

The Town of Wentworth New Hampshire

**Annual Report
2012**

In 1850 George S. Dean, owner of a three-story house in the center of town prior to the 1921 fire, built a store on the north side of the street in the Village. In 1907, John A. Davis purchased this store. In 1859 Albert S. Hammond built a store on the south side of the street, shown on the cover of this book, and there served the town as post-master and storekeeper. Eastman and Brown followed Hammond in 1873, and in 1907 John P. Currier followed Eastman in the business. Depending upon the political climate and convictions of the town, the post office was housed in one or the other of these two stores for over half a century.

Advertising flyers of Eastman and Brown provide an interesting contrast in style and simplicity when compared with present methods. J. B. Brown, while in business, advertised 'Candee' specialties in rubber boots and shoes hailed as the finest goods made in the world. Eaton and Davis advertised Hoyt's German Cologne, promoted as the most fragrant and lasting of all perfumes, and Rubifoam was sold to keep the teeth white. Merchants sold dry goods, groceries, drugs, hardware and crockery, and even sewing machines! And this was only the tip of the iceberg representing the many essential items advertised and readily sold in Wentworth stores a century ago.

Picture identification by George Gove (1898-1980):

Fred Radford, with wheelbarrow and children
Virginia Eaton and Jim Brown's wife in corner
Frank Morey, seated left of door
Jim Brown, right of door with white apron
Fred Blodgett, white parcel in hands
Arthur Kimball
Fred Blodgett's horse with express wagon
Arthur Kimball's horse at edge of picture

Building located on site of present Post Office. Fire erupted in this building on September 5, 1921, and leaped across the street and onto the hill northerly.

All three Cemeteries are looking for members to serve as Officers or attend meetings. If you have a family member or loved one interred in any of our cemeteries, you are qualified to serve on the Board and vote in the Annual Meetings. Please contact the President of the cemetery for information. Thanks!

2012 Selectmen Report

The Board of Selectmen was busy this year in support of many initiatives and projects. They included another revaluation of property values to correct the mistakes made in previous assessments. We contracted with Avatar Associates for this effort. Working with the State DRA many known problems were corrected, and others found and resolved. The Board of Selectmen wishes to thank all property owners involved for their patience and understanding while these assessments were corrected.

Other efforts this year included the final pavement of Atwell Hill Road, the lease of a new Town Highway truck, and clearing of roadway rights of way in preparation for installing drainage ditches and under roadway water diversion piping. Again this year all the town roadways were mowed and cleared of brush.

The Board worked with Highway, Police, and Fire Departments to update our Hazard Mitigation Plan. With a grant from FEMA, we contracted with Mapping & Planning Solutions of Twin Mountain, NH to develop this update. Many thanks to all the Departments for the time they put into this effort. The final Plan should be completed by mid 2013. Copies will be available at the Town Office and on the Town website.

The Town website is available to anyone that needs information on Wentworth town governments and services. The URL address is: <http://www.wentworth-nh.org/>. If you do not have access to a computer, stop by Webster Memorial Library and use theirs. Most Town departments have their own sections of the Web Site with hours of operation and many other important notices, including an Events Calendar.

A number of Town owned properties were sold this year and monies returned to the General Fund to lower the tax rate. The remaining properties may be seen on the Town Website, or you may call the Office of Selectmen for a list.

Volunteers in the Wentworth community contributed much to the improvement of the Riverside Park and Hamilton Field this spring and summer; partially restoring these valuable Town assets in the wake of Hurricane Irene. More work will need to be done using heavy equipment after a Dredge and Fill permit approval. The men, women and young people that contributed to this project are too numerous to list here, but the Board on behalf of the Town offer them thanks and our gratitude. Volunteer members of all area organizations and Town Departments enrich the lives of the community as a whole, and they deserve our gratitude and respect.

The Board would like to acknowledge the retirement of our Town Clerk / Tax Collector, Donna King. Donna has provided leadership in her position and has put procedures and systems in place that have modernized the operations of the TC/TC Offices.

The Selectmen's Office is available to serve our residence's needs during normal working hours. Please contact our capable assistant, Catherine Stover at 764-9955

State of New Hampshire
Town of Wentworth

Warrant for year 2013 Town Meeting

To the inhabitants of the Town of Wentworth, in Grafton County, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified that the Annual Town Meeting of the Town of Wentworth, New Hampshire will be held at the Wentworth Elementary School, 1247 Mt Moosilauke Hwy, Route 25, Wentworth NH on March 12, 2013.

The polls will open at 11 AM and close at 7 PM to vote on Article 1 (the election of Town Officers). All other articles will be presented, discussed, and acted upon beginning at 7 PM.

1. To choose all necessary Town Officers for the ensuing year. (By Official Ballot)
2. To receive reports from the Selectmen, Town Clerk/Tax Collector, Treasurer, Auditors, and other Town Officers; and to vote on any motion relating to these reports.
3. To see if the Town will vote to raise and appropriate the sum of **\$286,257** for **General Municipal Operations** for the purposes detailed in the operating budget posted with the warrant. This article does not include any amounts contained in any other article. (Majority vote required).
4. To see if the Town will vote to raise and appropriate the sum of **\$16,233** for the following Health Agencies and Organizations:

American Red Cross (provides emergency & disaster relief)	\$400
CADY (Communities for Alcohol and Drug free Youth)	\$500
CASA (Court Appointed Special Advocates for children)	\$500
Genesis (mental health care)	\$1250
Grafton County Senior Citizens (meals, transportation & day service)	\$800
Mid-State Health Center	\$900
Mt. Moosilauke Health Center (healthcare & counseling)	\$2500
Pemi-Baker Community Health (homecare, hospice & family health)	\$4150
Tri-County CAP (fuel assistance, food, electrical & referral assistance)	\$2000
Visiting Nurse Alliance of NH/VT (homecare, hospice & family health)	\$1733
Voices Against Violence (service & education for domestic & sexual violence)	\$1500

5. To see if the Town will vote to raise and appropriate the sum of **\$4,200** to be expended by the **Planning Board** in connection with its activities for such purposes and such uses as deemed necessary by the Planning Board.
6. To see if the Town will vote to raise and appropriate the sum of **\$29,000** for the maintenance of the **Fire Department** for the ensuing year, of that amount \$2,000 turned back monies from the 2012 operating budget, to come from the Unexpended Fund Balance and \$27,000 to come from 2013 general taxation.
7. To see if the Town will vote to raise and appropriate the sum of **\$180,000** to purchase a new **Fire Truck** to replace the 1985 Chevy mini pumper/rescue truck, of which \$176,000 to be withdrawn from the Fire Truck Capital Reserve Fund and the remaining \$4,000 to come from 2013 general taxation. The Selectmen recommend this appropriation.
8. To see if the Town will vote to raise and appropriate the sum of **\$84,855.00** to purchase a new **Dump Truck/Snow Plow**, to replace the 1997 350 Ford 4X4, of which \$30,000 to be withdrawn from the Highway Equipment Capital Reserve Fund and the remaining \$54,855 to come from 2013 general taxation. The Selectmen recommend this appropriation.
9. To see if the Town will vote to raise and appropriate **\$326,159** for **Town Highways**, bridges and lighting for the ensuing year, of which \$25,800 to come from Unreserved Fund Balance, and \$300,359 to come from 2013 general taxation.
10. To see if the Town will vote to raise and appropriate the sum of **\$2,100** for costs and expenses associated with **Animal and Pest Control**.
11. To see if the Town will vote to raise and appropriate the sum of **\$400** to be expended by the **Trustees of the Trust** Fund for expenses related to attending conferences and training as deemed necessary by the Trustees.

12. To see if the Town will vote to raise and appropriate the sum of **\$161** to be used for participation in **pbCAM (Pemi-Baker Public Access Media)** for the purpose of making video recorded meetings (school board, selectmen, etc) available for cable television viewers. This amount to be expended from unexpended fund balance from revenue received from the Time Warner franchise fees. No money to be raised from taxation.
13. To see if the Town will vote to raise and appropriate the sum of **\$80,000** to be placed into the following **Expendable Trust Funds and Capital Reserve Funds**: Board of Selectmen recommend this appropriation.

a. Fire Truck (est. 1984)	\$15,000
b. Hwy Equipment & Vehicle (est. 1973)	\$15,000
c. Police Cruiser (est. 1993)	\$8,500
d. Town Bridges Fund (est. 2006)	\$1,500
e. Road Paving (est. 2002)	\$20,000
f. Fire Dept Site (est. 2004)	\$15,000
g. Transfer Station Recycling (est. 2008)	0
h. Town Hall Exp Trust (est. 2005)	0
i. Revaluation	\$5,000

14. To see if the Town will vote to raise and appropriate the sum of **\$88,690** to pay for the disposal and hauling of solid waste and associated costs of maintenance for the Town **Transfer Facility**, of which \$12,550 to be withdrawn from the Expendable Transfer Station Recycling Capital reserve, for the purpose of building recycling pad and ramp, and the remainder of \$76,140 to come from 2013 general taxation. The Selectmen recommend this appropriation.
15. To see if the Town will vote to raise and appropriate **\$600** to be expended by the **Conservation Commission** in connection with its activities for such conservation purposes as set forth in RSA ch. 36-A, at the discretion of the Conservation Commission.
16. To see if the Town will vote to raise and appropriate the sum of **\$73,930** for the maintenance of the **Police Department** for the ensuing year, of which \$4,500 to come from the Unreserved Fund Balance, and the remainder of \$69,430 to come from 2013 general taxation.

