TRIBUTE

"It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes up short again and again, ... who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly." Excerpted from *Citizenship In A Republic*, a speech by Theodore Roosevelt delivered at the Sorbonne in Paris, France, on April 23, 1910.

Self-government depends upon the willingness of citizens to **serve**, in the arena, as Roosevelt so eloquently stated. We honor a past serving citizen we lost in 2016.

Davey Nadeau died on July 21. Though a Maine native, Davey moved to Surry in 1960, first on the Old Walpole Road and then to 12A. His deep interest in cars allowed him to earn a living and provided a retirement activity. He served the town as selectman, sometimes known as a town father, between 1968 and 1976. Living up to the adage of once a father, always a father, after he left office, he had a good awareness of what was happening, and was always concerned with rising taxes.

We thank he and his family for his service, dedication, and contributions to the community we love.

* * *

On a much less somber note, we wish to thank Kay Lucius for her 13 years of service as a Supervisor of Checklist. Kay chose not to seek reelection in 2016, though she continues to assist us on election days. Election integrity was a frequent theme of the last presidential election, providing a welcome reminder of the importance of our election officials. We thank Kay for her willingness to serve for so many years as supervisor.

Message from the Selectmen

We would like to acknowledge all the hard working committee members that meet over the course of the year to perform the duties that their respective boards require. The time spent working at the Town Hall and all the hours spent working behind the scenes at home doesn't go unnoticed and is making a difference. We would also like to thank the team in the Clerk's office who are moving that office in a positive direction and look forward to working with them this year to continue to do so. We have a good team in the Selectmen's office; knowing each other's strengths and weaknesses we can divide up tasks and projects accordingly, which makes the year enjoyable and productive. Here are some things we have been working on.

This past year we were able to get a large culvert project on the paved portion of Pond Road completed after a year of planning and permitting. We have replaced a metal culvert that had matured to its end of life and replaced it with a larger concrete box type culvert. The road was also raised in this location that had been prone to washouts during heavy rains.

Repairs to the lower part of Pond Road, which has been closed for the last few years continues to be discussed in in our office however; no field work has been started. We have all the permits to begin work on the culvert which would allow the road to be reopened and we have been raising money over the last two years to pay for the project that was last estimated at \$265,000. Half of this money has already been raised. We have never been satisfied with the state approved engineering plan and the price tag of the project. We think we can do it locally with a simpler design and lower cost to achieve the same results. This year we will not raise and allocate any more money toward this project but we will continue to work locally and use the money that has already been raised, open the road and return any money not used back to you. The money typically raised for road improvements will still be requested so that we can get back to new paving projects that have been sacrificed for these large culvert projects over the last few years. There is no plan yet on where we might begin but some options are at the beginning of Joslin Road, East Surry Road, or anyplace on Pond Road. We are excited to get back to paving and maintaining the paved roads.

Mine Ledge Road had two more culverts replaced this year and the road was widened going up the hill making plowing easier and traveling safer as well as controlling erosion and water runoff. There is one more culvert to replace on the hill and this road will be complete.

The Town Hall Carriage Shed needs a face lift. Ideas range from simply painting it to tearing it down and replacing it with town office space, which, when looking to the future we could use. There have been a few plans presented so far, all are great but at what cost. We hope to finalize on a plan and then get some real building plans drawn up so that we can get some real cost estimates from contractors.

There will be a property valuation assessment this year. You might see Avitar appraisers' out and about gathering data to update property tax cards. You might see an appraiser from the state checking up on the work completed by Avitar. Let us remind you that a town assessment is different than a real estate appraisal. Our town assessment is not necessarily an indication on how much you can sell your house for but how it compares to other properties in town. It is not as important whether property is assessed at, above or below market value, as it is that values are proportional.

