiley, Denise Demers, Rhonda Stitt, and Ellen Ross. I look forward to the day when I can see you all in person in the Library.

*Respectfully submitted,
Yvonne Jenkins, Librarian*

2020 Randolph Police Report

I wish to thank residents for calling the Police line reporting cars, trucks and other suspicious activities. It is important to report to the local police questionable activities, so they may be investigated.

When going away, please make sure to have a neighbor or caretaker check on your property. Let the police department know you will be away and provide the contact information of the person watching your property. Police patrols pick up unknown tracks into properties and this can be easily verified if we have the contact information on file.

We appreciate the efforts of Troop F for their support and help throughout the year in responding and aiding when needed.

G. Alan Lowe, Chief of Police

Randolph Fire Department

Report for 2020

The Randolph Fire Department had a quiet 2020. There were no major fires in Randolph. The majority of the department's calls were responding to residential alarms and assisting the ambulance at motor vehicle accidents. We continue to be a member of North Pac Mutual Aid System.

Unfortunately, this year, the fire department was unable to have their yearly firehouse pancake breakfast in August. The department is hoping to resume this popular activity in 2021. Social distancing was the theme for this year's breakfast cancelation.

The department also continues to hold a Christmas party for the children of Randolph. Once again this was a huge success with approximately 40 children having a special gift delivered to their home from Santa and the Fire Department. For the first time, the children did not get to have Santa read them "Twas the Night Before Christmas". There was no nativity scene performed. However, many of the Randolph families found that they enjoyed the experience of waiting for Santa to arrive at their home. There are too many people to thank for helping this to happen so successfully. A special thanks to the Randolph Public Library again for donating a book for Santa to give each child.

As in the past, we are always looking for people to join the Randolph Fire Department. We continue to seek men and women over the age of 18 who are interested in helping in any way. We are very excited to announce that the department has gained four new members in 2020.

Again, I would like to thank the members for their continued support and dedication to the town and their department.

As a reminder, the town has chimney brushes which are available for use by anyone in town and can be obtained at the fire department. Another important safety tip for all homes is to remember to change the batteries in your smoke detectors. A good way to remember to do this is at the daylight time changes. Anyone who needs a smoke detector or needs to replace one that is over ten years old, feel free to contact a member of the fire department. Batteries are also available for the detectors if needed. Another good investment for your home is the purchase of a carbon monoxide detector. Have a fire safe year in 2021.

Respectfully Submitted,

Dana Horne, Randolph Fire Chief

Report of Forest Fire Warden and State Forest Ranger

This year we experienced challenging wildfire conditions which led to deep burning fires in remote locations that were difficult to extinguish. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

Between COVID-19 and the drought conditions, 2020 was a unique year. The drought conditions led to the need to have a Proclamation from the Governor, which banned much of the outdoor burning statewide. This, along with the vigilance of the public, helped to reduce the number of serious fires across New Hampshire. However, the fires which we did have burned deep and proved difficult to extinguish due to the lack of water. While the drought conditions have improved, we expect many areas of the state to still be experiencing abnormally dry and drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: Always **Be Careful** with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2021 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdfl/. For up to date information, follow us on Twitter: **@NHForestRangers**

2020 WILDLAND FIRE STATISTICS

(All fires reported as of December 01, 2020)

Year	Number of Wildfires	Wildfire Acres Burned	Number of Unpermitted Fires*
2020	113	89	165
2019	15	23.5	92
2018	53	46	91
2017	65	134	100
2016	351	1090	159

*Unpermitted fires which escape control are considered Wildfires.

CAUSES OF FIRES REPORTED

(These numbers do not include the WMNF)

Arson	Debris Burning	Campfire	Children	Smoking	Railroad	Equipment	Lightning	Misc.
4	22	21	4	3	1	4	10	44

*Miscellaneous includes power lines, fireworks, electric fences, etc...

2020 Conservation Commission

The Randolph Conservation Commission is responsible for the proper utilization and protection of natural resources, including watershed resources of the Town. The commission conducts research, obtains information, and takes appropriate action to ensure the protection and safe utilization of such resources as required by RSA 36-A:2.

During 2020 in addition to matters routinely referred to the Commission as required by law-for example matters concerning land development, protection of wetlands, and water courses-the Commission had very little activity. There was one meeting early in the year then the corona virus made itself felt and the commission has had little to deal with since.

During 2021 the Commission will continue carrying out its mission responsibly and effectively doing its part to protect the land, water resources, and the residents of Randolph. We are all hoping this new year will bring renewed spirit to the country and the world, and with the vaccine, anticipation of a return to what we all consider to be “normal”.