17. To see if the Town will vote to raise and appropriate the sum of **\$19,500** for operating expenses for **Ambulance Services**.
18. To see if the Town will vote to raise and appropriate the sum of **\$4,764** for the **Parks and Recreation** for the general maintenance of parks, including the Common, Library, Riverside Park, and Hamilton Memorial Field and for the remaining repair of damages caused by Hurricane Irene. \$1,163 to come from unreserved fund balance and \$3,601 to come from 2013 general taxation.
19. To see if the Town will vote to raise and appropriate the sum of **\$38,619** for the **Webster Memorial Library** expenses; \$4,198 to come from Library income, and the remaining sum of \$34,421 to come from 2013 general taxation.
20. To see if the Town will vote to raise and appropriate the sum of **\$1200** for the upkeep and maintenance of the Wentworth **Historical Society** and the grounds on which it is situated.
21. To transact any other business that may legally come before the meeting.

Motion to accept: Richard Burne. Second: Timothy Minear
Article Passed by voice vote

22. To see if the Town will vote to approve the following **Racetrack Ordinance:** (Board of Selectmen recommend this)
Motion to accept: Bruce Welch, Second: Paul Davis Jr.

**TOWN OF WENTWORTH
Racetrack Ordinance**

Pursuant to RSA 31:41-a and RSA 31:39, it is hereby ordained by the Town of Wentworth, New Hampshire, as follows:

For the purpose of protecting the public health, safety and welfare, and to protect the environment and quality of life in the Town, the following Rules and Regulations apply to racetracks in the Town of Wentworth.

I. Definitions.

For purposes of this ordinance, the terms below are defined as follows:

- a. Hours of Operation: Times when Motor Vehicles are operated on a racetrack, regardless of whether a Motor Vehicle is operated individually or with other vehicles on the racetrack, including but not limited to races, practices, qualifying, or time trials.
- b. Motor Vehicle: Any self-propelled vehicle, except tractors, activated by an internal combustion engine and not operated exclusively on stationary tracks.
- c. Track Operator: Any individual, partnership, corporation or other entity proposing to operate, or operating, a motor vehicle racetrack.

II. Licensing of Motor Vehicle Racetracks:

- a. Annually, every Track Operator within the Town of Wentworth shall apply for and obtain a Racetrack License from the Board of Selectmen. Said license shall be conditioned upon the Track Operator's satisfaction of all requirements of this ordinance.
- b. Each race that is conducted without a license shall constitute a separate violation for purposes of this ordinance.
- c. The Board of Selectmen may fix a fee of up to \$100 annually for the operation of such racetracks.

III. Hours of Operation:

- a. Hours of Operation shall be permitted on only one day per weekend (Friday, Saturday, or Sunday) unless additional Hours of Operation are requested by the Track Operator and approved in advance by the Board of Selectmen.
- b. Hours of Operation shall not begin before 9 a.m.. On Fridays and Saturdays, Hours of Operation must end before 10:00 p.m. On Sundays, Hours of Operation must end before 9:30 p.m. All loud noise generated by Motor Vehicles (e.g., revving of engines) shall be prohibited outside the permitted Hours of Operation.

IV. Public Safety:

- a. Through the execution of agreements with the Town of Wentworth Police Department and Fire Department, every Track Operator shall provide for the presence of the following at its racetrack during Hours of Operation:
 - i. Police officers in such number as is required in writing by the Police Chief in his discretion pursuant to RSA 105:9, III-IV.
 - ii. An ambulance if deemed necessary in writing by the Fire Chief in his discretion.
 - iii. Any and all fire apparatus and personnel deemed necessary in writing by the Fire Chief in his discretion.
- b. Every Track Operator shall be charged for all fire and police services required by this ordinance and provided by the Town of Wentworth. Payment shall be due fourteen (14) days in advance of the services, and the Board of Selectmen is authorized to revoke the Track Operator's license if full payment is not received by the Town within five (5) days of the Track Operator receiving a written Notice of Non-Payment from the Town.
- c. Every Track Operator shall be obligated to arrange for, and pay for, a private ambulance to be present at the race track if ambulance service is required by the Fire Chief.

V. Operations:

- a. During Hours of Operation after dusk, sufficient lighting will be provided in all areas, including the parking lot, pit area, pit roadway, walkways and stands, to provide a reasonable level of safety for all persons on the premises.
- b. Every Track Operator shall provide adequate trash receptacles and toilets, and shall empty and service said receptacles and toilets on a regular basis. The premises constituting the racetrack, including the parking area, shall be maintained in a neat and orderly manner, and all cleanup activities shall be completed within twenty-four (24) hours of the conclusion of any day's Hours of Operation.
- c. Every Track Operator shall comply with state laws, as applicable, including but not limited to the prohibition against smoking within enclosed places of public access (RSA 155:65-78) and sanitary conditions, including food service requirements (RSA Chapter 147).
- d. Every Track Operator shall be required to indemnify the Town and to maintain general liability insurance in such amount as deemed necessary by the Board of Selectmen. Said insurance policy shall name the Town as additional insured for the purpose of carrying out the indemnification and shall cover events related to the use of the racetrack premises. The insurance company must mail written notice of impending cancellation of the policy to the Town at least thirty (30) days in advance of cancellation, and if insurance is canceled without the Track Operator obtaining a replacement policy, the Operator's license shall be revoked. Certificates of Insurance shall be filed with the Board of Selectmen each year prior to the issuance of any Racetrack License.

VI. Penalties:

- a. Any person who fails to comply with any provision of this ordinance or a license granted by the Board of Selectmen hereunder shall be subject to a civil penalty of up to \$1,000 for each violation pursuant to RSA 31:39, III. Nothing contained herein shall prevent the Town of Wentworth from taking

any action necessary to prevent a violation of this ordinance, including, without limitation, seeking judicial relief.

- b. The Board of Selectmen is hereby authorized to revoke any license issued hereunder for a violation of this ordinance or the license itself that is not corrected within five (5) days of a Track Operator receiving written notice of the violation from the Town.

VII. Enforcement and Inspections:

- a. The Board of Selectmen shall have responsibility for the enforcement of this ordinance.
- b. The Board of Selectmen, Fire Chief, and/or Police Chief are authorized to make announced or unannounced inspections of racetrack premises at any reasonable time to ensure compliance with the requirements of this ordinance and any license issued hereunder.

VIII. Savings Clause:

If any provision of this ordinance, or the application thereof to any person or circumstances is held invalid, the invalidity does not affect the other provisions or applications of this ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this ordinance are severable.

IX. Effective Date:

This ordinance shall take effect upon passage and supersede any previous ordinance until amended or repealed by appropriate authority.

Signed this _____ day of _____, 2012

Wentworth Board of Selectmen

Ordinance Passed by a show of hands

- 23. To transact any other business that may legally come before the meeting. Fred Brownson gave an update on the Northern Pass and how it will have a negative impact on the Towns and the State. He recommended that we oppose the Northern Pass.

Meeting adjourned at 10:35pm
Respectfully Submitted, Donna J. King, Town Clerk

TOWN CLERK/TAX COLLECTOR REPORT – 2012

The Election team had a very busy year with four elections and did an outstanding job as usual. With only the Town/School Election scheduled for this year, it will seem like a very quiet one indeed.

The renewals for motor vehicle registrations through the mail have become quite popular and we are now offering it to everyone so you no longer need to sign up for it. Just remember to add a \$1.00 mailing fee only if you use the mailing.

There have been a few upgrades in the office. You no longer need two checks to pay for your motor vehicle transactions. Instead of making out two checks one to “State of NH” and one to the “Town of Wentworth”, we now add the totals together and you only need to make out a single check to the “Town of Wentworth”. This applies to the renewals through the mail as well.

Another upgrade is the ability to view and pay your tax bills online. Simply go to the town website www.wentworth-nh.org and follow the instructions under Property Tax on the left. You may look up your tax bill by your name, address or PID number. This has been a big convenience to a lot of you.

Many of you have signed up to receive the monthly informational emails and I have been getting very good feedback on this. If you do not receive an informational email and wish to do so, simply email me at tctcwentworth@yahoo.com and you will be put on the list.

George Morrill is the new Town Clerk/Tax Collector Deputy and has been very busy with the training for motor vehicles, Vitals and Avitar Clerk and Tax programs.

I wish to thank my assistant, Darlene Oaks, for her dedication and hard work. She is quite an asset to this office.

