ANNUAL REPORT

OF

The Selectmen,

AND OTHER

TOWN OFFICERS,

OF

CANAAN, N. H.,

FOR THE

Year Ending February 15, 1894.

CANAAN, N. H.: REPORTER POWER PRINT, 1894.
Special Notice,

To Consumers of Flour.

It is a good rule to refuse all imitations of a good thing. Notwithstanding our repeated warnings, there are yet several merchants who persist in offering a grade of flour marked "B" usually sold by Drummers to dealers, who are not receivers from the manufacturers, and purporting to be "the same thing" or "just as good as" the "B" flour we offer and recommend to the public.

We adopted this name for the flour we sell some ten years ago, and the flour has given such good satisfaction that it is no wonder that some unscrupulous dealers have adopted and continue to use the same letter (B) as we have done all these years, probably the better to palm off an inferior quality of flour, which is not only to the detriment of our goods, but is a down-right imposition on people who think they are buying one thing, and at the same time are being deceived by having something of a poorer quality thrust upon them.

We have been compelled in order to maintain our reputation on this particular article, and to protect our customers from being imposed upon in such an underhanded manner, to place our name, with a stamp, upon the HEAD and SIDE of every barrel, and if you see any "B" flour masquerading around the country and cannot find our name stamped as above, shun it and pass by on the other side.

We are the sole shippers of this flour for this part of the state. No one can buy it except through our hands, and if any one tells you to the contrary you will have good grounds to disbelieve him or them.

Look for that stamp on the head and side of every barrel, and you will not be imposed upon any more. You can obtain this "B" flour at a reasonable price of

F. S. GORDON, Enfield Centre,
JOHN FERNALD, Canaan,
G. W. DUNBAR, Grantham,
SMITH & DOROTHY, Enfield,
and go away feeling that you have not been swindled into buying something you did not intend to.

There are no unsettled bills against the District. The Selectmen have made an apportionment of the school property. The Canaan School District is to pay the Canaan High School District, $100. This is to be paid by Sept. 1, 1894. Canaan High School District pays 2-5 of C. P. King's bill, viz., $5 88, which we have paid, leaving no debts against the Canaan School District outstanding at the time of the creation of the High School District.

REMARKS.

The high per cent. of daily attendance and small number of tardy marks show the interest of both pupils and parents, and in the judgment of the School Board all three of the schools have been, so far as they could be, with the present classification, a success. There should be four departments, viz., High, Grammar, Intermediate and Primary. A less number of school weeks with four teachers would be preferable.

Respectfully submitted,

GEO. W. MURRAY, FRANK D. CURRIER, GEO. E. LEET,