As we leave a very contentious 2020 behind us and continue to deal with a virus that nature has forced us to live with, I would like to leave you with a quote from the journals Aldo Leopold. “The outstanding scientific discovery of the twentieth century is not television, or radio, but rather the complexity of the land organism. Only those who know the most about it can appreciate how little is known about it. The last word in ignorance is the man who says of an animal or plant: ‘What good is it?’ If the land mechanism as a whole is good, then every part is good, whether we understand it or not. If the biota, in the course of aeons, has built something we like but do not understand, then who but a fool would discard seemingly useless parts? To keep every cog and wheel is the first precaution of intelligent tinkering.”

Maybe the corona virus is mother nature’s way of telling us something.

Respectfully submitted,

Gary Newfield, Chairman Randolph Conservation Commission

Nathan Peters, Walter Graff, Jen Barton-Scarinza

Randolph Cemetery Report 2020

Over this last year, we have continued to function. The Town has done a great job of contracting the maintenance of our Cemeteries' grounds. Not to mention, many others contribute to their family members' memorials of their spaces. Suzie provides a stable focal point for plot selection at the Randolph Hill Cemetery as well as interments on the Hill and Durand.

Our bylaws need to be scrutinized but do stand up to a test. Most notably, there has been in this last year and previous years those who would wish to have a family/individual plot in Randolph by association other than a member of the town or a family/cottage history here. The bylaws are specific, the Cemeteries are for those of Randolph, not by familiarity of hiking through or it would be nice place to have a headstone with a view. Again, the future Cemetery Committee needs to be vigilant to/update our bylaws.

With this, I have submitted my resignation to the Selectmen. I welcome anyone interested in a position on the Cemetery Committee to contact either Suzie or Ray. I will help in any way I can with an orderly transition.

Respectfully submitted,

Steve Hartman, Chair

Suzanne Santos

Ray Aube

2020 Forest Commission Report

This past year was one for several maintenance projects on the Randolph Community Forest.

As part of our effort to create a more natural north-south wildlife corridor at the west end of town, the old Farrar house, which was in a dilapidated state of repair, was torn down and the remains of the wooden structure was properly disposed of at the AVR RD Landfill in Berlin. As part of this project, all materials containing asbestos were professionally identified and removed from the site as per state regulations. Once all building debris was hauled off, the cellar hole was filled in with local material, topsoil was installed, and a conservation mix was planted and will grow as part of the adjacent pasture in the future.

While the large excavator was on-site, many large rocks in the pasture were removed and placed along the adjacent wood line. This will allow the future mowing of this field to be more user friendly, having less obstacles to avoid which can damage expensive tractors and mowing equipment.

On the south side of Rt. 2, opposite the old Farrar Farmhouse site and at the bottom of the existing gravel pit, a small parking area was constructed. This new parking area will accommodate 4 or 5 vehicles and was built to allow visitors better access to the marsh and wet meadows adjacent to the existing rail trail to the south. Wooden telephone posts were also installed just south of the newly created parking area to allow a farm style gate to control access to the rail trail and meadows for pedestrian or motorized use as appropriate. This area of the Randolph Community Forest has become very popular with birders and other folks looking for an easy opportunity to view the varied types of wildlife that thrive

in wetlands type habitat. For more information about the birding opportunities in this part of the Community Forest, please go to RandolphForest.Org and check out the post-dated December 4th, 2019 titled [Birding Hotspot in the Randolph Community Forest](#) written by David and Anne Forsyth.

For folks who take a stroll along the Israel River, a new granite bench has been installed made from some of the old foundation stones from the original Farrar Farm Homestead. This bench is located in the field overlooking the Israel River and makes for a great lunch spot or just a nice place to sit quietly and look for birds and wildlife frequenting the area.

During the past year, 205 acres were added to the Randolph Community Forest, the result of a purchase of abutting land from the Gorham Town Forest as part of a larger project in that town. The money for this transaction came from the Randolph Area Conservation Opportunity Fund, at no expense to the taxpayers in the town of Randolph. With the addition of these lands the Randolph Community Forest now extends all the way to the Gorham/Randolph town line and the terminus of the Jimtown Road in Gorham. We now completely own in perpetuity our most easterly access to the land and road system of the Community Forest on this side of town.

2020 Forest Commission Report

In other work, the Forest Commission has hired a local contractor to refresh our forest boundaries. Work started this year and will continue over time until the entire forest boundary has been re-marked. Forest boundaries must be maintained every 7-10 years, or they will become overgrown and lost, so boundary line maintenance on a 10,600-acre town forest is an almost annual project, competing several miles each year, which once accomplished, begins again.

As we all know, COVID-19 completely altered the 2020 summer event schedule, and as such it was with great disappointment that the 2020 Annual Forest Day had to be cancelled. With good luck, the 2021 Annual Forest Day will occur in its regular or perhaps a modified format so please stay tuned as we keep you up to date on event details in local publications such as the Mountain View and Randolph Weekly.

