TOWN WARRANT

STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Stratham in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Lower Town Hall in said Stratham on Tuesday, the 11th day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the town will vote to raise and appropriate two hundred thirty seven dollars and eighty eight cents (\$237.88) against the State's fifteen hundred eighty five dollars and eighty eight cents (\$1,585.88) for State Aid Construction.

4. To see if the town will vote to allow one percent discount on such property taxes as are paid by August 15th, or within thirty days from the day upon which the collector receives his warrant, whichever is later; the date to be printed on the tax bills.

5. To see if the Town will vote to authorize and empower the Planning Board to approve or disapprove, in its discretion, plans showing new streets or the widening thereof, or parks, and upon adoption of this article, it shall be the duty of the Town Clerk to file with the

Registry of Deeds of the County of Rockingham, a certificate or note showing that the said Planning Board has been so authorized, giving the date of authorization, as provided in Sections 19-29 inclusive, Chapter 36 of the New Hampshire Revised Statutes Annotated, 1955.

6. To see if the Town will vote to adopt as a town ordinance, for the protection of the clams and oysters within the town limits, the Regulations for the Taking and Possessing of Clams, Clam Worms, and Oysters, promulgated as of February 1, 1958, by the Director of the Fish and Game Department; including the ten dollars penalty for any violation thereof, and all other provisions as therein more fully setforth; and to delegate to the said Director and the officers of the Fish and Game Department the authority to enforce said ordinance and regulations in the Town's behalf within the Town limits; such ordinance to remain effective until these regulations are changed or superseded by the Director of the Fish and Game Department.

7. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000) to remove obstructions and to make improvements on River Road.

8. To see if the Town will vote to raise and appropriate the sum of four thousand dollars (\$4,000) to complete the repairs necessary from fire damage to the Town Hall.

9. To see if the Town will appropriate the sum of \$10,000 to purchase a new fire truck, said sum to be raised by the sale of the Town's notes or bonds, the same to be paid over a period of not more than 5 years; matters of form, rates of interest, dates of issue and date of payment to be left to the discretion of the Selectmen.

10. To see if the Town will vote to raise the salary of the Town Treasurer from \$125 to \$200 per year.

11. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

12. To transact any other business that may legally come before this meeting.

(The polls will be open from 10:00 A.M. to 6:00 P.M. at the Lower Town Hall to elect Town Officers; discussion and action on the articles in the warrant at 8:00 P.M. at the Town Hall.)

Given under our hands and seal this 18th day of February, in the year of our Lord nineteen hundred and fifty-eight.

JOHN A. HUTTON, JR.,

ROBERT T. WIGGIN,

ROBERT L. ELMORE,

Selectmen of Stratham

REPORT OF THE STRATHAM VOLUNTEER FIRE DEPARTMENT

Feb. 15, 1958

As this is the first printed appearance in a Town Report, a brief resume of the department's activities is in order. The 100% volunteer fire department is organized into administrative and operational branches.

The administrative officers consist of a President, Vice President, Secretary, Treasurer, elected by the department in March of each year. Meetings are held on the first and third Tuesdays of each month at 8 p.m. at the fire station. It is the duty of the administrative officers to supervise department meetings of any business or recreational nature and to record and file such information.

Operations officers are the men in charge of any fire business, from drill to actual fire fighting. They consist of Chief, 1st Assistant, 2nd Assistant, Captain, Lieutenant, Steward. The responsibility of the success in fire work rests with these men and to date the records show they have been selected with this in mind.

The department was organized in March, 1951, presided over by charter President John Cole. By-laws were adopted, a Charter was secured from the State and a pattern set which carries nearly intact to our present day department. We have approximately fifty dues-paid members and an active Ladies Auxiliary. Each department member is insured during his time of active fire-fighting and the department as a whole belongs to the area's successful Mutual Aid organization.

Generally the financing of the department operation costs is carried by the town, i.e. heating of the building

and some truck and maintenance supplies. All work is voluntary and considerable equipment and supplies are contributed by the firemen, auxiliary and the combined money-raising plans with other community organizations. Auctions, card parties and suppers help support this fund.

This past year has seen a minimum of calls, the only serious fire being on the Wells place on Stratham Heights area. The operations officers head competitive drill teams which may be seen practicing throughout the year. These drills have acquainted every member of the department with all phases of fire-fighting to which he may be exposed.

