WILLIAM LEWIS WOOD

January 6, 1885 — August 25, 1960

Served the Town of Warren
As Tax Collector
From 1924 to 1960

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Warren in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Warren on Tuesday, the 14th day of March next, at nine of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To hear the report of Selectmen and other Town Officers and pass any vote relating thereto.

4. To raise and appropriate money to maintain highways and bridges, and take any vote relating thereto.

5. To see if the Town will vote to accept State Aid for Class IV and V roads and raise and appropriate or set aside for said purpose the sum of \$630.31, the State to contribute \$1,669.69.

6. To raise and appropriate money for Fire Department.

7. To raise and appropriate money to maintain street lights.

8. To raise and appropriate money for Town Library.

9. To raise and appropriate money for cemeteries.
10. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the care of trees.
11. To raise and appropriate money for town welfare, old age assistance and soldiers' aid.
12. To raise and appropriate money for parks and playgrounds, including band concerts.
13. To see if the Town will raise and appropriate the sum of \$81.93 for the White Mountain Region Association.
14. To see if the Town will raise and appropriate the sum of \$100.00 for the benefit of the Sceva Speare Memorial Hospital.
15. To see what sum of money the Town will vote to raise and appropriate for maintenance of the Town Hall and Municipal Building.
16. To raise and appropriate money for the maintenance of the Town Dump.
17. To see if the Town will vote to observe Old Home Day, and raise and appropriate money for the same.
18. Shall the provisions of Chapter 117A of the Revised Laws relative to playing beano be adopted in town.
19. To see if the Town will vote to trade the town highway truck on a bid basis and raise and appropriate money for the same.

20. To see what sum of money the Town will vote to raise and appropriate for the purpose of purchasing other equipment for highway purposes.

21. To see what sum of money the Town will vote to raise and appropriate for Civil Defense.

22. To see what action the Town will vote to take in planning for the bi-centennial celebration of the Town in 1963.

23. To see if the Town will vote to make any upward adjustments in the salaries of Town Officers who were not affected by the adjustments made at the 1960 Town Meeting.

24. To see what sum of money the Town will vote to raise and appropriate to increase the capital reserve account for the purchase of side-walk snow removal equipment.

25. To see if the Town will vote to grant a discount on property taxes of 1961 and determine the date and the percentage of same.

26. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

27. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 11th day of February in the year of our Lord nineteen hundred and sixty-one.

THEODORE MARSTON
WALLACE McNAMARA
SIMEONE ALESSANDRINI

Selectmen of Warren

REPORT OF THE POLICE DEPARTMENT

Activities of the Warren Police during 1960 include the following:

Removal of human body — assisted undertaker.

Investigation of unusual conditions surrounding above death and apparent malnutrition.

Four investigations relating to instances of Breaking and Entering.

One report of vicious dog — investigated.

One stray dog returned from Wentworth to Warren.

Attendance at one Coroner's Inquest.

Three automobile accidents investigated.

Because of the illness of the chief of Police, the work of the Department has been done by Special Officers David Caverhill and Elmer W. Jesseman since October, 1960.

RONALD W. ROGERS,
Chief of Police

REPORT OF LOCAL DEFENSE DIRECTOR

There are many items of equipment which become available to Civil Defense Units from time to time. These are purchased at a very low cost, usually a small fraction of the original price. Some of the items listed below might become available to us over a long period of time:

Fire Engine — sometimes declared surplus at
Air Force Bases
Auxiliary Lighting Units
Bulldozers
Vehicles of various types
Office Equipment

There are many other items of a varied nature associated with defense, evacuation, relief and natural disasters which can be obtained in a long range program.

The Civil Defense Organization at the local level is noted below:

Director — Roderick Lamothe
Deputy — Floyd Ray
Assistant — Theodore Marston
Administrative Unit — Bernice Lamothe
Warning and Communication — George Hight
Welfare and Refugee — Leona Foote
Firefighting — John McDonald
Police and Warden — David Caverhill
Rescue and Engineering — Elmer W. Jesseman
Transportation — John Nicol
Medical, Hospital, First Aid,
Nursing, Health and
Sanitation — Wallace McNamara
Radiological Monitoring — Myron Buskey
Supply — Fayne Anderson

Any equipment purchased at any time may be used for Town or School work and reported as used in a "training period." This is approved procedure and is to be reported as such. Acquiring these larger items might well cover a period of five to ten years or even longer. For this reason a sum of money should be appropriated and held according to law in the Town Treasury to make purchases possible when opportunities arise.