The Forest Commission decided to postpone this winter's proposed timber harvest due to exceptionally low stumpage prices being paid to landowners. Several factors have negatively affected wood prices to include the trade conflicts with Canada and China for hardwood sawlogs, low fuel oil and propane prices which have caused several wood-fired electric plants in the state to cease operation, and an explosion of a large pressure vessel at the pulp and paper mill in Jay Maine which has caused further downward pressure on low grade pulp wood prices. With all these negative factors under consideration, the decision was made to let the trees grow and wait for the wood market prices to hopefully rebound in the not to distant future. It also reinforced the Forest Commission's decision several years ago to create a maple tapping lease area, which helps diversify our annual financial revenues which are necessary for continued regular maintenance costs on the forest.

In some very exciting news, the Randolph Community Forest, in cooperation with the Randolph Foundation and the US Department of Agriculture, Natural Resources Conservation Service has been approved for a NRCS grant in the amount of \$208,443.00 to improve 4 stream crossings on the Pond of Safety Road. These four stream crossings, in which large culverts were installed many decades ago, are currently preventing the passage of native brook trout and other reptiles,

amphibians and small wildlife from crossing from one side of the road to the other using the existing stream bed. This project will remove the old culverts, reconstruct the stream bed to a more natural condition and these water crossings will be spanned with a new open bottom bridge structure. All of these structures are located on perennial streams and the unfettered travel under the road has been prohibited by the existing perched culverts for more than 100 years. Work on this project is anticipated to be initiated late summer 2021 and completed in 2022.

2020 Forest Commission Report

A second exciting project is the proposed addition of 102 acres of forested uplands and portions of the headwaters of Carlton Brook to be generously donated by John and Mary Berry and to be made a part of the Randolph Community Forest. Many in town may have travelled across these lands while hiking upon portions of the Bee Line Trail as well as the logging road which intersects the Durand Road just west of the town hall. This maintained logging road is used extensively in winter by snowshoers and cross-country skiers coming off Randolph Hill and will continue to be maintained by the Forest Commission once this property becomes a part of the Community Forest. It is anticipated that this parcel will be added to the Community Forest during the current year.

The Forest Commission meets the first Wednesday of each month at 7pm at the town hall and the public is invited to attend. And please do not forget the Annual Forest Tour, which is held the first Saturday in August of each year.

Respectfully Submitted,

The Randolph Forest Commission

John Scarinza, Chairman

Walter Graff, Laura Brocket, Jeff Parker, Mark Kelley, David Willcox

2020 Planning Board

In January, the planning board held a public hearing for the purposes of reviewing a proposed lot line adjustment between the Gorham Town Forest and lands currently owned by the Randolph Community Forest. This project would add 205 acres of land to the RCF and would secure our most easterly access point to the forest at the end of the Jimtown Road in Gorham. At the completion of the public hearing, and after hearing comments from those in attendance, the Randolph Planning Board approved this lot line adjustment. These 205 acres have now been added to the RCF and were paid for with a very generous grant from the Randolph Area Conservation Opportunity Fund, at no cost to the taxpayers of the town.

Also, at the January Public hearing, the Board accepted comments from the public on several proposed amendments to the town's zoning ordinance. A new wetland overlay district, shoreland protection district, steep slope overlay, what constitutes an accessory dwelling unit, some strengthening language to the town's outdoor lighting regulations and other clarifying changes to the ordinance were reviewed. These amendments were voted upon at the 2019 town meeting and are now a permanent part of the town's zoning ordinance.

In February, the Board attended to its annual duties in holding a public hearing to review and approving the budget for the Community Forest and to consider a proposal from the Forest Commission to require Special Use Permits for certain activities occurring on the forest by individual user groups.

From March through the end of the year, with Covid-19 dominating all in person meeting activities, the Board met remotely via Zoom to review and update the town's site plan regulations and to also consider an amendment to the zoning ordinance requiring that setbacks apply to the construction or re-location of driveways and parking lots in town.

The Board held a public hearing in December to accept public comments on both the proposed site plan and zoning ordinance changes as suggested by the Board. After considering the public comments, the Board has adopted the updated site plan review regulations. The proposed zoning ordinance updates will be placed upon the town ballot to be voted on by the town.

This past spring, Roberta Arbree retired from the Planning Board to move with her husband Bob to the southern part of the state, much to our dismay. Roberta has been a steady hand and trusted advisor of the Planning Board and to her many friends in town. Roberta could always be counted upon to do the necessary research for the board on various topics under consideration. Her passion was the conservation and preservation of the town's scenic beauty, unique landscapes, and all creatures great and small, the one exception being when the local deer population got into her and Bob's extensive and beautiful flower and vegetable gardens which is where, on occasion, Roberta would "draw the line" on what constituted acceptable wildlife behavior. She will be sorely missed by all.