Our equipment, station omitted, isn't exactly ideal and with growing property values we are ambitious to correct our "weak link". Our immediate needs consist mainly with a new pumping engine complete in dependability. Committee work is being done and we feel it time to present this to the town. A considerable sum has been saved by the department, earmarked for this and we ask the town to help themselves to a vital improvement. Please support the article in the warrant.

AUDITORS' REPORT

We have this day completed the audit for the Town of Stratham, and have examined the accounts of the Town Treasurer, Selectmen's Ledger and Vouchers, Road Agents Accounts and Payrolls, Library Funds, and Bonds of all Town Officers, also Notes and Bonds Payable, and find all accounts properly cast and balanced.

JAMES SCAMMAN
 FRANCIS WIGGIN

NEW HAMPSHIRE SEACOAST REGIONAL DEVELOPMENT ASSOCIATION

Report of the President and Executive Secretary
Year ending September 15, 1957

This twenty-third annual report will briefly touch upon some of the more important events of the Association's activities.

The distribution of our ever popular information and guide book "The Seacoast Region of New Hampshire Awaits Your Pleasure" has been significant in that a record number have been mailed directly to individuals definitely interested in the Region and the State.

More than forty percent of the 25,000 published have been sent to these individuals upon personal request and through selections from authentic lists of inquiries for the information the book contains. The remaining sixty percent were effectively used through the various valuable information services in the United States and Canada.

The six regional associations joined in an exhibit at the Boston Herald Travelcade in November 1956 and will participate again in October 1957.

The \$1,171,000.00 Federal Project removing hazards to navigation in Portsmouth Harbor and the Piscataqua River is now completed. A resolution for authorization of further surveys in the upper part of the River has been presented by Congressman Chester E. Merrow to the Public Works Committee of the U. S. House of Representatives.

Sponsored by the (State) Harbor Advisory Committee of which the Executive Secretary is Chairman, legislation creating a New Hampshire Port Authority has been enacted.

Full surveys of Rye and Hampton Harbors by the U. S. Army Engineers have been completed and favorable reports are expected soon.

Determined efforts have been exerted for reconstruction of the State Pier at Hampton Harbor.

Funds have been allotted for a study by Army Engineers on extention downstream of the Cocheco River Flood Control Project.

Legislation recreating the N. H. Shore Fisheries Advisory Committee has been enacted.

Sponsored by our Mosquito Control Committee, legislation enabling establishment of insect and pest control districts in the State has been enacted.

The Association services through the Executive Secretary and Prof. C. F. Jackson of our Fisheries Committee, cooperating with the Portsmouth Rotary Club, the Portsmouth Y.M.C.A., Camp Gundalow and the Town of Greenland, were instrumental in securing the Winnicut River Dam.

Extensive data on the Region for a directory of Historic Lore in New Hampshire was compiled by Mrs. F. W. Randall for our Historic Sites Committee.

Legislation for the study of the pollution problem in Great Bay and the Rivers has been enacted.

Through action of our Agricultural Committee in addition to 4-H Clubs merit awards, the club leaders now receive the National 4-H News Magazine.

Some of these objectives were initiated or sponsored by the Association and in others every possible assistance has been extended. Special consideration should be given to the good services of our legislators. In these and other endeavors our associations with other groups and agencies, Local, State and Federal have been harmonious and productive.

Also the cooperative work of the Six Neighborly Regions of New Hampshire has brought forth many expressions of commendation. Our greatest need is more interest and support in our constructive purposes.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Stratham, N. H. qualified to vote in district affairs:

You are hereby notified to meet at the Memorial School in said district on the 10th day of March 1958, at 8 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
8. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the District and to authorize the application against said appropriations of such sums as are estimated to be received

from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriations, which balance is to be raised by taxes by the town.

9. To see if the district will vote to send the grade 7-12 students to Exeter on tuition basis provided that Exeter furnishes additional facilities to house these students in the near future.

10. To see if the district will vote to authorize the employment of a helping teacher for the Exeter Supervisory Union No. 16, as provided in RSA 186:11, XXII and XXIV, as amended by the Laws of 1957, Chapter 252:2, starting with the school year 1959 - 1960.

11. To see if the school district will adopt as its school check-list the Town check-list, as provided in RSA 197:12a, as inserted by Laws of 1957, chapter 57; this provision to be effective for the 1959 and subsequent annual district meetings.

12. To transact any other business which may legally come before the meeting.

Given under our hands at said Stratham this 21st day of February, 1958.