You will notice that there is an article on the Warrant asking that the roads in the new Cider Mill development be accepted as Town Class V roads. This means that the Town will be responsible for maintenance and they will then fall under Surry ordinances and laws that pertain to them. We had an engineer working for the Town follow the construction and paving of these roads that was completed last fall. The report from the engineer confirms that the roads were built to Town of Surry standards, meeting culvert placement, gravel compaction, pavement thickness and type, and shoulder construction/seeding. Maintenance for the next many years should be minimal except for plowing of snow. Our board also followed the progress closely to the best of our knowledge and relied on our local experts for their opinion often. We would like to see these roads become Town roads.

At the last Town meeting voters chose to create Cemetery Trustees, a three member board to handle cemetery issues. The board was created shortly after Town Meeting and it began right away working on improving the appearance of the cemeteries, most notably the one on Dam Road and the one on Pond Road. Big gains were made in both locations including removing dead trees, overgrowth, and repairing damaged headstones. More work is planned for the North cemetery on Farm Road for this year. What prompted the creation of the board was how the cemetery trust fund money is handled. Money must be expended from funds in accordance with the conditions of each trust. There are 85 individual funds. This has not yet been done and will need to be a priority this year that we will stay on top of.

Mentioned previously was the positive direction the Town Clerk's office is going. This coming year they hope to implement being a municipal agent for the state. Once this happens this

would mean that when you register your car, you will not have to make an additional stop to the DMV in Keene. Before this can happen there will be some classes and training needed as well as some new equipment to purchase. Our office will assist them any way we can. We have all been hoping for this for some time and it looks possible this year.

The 250th celebration is coming in 2019. We plan on forming a committee this year to help plan for a town celebration. We will be looking for volunteers to assist our Recreation Committee with planning events and activities. This should be a fun committee to be on and a good way to contribute. Maybe you have some good ideas you would like to share.

We would like to take the opportunity to thank Jill and David Lane for taking care of the common in front of the town hall. They do much more for the town than just this but we wanted to recognize the mowing, trimming and flower planting on the common and around the Town Hall. Thank you for this work.

Town of Surry
New Hampshire
Warrant and Budget
2017

To: The inhabitants of the town of Surry in the County of Cheshire in the state of New Hampshire qualified to vote in town affairs are hereby notified and warned of the Annual Town Meeting will be held as follows:

Date: Articles 1-3 Tuesday March 14, 2017 2-7 pm; Articles 4-13 Thursday March 16, 2017 7:30 pm

Location: Surry Town Hall

Article 01: Election of Officers

To choose all necessary Town officers as listed on the official ballot.

Article 02: Zoning Amendment

Are you in favor of amending ARTICLE II Definitions of the Surry Zoning Ordinance, as proposed by the Planning Board, by replacing B. with the following?

B. Accessory Dwelling Unit (ADU) means a second independent dwelling unit, attached or detached, which is permitted by a land use control regulation to be located on the same lot, plat, site, or other division of land as the permitted single-family principal dwelling unit.

The purpose of this change is to shorten the wording so it is limited to a definition. The regulation removed is included in the following article to be considered.

Article 03: Zoning Amendment

Are you in favor of amending ARTICLE VII Supplemental Regulations of the Surry Zoning Ordinance, as proposed by the Planning Board, by adding the following?

F. Accessory Dwelling Units

1. The Accessory Dwelling Unit (ADU) will be no larger than 750 square feet of living space, additionally the total area of all porches/decks/etc. combined can be no larger than 30 percent of the accessory dwelling living area.
2. No third floors are allowed on self-standing buildings.
3. The ADU shall have an independent means of ingress and egress, or shall have ingress and egress through a common space such as a shared hallway to an exterior door.
4. Either the ADU or the principal dwelling unit shall be the principal residence and legal domicile of the owner of the property. If either of the units fails to be owner-occupied, then the property must comply with the zoning requirements for a multi-family dwelling.