Respectfully submitted,

Donna J. King
Town Clerk/Tax Collector

ACCOUNTANTS' COMPILATION REPORT

To the Board of Selectmen,
Town of Wentworth, New Hampshire:

We have compiled the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Town of Wentworth, as of and for the year ended December 31, 2011, which collectively compose the Town's basic financial statements as listed in the table of contents. We have also compiled the supplemental information in Schedules 1 through 4, which are presented only for supplementary analysis purposes. We have not audited or reviewed the accompanying financial statements and supplementary schedules and, accordingly, do not express an opinion or provide any assurance about whether the financial statements and supplementary schedules are in accordance with accounting principles generally accepted in the United States of America.

The management of Town of Wentworth is responsible for the preparation and fair presentation of the financial statements and supplementary schedules in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements and supplementary schedules.

Our responsibility is to conduct the compilation in accordance with *Statements on Standards for Accounting and Review Services* issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist the management of Town of Wentworth in presenting financial information in the form of financial statements and supplementary schedules without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements and supplementary schedules.

As explained in Note IV.I. to the financial statements, management has not recorded the long-term costs of retirement health care in governmental activities. Accounting principles generally accepted in the United States of America require that those costs be recorded, which would increase the liabilities and expenses of the governmental activities. The amount by which this departure would affect the liabilities, net assets, and expenditures of the governmental activities is not reasonably determinable.

Management's discussion and analysis on pages 2 through 6 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have compiled the supplementary information from information that is the representation of management, without audit or review. Accordingly, we do not express an opinion or provide any assurance on the supplementary information included in management's discussion and analysis.

We are not independent with respect to Town of Wentworth.

WENTWORTH POLICE DEPARTMENT 2012 Annual Report

2012 is now over and your Police Department was busy in that year. We continue to have more calls for service which is up over 20% over last year. Just in January of 2013 we had 78 calls for service in 31 days.

2012 also saw the resignation of Sergeant Joseph Pivrotto back in September. The Sergeant will be missed dearly as he was extremely talented and dedicated to his service to the Town. Joe who was recently appointed Chief of Police in Groton needed to dedicate himself to that new job as well as take some time for him and his family since his is already retired after a 34 year full time police career.

Staffing in 2012 and now 2013 is becoming more and more of a challenge. We had a hard time trying to fill shifts with the Officers full time jobs being a first priority. Then we have their vacations, sick time, and other times they cannot work for Wentworth as well, this while the demands here are getting more and the case load increasing each year. Something to think about as staffing with part time help can be a major challenge. We do have some prospects in the near future who might be able to assist us, but these are people who have full time jobs elsewhere making it tough for us.

The Cruiser in 2012 has also been a bit of an issue. Continued down time due to electrical and transmission problems has had us out of service way to many days. Without a cruiser we cannot work. You will notice this year an increase in the budget for maintenance as the extended warrantee will be expiring very soon, but no real increase to the total budget. We have also increased the capital reserve to prepare us for a possible purchase of a new cruiser in 2015 should this one continue to cost us in repairs. With that said a new cruiser will be significantly more than the last one we purchased, as a lot of the equipment is now 12-15 years old and is no longer supported adding costs for those upgrades as well.

We continue to do our best with the talented people we currently have. Officer Hutchins, Officer Miller, and Deputy Chierichetti are all true assets to the Dept and their dedication and professionalism shows every time they work.

Feel free to contact us or come in during our weekly office hours every Tuesday from 5pm to 10pm. And should you need us, please call dispatch at 787-6202 or you can leave a message on our business line at 764-5912 (as long as it is not time sensitive). You can also see our updates on the Wentworth Police's Facebook page as well. Remember, the most common forms we use are on the Town website for printing

Please lock your doors, keep an eye out for any suspicious activity and report that to us.

Respectfully submitted,
Kevin M. Kay
Chief of Police

Wentworth Volunteer Fire Department

Year 2012 passed us by with another increasingly active role for the Wentworth Fire Department. We had 65 calls tone us out at all hours of the day and night. From motor vehicle accidents to structure fires, outside fires, and Mother Nature beating on our doorstep. Senior members continue to step up to the plate, helping and training the new and younger members - skills needed that can only be done by on the job training. With this continued ongoing training we stepped forwards as a whole team tackling the scenes and scenarios we are called upon. We continue to build our relations and training with local Fire and Police Departments, and the Warren-Wentworth EMS. Each town contains determined and dedicated people, willing to give up their time to serve and protect our public.

This year during the Fire Prevention Week, the elementary school was able to come visit us at the Fire Station. This was a fun learning experience for everyone involved. The kids of course had questions for us on what to do in case of a fire at their home, and we stressed how important it is for every family to have a preplanned location to meet if an emergency arises. We handed out junior firefighter badges and helmets to the kids, with them taking away a feeling of accomplishment that comes from helping to make our town safer.

As we continue to work motor accidents, chimney fires, smoke investigations, racetrack detail, and ole Mother Nature, our Engine 2 pumper/rescue has fallen ill to old age. The truck is over 29 years old now, and has protected our community well since 1985. However, as we all know with old age comes bigger issues and with bigger issues comes bigger costs. With the age and hours of run time it now affects its abilities to meet all we require and need to continue to be a reliable fire/rescue truck. The bottom line, the

Fire Department needs a new multipurpose mini pumper/rescue truck to fill the needs of this town and community. The people, town and department have been setting aside money for a new truck in the capital reserve for some time now. With these funds and help from town taxation, we would like to replace the old dedicated engine with a new piece - a piece of apparatus that will fill any and all needs that we and the citizens require of it. With this new piece and the dedication and professionalism of its members, we hope to serve another 30 years working motor vehicle accidents, fighting chimney fires, support for structure fires and cleaning up after Mother Nature and a multitude of tasks that are assigned to this truck.

The Fire Dept continues to strive to keep the budget in check, and with the help and time of our members, we continue to do fundraisers and special detail assignments to help offset costs. This dedication, hard work, and volunteering of personal time allows us to keep the increase of the budget to minimal or none.

I would like to take this time to publicly thank all of its members who have served with us this year. The town's people are lucky to have these folks who put their time and training to give back to the community. They ask for no rewards or commendations, but a handshake and thank you are always appreciated. Anyone interested in joining the Wentworth FD should attend one of our meetings, they are held on the first and third Wednesday of the month at the fire station at 7:00 pm.

Respectfully submitted,
Secretary-Treasurer-Firefighter
Zackery M. McGraw

Road Agent Report

Here we are starting yet another year.

We started out 2012 by having a mild winter, a lot of freezing rain and not much snow. Along with the mild winter, we also had another deep mud season. We had mud problems on Capemoonshine Road, Atwell Hill Road, Buffalo Road and Rowentown Road. We used a lot of 5" minus crushed gravel in these problem spots and then put the 1 ½" crushed gravel over the 5" minus, and this seems to be working well. The mild winter allowed us to start early grading and rock racking dirt roads. Along with grading we cleaned ditches and culverts as we proceeded on each road. Culverts were changed as needed, and there are still more that need to be changed.

On Atwell Hill Road, we subcontracted out tree and brush removal. The project included marking and removing trees and brush away from the road and ditch lines. This will allow more sun to get to the road so it won't be quite so muddy and will eliminate brush from hitting vehicles as they travel up and down the road. We also added another 1 ½" of asphalt on top of the first layer of asphalt on the new section of Atwell Hill Road.

In the Fall we swept town roads, washed bridges, and mowed road sides. Also, we have begun to replace broken and rotted wooden guard rails on some bridges with used W beam guard rail. We will continue this in the Spring of 2013 by rebuilding guard rails on Stevens Brook Bridge, Currier Brook and East Side Road.

Other projects this coming year (if able) will be:

- more tree and brush removal around the town in different spots
- break rock and ledge and remove from Nichols Hill to let water run away from the road
- sand and seal the part of North Dorchester Road that was rebuilt in 2005
- begin spraying dirt roads with calcium chloride after the roads are graded and shaped up for summer (this not only keeps dust to a minimal, but it stabilizes the road surface so as not to lose much material during bad weather)

Equipment:

We received our new International Dump truck back in April; it's heavier and bigger than the truck it replaced, so it can handle the work expected of it better.

The 2001 International is getting to the point that it's starting to cost a lot of money for replacement parts and repairs. We had the sander body rebuilt back in 2011 to get us through another couple of years. I recommend that we start addressing the replacement of this truck in another year or two.

We also have issues with the 2004 Ford 450. It's just plumb wore out including rust under the cab. We had the frame under the plow push **frame** fixed a year ago. The dump body is rusted and we have had a lot of issues with the engine, turbos, injectors etc. We have prices on a new 550 Ford with a sander body and plow for Town meeting. If we don't do this in 2013, we will need to do so next year. We also need to start thinking about a rotation program on the trucks for every seven to ten years for example! Something to look into.