Planning board meetings are held the first Thursday of each month at 7pm and the public is welcome and encouraged to attend.

Respectfully Submitted,

John Scarinza, Chair

ANDROSCOGGIN VALLEY REGIONAL REFUSE DISPOSAL DISTRICT 2020 ANNUAL REPORT OF DISTRICT ACTIVITIES

Our Materials Recycling Facility processed a total of 1,118.95 tons of materials, for the period January 1, 2020 through December 31, 2020, representing \$96,931.99 of marketing income to the District. Recyclables shipped to market included: aluminum – 46.20 tons; newspaper/magazines – 112.91 tons; corrugated cardboard – 433.11; PET plastic – 60.01 tons; HDPE plastic – 21.65 tons; tin – 37.82 tons; mixed office paper – 44.78 tons. In addition, 362.47 tons of glass were processed for reuse.

Our Transfer Station recycling income totaled \$77,783.62. Recycling at the Transfer Station consisted of 799.63 tons of wood that was processed through a grinder, 684.02 tons of scrap metal; 308.05 tons of leaf and yard waste and 327.98 tons of brush which was chipped. In addition, 805 refrigerators/air conditioners; 180 propane tanks; 5,258 tires; 30,858 feet of fluorescent bulbs; 808 fluorescent U tubes and HID lamps; 814 ballasts and 63.12 tons of electronics were recycled. We also received 1,860 gallons of waste oil which was used in our waste oil furnace to heat the recycling center. The District owns and operates the Recycling Center and Transfer Station.

District Officers are: Chair Linda Cushman of Jefferson; Vice Chair Paul Grenier for the Coos County Unincorporated Places and Secretary-Treasurer Michael Rozek of Berlin. Other District Representatives: Yves Zornio of Gorham, John Turner of Randolph, Randy Fortin of Milan, Alan Rossetto of Northumberland, Rodney Monahan of Stark, Christopher Holt of Dummer and Scott Rineer of Errol (Larry Enman, Errol representative through September 2020 passed away in December).

Due to Covid-19, the June 2020 Household Hazardous Waste Collection Day was cancelled. A final decision has not been made for the 2021 Household Hazardous Waste Day.

2020 was the eighteenth year of operations for the AVRRDD Mt. Carberry Landfill. Since purchasing the landfill in December 2002, no assessments have been made to the District municipalities for Mt. Carberry Landfill operations, with income raised through landfill tipping fees covering operating expenses. The landfill is operated, under contract with the District, by Cianbro Corp.

No assessments will be made to the member municipalities for the 2021 AVRRDD Budget.

Respectfully submitted,

*Sharon E. Gauthier
Executive Director*

the family resource center

123 Main Street Gorham NH 03581 603-466-5190

The Family Resource Center at Gorham provides quality evidence-based programs for family success assisting all generations in the community. Programs that are preventive and work to reduce the potential of abuse and neglect in families as well as programs to reunify families effected by substance misuse and domestic violence. Home visiting services can be voluntary, building family strength and healthy outcomes. Families gain parenting education through gaining a better understanding of early child development, positive parent-child interaction and successful co-parenting.

Services for learning enrichment, social-emotional learning and youth activities are available to the local residents through the Resource Center and in 2020, we served 238 families in Gorham, Randolph and Shelburne and 1,500 families in the region through our programs.

Building healthier families and stronger communities through positive relationships, programs and collaborations in the North Country

Quote from a client:

“The FRC has helped our family grow & be able to stay together and work on issues to make our children’s lives happier and healthier!”

This year has been an unprecedented year, finding new ways serve families through a pandemic. Service delivery to our families became remote in March and an emergency food pantry opened at FRC to assist clients and local residents. From March through December, we served over 3,000 meals with the help of the NH Food Bank and a grant from NH Charitable Foundation. Staff connected with families more frequently and provided contactless delivery of food to local doorstops during a period when supply was low and people were fearful. FRC remained open, maintaining service continuity, which can vary from one time assistance to intense interventions up to a year or more.

***We thank you for your support of our work in Randolph and all of the North Country to strengthen and protect families,
FRC Board of Directors & Staff***

Melinda Fauteux
Director
Gorham Community Learning Center
123 Main Street
Gorham, NH 03581
(603) 466-5766

The Gorham Community Learning Center is dedicated to caring for and educating our students in a safe, comforting environment. A robust, play based programs are essential for educational success in young children as well as optimal social and emotional development. In addition, we use research-based curriculum to ensure that our children are receiving age appropriate and stimulating learning opportunities. We work hard to maintain high educational standards and work with local educators to aide in preparing our students for elementary school by coordinating curriculum and programming. We serve children from ages 6 weeks to 12 years old from Gorham, Randolph, Shelburne, and Berlin.

