## OUR COVER

For generations people entering Mason by the Valley Road (Townsend) have passed the farm homestead pictured on our cover this year. This home was built in pre-Revolutionary days (1775) by a member of the Barrett family. Late (1835-1870) it became Town property and was operated as the Town Farm.

This picture was taken (1890) when the Leslie McRobbie family owned "Sunnydale" farm and shows all members of that family in the foreground. The visiting traveler is unidentified. Could he have been a cattle buyer?

Today we know it as the "Mason Valley Gift Shop," the attractive home of the Leland Wildes. Throughout the years its original charm has never been destroyed by its many owners.

It has always been a point of warm welcome into Town or a happy farewell as you leave from all its many occupants.

## SELECTMEN'S REPORT

---

The year 1954 marked an important milestone in the long and interesting history of Mason. The first hard surface road was built by the town extending from the Brookline line to the State Road at the railroad tracks on Depot Hill Road, and from Mason Center to Trempe's Corner on the Wilton Road. The result of this effort is a very fine construction job at a remarkably low cost. The town's Road Agent, Mr. Harold Miller, should be highly commended for a splendid road job well done. The present plans call for a continuation of this desirable road building program in the near future as funds become available.

The Selectmen were confronted with a large and extremely difficult problem last spring that had to be carried out in conjunction with their regular assessing duties. The State Legislature had made it mandatory that all

wood land be surveyed to ascertain the amount of merchantable and growing timber, and merchantable and growing cordwood in the town. This has to do with the administration of the present Timber Tax Law. Failure to provide this information would have resulted in the tax commission not approving the tax rate for real estate tax purposes within the town. In conforming to this directive it was necessary that considerable more time be spent and greater expense incurred than normally. This is reflected in an overdraft in town officer salary and overdraft of town officer expense. This will probably not recur in the near future and furnishes the town with an up to date record of wood and timber. This record is very valuable at present and might will be extremely valuable in any future discussions.

The assembly room in the town hall has been redecorated and the installation of new lighting and screens has made it a pleasanter meeting place. It is interesting to note that the chandelier in the center of the hall is the original one donated, when it was built in 1848, by the grandfather of Fred, Eugene, and Everett Whitaker. It seems to us to be particularly fitting that it is back in its original place, electrified, to serve future generations as it had in the past.

There was a change in the membership of the Board of Selectmen due to the resignation of Mr. Frederick M. Gibbs. Mr. Thomas B. Calkin was appointed to fill out the unexpired term.

Respectfully submitted,

FORREST A. CAMERON  
RAYMOND C. AKERMAN  
THOMAS B. CALKIN

Selectmen of Mason

**LIBRARIAN'S REPORT**

---

Throughout the year the Mason Library has been open once a week except the two Fridays during the Christmas holidays.

In the absence of a paid librarian Elsie Resor has contributed her services, thus making it possible to purchase more books and to give the library shelves a much needed coat of paint.

Mrs. Donald Houghton merits special thanks for her hours of volunteer service in checking, cataloguing, and filing. Mrs. Lena Miller has also been most helpful.

From the bookmobile, which has called every eight weeks, we have borrowed 250 books; from the Concord State Library we have had the loan of 50 books; 15 of which were obtained from various sources for us as a special favor.

With Town funds 60 new books were purchased. Friends have donated almost 100 more.

Mr. Anderson gave us two copies of his recent book, "The Crooked Colt," and one copy of "The Smashers," as well as several by other authors. Other donors have been

Miss Elizabeth Jones, Mrs. H. E. Baker, Mr. Donald Perry, Miss Gladys Adshead, Mrs. Ralph Haley, and Miss Margaretta Voohees.

Another copy of the history of Mason has come to us. It was presented by Mrs. Elwyn Harris of Harvard, Mass., in memory of her uncle, Mr. E. Granville Parker, who resided in Mason for several years and who died here July 1st, 1890.

During the school year the weekly circulation averages fifty books. As the children are our most regular patrons, we have concentrated on their interests in the selection of material. We should be pleased to have more adult participation, and any personal requests will be given thoughtful consideration.

Respectfully submitted,

ELSIE A. RESOR

Librarian

**REPORT OF COMMITTEE ON LIBRARY  
Building, Also Heating and Toilets For  
Town Hall**

---

The committee appointed to see what could be done about a library building for the town wish to report that they have found that a few people are interested in contributing toward such a building.

