"Shots in the Dark"

New Students Enrolled in the fall of 1966

Freshmen and Transfer Students
EDITOR'S NOTE:

These photographs are of students who attended the Summer Orientation Program, 1966, and those who sent in their graduation pictures. Those who did send in their high school graduation pictures will find them toward the end of the book. This was done due to the high cost of reproducing them individually throughout the book.

MEET YOUR FRIENDS

AT

La Catina

Try an unconventional approach
Let the other guys in your fraternity house run after that new doll on campus. Relax, she'll pick you out from the crowd when you wear a Cricketeer Scotsweigh Tweed Sportcoat. She'll really be impressed with the great-looking Shetland fabric and the bold heather colorings. Looks like you'll be sharing her notes in no time at all.