RODERICK LAMOTHE, Director

Warren Civil Defense Unit

REPORT OF THE WARREN VOLUNTEER

FIRE CO. FOR YEAR 1960

1960 Appropriation		\$	500.00
White Mt. Power Co., Lights	\$	21.50	
American Fire Equip. Co. Imp.		17.41	
Ralph Ward, Repairing Portable		20.00	
Blanchard Asso., 300 Ft.			
2½-In. Hose		360.00	
George Hight, Gas and Oil		16.74	
Total Payments		\$	435.65
Unexpended Balance, Dec. 31, 1960		\$	64.35

The Town of Warren is fortunate in not having any major fires in 1960. Most of the calls for the year were grass, brush or chimney fires. Chimney fires seem to be the major trouble as soon as the cooler weather starts in the Fall. Much of this could be eliminated if a little more care and time were spent in cleaning the chimneys.

No major changes were made in the Department Plant this year. The most important improvement being the black top surface at the approaches to the Town Building.

FLOYD R. RAY,
Fire Chief

REPORT OF FIRES

Town of Warren, N. H.

Calendar Year 1960

- Jan. 1 George Hight (Frank Wright Place) Burned out water pump motor
- Jan. 11 John H. Nicol, Chimney Fire
- Mar. 4 George Shortt, Chimney Fire
- May 7 Wentworth Dump. Being a very dry period the fire spread to the adjacent woodlands and spread rapidly
- May 9 David Caverhill, Barn and livestock destroyed; house saved but suffered considerable damage. (Joe Pike Place)
- Sept. 10 Woods and Grass Fire on Spurgeon Ames lot, in back of residence of Arthur Wright
- Dec. 15 Bessie Derosia, difficult chimney fire.
- Dec. 26 Ed Hildreth, chimney fire.

The Caverhill barn fire was the major conflagration this year, but fortunately the barn has been replaced with a new one and the livestock replaced, and the house repaired.

The number of calls remains few in number, chimney and grass fires being the major cause.

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes nine out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents five per cent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed — all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste; PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second — by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning — don't leave it.
3. Make certain your fire, camp or debris, is DEAD out before leaving it.

4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles — make sure they are out — use your ash tray.

5. Don't burn at home — use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	1
Number of acres burned	1/2
Number of permits issued	60

SOUTH MAIN STREET WATER DISTRICT

Warrant for Annual District Meeting

To the Inhabitants of the South Main Street Water District in the Town of Warren, State of New Hampshire, qualified to vote in District Affairs:

You are hereby notified to meet at the home of Arthur L. Hight in the said district on Friday, March 31st at 7:30 in the evening to act on the following matters:

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To hear the reports of the officers heretofore chosen and pass any vote relating thereto.
4. To choose a treasurer for the ensuing year.
5. To choose an auditor for the ensuing year.
6. To choose one District Commissioner for a term of three years.
7. To choose one District Commissioner for a term of two years.
8. To see if the District will vote to authorize the Commissioners to make changes in the water mains and service lines along any part of the system affected by the proposed highway improvement project, and pass any vote relating thereto.

Given under our hands and seal this 9th day of February in the year of our Lord, one thousand nine hundred and sixty-one.

ARTHUR L. HIGHT
EARL B. LIBBEY, Jr.
District Commissioners

Total Valuation	\$ 4,400.00

The financial condition of the South Main Street Water District improved during the past year. Repairs and replacements were kept extremely low and in fact lower than we might reasonably expect in any average year. We have paid the final installment on the note made by the district in September, 1956, when the present pumping station was built. The reason for paying \$300.00 on this note instead of \$250 was that we were unable to pay the full amount due in September, 1959, and \$50 had to come out of 1960 Revenue.

The care of the pump house and labor on the system should not be imposed upon any one without some compensation. The proper functioning of the system is expected at all times and yet this does require time, effort and thought on the part of some one. It might be well to consider paying one of the Commissioners, or some other person in the district, \$50 per year plus their water rent for the year or \$75 a year without free water rent. Some plan should be considered seriously at the annual meeting of the district in March.

