You are hereby notified to meet at the Stotts' house in said district on the first Tuesday of September next (the 7th day of the month) at four o'clock in the afternoon (4 P. M.), to act on the following subjects:—

We hereby certify that on the 12th day of August, 1926, we posted a true and attested copy of the above warrant in the Little Boar's Head Post Office, and on a telephone pole at the point where the lower road to the beach forks off from Atlantic Avenue, public places in said district.

Commissioners' Report

I. *Sidewalks.*

The following work has been done on sidewalks during the past year:

1. Completion of concrete walk to Bath Houses.
2. Clearing and repairs on sidewalks in spring owing to damage in winter.

Due to work in progress at Bartlett Bachelder's service station, the plank walk across the marsh could not be used this year.

We expect that it will be ready for use next summer.

II. *Street Lights.*

In 1925 the town appropriated \$250 to provide for lights in the District. This item was not continued in this year's appropriation, however, with the result that the District has to pay for its own lights.

The question of requesting the Town to take over our present lights permanently will be considered at the coming District meeting.

III. *District Taxes.*

At our District meeting last September it was voted to lower our tax rate for 1926 from 20 cents to 15 cents on \$100 valuation.

Through an error, some tax bills were sent out at the old 20 cent rate; but if any payments were made before the bills were corrected, the difference will be refunded.

In the past there has been an interval of from fifteen to eighteen months between the voting and collecting of District taxes. To shorten this interval, the Tax Collector has been authorized to begin collecting in August instead of in December.

IV. *Fire Apparatus.*

Under authority given at the last District meeting, the Commissioners have loaned 400 feet of our 900 feet of hose to the Town to be kept on board the Town fire engine. This will be returned whenever the District desires.

WILIAM P. FOWLER,
JAMES L. BACHELDER,
DALTON BOYNTON,
Commissioners.