We wish to thank Mr. Frank Coyne who has so kindly drawn a suggested building which could be built in sections as the money is available.

The committee feels that the amount of money required for the roads and schools will keep our taxes on a high level for some time, therefore any extra tax for a library building would not be advisable at this time.

However, the present room is too small and something must be done. We would recommend that further efforts be made to raise the necessary funds, by gifts from friends of the town who might be interested in such a building.

The committee, after consulting with engineers, feel that the cost of installing heating and toilets in the town hall would be more than the income from the hall warrants. Our estimate would be around \$2,500.00.

Respectfully submitted,

TRACY A. EATON  
FRANK COYNE

## FOREST FIRE WARDEN'S REPORT

---

It's an ill wind that blows no good! 1954 was an unusually wet year. There were no fires. We must compliment the town on the fine cooperation of its citizens in observing fire prevention practices. The strict observance of a few fire precautions will go far to insure safety from fire damage at all times and your cooperation is earnestly solicited.

A few simple precautions taken by every citizen will help, as follows:

(1) Always get written permit from the Warden before kindling a fire outdoors when the ground is not covered with snow.

(2) If you smoke, always extinguish matches and tobacco before dropping or throwing them down. In automobiles, always use the ash trays.

(3) Report fires and smoke to the warden without delay.

The observance of these and other simple rules will go far to insure safety from fire damage and your cooperation in this way is earnestly solicited.

Respectfully submitted,

JAMES BELL

Forest Fire Warden

## REPORT OF OLD HOME DAY COMMITTEE

---

Old Home Day was observed on Saturday, August 21. This year the committee was made up of a representative from each of the organizations in town working together as a unit. For another year there was excellent weather.

A program of sports for youngsters of all ages and a ball game—"married vs. single", furnished the activities for the afternoon. The Ladies' Aid held their annual Bazaar and the School Club a Chinese Auction.

An excellent supper was served in the Town Hall, followed by an overflowing crowd for the entertainment and dance. The Souhegan Chorus contributed their services for a fine musical program that was thoroughly enjoyed by all. Relaxed and in a happy frame of mind everyone enjoyed the dance that followed.

## REPORT OF SCHOOL NURSE

---

Each year brings its problems in the school health program and this year it was chicken pox and mumps. There were thirteen cases of mumps and also ten cases of chicken pox, among the pupils in the Mason Public School. Luckily there were no other communicable diseases present.

I made four visits during the year to discuss remedial defects and the need of caring for same. After much planning one child had her eyes straightened by surgical operation and seven children were taken to the dentist for examination and treatment.

Routine screening of the children's vision by means of the Snellon Chart showed that two children needed glasses and were referred to their own oculists for treatment. Hearing tests were performed by the use of the group audiometer on thirty-seven children. The results were not entirely satisfactory below the third grade because of the unfamiliarity of the children with the idea of dictation of numbers.

A well-baby and pre-school clinic was held in the Parish House by Mrs. Marie Fahey, N. H. State Department of Health Nurse, and I assisted with this. Seventeen children were examined and had inoculations at this time.

At the Mason School Club Meeting I spoke on the need for dental treatment and they agreed to sponsor the dental clinic in the following school year by sending \$50 to the State Department of Health to be matched by state funds. The Club also aided in the Pre-school Clinic.

Dr. Karr examined the children in the fall and found the following defects:

Wax in ears	2
Enlarged tonsils	10
Overweight	2
Underweight	2
Defective teeth	18

Respectfully submitted,

SYBIL M. BEATHAM, R. N.

## SUPERINTENDENT'S REPORT

---

To the School Board and Citizens of Mason:

I respectfully submit my eighth annual report as your Superintendent of Schools.

### STAFF AND INSTRUCTION

The Mason Elementary School opened this fall with a completely new teaching staff with the exception of Miss Elsie Wheeler. Mrs. Elliott Barron, graduate of Brandeis University in June 1953, was employed to teach grades 1, 2, 3, replacing Miss Nathalie Castonguay, who resigned to accept a teaching position in New Ipswich. Mr. Robert Shea, graduate of Keene Teachers' College in June 1954, was employed to act as Principal and teach grades 4, 5, 6, 7, 8, replacing Mr. Daniel Hoyt, who resigned to accept a teaching position in Somersworth, N. H. The new teachers are to be congratulated on the exceptionally fine work they are doing. High standards are being maintained in an atmosphere of congeniality and informality.

