We would suggest that persons desiring to leave a sum of money, the income of which is to be used for the care of cemetery lots, should deposit at least \$200.00.

At the present rate of interest, wherever possible, those funds the principal of which is \$100.00 or less, should be increased.

REPORT OF VOLUNTEER FIRE DEPARTMENT

The Northwood Volunteer Fire Department answered 41 calls in 1965. 28 of these calls were in the Town of Northwood and the other 13 calls were for assistance to our neighboring towns. The nature of the calls in Northwood were as follows: 2 chimney fires, 4 building fires, 12 grass and brush fires, 7 calls to town dump, 1 for assistance at an auto accident, and 2 calls for assistance in near drownings. The out-of-town calls were: 1 building fire, 11 brush and grass fires, and 1 call for help with gas leaking from an electric refrigerator.

In August of this year, the new fire truck, a 500 gallon per minute pumper, was delivered to the Town from the Howe Fire Apparatus Company of Anderson, Indiana. This truck was purchased by the Town to replace the 1939 pumper which was housed at the Narrows firehouse. Also added to the Department this year was a 1958 International 1500 gallon tank truck. This unit, equipped with foam which is very essential in fighting gasoline or oil fires, was made available to the Town by the Northwood Volunteer Fire Department. It was purchased and equipped from the Department's own funds for approximately \$1200. Another improvement this year was a 1000 gallon tank donated to the Department by the Northwood Garage. This tank replaced the 800 gallon tank on one of our trucks, giving us 200 gallons more capacity on this unit.

The Department now has three tank trucks and two pumpers which can carry to a fire a combined total of approximately 4600 gallons of water. Also donated to the Department this year was a 300 gallon per minute portable pump which has been mounted on a trailer and will be ready for use in the near future. This pump will be of great value to the Department as it can be placed at a source of water that the trucks might not be able to reach. When complete, this unit will carry

hose and other fire fighting equipment. In the near future, the Department is planning to purchase, from its own funds, more equipment to add to these trucks, such as Scott Air Packs, dry chemical fire extinguishers and a resuscitator.

Remember — a permit is required for any outdoor fire unless the ground is covered with snow. Anyone wishing to do any type of outdoor burning should now obtain a permit from Charles Nutter, the new fire warden for the Town of Northwood.

Respectfully submitted,

ERNEST M. BAKER,
Fire Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

We Must All Be Careful:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 p. m.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

REPORT OF PRINCIPAL

Dear Parents:

The year at Northwood Elementary school is now nearly half over and it is once again time for me and my staff to thank the many parents and supporters of the school.

It is with great appreciation, I look back at the fine job done by the P. T. A. under the leadership and guidance of Mrs. Stanley, Mrs. Ring and Mrs. Lane. They again will sponsor, with the help of other organizations, a dental clinic for the children of Northwood. The P. T. A. has also done a most commendable job in bringing excellent educational programs for the benefit of all parents and teachers.

Many thanks also to Mr. Ed Stanley for installing, labor free, the new scoreboard donated by Mr. Hascall Stimson and the Suncook Bank.

I can also look with pride at the efforts and accomplishments of the staff here at Northwood. The teachers of grades II, III, IV, V, and VII are now engaged in the modern math program at the University of New Hampshire. These courses are held once a week for two hours a night at the expense of the individual teachers and will be a tremendous benefit to the mathematics curriculum.

From the office, in cooperation with all the teachers, has come a handbook for teachers, parents, and students, outlining rules, regulations, procedures, and suggestions to follow in the daily, and yearly routine at the Northwood Elementary School.

The new physical education program for the upper grade boys under the direction of Mr. Charles Hodgdon has done a great deal to increase the academic output of

those involved and helped stimulate enthusiasm toward the school. The girls area of physical education will begin in the spring with softball. We tried this year to get a student teacher from the University, but only one woman is going into the field this semester for the whole state.

Again allow me to take this opportunity to thank the many parents and supporters who have aided us in the common interest and education of your children.

Sincerely,

ALAN S. CUTLER,
Principal

In 1956 the enrollment for grades 1 - 8 was 133, today it is 205, an increase of 72 pupils or another way of saying it, an increase of three classrooms and three teachers. It is fortunate that the citizens of Northwood were farsighted in their thinking when they planned the existing building.

This fall only one change was made, Mr. Alan Cutler replaced Mr. Donald Snodgrass as Teaching-Principal. Mr. Cutler was teaching-principal in Barrington for two years and taught English at the Monadnock Regional School for three years.

Due to the growth in school population it was also necessary to add an additional teacher, therefore, Mr. Charles Hodgdon was elected for the grade 6 position. This made it possible to have a single grade in every room and, incidentally, consumates all available space.

In November, Mr. John Houghton, Jr., began his duties as assistant superintendent. Among his many duties, Mr. Houghton will continue to assist in supervision, co-

ordinate the curriculum, recruit teachers and to give professional advice to the teachers and administrators. Mr. Houghton has had ten years experience as a superintendent in Maine and should be valuable to your school.

In conclusion, we would like to express our appreciation for the cooperation given to us during the year by the citizens, school board, faculty and pupils of Northwood.

Respectfully submitted,

SCHOOL HEALTH REPORT

Northwood

To the Superintendent of Schools:

During the school year of 1964-65, as part of the school health service, all the pupils in the Northwood Elementary School have had health inspections. These included checking height, weight, vision, teeth and tonsils. Those children in grades I, III, V, and VII have had their hearing tested, also, as have all pupils with a known hearing problem or a history of ear trouble.

Whenever defects were found, the parents were notified either by a home call or a letter. Parents have been very cooperative in having defects corrected as is shown by the following summary of tests, defects and corrections:

Tests and Inspections:	Defects Noted:	Corrections:
Vision tests: 206	Vision: 21	Vision: 27
Hearing tests: 70	Hearing: 1	Hearing: 1
Heights & Weights: 199	Teeth: 73	Teeth: 70
Teeth & Tonsils: 199	Not Vaccinated: 4	Tonsils: 9
	Skin: 3	Vaccinations: 4
		Skin: 3

A Pre-School Clinic was held May 21, 1965. It was attended by 25 children, and each received a routine health inspection by the school nurse.

A Dental Clinic, co-sponsored by the New Hampshire Bureau of Dental Health, the Northwood-Harvey Lake Women's Club and the Northwood Parent-Teachers Association was held in March and April 1965. This provided for a thorough cleaning of the teeth followed by an application of fluoride solution. (Dental research has

shown this to be a worthwhile aid to reducing tooth decay.) A total of 198 children were screened by the hygienist, and 163 children received treatment. This is a very big step toward improving the overall dental health of Northwood's children, and another clinic is planned for 1965-66. It is to be hoped that this will become a regular part of the school health program.

The school was hit quite hard by outbreaks of various communicable and infectious diseases. Cases reported included those listed here:

Chicken pox: 18	Head lice: 3
Measles: 3	Impetigo: 3
Mumps: 18	Rheumatic fever: 2
German measles: 5	Infectious hepatitis: 1
Scarlet fever: 29	Influenza: 35

During the school year three children were seen at the Portsmouth Rehabilitation Center, and one at the orthopedic clinic of the New Hampshire Crippled Children's Services.

A total of 41 home visits were made.

I would like to take this opportunity to thank Mr. Martineau, Mr. Houghton, the School Board, the teachers and the parents for their consistent helpfulness.

Respectfully submitted,

DOROTHY Y. WELLS, R.N.,
School Nurse.