Highlights from 2020:

- We received grant money from the State of NH's Child Care Recovery and Stabilization Program (CCRSP) to help us support the financial burden that we have had to face due to Covid-19. This has allowed us to support additional staffing expenses, cleaning/safety supplies and program supplies.
- We were able to reopen on September 8, 2020 after being closed for 6 months due to Covid-19. With the strict guidelines in place restricting group size and staffing we were unable to financially open before these were revised at the end of August.
- Children, families and staff have been able to overcome new requirements and policies that have been put into place due to Covid-19. We are very thankful for the support and understanding that we have received from our families based on the difficult decisions and changes we have had to make.

This money will be used to help maintain quality care and education. With the hardship of COVID-19 and the guidelines we must follow from the state this money is more important this year than any year before. With mandatory smaller group sizes and more task required by staff this money will offset additional cost and lost of income we are experiencing.

2020 Annual Report

North Country Council Regional Planning Commission & Economic Development District

North Country Council Regional Planning Commission and Economic Development District is one of nine regional planning commissions in New Hampshire established by RSA 36:46. The Commission's region consists of serving 50 communities and 25 unincorporated places in the northern third of New Hampshire. The Council serves in an advisory role to local governments in order to promote coordinated planning, orderly growth, efficient land use, transportation access, and environmental protection. The Council's professional staff provides transportation, land use, economic development, community and environmental planning services; geographic information services (GIS); data collection and analysis; grant writing; grant administration; facilitation; and project management.

To date in 2020, North Country Council undertook the following activities:

- Completed stream culvert assessments in Hart's Location as part of a Saco River watershed project which aims to better understand flood vulnerability and aquatic habitat barriers.
- Facilitated four meetings of the North Country Council Transportation Advisory Committee (TAC) to discuss regional transportation issues and identify priority projects for funding opportunities, including the Ten-Year Plan.
- Supported the work of two Regional Coordinating Councils (Carroll County and Grafton-Coos) to promote coordination of transportation services for the region's residents, including facilitating six RCC meetings, updating service directories, and assisting with federal grant applications to support transportation services for senior and limited-mobility residents.
- Represented the transportation needs of the region in the Ten-Year Plan process, including participation in public hearings and promoting public input opportunities to the region's communities.
- Supported the work of the North Country Scenic Byways Council (NCSBC) to steward and promote the region's many scenic and cultural byways, including facilitating two NCSBC meetings and developed a website to provide information on scenic touring along the byways.
- Represented the region as an at-large member to the NH Complete Streets Advisory Committee, providing a regional perspective on the development of the NH Statewide Pedestrian and Bicycle Transportation Plan.
- Continued the effort to develop an updated Regional Transportation Plan, which will identify the transportation-related needs, and opportunities of the region in the support of the development of transportation projects and reference for communities.
- Completed over 150 traffic counts to meet federal requirements and provide up-to-date information on traffic volumes across the region.
- Supported and participated in the White Mountain National Forest Alternative Transportation Working Group to address issues of overflow parking and promote safe transportation access to National Forest destinations.

- Created Community Profiles which provide demographic data on each community that include travel patterns, income, education, natural resources.
- Created community planning guidance documents to support local efforts in their transportation planning tasks.
- Provided mapping and data services to communities throughout the region in support of project development and funding opportunities.
- Responded to multiple request for reviews of Development of Regional Impact, prepared comments corresponded with state and local officials.
- Continued to assist Northern Border Regional Commission (NBRC) in providing development assistance to potential and awarded grantees. In 2020 the Council provided pre-project development coaching to over 15 potential NBRC grantees.
- Convened three full Commission meetings and facilitated discussions on – Solid Waste in the North Country, Broadband 101 and Forest Society North.
- Participated in local, state and regional level in initiatives (3-6) of various topics: housing, land use regulations, workforce development, economic resiliency and the outdoor economy.
- Provided technical support to communities relating to municipal land use regulations, best practices and planning opportunities.
- Assisted Coos County with the newly formed and ongoing Broadband Committee to better understand and implement broadband networks in under and unserved areas of Coos.
- Collaborated with other Regional Planning Commission's through the NH Association of Regional Planning Commissions and Director meetings in Concord.
- Supported efforts and attended the NH Planners Conference and NH Municipal Association Conference.
- Bulk ordered and distributed New Hampshire Planning and Land Use Regulation books to local land use boards (estimated savings of \$70.00 per book).
- Continued the efforts of the North County Council Brownfield Program through funding from the United States Environmental protection Agency (EPA).
- Updated the North Country Comprehensive Economic Development Strategy (CEDS) for the Economic Development District.
- Staff attended over 15 workshops, info sessions to increase Council capacity to better serve communities.
- Responded to various requests from communities for technical assistance and data research.
- Hosted four Solid Waste Roundtable for municipal officials and transfer station operators.
- Facilitates two household hazardous waste drop off day removing 2,235 gallons of hazardous material from the waste stream.

