## Warrant

### STATE OF NEW HAMPSHIRE

Cheshire, ss.

To the inhabitants of the town of Winchester qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said Winchester on Tuesday, the thirteenth day of March next, at 9 o'clock in the forenoon to act upon the following subjects:

Article 1. To receive reports of the selectmen, town treasurer and other town officers, including agents and committees, and act thereon.

Art. 2. To choose all necessary town officers for the ensuing year.

Art. 3. To elect a Town Clerk and Town Treasurer for the ensuing year.

Art. 4. To elect one selectman for the term of three years.

Art. 5. To elect a member of the board of trustees of trust funds to serve for three years.

Art. 6. To elect three members of the board of trustees of the public library for three years.

Art. 7. To see how much money the town will vote to raise for salaries of town officers for the ensuing year.

Art. 8. To see how much money the town will vote to raise for expense of town officers.

Art. 9. To see how much money the town will vote to raise for registration and election expenses.

Art. 10. To see how much money the town will vote to raise for supplies and care of town hall.

Art. 11. To see how much money the town will vote to raise for the police department for the year ensuing.

Art. 12. To see how much money the town will vote to raise for the support of the fire department the ensuing year, or act thereon.

Art. 13. To see if the town will vote to pay the firemen anything in excess of amount allowed by law.

Art. 14. To see how much money the town will vote to raise for the health department for the ensuing year.

Art. 15. To see if the town will vote to raise the sum of nineteen hundred and ten dollars for street lights for the ensuing year, or act thereon.

Art. 16. To see how much money the town will vote to raise for general expenses.

Art. 17. To see how much money the town will vote to raise for the public library.

Art. 18. To see how much money the town will vote to raise for Memorial Day.

Art. 19. To see how much money the town will vote to raise for the care of the common, or act thereon.

Art. 20. To see how much money the town will vote to raise for care of cemeteries, or act thereon.

Art. 21. To see how much the town will vote to raise for town highway maintenance for the ensuing year.

Art. 22. To see if the town will vote to accept state aid for new construction, raise money therefor or act anything thereon.

Art. 23. To see how much money the town will vote to raise for obtaining and recording vital statistics the ensuing year.

Art. 24. To see how much money the town will vote to raise to pay interest on notes, both funded and temporary loans.

Art. 25. To see if the town will vote to build new sidewalks in the villages of Winchester and Ashuelot, raise money therefor or act thereon.

Art. 26. To act on a resolution requesting legislation: 1st, to fix the maximum price at which coal may be sold in any congressional district or part thereof; 2d, to provide for prior sales and shipments to consumers and to retailers of coal.

Art. 27. To see what action the town will vote to take in regard to cutting a pine tree or trees on the river bank in the village of Winchester, or act thereon.

Art. 28. To see if the town will vote to establish one electric light on the west side of the Ashuelot river near the Winchester tannery; also one at the corner of Lawrence and Mechanic street.

Art. 29. To see if the town will vote to raise and appropriate the sum of seven hundred and fifty dollars to aid the Winchester Visiting or District Nurse Association, or act thereon.

Art. 30. To see if the town will vote to purchase fire hose for Lower Village Ashuelot fire department, or act thereon.

Art. 31. To see if the town will vote to grant the fire department the same privilege in regard to the free use of the town hall as was granted last year.

Art. 32. To see if the town will vote to install a telephone in the Winchester fire station, or act thereon.

Art. 33. To see if the town will vote to exempt from taxation until March 31, 1933, the mills, machinery, aqueducts, and stock in trade of the Walker Woolen Company, or act thereon or in relation thereto.

Art. 34. To see how much money the town will vote to raise for Old Home Week.

Art. 35. To see how much money the town will vote to raise for care and improvement of the Musterfield, or act thereon.

Art. 36. To see what action the town will take towards establishing an electric light near the residence of the late E. O. Smith on Mechanic street, raise money therefor or act thereon.

Art. 37. To see what action the town will take looking towards the building of one or more cement culverts or bridges, raise money therefor or act thereon.

Art. 38. To see if the town will vote to extend the Richmond street permanent road, raise money therefor or act thereon.

Art. 39. To see if the town will vote to raise a certain sum of money for the purpose of improving the heater at the public library in the village of Winchester, or act thereon.

Art. 40. To bring in your ballots upon the question as to whether the amendment proposed by the convention to revise the constitution shall be approved.

Art. 41. To see if the town will vote to move the water tank from the present location, raise money therefor or act thereon.

Art. 42. To see if the town will vote to establish an electric light on Ashuelot street, to be located between the house of James Byrnes and the fire engine house, raise money therefor or act thereon.