The Grader and backhoe are in fine shape! We've had the grader seven years and the backhoe for two years. With continued proper maintenance they'll last a long time. In another year I would like to look at the possibility of purchasing an equipment trailer to transport the backhoe around town (this would prolong the life of the backhoe). I will look at prices and look at different brands before another year.

In closing, I'd like to thank the road crew – Paul, Larry, and George (Snuffy) for all of their hard work and being there when needed – Thanks Guys! I'd also like to thank the Police and Fire Department for their help with wind storms and floods when needed. They're all a big help. Also, thank you to my family for understanding when plans need to change because of the weather. And last but not least, thank you to the residents of Wentworth for their support and patience.

Respectfully submitted,
Bobby Cass, Road Agent

Transfer Station Report

Greetings! My name is Adam. I am the new Transfer Station attendant here in Wentworth. As you know, the town of Wentworth utilizes Casella Waste Systems Zero Sort Recycling, or single stream recycling system. There are a few items that are not accepted by Casella through this system: plastic bags (plastic grocery bags are ok), window panes, dishware (including pots and pans), pottery, used paper plates and napkins, and jar candles. Small electronic items such as telephones, radios, irons, and computer keyboards should not be tossed in with the recycling. If you do not know where something is supposed to go, just ask and I will direct you in the proper direction.

A big issue here in Wentworth seems to be that I am going to go through all your recycling waste. This is absolutely not the case. I have no desire to see what you are throwing away at all, but when I do dump your bags or bins into the recycling container, I must visually inspect to ensure that none of the undesired items have gone into the container. That's the only reason I have to look into your recyclables.

Another seemingly big issue here at the Transfer Station is charging for bulky waste. Following this report you will find a copy of the current prices to dispose of bulky waste and construction debris. Please do not just leave these items, for which a disposal fee is assessed, in inconspicuous places around the Transfer Station for me to find later. The town is forced to pick up the tab on these items, which is not fair. The costs of running the Transfer Station are much more substantial than many realize. There are costs to the town to get rid of all the bulky waste, which is covered by the few paid by the public to dispose of these items. So please don't shoot the messenger when you come in expecting to dispose of bulky wastes and are told of the charges to do so. There are proper channels that need to be gone through if issue is taken with these charges, beginning with talking to the Selectmen. I have nothing to do with the charges whatsoever.

I am here to answer any questions you may have about disposal of any waste you may have. Also, I am very willing to go out of my way to assist you with disposing of your waste; lifting heavy bags or other items for you. Not a problem, I'm here to help!

Respectfully Submitted,

Adam Grigarauskas

PLANNING BOARD REPORT FOR 2012/13

The Planning Board met in the Selectman's office the first Monday of each month at 6:00 PM. Due to the continued poor economy, very few proposals were submitted. The Board approved one subdivision and boundary line adjustment for Jim and Donna Heal and a boundary line adjustment for Robert J. Tomas of Warren.

All meetings are open to the public and the minutes posted on the Town WebSite as well as on the door of the office and the official log in the town office.

Respectfully submitted,

Quentin P Mack
Secretary for the Board

WENTWORTH HISTORICAL SOCIETY

The Wentworth Historical Society wishes to extend its appreciation to the taxpayers for the continued financial support of the Society. Everyone is invited to attend our monthly meetings on the third Thursday of each month from April to December at 7:00 P.M. Each meeting consists of a short business meeting followed by a historical presentation of local history with questions solicited from those in attendance.

During the last year, while pouring through a seemingly insignificant box of items given to the Wentworth Historical Society by the Trustees of the Webster Memorial Library, a rare 1917 copy of *The Warren News* dedication of the library was found in the box. The original newspaper is back in the library and a copy intended for public display has been donated to the library. Another copy for your viewing hangs in the Wentworth Town Office.

An also remarkable acquisition in recent months is a painting of William Morrison given to the Historical Society by Laura Morrison and now on display. The painting was done in 1910 by a member of the Burdick family on Sanders Hill. William Morrison, in addition to serving as Chairman of the Wentworth Bicentennial in 1966, served as Moderator and Selectman in Wentworth for many years. Sincere thanks to Laura and the Morrison family for their contribution.

These finds from nearly one-hundred years ago clearly demonstrates that history is still to be found in storage areas, in attics, and places one might never imagine. If you have any old documents that might have historical significance, please keep the Wentworth Historical Society in mind as a means of preserving that piece of history.

The Museum is open every Saturday from 10:00 A.M. to 2:00 P.M. from the Saturday before Memorial Day through the Saturday before Labor Day. Please visit our display of many items of local history from artifacts to post cards and photographs. Help us preserve the history of our town of which you are an important part.

Francis Muzzey, President

WENTWORTH CONSERVATION COMMISSION

2012 ANNUAL REPORT

The Baker River is monitored four times in the summer months of June, July, August and September. Collecting samples of water having them tested to make sure anyone going into Baker River would be safe.

Many places were inspected during the year for flooding and wetland damages.

I attended the annual meeting in November and all other meetings that was necessary to attend.

Eleanor Murray, Chairman

2012 WEBSTER MEMORIAL LIBRARY TRUSTEES'S REPORT

In 2012 the librarian and trustees have continued their efforts to maintain and update services at Webster Memorial Library.

Maintenance to the building this year included a photocell light on the library porch and new energy efficient light fixtures over the stacks. Smoke detectors were installed by a volunteer, and another volunteer brush-hogged the area behind the library. An anonymous donation made possible the purchase of shades for several windows.

We had our annual book sale at Market Day in August, and **another successful bake sale at Shawnee's Store in the fall. We** also had our first joint fundraiser with Joseph Patch Library in Warren, which was a local garden tour that included several gardens from each town. We look forward to this again in 2013.

There is an adult book discussion group that meets at the library on the third Monday of the month at 6 pm to discuss a wide variety of fiction and nonfiction. There is also a preschool story hour on Wednesday mornings at 10 am, with singing, stories and a simple craft. We also had an enjoyable special Holiday Story Time during the Christmas season with cookies, hot cocoa, and ornament making.

Respectfully Submitted,

Sharon Sanborn, Chairperson
Angela Kenneson-Comeau, Trustee
Helen Ray, Secretary

2012 Webster Memorial Librarian's Report

The library is open on Mondays from 1-6, Wednesdays from 11-4, and Saturdays from 9-12. Story hour is on Wednesdays at 10 am. An adult book discussion group meets on the 3rd Monday of the month at 6 pm and trustee meetings are held on the fourth Monday of the month at 6 pm.

Patrons can borrow a variety of items including books, audio books, videos, DVDs, CDs, and periodicals. Internet databases are available to patrons both in the library and at home. The library participates in the Inter-Library Loan program and can borrow items from other New Hampshire libraries. Patrons can download audio books and e-books through the New Hampshire Downloadable Books consortium.

A summer reading program was held in July and August. In August the library had its annual booksale during Market Day.

High-speed internet access is available at the library. There are two public access computers as well as wireless connectivity for patrons with their own laptops. Currently there are 173 computer users (patrons who sign the user agreement).

The library's holdings are as follows:

General Fiction	3253	Children's Nonfiction	1323
General Nonfiction	4431	Audio-Visual Materials	1226
Children's Fiction	2651	Periodicals	37

In 2012, there were 499 cardholders and 1713 visits made to the library attendance. Total circulation of library materials was 3598 items:

General Fiction	1210	Children's Nonfiction	272
General Nonfiction	392	Periodicals	301
Children's Fiction	787	Audio-Visual	636

In addition, the library borrowed 190 items from and lent 211 items to other libraries through the ILL program. 92 audio and ebooks were downloaded from the New Hampshire Downloadable Books website.

The library acquired 578 items in 2012. Of these, 156 items were gifts. 328 items were added to the general collection, 174 items were added to the children's collection, and 76 items were added to the audio-visual collection. 8 of the 37 periodical subscriptions are also gifts.

Many thanks to those who volunteer and support the library!!

Respectfully submitted,

Nance Masterson, Librarian

PEMI-BAKER SOLID WASTE DISTRICT

Milton Ouellete Jr., Chairman
Josh Trought, Treasurer
Dan Woods, Coordinator

264 Pettyboro Rd.
Bath, NH 03740
(603) 838-6822; dwoods@ncia.net

This past year the Pemi-Baker Solid Waste District continued its cooperative efforts to promote waste reduction, increase recycling, and to provide residents with a means of properly disposing of their household hazardous wastes (HHW). The District held two (2) one-day collections, one in Littleton and the other in Plymouth. A total of 230 vehicles came to the two sites – one of our highest turnouts in the last six years. Some of this can be attributed to the low turnout last year in Littleton due to weather conditions. We also disposed of significant volumes of waste from two member communities that has material stored at their recycling facilities. As a result, a lot of material was collected. At both sites our contractor remained for over four hours after the close of the collection to pour off and consolidate the material. The total disposal costs were \$32,460. The District was awarded a grant from the State of NH for \$5,305. The net expenditure for the program was \$27,155 (a cost of \$.90 per resident). The table below highlights the District's HHW collection data since 2007. The District also coordinated the pickup of fluorescent light bulbs that had been collected at member towns' recycling facilities. Over 38,000 feet of straight fluorescent tubing and 850 compact fluorescents were recycled at a cost of just over \$2,900.