The past several years I have devoted considerable space to describing and analyzing the various areas of our educational program. Basically our program follows the same pattern previously described, with a constant awareness of the necessity of reviewing certain practices and procedures, applying new techniques where necessary, and changing the emphasis from one area to another, as the interests and abilities of individuals and classes dictate.

Physical activities have received more attention this year than in the past, due largely to the interest of Mr. Shea and Mrs. Barron in such activities, and to the fact that we now have a play area available that has space enough to accommodate the larger muscle games. A few inter-scholastic games have been conducted with neighboring schools in Supervisory Union #63, giving our children an opportunity to meet and play with other children. The emphasis is more on the associations and contacts they make, rather than the game itself.

Miss Elsie Wheeler, music supervisor and teacher, conducts a well-rounded music program, in a very efficient manner.

Our health program is capably directed by Miss Sybil Beatham, School Nurse, and Dr. Harlan Karr, School Doctor. The details of this work are described in the School Nurse Report.

I wish to commend the Mason School Club for their splendid cooperation with the School Health services in helping to conduct a Dental Clinic this fall. Much needed work was accomplished and as we gain more experience with the program, the more effective it will become. We are also indebted to the Mason School Club for their contribution of a three-speed record player to the school. Their interest in the school and the children is excellent and

while the Club is small in numbers, this has no relationship to its effectiveness.

## PLAYGROUND FACILITIES

Since our playground area is the project of major interest to all, from the standpoint of physical improvements, we are moving along step by step in accomplishing the work desired. This past summer we were able to provide proper drainage for the playground area in the rear of the school and to enlarge it by pushing back some of the soil and eliminating much brush and scrub growth. We are indebted to Mr. Harold Miller and Mr. Carl Valyou for their advice and assistance. There is still much to be done in this area. Our immediate future plans include hauling in more fill and placing a coat of hard-top or asphalt over a portion of the play area adjacent to the road for games that require marked areas such as basketball, volley-ball, bounce ball games, etc. It is hoped that a good part of this can be accomplished this spring and summer. An item of \$150 has been placed in the budget to accomplish this work.

A small area immediately in front of the school was tarred over this summer and this has done much to eliminate a very unsatisfactory mud condition that previously existed. It also has provided a play area for the children when mud and water conditions eliminated all others. We have been able to keep our building neater and cleaner as result of this improvement.

In connection with the cleanliness of the building, Mr. Frank Newell is to be commended for the splendid job he is doing and the many hours he contributes to the school.

## BUILDING AND EQUIPMENT

No major repairs are necessary on our school plant. It is in very good condition and with a little painting in

certain areas, it can be maintained properly. However, the School Board has provided in its budget an amount of \$50 to repaint the exterior window sash to prevent it from weathering. The item of Capital Outlay shows a decrease of \$250 from last year.

A program of adding a few new units of furniture in the Primary Room will be started this year, to replace some of the old antiquated furniture that has been in use for many years. The book space and surface areas are decidedly inadequate for the materials with which children work today. The amount required is \$150.

## FINANCE

The School Board's Budget for 1955-56, calls for an appropriation of \$16,780.05, an increase of \$1,012.82 over that of last year. These increases are reflected in the following areas: Teachers' Salaries \$140; Transportation \$600; Tuitions \$280; Additions and Improvements \$50; New Equipment \$150; Miscellaneous items \$64.20. Decreases in other areas of the budget results in the net increase mentioned above.

The largest single increase is in the area of Transportation. At this writing it appears that the sum of \$3,730 will be necessary to obtain transportation for the school year 1955-56. However, if it is found that upon negotiation, this amount is not necessary, any balances accruing will be reflected in a balance for the school year ending June 1956.

You will note that no estimate has been made for receipt of State Aid. However, it may be presumed that Mason will be eligible for an amount equal to or greater than the amount received last year, dependent of course upon the action taken in the New Hampshire Legislature.

## CONCLUSION

I wish to express my sincere appreciation for the splendid cooperation that has been extended to me by the Mason School Board, the teachers, parents and citizens of Mason, in developing and administering an educational program for the children of Mason.

NEWELL J. PAIRE

3. To choose one Trustee of Trust Funds for three years.

4. To choose one Trustee of Cemeteries for three years.

5. To choose one Library Trustee for three years.

6. To see if the Town will raise and appropriate \$200.00 for Library purposes, or take any action relating thereto.

7. To see if the Town will raise and appropriate \$2,000.00 for Repairs of Highways and Bridges, or take any action relating thereto.