5. The ADU shall be provided a minimum of 2 off-street parking spaces.
6. The ADU shall make provision for adequate water supply and sewage disposal service in compliance with RSA 485-A:38 and regulations adopted by the New Hampshire Department of Environmental Services.
7. The ADU shall comply with all lot setback requirements.

The purpose of this change is to adapt our current provisions for accessory dwelling units with RSA 674:72 that takes effect June 1, 2017.

Article 04: Accept Reports

To hear the reports of the Town Officers and Committees.

Article 05: Operating Budget

To see if the Town will vote to raise and appropriate the sum of \$494,916 for general municipal operations. This total does not include appropriations proposed in other warrant articles addressed individually. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Article 06: Town Hall Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$15,000 to place into the existing Town Hall and Carriage Shed Capital Reserve Fund established in 2015, for the purpose of addition/reconstruction/remodeling the town hall and attached carriage shed. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Article 07: Celebration Committee

To see if the Town will vote to authorize the Selectmen to appoint an ad-hoc committee of between 9 and 15 members, including members of the Recreation Committee, to plan and produce Surry's 250th Anniversary Celebration in 2019. (Majority vote required).

Article 08: Celebration Expendable Trust

To see if the Town will vote to raise and appropriate the sum of \$1,000 to place into the existing 250th Anniversary Expendable Trust Fund, for the purpose of paying for Surry's 250th anniversary celebration in 2019. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Article 09: Highway Equipment Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$10,000 to place into the existing Highway Equipment Capital Reserve Fund for the future purchase of highway equipment. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Article 10: Fire Truck Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$20,000 to place into the existing Fire Truck Capital Reserve Fund for the purchase of a future fire truck. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Article 11: Cider Mill Road

To see if the Town will vote to accept as a Class V Road, the road named Cider Mill Road, in the Patnode subdivision. The Selectmen have been advised by a licensed civil engineer that it was constructed in accordance with Surry's Road Standards Ordinance as excepted by vote at 2009 town meeting reducing road width from 24 to 20 feet as recommended by the Planning Board. (Majority vote required).

Article 12: Mason Drive

To see if the Town will vote to accept as a Class V Road, the road named Mason Drive, in the Patnode subdivision. The Selectmen have been advised by a licensed civil engineer that it was constructed in accordance with Surry's Road Standards Ordinance as excepted by vote at 2009 town meeting reducing road width from 24 to 20 feet as recommended by the Planning Board. (Majority vote required).

Article 13: Other Business

To transact any other business that may legally come before this meeting.

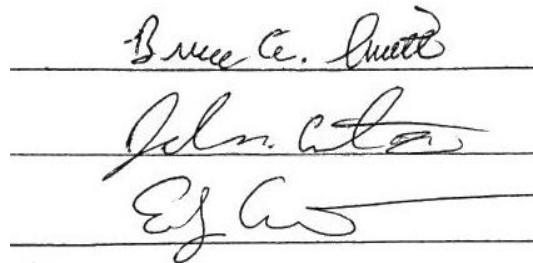

Given under our hands, February 13, 2017

We certify and attest that on or before February 20, 2017, we posted a true and attested copy of the within Warrant at the place of meeting, and like copies at the fire station, and delivered the original to the town clerk.

March 2017 Annual Report of the Surry School District Officers

The Annual Surry School District, SAU 91, Business Meeting will be on Thursday, March 16, 2017, 7:00 PM at the Surry Town Hall. Copies of the Warrant Articles and the Budget will be posted and also available on the Surry website.

This year is the ninth year for the Surry children to be enrolled in the Keene Public Schools. Parents and school officials have reported that Surry students are continuing to do well there. Currently, there are 90 Surry students attending schools in Keene. Twelve Surry students are tuitioned privately, 2 are home schooled, and 19 attend one of the three charter schools. Thank you to all in town who have been so helpful to the Board in keeping an accurate census of Surry's children. Families planning changes wherein their children will attend school are encouraged to contact the School Board ahead of time to help facilitate a smooth transition for student and family.