In 2013, the District will hold collections in Littleton and Plymouth. The actual dates have not been set at this time. Watch for them in early spring. The District takes great effort to provide these collection programs in a cost effective means, but the reality is that they are very expensive to hold. Individual residents can help keep the District's disposal costs down and reduce the toxicity of the environment by remembering a few of these helpful tips; Buy only what you need. If you have leftover product, properly store it so it will last. Use biological controls and organic products for pests and diseases in the garden when feasible. Apply chemical pesticides only as a last resort and be sure to follow the directions on the label. Lastly, air-dry your leftover latex paint. When completely dried, latex paint may be disposed of in your household trash.

2012 also saw the District sign a waste disposal agreement/extension with North Country Environmental Services (NCES) giving the District members a long-term waste disposal option with very competitive pricing. The agreement which will take effect May 1, 2013 is for ten (10) years. The base tipping fees will be \$59.75/ton for MSW (currently \$65.65/ton) and \$61.75 for C&D (currently \$69.13/ton). Rates will be adjusted annually on May 1st thereafter by a percentage equal to the increase in the Consumer Price Index for the Northeast Region. NCES also agreed to contribute \$5,000 annually to the District to help off-set expenditures associated with its one-day HHW collection program. This will help to lower District Dues for everyone.

As always, citizens interested in participating in the development of the District's programs are welcome to attend the District's meetings. Information regarding the place and time of the meeting is available at all municipal offices and recycling centers. If at any time an individual community needs assistance in regards to their solid waste/recycling program, please contact the District at 838-6822 or by email at pemibakerswd@yahoo.com.

Respectively Submitted,
 Dan Woods, District Coordinator

2007-2012 HHW Collection Data

Year	# of Collections	# of vehicles	HHW Disposal Costs	NHDES HHW Grant	Revenue from non-District Participants	Net Expenditures	Cost/Capital
2007	2	180	\$22,460	\$8,927	\$0	\$13,533	\$.45
2008	2	204	\$28,680	\$7,300	\$2,870	\$18,510	\$.62
2009	2	189	n/a	n/a	n/a	\$15,428	\$.51
2010	2	250	\$26,756	\$5,230	\$768	\$20,758	\$.67
2011	2	136	17,028	\$6,223	\$80	\$10,725	\$.35
2012	2	230	\$32,460	\$5,305	\$0	\$27,155	\$.90

* Note in 2009, the District took part in North Country Council's HHW program and was assessed \$15,428 based on our participation numbers.

Kenyon F. Karl
Wentworth Volunteer Coordinator

Videotaping of Government meetings and non-profit organization events in Wentworth is a volunteer effort; the only expense to taxpayers is our annual dues to Pemi-Baker TV. The Town benefits from this membership as follows:

- Broadcast of roughly one Town Government Meeting per week on TWC Channel 3
- Broadcast of Non-profit organization events on TWC Channel 20
- Training and Technical support of Volunteer Video Producers from Wentworth

Note that Time Warner Cable TV currently serves only 161 subscribers in Wentworth, and Time Warner appears to have no plans to expand the rather limited reach of its cable system in Wentworth. Conversely, the relatively few residents served by their Cable system also have the option of subscribing to their Internet service either along side or independent of their TV service.

Far more important to the citizens of this Town is the recent expansion of FairPoint's DSL service to make it available to most of the telephone subscribers in this very rural town. Although DSL Broadband is clearly inferior in bandwidth to Cable Broadband, it is my understanding that its quality is sufficient to watch video productions.

Because watching video on demand from the Internet is so much more convenient than trying to catch one of its several broadcasts on Cable TV, I have from the outset made a point of also posting videos produced by the Wentworth PBTB Volunteers on the Internet. Indeed, I believe that due to the recent expansion of FairPoint DSL to most parts of town, this part of my effort has become far more important to Town residents than broadcasting these events on the TWC channels. Note that the locations of all videos produced by the Wentworth Volunteers are promptly posted on the web site:

<http://wentworth-nh.comli.com>.

Realizing that for a variety of reasons, some residents will still be left out of the service outlined above, I have made a standing offer to the Town's Librarian, to promptly burn a DVD of any program produced by our volunteers and deliver it to the Town Library for circulation purposes. In addition, I provide a DVD to the Library at the end of every month for archival purposes.

Last but not least, please note that I am always looking for Town residents to join me in videotaping both government and non-profit events on a volunteer basis, with training and technical support to be provided by PBTB in Plymouth.

Pemi Baker TV
Channel 3, Cable TV/ Government Access TV

Earlier this year Pemi Baker TV was pleased to welcome the Town of Wentworth as an official community member of the station. Wentworth Selectboard and Schoolboard meetings began cablecast in April. At least one meeting per week is aired, with the exception of the busy spring budget season, when more meetings are cablecast.

Events or notices you would like to post on TV?
Please email the notice using the contact information below.

In 2012 the number of cable subscribers was 150.

November 8, 2012

Dear Friends,

The first thing I would like to do is thank all of you for your support of the North Country Council this past year. For a portion of the year I was out on medical leave and I would like to thank the board and my staff for doing an excellent job of maintaining a high level of service to our communities. Once again, I would like to reaffirm the Council's commitment to serve the community and regional needs.

We continued to deliver planning and economic development services throughout the region. We have continued with our traditional programs in master planning, natural resource planning, and transportation planning, and these will continue to be a focus of North Country Council.

We continue to be very active in transportation planning. We are the recipient of a grant from the New Hampshire Department of Transportation that enables us provide assistance to communities and staff the Transportation Advisory Committee for the region. I urge all of you if you have not been involved with the advisory committee to give us a call and arrange to attend one of our meetings. We have been active in other transportation programs such as North Country Ride Share, Safe Routes to schools and Scenic Byways which are all describe in this report. Next year we will begin the process of updating the Transportation Ten Year Plan and hope that many of you will be able to participate.

In economic development we continue our strong relationship with the Department of Commerce and the Economic Development Administration (EDA) in bringing funding and project development to the region. Two projects that we are very involved with is the reuse of the Groveton Mill and the Dartmouth Regional Technology Center (DRTC) incubator in Grafton County... We also continue to help in the development of the incubator in the Mount Washington Valley and are hopeful that a recent application to EDA will be awarded. We also absorbed the EDA revolving loan fund from BEDCO, which ceased operations in 2011. NCC now has funds to loan businesses to enhance job creation and retention in Coos, Grafton, and Carroll counties. These along with other economic opportunities will continue to be a focus in the coming year.

The planning department has also been busy and as you look through this report you will see a variety of technical assistance activities that were provide to a number of communities in our region. We also began a major program to update our regional plan thanks to a grant received by the nine planning commissions from the Department of Housing and Urban Development (HUD). This project, called the Granite State Futures (GSF) project will be continuing this year and I urge you to attend some of the meetings that we will be having throughout the region. Community input is at the core of the GSF project and we need your input.

Again, thank you for all of your support for the Council. I hope that my staff and I can continue to be of service to your community. The Council is here to serve you. It is your organization. Our staff and Board are committed to responding to community needs. If there is a project or a need in your town, please call us. We are dedicated to both supporting our individual towns and promoting regional unity in the North Country.

Respectfully submitted,

Michael King
Executive Director

AMMONOOSUC COMMUNITY HEALTH SERVICES, INC.

Board of Selectmen
Town of Wentworth
PO Box 222
Wentworth, NH 03282

October 30, 2012

Dear Selectmen:

Ammonoosuc Community Health Services Inc. (ACHS) is requesting an appropriation in the amount of \$2,500 from the Town of Wentworth for 2013. This amount will help us to continue to provide high quality healthcare to our **150 Wentworth patients** and to reach more of those who are in need of our services.

ACHS has been a vital part of the community for 35 years and while many of our services are paid for through Medicare, Medicaid and grants, our reimbursements through federal, state and county programs fall short of actual expenses, and further federal budget cuts are being considered again this year.

Our uninsured and under-insured patient populations have been on the rise due to economic conditions – mainly loss of jobs and employer benefits. Our sliding fee scale for payment of services provides a vehicle for these patients to get the health care they need in a timely manner, preventing a possible costly emergency room visit or, worse yet, hospitalization because they could not afford to go to the doctor prior to the emergent episode. Keeping just one patient out of the ER could save taxpayers \$1000-\$1500 (average cost of an ER visit).

Support from the Town of Wentworth is extremely important in being able to provide this service to the citizens of the 26 towns in northern Grafton and southern Coös counties that ACHS serves including Wentworth.