Food	\$1,624.12	
Labor	1,460.88	
Others	161.39	
Total Expenditures		\$3,246.39
Balance June 30, 1957		\$628.99

PAULINE F. SCAMMON,

Auditor

REPORT OF THE SUPERINTENDENT

To the School Board of Stratham, New Hampshire:

The school year 1957-1958 opened with the following teaching staff:

Mrs. Gwendolyn Allen, Principal and teacher of Grade 6
Mrs. Marion Burwell, Grade 7
Miss Deborah Partiss, Grade 5
Mrs. Bertha Wiggin, Grade 4
Mrs. Gladys Clements, Grades 2 and 3
Mrs. Hilda Barker, Grades 1 and 2
Miss Mary Shea, School Nurse
Mrs. Eleanor Henry, Music Teacher

The list includes two additional teachers, Miss Partiss of Wolfeboro and Mrs. Burwell of Exeter.

It was found that both Mrs. Barker's room and Mrs. Clements' room had thirty-four pupils which gave each teacher a very heavy load especially because of their being in the primary grades. To improve the situation Mrs. Anna Tucker was employed to teach the second grade each morning during which period Mrs. Barker teaches the first grade and Mrs. Clements teaches the third grade. The work is planned so that the basic subjects such as Reading, Arithmetic and Spelling are taught in the morning, and in the afternoon are taught the subjects which can be handled more easily with larger groups such as Social Studies, Writing, Art and Music.

The staff is well prepared, conscientious and diligent, and the teachers are providing good training for the pupils.

The completion of the addition to the building in time for the opening of school was a real accomplish-

ment and I believe the members of the Building Committee, the contractor and the architect all deserve a great deal of credit for a job well done. The addition gives the Stratham School District an excellent building with the facilities that are needed for the successful operation of the school. The citizens are to be congratulated for their willingness to invest the necessary money to provide this building to be used for the educational training of their boys and girls.

The six school districts of East Kingston, Exeter, Kensington, Newfields, Stratham and Brentwood for the past year have been studying the pros and cons of forming a cooperative district at the junior-senior high school level. The idea was discarded when it became apparent that there would be no financial advantage to the Exeter School District which would bear 71% of the cost in the formation of such a cooperative.

A better arrangement as far as Exeter is concerned would seem to be in the direction of Exeter's financing an addition to the present high school plant and then entering into a contract arrangement for tuition with the surrounding districts that would like to send their students to Exeter either for Grades 7-12 or 9-12. The Exeter School Board is presenting such a plan for an addition to the Exeter voters this year.

In order to give support to the Exeter proposal, the school boards in the other five districts which participated in the cooperative study have agreed to place an article in the school warrant asking the voters to vote on the matter of sending students to Exeter if suitable housing facilities are provided. This will give Exeter the needed information as to the size of the addition that should be planned as well as some ideas as to the tuition revenue that may be forthcoming.

I feel very strongly that Exeter should continue to be the educational leader and center at the high school level for the surrounding area and I sincerely hope that Exeter and the bordering school districts will give full support to the above plan.

The school enrollments of the six districts which comprise Supervisory Union No. 16 have grown 58% during the last ten years that I have been superintendent. This increase is from 1245 pupils in 1948-1949 to 1966 pupils in 1957-1958. Because of this growth it is obvious that the work loads of the school nurse, the Union secretary and the superintendent of schools, who are the Union employees, have increased proportionately.

At the Supervisory Union budget meeting in November, it was voted to furnish an assistant nurse to work with Miss Shea, and to increase the secretarial help in the superintendent's office so that one and one-half secretaries would be provided instead of the present one and one-quarter. This action is to become effective in September, 1958.

It was also agreed that the first step towards providing assistance for the superintendent would be taken at the school meetings this year. This would be in the form of an article asking the voters to consider the addition of a Helping Teacher effective in September, 1959. Such a person would assist the superintendent in many ways but his primary function would be that of an elementary supervisor who would work closely with all of the elementary teachers in the Union in coordinating the elementary program and suggesting improved methods of teaching.

A state law provides for five assistant superintendents and these are located in the larger cities. It also provides for administrative assistance in the larger supervisory Unions through the so-called Help-

ing Teacher. The law states that whenever a majority of school districts in a Union representing not less than 85% of the total pupils vote favorably, a Helping Teacher may be established.

