BERNARD F. BEMIS,
JOHN D. GRIMES,
CHARLES M. BERGERON,
Selectmen of Harrisville.
GUY W. THAYER,
Treasurer.

Harrisville, January 31, 1942.
Board of Selectmen  
Harrisville, New Hampshire  
Gentlemen:

In accordance with a vote taken at the last annual town meeting, an audit and examination of the accounts of the town of Harrisville has been made by the Division of Municipal Accounting of the State Tax Commission, a report of which is submitted herewith. Schedules as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk and Trustees of Trust Funds, for the fiscal year ended January 31, 1941 and the current year to October 10, 1941.

SELECTMEN’S AND TREASURER’S ACCOUNTS

Vouchers issued by the Selectmen during this period were examined, as were also the supporting invoices and Road Agent’s payrolls. The Treasurer’s checks, issued upon orders of the Selectmen, were compared with the vouchers and found to be in agreement. The receipts of the Treasurer were checked by source insofar as it was possible to do so. Totals of receipts and payments were verified.

The Treasurer’s cash book indicated an overdraft of $90.77 as of October 10, 1941. This was in agreement with the reconciled bank balance of like date (Schedule E).
TAXES

The tax warrants of Tax Collector Annie M. Stewart for the levies of 1940 and 1941 were audited and summaries of these warrants appear in Schedule F. All monies received on account of the collection of taxes and interest were found to have been remitted to the Treasurer or properly accounted for as cash on hand.

Unredeemed taxes, as of October 10, 1941, are listed in Schedule G.

TOWN CLERK

The accounts of Town Clerk Madyline V. Winn, including the issuance of motor vehicle permits and dog licenses and collection of filing fees, were examined for the fiscal year ended January 31, 1941, and the current year to date of audit. All funds received by the Clerk were accounted for either through remittances to the Treasurer or funds on hand.

TRUST FUNDS

The savings bank books representing the invested principal and unexpended income of the several trust funds were examined. All funds, as indicated by the trust fund records, were accounted for. (Schedule I).

TOWN OFFICERS' BONDS

The surety bonds of the town officers were examined and found to be correct in form and sufficient in amount. A list of the officials required by law to furnish bonds, the amounts thereof and the surety companies that issued the bonds are included in Schedule J.

FINANCES

Indebtedness, Valuation and Taxes: (Schedule A)

This statement has been prepared in order to present a comprehensive picture of the financial condition of the town during the last ten years and the changes which have taken place during this period. While there has been some decrease in the amount of assessed valuation during this time it is relatively small, probably less than the average. Tax levies have
been slightly increased, with a resulting increase in the tax rate. It is of interest to note, however, that the town rate of $2.20 per hundred in 1930 was 64 cents less than the average rate for the state, of $2.84. It will be further noted that throughout the last decade the local rate has been consistently lower than the state average. In the current year the town rate of $2.55 was less by 80 cents than the average state rate of $3.35.

The problem of debt has not faced the town of Harrisville, at least in recent years, for it is noted that at the close of each fiscal year a surplus was indicated by the balance sheet.

**Revenues, Appropriations & Expenditures 1940: (Schedule C)**

The analysis of revenues, estimated and actual, and appropriations and expenditures for 1940, presented in detail in this schedule, indicates a net overdraft of appropriations of $1,256.95, a net excess of actual over estimated revenues of $433.09, with a resulting net budget deficit of $823.86, which is reflected in the decrease of net surplus between January 31, 1940 and January 31, 1941. The overdrafts were chiefly on account of highway expenditures, including the purchase of a snow plow for which no appropriation was made.

**GENERAL COMMENTS**

The accounts and records of all the town officials were found to be in good condition and the accounting procedure in accordance with the standard system prescribed by the tax commission. No irregularities, discrepancies or shortages were discovered. Minor changes in accounting practices were discussed with the town officials during the course of the audit and suggestions and recommendations made in connection therewith. For their cooperation and time given us we extend our thanks to all town officers of Harrisville.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission.