Town of Wentworth Statistics

- Total # of Patients – 150
- Total # of Medicaid Patients – 19
- Total # of Medicare Patients – 38
- Total # of Self-Paying Patients – 8
- Total # of Sliding Fee Scale Patients – 19 (12.7% of total Wentworth patients)

As a Federally Qualified Health Center, ACHS provides comprehensive preventive and primary healthcare to anyone, regardless of their ability to pay.

Please see the enclosed presentation prepared for the Town of Wentworth.

On behalf of Ammonoosuc Community Health Services' board of directors, staff and patients, we would like to thank you for considering our request for funding.

Sincerely,

Edward D. Shanshala II, MSHA, MSED
Executive Director

Charles Thibodeau
ACHS Board of Directors President

**American
Red Cross**

July 5, 2012

Randy Morrison
Town of Wentworth, NH
PO Box 2
Wentworth, NH 03282

Dear Randy,

On behalf of the American Red Cross, the Board of Directors and staff, I want to sincerely thank the Town of Wentworth, NH for its contribution of \$400.00 on 6/25/2012 to the American Red Cross. This gift is deeply appreciated and ensures that we will be ready and on the scene to respond to residents in need.

With your support we are responding to the needs of all New Hampshire citizens including the Town of Wentworth, NH through our lifesaving health and safety training, Licensed Nurse Assistant training and certification, and services to our local military families. We are also able to act swiftly to help those victims of devastating disasters, such as fire or floods, because of contributions like yours.

We certainly could not deliver these services without those of you who enable us to meet our mission everyday. Thank you for making it possible for us to provide help and hope where it is needed most.

Sincerely,

Stephanie Couturier
Chief Development Officer

*We are so very grateful
for the town of Wentworth's
generous support!*

In accordance with IRS regulations, no goods or services were provided by the American Red Cross as part of this contribution. Our tax identification number is 53-0196605. If you would like to learn more about the services that the Red Cross is committed to providing, please call us at 225.6697.

Where your care comes together.

Town of Wentworth
P.O. Box 2
Wentworth, NH 03282

Family, Internal and Pediatric Medicine • Behavioral Health Services
www.midstatehealth.org

Dear Board of Selectmen:

As you prepare your budget for the coming year in the Town of Wentworth, Mid-State Health Center (MSHC) respectfully requests that you consider including a \$900.00 town contribution to MSHC to assist in supporting a portion of the charity health care services provided to your citizens in need. This amount represents about 10% of the charity care dollars provided to residents of Wentworth by MSHC over this past year. From July 1, 2011 through June 30, 2012, **uninsured residents of Wentworth received \$9,405.10 of free health care from MSHC.**

As the only independent, non-profit, primary care practice in the area, MSHC is guided by its mission of *providing sound primary medical care to the community, accessible to all regardless of the ability to pay.* It integrates the clinical services of Internal Medicine, Family Medicine, Pediatrics, and Psychology to deliver the full spectrum of primary care services to patients of all ages, from infants to older adults. Working toward its vision of a healthier community, MSHC responds to the health needs of the community's uninsured by regularly providing charity care.

As you are aware, many of our neighbors are facing financial challenges in the current economic times. Over the past four years, charity care at Mid-State has doubled. We recognize and value the role the leadership in your town plays in doing it's very best to assure responsible taxation in your community. We hope you find our request for support reasonable and responsible in light of the amount of charity care your community was provided in the past year.

Enclosed please find a patient brochure and a 2011 Annual Report that provides additional information about Mid-State Health Center's programs, services, facility and staff.

Thank you for your consideration and your commitment of \$1,250.00 in your last budget season. Your contributions have a direct effect on Mid-State Health Center's ability to continue giving quality, integrated health care to those in your community who are unable to pay for these services.

Sincerely,

Sharon Beaty, MBA FACMPE
Chief Executive Officer

Respect Advocacy Integrity Stewardship Excellence

August 21, 2012

Board of Selectmen
Town of Wentworth
PO Box 2
Wentworth, NH 03282

Dear Friends,

The National Institute on Mental Health reports that **1 in 4** adults experience a mental health disorder in a given year. Without proper treatment, mental illness affects one's ability to work, participate in school, contribute to the community and maintain relationships. In fact, the **economic cost of untreated mental illness is more than 100 billion dollars** each year in the United States, causing unnecessary disability, unemployment, substance abuse, homelessness, inappropriate incarceration, suicide and wasted lives (National Alliance on Mental Illness, 2011). Reduced access to mental health care leads to increased demand on many of the systems in our community, including emergency rooms, law enforcement, first responders, courts, corrections, schools and municipalities.

Genesis Behavioral Health requests an appropriation in your budget to ensure seamless access to emergency mental health care for people in crisis. Often, the individuals seen by our Emergency Services team are uninsured. They may not have had access to proactive and preventative health care. While this contributes to the program's significant deficit, Emergency Services are often the gateway into treatment. We know that early identification and treatment of mental illness is vital. Access to treatment and supports accelerates recovery, and minimizes further harm to the patient and stress on other systems of care, including municipalities.

In the next year, Genesis Behavioral Health is preparing for a shift to Medicaid Care Management. While the implications of this new system are yet unknown, we expect to see an increase in administrative expenses and less resources available for patient care. Thus, a partnership with the towns we serve is more important than ever, as your appropriation will ensure funding is available for emergency mental health services. Working together, we can utilize our limited collective resources most efficiently and effectively and allocate funds to the most essential services. Our goal is to reduce the Emergency Services deficit by \$125,000 with the collective support of the towns we serve. As in past years, all towns are assessed equally based upon their population. Genesis Behavioral Health absorbs all of the administrative costs for this program, allowing every dollar of your contribution to be invested in direct care for people in crisis.

Please find attached a summary of information in support of our request. If you should have any questions, please contact Kristen Welch at 603-524-1100 ext. 445. We welcome the opportunity to meet with your Budget Committee and/or Selectboard to further discuss our request.

Thank you for your consideration of our request, and for your commitment to a healthy community.

Sincerely,

A handwritten signature in cursive script that reads "Margaret M. Pritchard".

Margaret M. Pritchard, Executive Director

In Fiscal Year 2012, 23 residents of Wentworth received services from Genesis Behavioral Health, and 2 of these individuals utilized Emergency Services. Genesis provided \$5,300.30 in charitable care to Wentworth residents. The age breakdown is as follows:

	Clients Served-Agency	Charitable Care in \$	Clients Served-ES
Children (0 to 17 years)	8	\$0	0
Adults (18 to 59 years)	12	\$5,300.30	1
Elder (60 + years)	3	\$0	1

What is a Mental Health Emergency?

A mental health emergency is a sudden change in the mental status of an individual due to a one-time event or as the result of a pre-existing mental illness. Events causing a mental health emergency can include loss of job, divorce, natural disaster or the sudden loss of a loved one. A mental health emergency can occur at any time to anyone, regardless of age, gender or class. Symptoms of a mental health emergency can include, but are not limited to:

- Suicidal or homicidal thoughts
- Feelings of desperation or anxiety
- Delusional thoughts

What are Emergency Services?

Emergency Services are provided by Genesis Behavioral Health in accordance with regulations governing community mental health centers in the State of New Hampshire. Services include 24-hour a day, 7 days a week access to Master’s level clinicians and psychiatrists by individuals, schools, police and others experiencing or dealing with a mental health emergency. The goal of Emergency Services is to reduce the individual’s acute psychiatric symptoms, decrease risk of harm to self and others and assist in returning the individual to pre-crisis level functioning. Emergency Services are provided through a 24-hour emergency hotline, mobile crisis response, crisis stabilization, assessments and evaluation and voluntary/involuntary hospitalization. Services are provided in person, over the telephone and via telehealth to ensure rapid access to care.

How does the Town of Wentworth benefit? Why should you invest in Emergency Services?

It is difficult to understand a mental health emergency until it happens to us or someone close to us. We may get a glimpse of it when a tragic event affects our community: a family is the victim of a horrific crime, a young adult takes his or her own life, or a woman shoots and kills her husband and then herself. The role of the Genesis Behavioral Health Emergency Services team is not simply to work with the individual in crisis, but to work with the community in its wake. This may include meeting with emergency responders as they cope with a difficult case or with school children and teachers as they mourn the loss of a classmate and student.

An investment from the Town of Wentworth will be leveraged with appropriations from other communities to offset the cost of staffing the Emergency Services program round the clock. It will help us expand mental health services and increase awareness. Emergency Services is a safety net for *all* residents of Wentworth, not just those utilizing the service. Your appropriation will ensure the provision of this essential service for the residents of your community and reduce the burden on your town.

Town of Wentworth Allocation in Fiscal Year 2012
\$1,120.00

Thank you!!

Genesis Request for Allocation in Fiscal Year 2013
\$1,250.00

September 26th, 2012

Mr. Francis Muzzey
Board of Selectmen
Town of Wentworth
P.O. Box 2
Wentworth, NH 03282

Dear Francis,

On behalf of the Board and staff of Court Appointed Special Advocates (CASA) of New Hampshire, and especially the children we serve, I'd like to thank you for your generous past support. With the Town of Wentworth's donation, CASA continues to lift up the voices of abused and neglected children statewide.