Anticipated Revenue for 1961	
22 Collection units for six months at \$3.00 per month	\$ 396.00
24 Collection units for six months at \$2 per month	288.00
2 Part time units	21.00

Total	\$ 705.00

Anticipated Expenses	
Payment on Indebtedness	\$ 200.00
Interest on Indebtedness	40.00
Operating Expenses	270.00
	<hr/>
Total	\$ 510.00

THEODORE MARSTON,
Treasurer

REPORT OF AUDITOR

I certify that I have examined the records of the Treasurer of the South Main Street Water District for the year 1960 and find them correct.

JOHN H. NICOL,
Auditor

REPORT OF HEALTH NURSE

47 Main Street
Plymouth, N. H.
January 16, 1961

Office of Selectmen
Warren, N. H.
Dear Sirs:

The following is a report of the activities of the N. H. Department of Health, Bureau of Public Health Nursing, for your town for the year 1960. Please have printed in your town report.

Home visits have been made in the town on mothers, babies and preschool age children. Arrangements were made for children to attend clinics at Hanover and Littleton for diagnosis and treatment as necessary. Applications have been made to the N. H. Sight Conservation Program and glasses obtained.

The Warren and Glencliff employees at the State Sanatorium have received their Salk Vaccine shots through the cooperation of Dr. Francis Kasheta, Superintendent of the State Sanatorium.

Miss Ellen Clough, veteran nurse with the N. H. Tuberculosis Association, retired as of September 1st, 1960. The work is now covered by the N. H. Department of Health, Bureau of Public Health Nursing. Chest clinics will continue to be held at Plymouth twice a year. Dr. Robert Kerr and Mr. Alden of the N. H. Tuberculosis Association will be in attendance, chest x-rays and examinations will be given. The Public Health Nurse will be in charge of the clinic.

This is a clinic for the public and Warren residents are welcome to attend.

We regret the closing of the Moosilauke Medical Center leaving Warren without a resident physician. It is hoped that another doctor will soon be obtained for this much needed area.

The Public Health Nurse's office is located at 47 Main Street, Plymouth, N. H.

Respectfully submitted,
LOIS B. REED, R.N.,
Public Health Nurse
N. H. Department of Health

LOCAL DEVELOPMENT AND ISSUES

The annual Town Report means a variety of things to many people. The information contained in it is of interest to most everyone who resides in the town or who owns a summer home here. Each person probably has a particular interest in some certain section of the report. Essentially, however, the report is a review of how appropriated monies were spent. Once a year we meet to review what was done with public funds and to decide what shall be done in the year ahead. One criterion of a valuable report is accuracy, and another is detail. As in past years, your Town Officers have tried to spend money as directed by the citizens of the Town. Sometimes we are called upon to make decisions where amounts of money beyond those appropriated are demanded. In these cases it is not practical to call a Town Meeting, so a decision must be made, having in mind that some people will approve the move and others will disapprove. What is reasonable then becomes the main factor in making a decision. This situation developed in relation to our tennis court. It was a relatively sudden decision which resulted in an appropriation which was not sufficient to do the work. The Town voted for the court under the article calling for an appropriation for Parks and Playgrounds. The vote called for \$750 for construction of the court, \$75 for general care of parks and playgrounds and \$150 for equipment. The actual cost of construction exceeded the total appropriation by \$253. We also paid for installation of posts for the net and also bought the net. Since the court would not be usable unless completed, we had the work completed. It is now hoped that young people and older ones will use this court to the maximum. In that way the expense can be justified.

The upper part of the common received some loam and should get more attention this Summer.

The Town Hall heating system was installed by Hartley and LaMott of Piermont. This has already proved to be convenient and clean. Fuel oil to February 1st 1961 has cost \$175.91. The extreme weather of December and January has doubtless taxed the system as much as could be expected during any winter period. The heating committee assisted the Selectmen very greatly by continuing its valuable work and advice until the system was installed and operating. We should see increased use of our Town Hall the year round.

The year witnessed the passing of Mr. Ira Herbert Morse. Mr. Morse will always be remembered for his continuing love for Warren and for his interest in local problems. The picture on the cover of the Town Report is evidence of Mr. Morse's concern for his boyhood hometown. His many kindnesses and acts of helpfulness will long remain in the hearts and minds of all who knew him. His many small personal acts of kindness and charity remain as a memorial to him.

The Town will complete payment in August on the Beech Hill road project. Next year we will be in a position to select another accelerated T. R. A. project. Within the next year we will prepare cost figures on all possible projects. The Selectmen welcome suggestions in this matter.

