COMMISSIONER'S REPORT

TO THE CITIZENS OF COOS COUNTY :

Herewith we present to you our annual report, showing the financial standing of the County as rendered by the County Treasurer, examined and approved by us and the County Auditors, for the year ending April 30th, 1887. Also reports of County Treasurer, Supt. of County Farm, Clerk of Supreme Court, Sheriff, Jailor, Solicitor, Physicians and report of County Conventions.

Actual indebtedness over assets April 1, 1887,
as shown by Treasurer's report, \$11825.48

As is well known to the citizens of Coos County, the alms house has been under the able and efficient management of Mr. and Mrs. S. G. Hanaford since the opening of that institution some twenty years ago. Undoubtedly the present season will close the term of their services at this institution. We feel that in the retirement of Mr. and Mrs. Hanaford the County lose a judicious management and humane officials in the discharge of their duties.

We would again call attention to the law passed last session in regard to the support of disabled soldiers outside the county alms house, also the increase of foreign

population in several towns in the county, which largely increases the expense of the county in the maintenance of the poor, and suggest whether or not some further legislation is needed to protect the county in such cases.

The erection of a new court house at Lancaster in the place of the one destroyed by fire in November last, is under a contract to be built by Mead, Mason & Co., of Concord, which calls for its completion in season for October court; when completed it will be a modern and substantial building and a credit to the county. We desire to express our thanks to the selectmen and overseers of the poor in the several towns throughout the county for the assistance they have rendered in the care of the poor and unfortunate in their several localities.

Respectfully submitted,

EUGENE W. SCRIBNER,

HARLEY E. JENNESS,

WARREN E. DREW,

} County
} Commissioners.

Address after July,

H. E. JENNESS, Carroll,
W. E. DREW, Colebrook,
LEVI SHEDD, Gorham.

RECEIVED BY SUPERINTENDENT OF COUNTY FARM FOR

Physician's Report.

Commissioners of Coos County:

GENTLEMEN:—At the close of another fiscal year it becomes our duty to report to you the number and cause of the deaths in the Alms House for the past year.

There has been but little sickness in the institution, and only one case of acute disease that has needed any attention on the part of the physicians.

Appended is the report of deaths with the cause thereof:

<i>Date.</i>	<i>Name.</i>	<i>Age.</i>	<i>Cause.</i>
May 28, 1886,	Uriah Barrett,	20	Phthisis.
Nov. 17,	James Poole	64	Meningitis.
Mar. 28, 1887,	Nellie Clouse,	32	Phthisis.
	One child born May 9th, 1886.		

The same kind care of the past, on the part of the Supt. and Matron, Mr. and Mrs. S. G. Hanaford, for the sick, has been continued and nothing has been left undone to promote their comfort or add to their well being.

And to them for their kindness to the sick, as well as for their courteous treatment of ourselves, and to the County Commissioners, we return our grateful acknowledgements.

Respectfully yours,

ARTEMAS WARD, M. D.,
F. I. RAMOS, M. D.

Respectfully submitted,
 GEORGE R. EATON, County Treasurer.

Auditor's Report.

Sprauge Carleton, one of the County Auditors, being prevented by sickness from attending to the duties of his office, the undersigned would make the following report; that, at Lancaster, on the 7th day of May, 1887, he carefully examined the accounts of the Treasurer, Commissioners, Supt. of County Farm, and all other county officers, and found them correctly cast and vouchers on file; also that he examined the various bills and vouchers, and believes the articles named therein were bought and sold in accordance with their market value, and were used for the benefit of the county.

W. R. DANFORTH, Co. Auditor.

County Convention.

Owing to the burning of the Court House at Lancaster, a County Convention was called at Lancaster on the 9th day of December, 1886, for the purpose of taking some action in relation to the rebuilding of said court house.

At said convention a full delegation was present, and the following resolutions were adopted :

Resolved :—That the sum of fifteen thousand dollars is hereby appropriated to rebuild the court house and county offices, on the present court house site in Lancaster village, and that any part of said sum not expended on completion of said building be covered back into the county treasury.

Resolved :—That the County Treasurer be hereby authorized to hire such part of the fifteen thousand, by this convention appropriated to rebuild the court house in Lancaster, as may be necessary, at as low a rate of interest as possible.

Resolved :—That the County Commissioners for said county are advised and instructed by this convention, to appoint an agent or a committee of one, to take the immediate charge under them, of the rebuilding of said court house ; that they cause a plan of the proposed court house with full and complete specifications, both as to the material and manner of building, to be drawn as soon as may be, and then to receive proposals from builders for erecting said building according to said plan and specifications, and to close a contract for building the same with the lowest responsible bidder, if

they think best; so that by the said contract the work is begun in the early spring and rapidly pushed on to completion.

Resolved:—That the County Commissioners be requested to procure a set of books and call in all the land transfers recorded in the Coos County Register of deeds prior to Nov. 4, 1886, the date of the burning of said records, to be recorded on the best terms at the county expense,

Voted to adjourn without date.

SIDNEY B. WHITTEMORE, Clerk of Con.