As you know, CASA is a statewide, nonprofit organization that recruits, screens and trains volunteers to advocate for abused and neglected children in New Hampshire courts. As these children navigate the confusion of the court and foster care systems, CASAs/guardians ad litem help to ensure their best interests are always being considered. Because CASA volunteers carry only one or two cases at a time, they are able to create a clear picture of the child's needs so that they end up in a safe, permanent home.

The children CASA serves come from communities across the state, including Wentworth. In Grafton County, CASA served 68 children during 2011. This number includes children who use Wentworth schools and resources and live with foster parents or extended family members in your community.

CASA volunteers also come from across the state and donate many miles and hours to fulfill their duties. Thanks to the financial support from the Town of Wentworth, CASA currently supervises 29 Grafton County volunteers. These volunteers traveled 29,207 miles and spent 2,631 hours speaking up on behalf of those who cannot speak for themselves.

Thanks in part to your donation we were able to provide court advocates for 82% of the abuse and neglect cases in the State in 2011. CASA's goal is to stop the cycle of violence by providing all abused and neglected children in court with an advocate. To help us reach this goal, we respectfully request your consideration for continued funding of \$500 in your 2013 budget.

Thank you again for sharing our vision that every child be provided a safe, permanent home.

Sincerely,

Marcia R. Sink
President and CEO

Working with schools
and communities
to prevent and reduce
youth alcohol, tobacco,
and other drug use
and to promote healthy
environments and
promising futures.

Catherine Stover
Administrative Assistant
Town of Wentworth
PO Box 2
Wentworth, NH 03282

Dear Ms. Stover:

On behalf of our board, staff, and the youth we serve, please accept our sincere gratitude for the Town of Wentworth's support and municipal allocation of \$500.

CADY's community prevention work is purposeful, meaningful, and significant—as is your commitment to youth. Your contribution will help transform problems into solutions and create a legacy of promise for our most vulnerable children and youth.

Without education, there is little hope for change—thank you for strengthening CADY's capacity to reach and teach through outcome-based services. Your investment will help ensure the continuance of several CADY programs that build responsible decision-making skills; foster hope, growth, and resiliency; and most importantly, reclaim the futures of our highest risk youth.

Thank you again Wentworth for your ongoing commitment and investment in Wentworth children and youth.

Sincerely,

Debra A. Naro
Executive Director

HOME HEALTH • HOSPICE • REHAB THERAPIES • AQUATIC & FITNESS

Selectboard
Town of Wentworth
PO Box 2
Wentworth, NH 03282

October 26, 2012

Dear Members of Selectboard:

Most of our community members would choose to remain healthy at home! Pemi-Baker Community Health is the local nonprofit option for homecare, hospice, outpatient rehab, and now the Plymouth Regional Free Clinic.

As a safety net to many in our community, we recognize that sustainability is essential and can be achieved through partnerships and the collaboration that enhances the capacity to our local community's health needs. Healthcare is going through reform initiatives and we are in the middle of a paradigm shift.

We are requesting the sum of \$4,149.60 to be included in your 2013 fiscal budget for home care services to your town. This figure represents a population figure of 912 (the total population is obtained from the Office of State Planning) and per capita of \$4.55. On July 1, 1012, Pemi-Baker Community Health took over the operation of the Plymouth Regional Clinic.

We recognize the difficult financial decisions facing our donor towns as they look to balance the needs of their community and have therefore, even though Plymouth Regional Clinic has merged with our organization, only requested a per capita increase of .05 per resident. This is the first increase in 7 years!

I am available to meet if that would be helpful. Pemi-Baker Community Health depends upon support from our donor towns to help us help their citizens.

Respectfully,

Chandra Engelbert, RN, BSN, MBA
Executive Director

Web site: www.gcsc.org

Dear Members of the Board of Selectmen:

Grafton County Senior Citizens Council, Inc. is requesting an appropriation in the amount of \$800.00 from the Town of Wentworth for Fiscal Year 2013. This represents a per capita amount of \$3.07 for each of the 261 Wentworth residents aged 60 and older.

During FY2012, 51 elders from your community received congregate or home delivered meals, used our transportation program, the services of our outreach worker or one or more of our other services designed to support the independence of older adults. In addition, 15 Wentworth residents were assisted through Grafton County ServiceLink. GCSCC's cost to provide services for Wentworth residents in 2011-2012 was \$11,593.76.

Enclosed is a report detailing services provided to your community during 2011-2012. Should you have questions or concerns about this report or our request, I would be most happy to meet with you to discuss our services in more detail.

We very much appreciate Wentworth's support and look forward to serving older individuals in your community this coming year.

Sincerely,

Roberta Berner
Executive Director

A United Way Agency providing services to older adults in Grafton County

October 4, 2012

Budget Committee
Town of Wentworth
PO Box 2
Wentworth, NH 03282

Dear Budget Committee:

From July 1, 2011 to June 30, 2012 *Voices Against Violence* worked with **773** adult and child victims / survivors who have been affected by domestic or sexual violence, or stalking. In Wentworth alone, we provided **112** contacts (**71 service hours**) to **11** male and female victims of domestic violence or sexual assault, as well as provided countless hours of education and support around these issues to other individuals and organizations in your town.

Direct services included crisis counseling through our 24-hour hotline; one-on-one crisis and ongoing advocacy; providing emergency shelter to women and children; support groups; hospital, police and court accompaniment; restraining orders and other legal assistance; providing food, clothing, and transportation; advocating for families' medical/mental health, housing, and financial needs; assisting with educational and employment opportunities; and much more.

Following are the services we provided to adults and children living in Wentworth in the 2011-2012 year (please note, individuals may receive multiple services):

Accompaniment	15	Material Goods Assistance	7
Civil Court Support	11	Personal Advocacy	15
Emergency Financial Support	0	Safety Planning	50
Emergency Legal Support	28	Transportation	0

Voices reached an additional **2,160 individuals through our prevention education and outreach** programs. Among those programs were workshops for students and faculty at area schools on topics such as bullying prevention, healthy relationships and boundaries, how to help a friend in an abusive situation, and teen dating violence. We are also working with law enforcement and community agencies in your area to create a unified community response to domestic and sexual violence, and will be placing a great deal of effort in our prevention activities that will hopefully alleviate long-term burdens on the town that result from family violence.

With this in mind, I submit this annual budget request in the amount of \$1,500.00 for the 2013 fiscal year. This figure represents approximately half of the total cost of providing services to Wentworth residents in our last fiscal year. We greatly appreciate all of your past support and your consideration of this year's request. Please do not hesitate to contact me at 536-5999 with any questions, or if I can provide additional information to the committee.

Sincerely,

Meg Kennedy Dugan
Executive Director

Visiting Nurse & Hospice
of Vermont and New Hampshire

Town of Wentworth
c/o Catherine Stover, Administrative Assistant
P.O. Box 2
Wentworth, NH 03282

October 19, 2012

Dear Selectboard and Citizens of Wentworth,

We would like to express our gratitude to the Town of Wentworth for its longstanding support of the Visiting Nurse Association & Hospice of Vermont and New Hampshire. Understanding the significant pressures on the town budget, we respectfully request a level funding allocation of \$1,733 the upcoming year.

The Visiting Nurse & Hospice is hard at work in your community. As a compassionate, non-profit healthcare organization, the Visiting Nurse & Hospice of VT and NH is dedicated to providing the highest quality healthcare and hospice services to individuals and their families, regardless of their ability to pay.

A note I recently received demonstrates the effect our agency has on people needing our services: The nurse who visited the day I was there was skillful, patient and generous with her time. She was a great comfort... The weather conditions that day were difficult. Ice and snow covered the roads. The nurse trudged up a slippery hill, arrived at the door with a smile on her face to help... The nurse was a pure give to all of us during that visit.

We provide short-term care for those who need skilled services after hospital discharge and long-term care for people who have chronic or complex medical problems. As the largest provider of hospice services in the area, we provide round-the-clock comprehensive and team-based hospice care, including pediatric hospice and community bereavement services. We also provide many no-or low-cost services to the community, including wellness clinics, foot care clinics and flu clinics, as well as education, and referral and coordination with other allied community services.

Last year, the Visiting Nurse & Hospice made approximately 132,000 home visits to 5,000 patients. Unfortunately, many of these services are not fully covered by insurance, which resulted in over \$4 million in unreimbursed charges for services. **In Wentworth, we made 444 homecare visits to 8 residents. The Visiting Nurse & Hospice absorbed approximately \$6,616 in unreimbursed charges to Wentworth residents.**

We are grateful to the Town of Wentworth for partnering with the Visiting Nurse & Hospice to ensure that Wentworth's most vulnerable citizens—the frail elderly and disabled, people with terminal illnesses, those recovering from a major surgery or illness, mothers with high-risk pregnancies, children with high-tech medical needs, and the uninsured and underinsured—have access to skilled home health care and support.