Art. 43. To see if the town will vote to raise and appropriate the sum of three hundred dollars for the purpose of grading the piece of road from the Albee corner on Elm street to the intersecting road from the New England Box factory on Hildreth street; or act thereon.

Art. 44. To see if the town will vote to instruct the Town Clerk to compile, or cause to have compiled, an historical record of such property or properties as have been given to the town of Winchester, whether the same have been in real estate, cash, securities or other things of value, the same to be kept as a part of the public records of the town, or act anything in relation thereto.

Art. 45. To see if the town will vote to limit the edition of the town reports to be printed yearly to one copy for each taxpayer, resident and non-resident, with twenty-five additional copies to be distributed by the town clerk as the town may direct, or act anything in relation thereto.

Art. 46. To see if the town will vote to elect by ballot and by major vote a board of assessors that may constitute a continuing board of assessment, for the town of Winchester, and act anything in relation thereto.

Art. 47. To see if the town will vote to raise and appropriate the sum of one hundred dollars for the purpose of laying drain pipe on Park street to connect with Parker street sewer.

Art. 48. To see if the town will vote to raise one hundred dollars for state aid maintenance the ensuing year.

Art. 49. To see if the town will vote to raise the sum of three thousand five hundred dollars for Trunk Line maintenance the ensuing year.

Art. 50. To see if the town will vote to raise the sum of three hundred seventy-two dollars and fifty cents to pay premiums on insurance policies on town hall and Conant library.

Art. 51. To see if the town will vote to build a concrete bridge on the Trunk Line Road at Lower Ashuelot in the place of the bridge now in use, provided the state will pay according to the bridge law, raise money therefor, or act thereon.

Art. 52. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-sixth day of February, 1923.

CHARLES E. SLATE,  
BURTON G. WILLARD,  
EDWARD F. QUALTERS,  
Selectmen of Winchester.

A true copy of warrant—attest:

CHARLES E. SLATE,  
BURTON G. WILLARD,  
EDWARD F. QUALTERS,  
Selectmen of Winchester.

## REPORT OF THE TRUSTEES OF THE WINCHESTER PUBLIC LIBRARY

---

The Trustees of the Winchester Public Library herewith present to the town their thirty-first annual report.

The Trustees of the Winchester Public Library have found it increasingly difficult during the past years of rising prices to run and maintain the library on the small amount raised for that purpose. It may be of interest to the townspeople to learn that, while town appropriations for every other public institution have doubled and increased, the only addition to the library appropriation in all these years has been \$100. This means that we have to heat, light and repair the building, also to pay janitor and librarian and purchase new magazines and books on the small sum of \$600.

We are now facing furnace and other minor repairs which are most necessary if we are to keep the library open. This will mean a larger appropriation from the town and we hope that it will be forthcoming.

It is pleasing to note that the children are coming in larger numbers for books and magazines and it is our regret that we cannot afford more and newer books, both for pleasure reading and school reference.

The Book Committee has added a few new books during the past year. We wish here to thank several of the townspeople for their generous donations of books, for all such are much appreciated.

Respectfully submitted,

KATHERINE BALL, Secretary,

## SUPERINTENDENT'S REPORT

---

To the Board of Education and Citizens of Winchester:

I hereby submit my second annual report as Superintendent of Schools. It is a report of encouraging and satisfying progress on the part of teachers and pupils.

The plan of organization and supervision entered upon early in the school year of 1921-22 has been carried through with gratifying results. The periodic use of standardized tests in all the schools has made it possible for the superintendent to keep in close personal touch, not only with the work of the teachers, but with the work of each individual pupil as well. It has enabled him to locate definitely the specific weaknesses of pupils, classes, and teachers, and to discuss intelligently with teachers as to how best to go about it to improve undesirable conditions wherever they might exist. After locating definitely the weak points of pupils or whole classes by use of the tests, teachers have been enabled to concentrate their teaching efforts where they would do the most good. The interest of the pupils themselves in the test results has led to a much greater degree of spontaneous effort than is found among the pupils of most schools wherein the tests are not used.

The result has been rapid progress in the efficiency of school work. Last year the Winchester schools were reported to be from one-half to one and one-half grades below the average for the nation. At present they average less than a half year below, with continued efforts bidding fair to place them, by the first of June, well up to national standards. Then the schools of Winchester will be on a par with the best schools of the country as far as actual achievement of school work is concerned. The interested efforts and willing co-operation of the teachers in bringing about these results deserve our highest praise.

The teaching force this year is almost entirely new. The only teachers remaining with us from last year are Mrs. Daisy Thompson of the first grade and Headmaster Carl D. Grupe of the High School. Miss Ellen Kingsbury teaches Latin and French. Miss Mildred Connor has charge of the eighth grade room and teaches elementary science and mathematics. Miss Ingeborg Norling has charge of the seventh grade room and teaches all the English in the six upper grades. The elementary teachers are as follows:

Grade VI—Miss Nellie A. Sullivan (succeeding Mrs. Thacher who resigned in January).