An increase in our Police Department appropriation is being recommended because there are definite indications that more police activity is needed. When vandalism occurs, people want immediate action and certainly we cannot ignore the fact that such acts do occur. In some surrounding towns, there is a small group of young people who feel they can go to Warren and "get away with anything." We don't want that reputation, A little police action can keep undesirable actions at a minimum. The properties of our Summer people should be checked once in a while. This should not be left entirely to the State Police.

Our tax rate was reduced in 1960 due to an increase in taxable property and to some reduced expenditures effected in the School budget. It appears now that our taxable inventory this year will be some less than last year, but there may be some upward adjustments made to partly compensate for an apparently reduced inventory.

The Selectmen were pleased that Mr. Roderick Lamothe volunteered to assume the work of Civil Defense Director. He has reorganized the staff and is prepared to carry out whatever demands the national program of civil defense requires. This work was given great attention by Dan Stowell and we are grateful for Mr. Stowell's efforts and interest in this, as well as other areas of community life.

The possibility of adding a small road maintainer to the highway department's equipment is quite feasible. If substantial savings can be made in the present department budget, the equipment could be purchased with no increase in appropriation. Such a purchase would eliminate hiring of a grader and some extra labor, but should depend to some extent upon the ability of the present highway budget to absorb most of the cost.

It is hoped that the Town will decide to elect or appoint an over-all planning committee to begin plans for the bicentennial celebration. The committee could report its progress and perhaps tentative plans at the 1962 Town Meeting, and seek further action at that time.

It is gratifying to note the continuing interest, cooperation and sense of responsibility among our Town Officers.

SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Warren qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 11th day of March, 1961, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the district.
6. To hear the reports of agents, auditors, committees or officers heretofore chosen, and pass any vote relating thereto.
7. To choose agents, auditors and committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to raise and appropriate the sum of \$400.00 for the support of the school lunch program for the ensuing year.

10. To see if the district will vote to raise and appropriate the sum of \$200.00 for the support of a dental clinic for the ensuing year.

11. To see if the district will vote to raise and appropriate the sum of \$100.00 for the support of a physical examination program for grades 1, 4 and 7.

12. To see if the district will vote to instruct the School Board to have a telephone installed in the school building and to raise and appropriate the sum of \$85.00 for the support of same.

13. To see if the district will appoint a special committee to investigate the feasibility of converting the heating plant from coal to oil and to report its recommendation at the annual school district meeting in 1962.

14. To see if the district will vote to approve the regulation of the School Board establishing limits of transportation of pupils living beyond existing village sidewalks on established transportation routes.

15. To transact any other business that may legally come before said meeting.

Given under our hands at said Warren this 9th day of January, 1961.

Special Appropriations to be Raised by Taxation in Current Year For:

School Lunch Program	\$ 400.00
Dental Clinic	200.00
Physical Examinations	100.00
Telephone Installation	85.00

* The starred items are required by law to be raised as determined by the proper authorities. The district determines the salaries of the district officers. The supervisory union board decides the local share of the superintendent's salary and other union expenses. The supervisory union's share of the Superintendent's salary for 1961-1962 is \$56665.00 with \$1250.00 allowed for travel. The State Treasurer reports the amount of the per capita tax. The retirement board assesses the amount of the teachers' retirement.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens
of the Warren School District:

I submit, herewith, my fourteenth annual report
as Superintendent of Schools.

1959-1960

Different pupils registered during year	93
Average Membership	85.9
Percent of Attendance	94.4
Number of Pupils neither Absent nor Tardy	4
Non-Resident Pupils	3
Number of Children age 6-14 not attending any School	0
Pupils whose tuition was paid by District:	
Secondary	40
Pupils Transported at District Expense	37

Roll of Honor for Perfect Attendance For Full Year

Foote, Jeanne, Grade 3	Heath, Donna, Gr. 3
Foster, Gary, Grade 3	Smith, Theresa, Gr. 4

Promoted from Grade 8 to High School June, 1960

Ball, Edward	Moody, Katherine
Hatch, Denzil	Pike, Richard
Hildreth, Priscilla	Stallings, Carole
LaBrie, Joseph	

Enrollment By Grades

	1	2	3	4	5	6	7	8	Total
Warren Village	11	9	13	14	17	9	12	8	93

1960-1961

The elementary enrollment remains quite constant, with 93 registered in September 1960, while in 1959 there were 96 and in 1958, 99.

William Hagner was employed as principal and teacher in grades seven and eight. Warren is most fortunate to have an instructor of Mr. Hagner's ability as its administrator.