LAWTON B. CHANDLER,
HERBERT E. HUNT, Accountants.

LIBRARIAN'S REPORT

Little change has been made in the library routine except to have it open only Tuesday nights from 7-9 p. m. This was done at the advise of the trustees and seems to be very satisfactory. No drop in the circulation has resulted and a decided improvement in management is noted.

Plans are being made for a new deposit station at Silver Lake for the summer and a continuance of the one in Chesham Center is expected.

We are pleased that so many high school pupils are using our reference section and any help by the librarian for these pupils will be gladly given.

Circulation is as follows: Adult fiction, 1,412; juvenile fiction, 1,217; non-fiction, 409.

We thank the following people for gifts of books: Atty. Cain of Keene, Mr. Wells of Chesham, Mr. Hardy of Nelson, Mrs. Bennett of Chesham and Phyllis Thayer of this town.

Any one is welcome to visit the library at any time it is open and your interest in us is always appreciated.

Respectfully submitted,

HELEN B. THAYER,
Librarian.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Harrisville:

I herein submit my nineteenth annual report as superintendent of schools.

We are at war today. We must not underestimate the dangers to the heritage due our boys and girls, viz., the enjoyment of free speech, free religion and the ideals of a dynamic democracy.

It is our duty to develop the true type of American citizen. Therefore, we must clarify our vision of objectives in American education and search out the roads that lead to these objectives.

From a psychoanalysis the three main thoroughfares that lead to our goal are (1) the intellectual which resting on the solid foundations of skills in our fundamentals must be enriched and extended; (2) the emotional feelings for the home, the parents, the school and all American institutions must be strengthened; (3) the younger generation must be taught to choose wisely between success and failure, between right and wrong. Finally, may our boys and girls go forth from our schools imbued with a firm conviction that there is a God and that He will prevail over the warring nations of the world. This is our objective.

Never before in American history have boys and girls offered more challenges than today. They bid us to look forward, to the morrow. They bid us to exercise our greatest care and love for those around and about us. They bid us be strong, active and fearless, and practice moderation and consideration in our dealings with others.

Teachers, parents and citizens, the younger generation is looking to you for guidance through these trying times.

As the heavenly planets move majestically through a sky studded with stars and shedding their reflected light over a
universe so you as leaders move among the boys and girls of this generation. Let the scintillations from your characters and teaching direct and guide them to a higher level of life.

This generation expects your strong moral and financial support. Let us give it.

REPORT OF
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire
August 18, 1941

To the School Board,
Harrisville School District,
Harrisville, New Hampshire.

Gentlemen:

Acting upon your request, we have audited the accounts
and records of the Harrisville School District for the fiscal
year beginning July 1, 1940 and ending June 30, 1941. We
submit our report herewith in the form of exhibits together
with the usual certificate of audit for the period under review.

Our audit and examination consisted of a complete verifi-
cation of accounts by supporting checks, vouchers and records.
We compared all orders, checks and vouchers with the School
Board’s classified record of receipts and expenditures, and
with the Treasurer’s corresponding records of cash receipts
and disbursements. All were found in agreement.

The detailed comparative activity in appropriations and
expenditures is submitted herein as Exhibit D, supported by
Exhibit E showing comparative statement of revenues—
estimated and actual. The final Exhibit F shows reconciliation
of appropriations and expenditures with the Treasurer’s Cash
Balance, as of June 30, 1941.

All books and records were found in excellent order and
good form. It was also noted that the Treasurer’s financial
responsibilities were properly protected with adequate surety
bond coverage.

Our audit and examination has been a pleasant assignment
and we offer our thanks to the District Officials who extended
full and pleasant cooperation.
This is to certify that we have audited the accounts and records of the Harrisville School District in the Town of Harrisville, New Hampshire, for the fiscal year beginning July 1, 1940 and ending June 30, 1941, and have found them to be correct and properly vouched, subject to our comments contained in our letter of transmittal which is a part of this report.

Respectfully submitted,

HAROLD G. FOWLER, Director,
Division of Municipal Accounting
State Tax Commission