Thank you for considering our request of \$1,733 from the Town of Wentworth.

Sincerely,

Jeanne McLaughlin
President and CEO

Superintendent's Report

SAU 48 schools continue to face the challenges of demographic changes, responsible budgetary practices, and preparing our students for the skills and knowledge to succeed in the 21st Century.

In light of recent events, all of our schools are reviewing emergency procedures with the local police and fire departments. In addition, school safety committees are examining our school buildings in order to determine if upgrades are needed to ensure a safe environment for our students and staff. SAU 48 will continue to work with local officials and safety experts to address future improvements, as needed.

Technology enables educational innovation to prepare students for college & career success in the 21st century and beyond. Using technology to empower students to engage in learning and aligns with our curriculum goals by its integration with literacy, science, social studies and mathematics skills; fostering learning in the arts & digital media; enriching extended learning and after-school programming; globally connecting the classroom; and enhancing communication, collaboration, creativity and critical thinking.

Several of our schools have updated their web sites to include news, events, school calendars, resources, and communication. Parents/guardians are able to access their children's attendance and grades, track their academic progress, and learn about what is happening in their children's classes. Teachers can easily create class pages to communicate with students and families. Our school library media collections have been catalogued electronically and can be viewed on our school web sites.

All of our teachers are engaging in professional development opportunities, aligning our curriculum with the Common Core Standards. Curriculum maps are being updated to reflect the new standards in English language arts and mathematics, and an integrated approach with literacy, history/social studies, science, and technical subjects in grades 6-12. The K-2 teachers have engaged in intensive professional development with a new mathematics series aligned to the Common Core, and we will continue this series with training for grades 3-5 teachers in the 2013-2014 school year. We continue to upgrade our wireless and network infrastructures in readiness for the Common Core Smarter Balanced assessments in the spring for 2015. You can learn more about the Common Core State Standards Tools and Resources at: <http://www.smarterbalanced.org/k-12-education/common-core-state-standards-tools-resources/>. In the spring of 2015, students in grades 3-8 and high school juniors will take the Smarter Balanced assessment based on the Common Core Standards.

We appreciate all of the support of the communities of SAU 48. Please contact us with any questions or visit our website, www.sau48.org for further information.

Principal's Report 2012-2013

The enrollment and grade distribution at Wentworth Elementary School is as follows for the 2012-2013 school year:

Kindergarten – 6	3 rd Grade – 3	6 th Grade – 7	
1 st Grade – 9	4 th Grade – 14	7 th Grade – 6	Total= 59
2 nd Grade – 3	5 th Grade – 6	8 th Grade – 5	

Over the summer, classroom #4 had a new interior door replaced. A few other upgrades this year have been: a new fan in the gym for effective heat distribution, new lights outside the back of the gym that are light/dark sensitive for energy efficiency, replacement glass in the main office for security purposes, a new set of water fountains in the hallway, as well as repainting the hallway. These upgrades were accomplished via a grant from the Rural Education Achievement Program, US Department of Education.

Mrs. Erica Wilson is our new Technology Integrator and Library/Media Center Teacher. Other new staff members are: Mrs. Veronica King – an aide in our kindergarten class, and Miss Sara Byers – an aide in our grade 5-8 math science room. We also moved Miss Erika Clark from our kindergarten room to an aide position in our grade 5-8 language arts/social studies room.

The school continues to improve academically. As in years past, Wentworth continues to make AYP (annual Yearly Progress) in our standardized testing.

The National Center on School-Wide Inclusive School Reform called the SWIFT (School-Wide Integrated Framework for Transformation) has nominated WES as one of a select group of schools nationwide to become a “Knowledge Development Site” (KDS) on the basis of our success in implementing exemplary inclusive education practices. 64 schools across 18 districts within 4 states will be chosen. I think it is a great honor for this school to be nominated and recognized for all the great teaching and learning we do for our children.

The graduating class of 2012 went on their class trip to our Nation’s Capital. It was a wonderful educational experience for these students.

It is with pride that I submit this annual report. The community of Wentworth should be very proud of its school, its students and the faculty and staff of this school.

Respectfully Submitted,
Keith L. Charpentier, MEd., CAGS
Principal

WENTWORTH SCHOOL DISTRICT
Annual Meeting
Saturday, March 10, 2012

Meeting was called to order by Moderator Stephen Welch at 3:05 p.m.

To the inhabitants of the School District in the Town of Wentworth, in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs.

You are hereby notified to meet at the Wentworth Elementary School Saturday, the tenth (10th) day of March, 2012 at 3: o'clock in the afternoon to act upon the following subjects.

Article 1: To see what action the School District will take relative to the reports of agents, auditors, committees and officers.

Motion to accept as read by Steve Davis and seconded by Kathleen Springham-Mack.

Voice vote was not clear. So a show of hands was called for. There were 55 yes, 20 no.

Article passed.

Article 2: To see if the School District will vote to approve the cost items included in the recently negotiated collective bargaining agreement reached between the Wentworth School Board and the Wentworth Education Association which calls for the following increases in salaries and benefits:

<u>Year</u>	<u>Estimated Increase</u>
2012-2013	\$ 6,520.00
2013-2014	\$ 29,524.00

And further, to raise and appropriate the sum of six thousand five hundred twenty dollars (\$6,520.00) for the 2012-2013 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at the current staffing levels paid in the prior fiscal year. (The School Board recommends this appropriation. Majority vote required.)

Motion to accept as read by Kathleen Springham-Mack and seconded by Steve Davis.

Motion to have a paper ballot. Votes cast 86. There were 57 yes, 29 no. Article 2 passed.

Article 3: To see if the School District will vote to raise and appropriate the sum of one million two hundred fifty-seven thousand nine hundred seven dollars (\$1,257,907) for the support of schools, for the payment of salaries for the school district officials, employees and agents and for the payment of statutory obligations of the District. The amount does not include the sum found in Article 2. (The School Board recommends this appropriation.) (Majority vote required.)

Motion to accept article as read by Kathleen Springham-Mack and seconded by Steve Davis.

Motion to amend Article 3 to \$1,372,345 by Melisa Farrell and Deborah Gelsi.

Motion to have a paper ballot. Votes cast 84. There were 42 yes, 42 no. Amendment failed.

Karen Fryer asked to reconsider by hand count. There were 42 yes, 42 no. Reconsider failed.

Back to Article 3 motion made and seconded. Motion to have a paper ballot. Votes cast 83. There were 46 yes, 37 no. Article passed.

Article 4: To transact any further business which may legally come before this meeting.

Motion to adjourn made by John Thompson and seconded by Bruce Welch.

Meeting was adjourned by Moderator Stephen Welch at 6:30 p.m.

Respectfully submitted,

Eleanor R. Murray

WENTWORTH SCHOOL DISTRICT
School Nurse Report
2012-2013

The health office is a great resource for the children. I listen when they just need someone to talk to; I encourage them to make the right decisions about various choices they have in their lives. In my office students also learn about healthy habits, hygiene, kindness and making good choices. This year health classes in 7th and 8th grades have been focused on healthy eating habits, for example, understanding labels on the foods they eat and how they pertain to their health. With 5th and 6th grades, we have discussed the dangers of alcohol and smoking, what it does to the body and ways to avoid peer pressure if the situation arises.

I have worked in conjunction with Olympia Sports and Baker River Grange to provide needed warm clothing for those students who may have not had access to them.

We continue our Dental Health Program with Mrs. Doane and Speare Memorial Hospital. Mrs. Doane checks all students' oral hygiene and provides cleanings to students with parental consent. The program also offers fluoride as well as sealants to those who may need them. Sports clearance exams are completed each spring at WES by Plymouth Pediatrics for students involved in athletics.

This is the fourth year we offered a clinic for influenza vaccines to all students at WES. Our Special Thanks to Ammonoosuc Community Health Services in Warren, for providing these immunizations to our students **free of charge**. Speare Memorial Hospital assisted us with the flu clinic for adults in town as well.

Respectfully Submitted,

Christine Crane

Luke P. Merluzzi

John T. Walshaw

DOG OWNERS shall register all dogs over three months of age by April 30

- Rabies certificates required for registration.
- Penalty for not obtaining a dog license is a fine of \$50.00 (RSA: 466:13).
- Owners are liable for dogs running at large.
- Fees: \$6.50 if altered - \$9.00 not altered.
- Puppies (3-7 months) \$4.50

VEHICLE OWNERS must register their vehicles with Town Clerk.

- To re-register, owners must bring in their old registrations and photo ID.
- Proof of residency is required for new registrations.
- Renewals, transfers and plates available.

THOSE OPERATING IN OR NEAR WETLAND OR WATERWAYS shall file a Dredge and Fill-application with the Town Clerk before beginning work. Under RSA: 483-A fines can be assessed for non-compliance.

PROPERTY OWNERS seeking tax abatement shall apply to the Selectmen's Office in writing by March 1, following the mailing of the final tax bill. Abatement forms are available at the Selectmen's Office.