Town Specific Annual Report 2020 - Randolph

North Country Home Health & Hospice Agency provides quality services that include home health, hospice, nursing, rehabilitation, social services, homemaking and long-term care in 48 towns, covering all of Coos County and northern Grafton County. **In 2020, for the Town of Randolph, we provided 58 visits with services to 7 clients.** We are committed to our community in that we provide community health clinics and screenings such as blood pressure checks, health education programs, and a bereavement support group.

Hospice Care focuses on quality of life and provides support to the patient and their caregivers in achieving their goals and wishes. Our compassionate team, made up of physicians, nurses, social workers, home health aides, spiritual counselors, therapists and volunteers, work with the patient to achieve their goal. Services provided to the patient and their caregivers include: management of pain and symptoms, assisting patients with the emotional, spiritual and psychosocial aspects of dying, and provides needed medications, medical equipment and medical supplies. Also included is family/caregiver education on the provision of care and short-term inpatient treatment for management of symptoms that cannot be managed in the home environment or is needed for caregiver respite. Bereavement counseling for surviving family members and friends is also provided. An individual electing hospice care is not giving up on living, rather, making the decision to focus on quality of life. Hospice care provides a high level of quality medical care with a different focus from the traditional medical model.

Home Health Care is critical to serving the growing health care needs of this community. Our skilled clinical team can monitor health problems and provide disease management within the comfort of the home setting, which helps prevent more costly health care such as hospitalization and long term institutional care.

North Country Home Health & Hospice Agency and our Board of Directors are extremely grateful to the Town of Randolph for its support of our agency. This allows us to fulfill our mission to provide services to all individuals regardless of their ability to pay. North Country Home Health & Hospice Agency is committed to providing services in Randolph to support clients and their families to remain in the comfort of their homes, in a safe and supportive environment, and to improve overall health outcomes in the community.

TRI-COUNTY COMMUNITY ACTION

Serving Coös, Carroll & Grafton Counties since 1965

Helping People. Changing Lives.

November 12, 2020

Town of Randolph
130 Durand Road
Randolph NH 03593

Dear Board of Selectmen,

I hope this letter finds you well. These are certainly challenging times for everyone, and I hope your municipality and its citizenry are adapting well to the “new normal”.

I write this letter regarding our FY21 municipal funds request to make you aware of changes to Tri-County Community Action Program that have impacted how we structure these requests. Historically, only a few programs requested funds out of the many that may be providing services in a community as part of Tri-County Community Action Program. For fiscal year 2021, we are asking for funds under one request as an agency and those funds will support **all** of the programs we offer in a municipality. Our goal in this methodology is to streamline our requests, provide municipalities with a standard formula that is consistent, fair and equitable to all the communities we serve, and reflects support for all of the services we provide in that community. Our formula for Coos County municipalities based on per capita population figures from the last census (2010) is \$2.50 per capita. All the municipalities that we request funds from in Coos County will be based on this formula and for the sake of transparency, we have included a spreadsheet detailing those requests and the formula calculation. We have also included a statistical sheet highlighting the number of individuals and families served in your municipality by our programs, as well as the services and their dollar value, if able to be calculated.

Municipal funds are a critical form of support for Tri-County Community Action Program and the many services we provide as an agency. The majority of our Federal and State grants require that the agency contributes a percentage of cash funds (also known as “match”) in order to receive those grant dollars. The match required may be anywhere from 20% to 50% of a total grant award and the rules around what type of dollars may be used as match can be stringent and specific. Often, they must come from unrestricted dollars. The agency simply is not eligible to receive Federal and State grant funds for projects and *put them to work in our communities* without

Tri-County Community Action Program provides opportunities to strengthen communities by improving the lives of low to moderate income families and individuals.

30 Exchange Street, Berlin NH 03570 P: 603-752-7001 businessoffice@tccap.org

TRI-COUNTY COMMUNITY ACTION

Serving Coös, Carroll & Grafton Counties since 1965

Helping People. Changing Lives.

unrestricted dollars to serve as match. In addition to filling funding gaps for direct client services, municipal dollars are what we count on to provide match.

Additionally, the Federal and State dollars that municipal funds help us leverage are funneled back into local economies through employment opportunities and the millions of dollars our agency spends locally on the purchase of goods and services to support our program operations. Our mission is to provide opportunities to strengthen communities: municipal funds help us fulfill that mission.

Historically, the Town of Randolph and its voters have been very supportive of Tri-County Community Action Program and the services we provide. We are grateful for that support and hope you will continue to support the agency and our programs as we transition our requests to a formula-based model. We understand that some communities might be asked for more and some for less than they are traditionally used to appropriating. It was a difficult decision for us to make this change, but we felt it was a necessary step toward making our municipal funding requests fair, equitable and consistent, town to town and year to year. Please feel free to contact me directly with any questions you may have regarding our new formula and the services we provide to residents of Randolph.