Principal Hagner is a 1959 graduate of Plymouth Teachers College, holds a B. of Ed. degree, and previously taught at Conant High School, in Jaffrey, New Hampshire.

Mr. Charles Young replaced Mr. Wright as building custodian. The best wishes of the staff go to Mr. Wright in his retirement. Mr. Young is doing a fine job as his successor.

We in America enjoy the highest standards of living and productive employment in the world. Although our people form only 6 per cent of the world's population and occupy only 7 per cent of the globe's surface, we consume 34 per cent of the world's goods and produce about 50 per cent of the world's manufactured products.

This material progress must be accompanied by moral and intellectual growth. It is a supreme function of education to see that humanistic studies and social sciences are kept abreast of technological progress so that man remains the master, rather than the slave, of the machine.

When the Russian sputniks went into orbit around the earth, a storm of apprehension rolled over our country. How did it happen that Russia should lead the way in fashioning artificial moons to course in space? The country was told that our schools were neglecting science and mathematics. As Barzun put it, "The moment a satellite appears in the sky or a rocket fails to go off . . . nothing but science and engineering seems to matter."

More, not less, math — The fact is that more boys and girls of high school age are taking mathematics and science than at any other time in the United States. A study made by the National Education Association points out that the majority of public schools offer a full program in mathematics and science, and that those lacking a major course in these subjects are small schools with small enrollments. Furthermore, leaders in school administration have been urging state legislatures to establish larger school districts for years, in order to discourage high schools too small to provide an adequate curriculum. Lack of teachers, funds, and equipment makes it impossible for small schools to offer a full program of studies.

In times of such public excitement, it is necessary for leaders of public education to maintain clarity and control in thought and action.

But as American satellites now circle the earth, and as mathematics and science take on a new popularity among our growing armies of space cadets, we can see the radical crash programs of 1958 in proper perspective. Tornadoes, cyclones and hurricanes blow themselves out. Sound principles never die, but we cannot perpetuate democratic principles without daily and uncompromising effort.

Such effort is futile without the continued interest and understanding of the layman as well as of the school administrator.

The loyalty of the teaching staff, the executive action of the school board, and the support of the community are gratefully acknowledged.

Your attention is directed to the report of Mrs. LaMott, R.N., which follows.

Respectfully submitted,

PHIL A. BENNETT
Superintendent of Schools

Warren, N. H.
January 9, 1961

REPORT OF SCHOOL NURSE

Number of Pupils Examined	87
Number of School Visits 20	Home Visits 38
Symptoms of Defects	Corrections
Vision	9
Hearing	1
Speech	1
Teeth	47
Number of Communicable Diseases Reported:	
Chicken Pox	11

Routine vision screening tests were done on grades 1-8. Hearing tests were done in Grades 1, 4, and 8 plus new pupils in school and pupils having hearing difficulties.

Dr. Masry examined 31 pupils in grades 1, 4, and 7 on November 19, 1960. When defects were noted, referrals for correction were sent to the parents.

One pupil attended the Orthopedic Clinic at Hanover, December 18, 1959.

One pupil was examined by Dr. Hume at the Pediatric Diagnostic Clinic in Littleton, March 4, 1960, and tested by Dr. Harmes at the June 3rd Clinic in Littleton.

Because Dr. McCarthy moved away, we were unable to schedule a Fall Dental Clinic. Dr. Philip Munson of Bradford, Vermont, was able to offer three mornings (9-12) on May 18, and 25, and June 1, 1960. We were happy to have this time available and used it to the following good advantage:

29 pupils were examined; 24 pupils were treated. Treatments included 4 cleanings, 52 fillings, 25 extractions of temporary teeth, and two extractions of permanent teeth. Due to lack of time, we had to limit the Clinic to the first four grades and were unable to complete these grades. Plans are being made for a Fall clinic.

I want to express my appreciation to Mrs. Pike for arranging transportation for the dental clinic, through the P.-T. A. The following parents furnished transportation: Mrs. Dorothy Libbey, Mrs. Marjorie Shortt, Mrs. Mae Heath, Mrs. Hazel Bemis, Mrs. Avis Cushing and Mr. John Currier.

My sincere thanks to Mr. Bennett, Dr. Masry, Mr. Mawson and his staff, the parents and pupils for their continued interest and cooperation in the School Health Program.

Respectfully submitted,

Mrs. Muriel LaMott, R.N.
School Nurse
