TOWN MEETING WARRANT

(as known February 17)

Article 1. To choose all necessary town officers for the year ensuing.

Article 2. To raise such sums of money as may be necessary to defray Town charges, for the year ensuing and make appropriations of the same.

Article 3. To see how much money the town will raise and appropriate for the Abbie Greenleaf library; for the salary of the Librarian; for the maintenance of highways and bridges; for oiling our roads, and for lighting our streets for the year ensuing.

Article 4. To see how much money the town will vote to raise and appropriate for Memorial Day and to choose an agent to expend the same.

Article 5. To see if the town will vote to instruct the Selectmen to apply for state aid, and Trunk Line aid and maintenance, for our highways for the ensuing year; and to raise and appropriate money for the same.

Article 6. To see if the town will vote to instruct the Selectmen to allow a discount of 2% on early payment of taxes.

Article 7. To see if the town will vote to raise and appropriate money to eradicate the Pine Blister rust.

Article 8. To see if the town will vote for State Aid for highway bridge improvement and to raise money for the same.

Article 9. To see if the town will vote to observe "Old Home Week" and to raise money for the same.

Article 10. To see if the town will vote to construct a cement sidewalk on Harvard Street, and from the lower bridge to the Lisbon line, on the Sugar Hill road, and to raise money for the same, respectively.

Article 11. To hear reports of committees and agents and to transact any other business that may legally come before the meeting.

Of this account some over \$1,737.18 was expended on town floods and on the Hart and Bodwell roads.

I hereby certify that I have examined the foregoing accounts of the selectmen and treasurer of Franconia for the fiscal year ending January 31, 1929, and find them correct, as submitted, and all disbursements properly vouched. I have verified each item of assets and find \$826.87 in the Littleton National Bank to the credit of the treasurer. I find that all the orders, drawn for the fiscal year (namely, \$48,258.53) have been paid.

ARTHUR W. SAWYER, Auditor.

February 15, 1928.

We, hereby submit, to the tax payers and citizens of the Town of Franconia the foregoing financial report of the town, for the fiscal year ending January 31, 1929.

E. B. PARKER,
W. P. HODGE,
L. L. BOWLES.

Recommendations for the Year

Budget: 1929-30—See page	\$11,146 00
Estimated Income from sources other than taxation:	
Dog licenses	\$ 75 00
Rent of district property	200 00
Rent of gravel pit	75 00
Interest on Greenleaf Fund	475 00
Elementary tuition	400 00
Trustees of Dow Academy	200 00
Total	<hr/> \$1,425 00

Difference between Budget and Estimated Income \$9,721 00

On June 30, 1928 the treasurer's book showed a balance of \$100.24. This balance had been made possible by borrowing \$1,000.00 from the appropriation from the present school year. The actual deficit was \$899.76. The deficit will be less at the close of the present school year. If the Trustees are able to give the same sum for current expenses as last year, the estimated deficit on June 30 will be about \$450.00.

We recommend that the District raise and appropriate the sum of \$10,000.00 for school purposes. This amount should enable us to close the next school year with a small balance in the treasury. It is the same amount that was appropriated for the present school year.

Respectfully submitted,

DR. H. L. JOHNSON,
MRS. EVA B. HODGE,
FRED H. JESSEMAN.

SUPERINTENDENT'S REPORT

The report of school statistics for the school year closing last June showed that you had 131 pupils enrolled in your schools as follows: 73 in the first six grades, 16 in the junior high school and 42 in the senior high school. The average attendance was 106, and the per cent of attendance was 92.92. At present you have 123 pupils enrolled.

Eight pupils were graduated from the Academy. Of this number one entered Boston University, 3 normal school, one Hesser Business College, one Massachusetts General Hospital, and two are working in Franconia.

The present school year opened with the same teaching staff as of last year. On February 1, Mr. Pickard left the Academy to accept a position in Ware, Massachusetts. Mr. Pickard has been very successful in his two and one half years of service in the Academy both in teaching and in coaching the athletic teams. His removal from town is a distinct loss to the community.

Mr. George R. Anderson of Jamestown, Rhode Island, was elected as Mr. Pickard's successor. Mr. Anderson is a graduate of Dean Academy and of Rhode Island State College. He has had very successful experience in boys' work at the Newport Y. M. C. A., and at the Citizen's Military Training Camp at Newport. My first impression of his work here is very favorable.

The other teachers are doing excellent work in their respective departments. My argument in last year's report to retain successful teachers of experience might wisely be repeated in part. School systems in cities and large villages try to maintain as permanent staffs as possible. The difficulty is greater in small communities but the importance is no less. Good teach-

ers are the greatest asset to any school system. Teachers of experience are capable of better work than teachers without experience. Every reasonable effort should be made to retain as many of your present teachers as possible. Slight increases in salary will prove a good community investment in the quality of service rendered.

In last year's report I estimated that the school year would close with a deficit of \$500.00-\$600.00. The actual deficit was \$899.76. This difference between the estimated deficit and the actual deficit was caused by the expenditure of \$337.83 on the postoffice building. It was not anticipated when the report was written.

The present school year will close with a deficit of approximately \$450.00. This will be a reduction of the indebtedness by about \$450.00. The school board is requesting an appropriation of \$10,000 this year. If this request is granted the deficit should be entirely erased by June, 1930. The budget for the next school year has been reduced slightly from that for the present year. It seems to be the smallest amount on which the standard of the school can be maintained at its present level. The budgets for last year, this year, and next year, together with the expenditures for last year, and for this year to February 16, are shown in one table on page .

During the past year the Trustees have completed the construction of the chemistry tables and have equipped them with running water. The Manual training department did most of the carpenter work in the construction of these tables.

Through the funds made available by Mr. Poole's interest in the school a new set of encyclopedias has been added to the Academy equipment, and the athletic treasury has been furnished with the necessary funds for the basketball teams.

The work of the district nurse has not been continued this year. Milk has not been furnished to the pupils as was done a part of last year. The school board did not have funds to provide milk and no other source seemed available. To pro-

vide milk for the under nourished children of the school would be a worthy project for any Civic Organization in the community.

The course of study remains, with few minor changes, the same as for the past three years.

The interest shown in the schools by school board and citizens of Franconia has helped make my work very pleasant.

Respectfully submitted,

DANA S. JORDAN.