Thank you for your consideration of our request.

All the Best,

Jeanne Robillard, CEO
Tri-County Community Action Program

U.S. Department
of Veterans Affairs

January 15, 2021

Dear Veteran,

The White River Junction Veterans Affairs (VA) Medical Center would like to connect with Veterans in Vermont and New Hampshire who have served in the military and who may not be utilizing the full comprehensive VA medical benefits package that is available.

In Reply Refer to: 405/00

We are forever grateful for your service and wish to remind you that you may be eligible for important healthcare benefits and additional services. If you are not enrolled in VA healthcare or if you are enrolled but not currently utilizing services, we encourage you to consider how we may be able to support your healthcare needs and overall well-being!

The VA offers a wide variety of services ranging from assistance for Veterans seeking primary care services to various social support services. We have a robust mental health department offering one-on-one counseling, peer support (Veterans helping Veterans), group sessions, telehealth and more. We are proud to offer designated treatment areas for our women Veterans at the Women's Comprehensive Care Clinic in White River Junction.

The White River Junction VA Medical Center has seven community-based outpatient clinics located in Bennington, Rutland, Brattleboro, Newport and Burlington, Vermont; in New Hampshire we offer services in Keene and Littleton.

If you would like to enroll in VA Healthcare, please call (802) 295-9363 at extension 5118 or 6281. A single form - VA form 10-10EZ – and a copy of the DD214 is all that you need when applying. If you have any enrollment questions you can also send them directly to our enrollment email address below.

VHAWRJVeteranEligibility@va.gov

The American Legion, Disabled American Veterans and the Veterans of Foreign Wars have full time service officers that are knowledgeable about our programs. These independent organizations serve all Veterans including nonmembers in processing disability and pension claims. They can be reached in White River Junction at:

American Legion	802-296-5166
Disabled American Veterans	802-296-5167
Veterans of Foreign Wars	802-296-5168

Thank you for your service to our nation. On behalf of the White River Junction VA Medical Center team, we look forward to serving you.

Sincerely,

A handwritten signature in blue ink that reads "Becky Rhoads".

Becky Rhoads, Au.D.
Associate Medical Center Director

Welcome to Randolph, whether you are a new resident or returning after a time away!

- **The Randolph Story Slam** has four years of archived stories on the Foundation's YouTube channel. Just search "Randolph Foundation."
- **The Randolph Foundation Annual Meeting** is held each August. Check our website to confirm date and time, as well as location. We certainly hope to be able to meet in person this year! www.randolphfoundationnh.org

We here at the Randolph Foundation want to make sure you have some of the information you need to get settled in and comfortable here right away.

Publications will give you a sense of the community and its happenings:

- Mountain View—mailed quarterly
- Blizzard—mailed monthly from September to June
- Weekly—distributed each Friday during July and August (you can pick it up from distribution boxes around town or at the library)

Current and past issues can be viewed at randolphfoundationnh.org on the publications tab. To add your name to the mailing list, email Linda Dupont at selectmen@randolph.nh.gov.

Annual events of note (open to the public, but may still subject to COVID restrictions)

- Town meeting, 2nd Tuesday in March at 5:30 pm
- GRS Cooperative School District Meeting in March, FMI visit www.sau20.org
- Fourth of July Tea – Randolph Mountain Club sponsors this July 4th afternoon event
- Randolph Church services – Sundays, July to Labor Day Weekend, 10:30 am
- Dance around the Pumps – outdoor dancing at Lowe's Garage in late July
- Firemen's Pancake Breakfast – 3rd Saturday in August
- Charades Picnic – a Randolph Mountain Club event 3rd Saturday in August (for over 100 years!)
- Mildred Horton Book Club – 4th Monday of the month
- Town Christmas Party – be sure to contact Santa's elves if you have children under 10 (elves can be reached through the Selectmen's office)
- Caroling Party – Caroling to neighbors followed by a potluck get-together
- Christmas Eve Carol Service – 4:00 pm Christmas Eve at the Randolph Church

Library hours are varied to provide convenient access for residents, but currently suspended due to pandemic. Free wi-fi for patrons with their own laptops, and computers for those without will connect you to the world-wide web. Check out the extensive selection of best sellers, audio CDs and movies on DVD. In "normal times," the library also sponsors a number of activities, such as movie nights, children's story times, and book discussions. Call 466-5408 FMI or to check out books.

Lifeline is an emergency service provided to full-time and seasonal residents. See Randolph Foundation website for more information or to sign up.

Local Fire – Randolph's volunteer fire department receives back-up support from surrounding communities. Dial 911 for an emergency.

Local Police -- In an emergency dial 911 for assistance. Randolph receives support from Gorham and the State Police when necessary.