8. To see if the Town will raise and appropriate the approximate sum of \$579.47 for Town Road Aid, in order to obtain State Aid for Maintenance, Construction, and Re-construction of Class V Highways in the approximate amount of \$3,863.16.

9. To see if the Town will raise and appropriate a sum of \$2,500.00 for sealing coat on hard top roads from Brookline line to R.R. crossing on Depot Road and from Mason Center to Trempe's

corner on Wilton Road or take any action relating thereto.

10. To see if the Town will raise and appropriate \$250.00 for care of Cemeteries, or take any action relating thereto.

11. To see if the Town will raise and appropriate \$75.00 for Memorial Day purposes, or take any action relating thereto.

12. To see if the Voters will authorize the Selectmen and Treasurer to borrow a sum, or sums of money not exceeding in the aggregate \$10,000.00 in anticipation of the collection of taxes for the current year, and to issue in the name and on the credit of the Town negotiable notes therefore, said notes to be repaid during current municipal year from taxes collected within the current year, or take any action relating thereto.

13. To see if the Town will vote to raise and appropriate the sum of \$225.00 for Street Lighting, or take any action relating thereto.

14. To see if the Town will vote a discount on whole, or partial payments of taxes, and fix the date of payment the same, or take any action relating thereto.

15. To see if the Town will raise and appropriate the sum of \$100.00 for the purpose of pruning and spraying the shade trees on Town property, as a protective measure against Dutch Elm Disease, or take any action relating thereto.

16. To see if the Town will authorize the Se-

lectmen to sell Real Estate bought by the Town at Tax Sale, provided that they sell it to the last former owner and provided that the sale price is sufficient to reimburse the Town for the taxes and for all expenses to which it has been put, or take any action relating thereto.

17. To see if the Town will authorize the Selectmen to sell Real Estate owned by the Town at prices which, in their judgment, are fair and equitable, or take any action relating thereto.

18. To see if the Town will raise and appropriate a sum of \$250.00 to insure Employees of the Town, or take any action relating thereto.

19. To see if the Town will vote to have any and all unexpended balances of all previous appropriations—not including School appropriation—and all moneys reimbursed and refunded to the Town during the previous fiscal year returned to the General Fund, or take any action relating thereto.

20. To see if the Town will vote to petition the State Tax Commission to have an audit made of all Town records, by the Division of Municipal Accounting, and to make an appropriation to cover the expenses of such audit, or take any action relating thereto.

21. To see if the Town will raise and appropriate the sum of \$34.00 for the Monadnock Region Association of Southern New Hampshire or will take any action relating thereto.

22. To see if the Town will vote to allow the Collector of Taxes compensation for his services in

thereof at 8%, or take any action relating thereto.

23. To see if the Town will raise and appropriate the sum of \$1,000.00 for the purpose of Graveling and Draining Town Roads other than those which will be immediately improved with T.R.A. Funds, or take any action relating thereto.

24. To see if the Town will vote to observe, during the month of August 1955, the Anniversary of Old Home Week, and to raise and appropriate a sum of \$25.00 therefor, or take any action relating thereto.

25. To see if the Town will vote to re-appropriate a sum not to exceed \$500.00 to add to a sum supplied by the V.F.W. for the purpose of installing a suitable War Memorial to replace the present one on the Town Common, or take any action relating collecting the State Head Tax, and to fix the amount thereto. 1954 appropriation not used.

26. To see if the Town will vote to close, subject to gates and bars, the road leading from the Pratt Pond Road near D. M. Houghtons, toward Mason to the corner of the road at Browns, or take any action relating thereto.

27. To see if the Town will vote as to its willingness to accept some form of broad base State Taxation such as a State Sales Tax with food exempted, a State Income Tax, or other broad base tax, to relieve the burden on the Property Tax and to be applied as State Aid to the Public School System.

28. To see if the Town will vote to appoint

a committee of five, including Moderator and Town Clerk to review Rules of Town Meeting of March 8, 1932, amended 1933 and 1952, and report at next regular Town Meeting or take any action relating thereto.

29. To hear the reports of Agents, Auditors, Committees and Officers, heretofore chosen, and pass any vote relating thereto.

Given under our hands and seal, this 21st day of February in the year of our Lord nineteen hundred and fifty-five.