At present there are ten unions which have Helping Teachers as follows: Milford, Plaistow,, Lebanon, Peterborough, Tilton, Hampton, Hudson, Derry, Newport and Laconia. The state pays \$2,500 of the salary of this person. The remainder of the salary is pro-rated according to the Supervisory Union percentages.

I believe that the addition of a Helping Teacher would do much to strengthen the educational program in our Union.

I am pleased that the eighth grade students may attend the Junior High School in Exeter next year.

Mr. Alfred Fischer as janitor is very conscientious in his work and takes pride in keeping the building clean and tidy.

The hot lunch program is again capably operated by Mrs. Naomi Beairsto and Mrs. Ruth Young.

The Parent-Teacher Association continues its good work by supporting the school program in many ways.

I call your attention to the reports of the school nurse and of the music teacher and to the tables which follow.

I extend my appreciation to the citizens, the members of the School Board and the teachers for their continued support and cooperation.

Respectfully submitted,

RAYMOND A. HOYT,

Superintendent

Supervisory Union No. 16

Stratham, New Hampshire
January 17, 1958

REPORT OF THE MUSIC SUPERVISOR

To the Superintendent of Schools :

A well-rounded music program should provide the pupils with certain musical experiences each year, so that there is necessarily some repetition in the yearly music report.

Each pupil should have the chance to experience a wide variety of pleasant musical activities with the hope that from these he may find something that will help enrich his life.

Singing provides an excellent means of self-expression. Helping a child find his singing voice is extremely important in the lower grades. Rote songs, singing games and action songs provide happy experiences for first and second graders. When a child reaches the point of reading readiness, he is provided with a song book. Modern music books contain a wealth of good singing material. Folk songs, religious and patriotic songs, and songs that can be used in correlation with other studies are included. Two-part singing is generally begun during the last part of the fourth grade, with three part singing beginning in the sixth grade.

Rhythms are another important means of self-expression. Clapping, walking, running, skipping, galloping, see-sawing and skating to music are a few examples of lower grade rhythmic activities. Rhythm band and dancing are included in the program. Folk and square dances are enjoyed by the pupils of the upper grades.

Work with tonettes, listening to records, learning the fundamentals of music and note reading are included in the music program each year.

In the fall new music books were purchased for the seventh grade and for the third grade.

The school is very fortunate in having Mr. Preble for a band instrument instructor. As of January first, 1958 there were twenty-six pupils receiving instructions. Of these, there were two in the third grade, twelve in the fourth grade, three in the fifth grade, eight in the sixth grade and three in the seventh grade. Three pupils were taking lessons on the drum, eleven on the clarinet, three on the cornet, four on the flute, one on the saxophone, two on the trumpet, one on the French horn and one on the baritone horn.

We are very grateful for our new stage, upon which a Christmas program was presented prior to the Christmas vacation. Much credit should be given to all the teachers for their hard work in helping to make this program a success.

In closing, I wish to thank Mr. Hoyt, the Stratham School Board, the Parent-Teacher's Association, the parents and the teachers for their co-operation.

Respectfully submitted,,

ELEANOR HENRY

Stratham, New Hampshire
January 24, 1958

SCHOOL HEALTH REPORT

To the Superintendent of Schools:

The past year has been an average one in regard to the health of the Stratham school children. Because of the increase in the number of children throughout the Supervisory Union, health education has had to be curtailed in favor of the service end of the school health program. We hope that this part of the program, as well as an increase in service, will be available next year with the addition of an assistant nurse.

Ninety-eight per cent of all the children have received their third and final polio shots. Vision tests have been completed on most of the children.

Physical examinations were made on the pupils in grades 1, 3 and 6. This important service was sponsored by the P.T.A. with Dr. John Tuthill as the examining physician. Many minor physical conditions were found, the children were referred to their family physicians. Prior to this examination, each child was given a sugar and albumen test. Results of these tests showed two children who needed follow-up work and these were referred to their family doctors.

The completion of this year's health program will include:

1. Finishing vision tests.
2. Giving hearing tests.
3. Holding a clinic for booster shots for tetanics, diphtheria, and whooping cough.

Our sincere thanks to all the teachers for their help in our program; to the P.T.A. for its assistance; and

to the School Board for providing additional nursing assistance for the coming year. This assistance should pay off in dividends by protecting the health of the school children to a greater degree.

Respectfully submitted,

MARY G. SHEA, R.N.

School Nurse