Recreation opportunities abound in Randolph, no matter the season. • The Ravine Pool site has swimming in the dammed pond during the summer (NOTE: NO lifeguard on duty, carry in carry out trash). • Durand Lake is a beautiful walk and you may see some wildlife. • The clay tennis court is maintained for summer play—if you are not familiar with clay courts, be sure to read the signs. • The Presidential Rail Trail is off-limits to motorized vehicles other than snow machines (when there is adequate snow cover), and is a perfect place for family bike rides or walks during the spring, summer and fall. • The Randolph Mountain Club maintains 100 miles of trails and organizes twice weekly hikes during the summer months. • Appalachia Trailhead is also nearby, and offers many miles of hiking trails, as well as access to the trails that lead to AMC Madison Spring Hut and the RMC Cabins and shelters on Mt. Adams. • Visit the new Community Forest Interpretive Trail at the very end of Randolph Hill Road. • Snowshoeing, skiing, canoeing, hiking, relaxing, swimming--you name it, you can probably do it here in Randolph!

Recycling is the first Saturday of the month. Place your separated items at the roadside by 7 am. You can find info about items collected and how to sort them at www.avrrdd.org.

Schools – The town of Randolph is part of the Gorham Randolph Shelburne Cooperative School District, with students attending the Ed Fenn Elementary for K-5, and Gorham Middle High School for 6-12. Call the Ed Fenn School 466-3334 or GMHS 466-2776 to register your child for school. For other questions, call the Superintendent's office at 466-3632 or visit www.sau20.org. Children's and youth sports and other programs are available through the Town of Gorham's recreation department. Visit www.Gorhamnh.org, choose Parks & Rec under "departments" tab.

Town Clerk and Selectmen's office hours – Life here in Randolph is a little more relaxed, and that lifestyle is reflected in our town office hours. The Town Clerk (for car registrations and titles, dog licenses, etc.) is open on Monday from 9-11 am, and Wednesday evenings from 7-9 pm. The Selectmen's office is staffed from 9 am to noon Monday through Friday. Phone for both is 466-5771. Website is randolph.nh.gov Call ahead to determine current protocol for visitors.

Trash day is Tuesday. Place your bagged trash in a container at the end of your driveway by 7 in the morning. DO NOT leave it out over night—you may attract bears, ravens, raccoons and other wild animals. Dump permits can be acquired through the selectmen's office.

Voter registration is done through the Town Clerk's office. See note above regarding hours.

SCHOOLS

Randolph is part of the Gorham, Randolph, Shelburne Cooperative School District. District information can be found at the SAU20 website: <https://www.sau20.org/>

SELECTMEN 466-5771 Selectmen@randolph.nh.gov

Michele Cormier, Co-Chairman Lauren Bradley, Co-Chairman John Turner, Selectmen

The Selectmen meet the second and fourth Mondays of the month at 7 PM. **Please contact the office to set up an appointment to meet with Selectmen. All meetings are open to the public.**

TOWN FOREST COMMISSION

John Scarinza, Chairman

The commission meets at 7PM at the Town Hall on the first Wednesday of the month. All meetings are open to the public.

TAX COLLECTOR 466-5771 TaxCollector@randolph.nh.gov

Anne Kenison, Tax Collector; Linda Dupont, Deputy Tax Collector

The tax collector is available by appointment, or you may pay your taxes at the Town Office during regular office hours, Monday, 9 AM to 11 PM and every Wednesday, 7 PM to 9 PM. Or Monday – Friday, 8:30AM – 12:30 PM with the Deputy Tax Collector.

TOWN CLERK 466-5771 TownClerk@randolph.nh.gov

Anne Kenison, Town Clerk;

The Town Clerk (or Deputy) is available at the Town Hall from 9 AM to 11 AM every Monday, and 7 PM to 9 PM every Wednesday. Please arrange to do your business at these times.

TRASH COLLECTION

Collected **every Tuesday**, beginning at 7 AM.

- Do not put out trash before Tuesday Morning – it attracts bears, crows, etc. **Please make arrangements for someone to put out your trash if leaving Town before Tuesday.**
- Do not place hazardous waste in your trash; there will be a special collection at AVRRDD, usually in June.
- It's illegal to place unprotected hypodermic needles in trash – use sharps containers and drop off at Androscoggin Valley Hospital.
- Permits are available at Town Hall to take bulky waste, refrigerators, air conditioners, or tires to the AVRRDD facility on Route 110 in Berlin.

RECYCLABLES COLLECTION

Recyclables must be separated and are collected on the first Saturday of each month beginning at 7 AM. Recyclables can also be dropped off at the AVRRDD facility on Route 110 in Berlin. **See the Town Website <https://randolph.nh.gov/> for more information on recycling or pick up a brochure at the Town Offices.**