Grade V—Miss Alice Maxfield.

Grade IV—Miss Marion Whelpley.

Grade III—Miss Mildred Sargent.

Grade II—Miss Margaret Madden.

Grade I—Mrs. Daisy Thompson.

Ashuelot Grammar—Mrs. Roy Flanders.

Ashuelot Upper Primary—Miss Jennie Qualters.

Ashuelot Intermediate—Miss Marion V. Fairbanks.

Ashuelot Lower Primary—Mrs. Gertrude Donovan.

Scotland—Mr. Lester H. Brooks.

Manning Hill—Miss Alice Wetmore.

Fosdick District—Mrs. Haskell.

Barber District—Miss Antoinette Lévasseur.

The beginning of the present school year was marked by a reorganization of the Winchester school system on what is known as the six-six plan; that is, six years of elementary school and six years of high school. A few words about the new high school plan may not seem amiss to citizens unfamiliar with the form and purpose of modern high school organization. Under this plan the high school begins with the seventh grade. Of the many advantages claimed for this type of organization, the two outstanding ones are: first, the bridging of the gap between elementary and high school subjects and methods of teaching; second, the greater efficiency of departmentalized teaching. Under the older form of organization the sudden change from elementary school subjects and methods of teaching, together with the much greater degree of independent effort and self reliance re-

quired of high school pupils, brought about the unnecessary discouragement and consequent failure of many first-year pupils. The newer type of organization minimizes this danger by gradually introducing pupils to high school subjects and methods in the seventh and eighth grades under specially trained junior high school teachers.

By departmentalized teaching we mean teaching so organized that each teacher handles only one subject or a small group of closely related subjects. That is, one teacher teaches all the English, another all the mathematics, another all the science, and so on. Under the old system one teacher taught all the subjects in her grade. No one can be an expert in everything. Consequently, the subjects in which the teacher was most interested were apt to be over-emphasized to the neglect of others just as important but in which the teacher was not particularly interested. Under the new plan each teacher is a specialist teaching the one thing she likes best and can teach best. The possibilities for increased teaching efficiency in such a system should be plainly obvious.

Another advantage is the fact that the seventh and eighth grade pupils come in contact with several teachers each day instead of only one and so are not kept too much under the influence of a single personality during these highly impressionable character-forming years of beginning adolescence.

Hence, the benefits of departmentalized teaching is prob-

ably the chief advantage of the six-year high school. At present Winchester is not realizing the full advantages of this type of organization because there are not teachers enough to make complete departmentalization possible. Each of the teachers has to handle one or more classes which she is not specially fitted to teach. Another teacher would enable us to do the thing right.

On February 12th the High School held its first session in the new High School building on Parker Street. This long-anticipated event was an occasion of great rejoicing to both pupils and teachers. The crowded, unsanitary conditions in the old building had become almost unbearable. The ease and despatch with which the change was made under the supervision of Headmaster Grupe, and the small loss of time in getting settled down to work in the new quarters, are highly commendable.

This new building is a just cause of pride to the townspeople. It is thoroughly modern in design and equipment. There are eleven class rooms, including the domestic science, manual training, and physics and chemistry laboratories. Excellent heating, lighting, ventilating and toilet facilities are provided.

Also on February 12th the first and fifth grades were moved back into the old building where there is now plenty of room

for them. Although the extreme congestion in this building is now relieved, the sanitary conditions are still disgraceful and should be remedied as soon as possible.

Another new feature of the year is the introduction of music, drawing and domestic science courses. By special arrangement with the Keene Normal School we were able to obtain a commercial teacher, a domestic science teacher, a music teacher, and a drawing teacher—four excellent teachers—for the price of one. Except for about fifty dollars' worth of supplies the instruction in music, drawing and domestic science will not cost the school district a single penny more than they would have had to pay without them. The domestic science teacher, of course, could not begin her work until the new building was ready, but she has been available at no extra cost since September 1.

A splendid new four-room school building is nearing completion in Ashuelot. It will probably be ready to move into for the spring term. Then all pupils in the Upper Village and all pupils above the second grade in the Lower Village will be assigned to the new building. It is planned to maintain a primary school of first and second grades at the Lower Village. This plan will require an additional teacher.

It is with sincerest thanks for and appreciation of your

splendid support of schools, teachers and superintendent that I present this report for your most earnest consideration.

Respectfully submitted,  
**SAMUEL S. BROOKS,**  
Superintendent of Schools.

**Centre School—Grade VIII**

Teacher, Verna Wadleigh

Number of weeks in year	36