Again this year, more families with preschool and school age children are moving to, or building in, Surry. During the current and previous academic years, there have been 15-30 students moving in or out of Keene enrollments. We anticipate this trend to continue as there are several houses for sale, a number of building lots available, and quite a few rental homes in Surry. The graph below illustrates the trend.

One of the Surry School Board's primary roles is to serve the educational needs of Surry children. If you have a question or concern about your child's education, development or services, we welcome you to meet with us. The other primary School Board's role is to be a careful steward of taxpayer funds. Our annual audit by Vachone Clukay (CPA) Company found the Surry School District's accounts to be in order for the year ended June 30, 2016.

This year, Keene School District has invited Surry to join the A.R.E.A. agreement with Marlow, Chesterfield, Westmoreland, Harrisville, Keene, Nelson and Stoddard. See warrant articles 3, 4 and 5. The agreement is a long-term tuition commitment to the Keene School District. The city of Keene will also need to vote to approve this change included on their district warrant as well. If approved, the agreement will reduce Surry's tuition bill by 2.5% (about \$20,000) depending on enrollment.

According to the building inspection done by Patrick Richardson a couple of years ago, the building is in good shape. We did replace the water heater in the past year. The recent evacuation of the school was caused by a furnace fan which stopped functioning; it has been replaced. The remaining need he pointed out is to address the lack of insulation. Anyone who would like to help with this work is encouraged to contact a Board member. The building passed its annual fire and health and safety inspections.

Due to safety concerns, additional signs have been placed on the school driveway to remind drivers to proceed with caution. According to the deed donating land for the school, the school driveway is a right of way, and not a town road. The Board requests that residents use Crane Road to access the village.

Surry residents, the Board sincerely appreciates the support you have shown us. We welcome your input at our meetings. We meet the third Monday of the month at 7:00 at the Surry School building. Phone or email contact information is posted on front door of the school and on the school bulletin board at the Town Hall.

Surry School District Warrant and Budget 2017

SURRY SCHOOL DISTRICT STATE OF NEW HAMPSHIRE

2017 Warrant and Budget

To the inhabitants of the Town of Surry in the County of Cheshire in the State of New Hampshire qualified to vote in school district affairs:

You are hereby notified and warned that the Annual Meeting will be held as follows:

Date: Thursday, March 16, 2017 Time: 7:00 PM Location: Surry Town Hall, Surry, New Hampshire

Details: To act on the following warrant articles:

Article 1. Report of District Officers. To hear the reports of the District Officers

Article 2. Main Operating Budget.

To see if the District will vote to raise and appropriate the sum of \$1,770,053 for the support of schools, for the payment of salaries for the School District Officials and Agents, and for the payment of the Statutory Obligations of the District for the 2017-2018 Fiscal Year.

The School Board and the Budget Committee recommend this appropriation.

This Article does not include appropriations contained in special or individual articles addressed separately. (Majority vote required)

Article 3: Shall the Surry School District accept the provisions of RSA 195-A (as amended) for the Surry School District to join an area school located in Keene which serves grades 9 through 12 in a plan which currently includes the school districts of Chesterfield, Harrisville, Keene, Marlborough, Marlow, Nelson, Stoddard, and Westmoreland, all in accordance with the provisions of the plan on file with the district clerk?

Article 4: Shall the Surry School District accept the provisions of RSA 195-A (as amended) for the Surry School District to join an area school located in Keene which serves grades 7 and 8 in a plan which currently includes the school districts of Harrisville, Keene, Marlow, Nelson, and Stoddard, all in accordance with the provisions of the plan on file with the district clerk?

Article 5: Shall the Surry School District create an area school planning committee consisting of Surry School Board members John Davis, Timothy Peloquin and Bonny LaRocca to study the advisability of forming a 6th grade A.R.E.A. in accordance with RSA 195-A.

Article 6 Terms. To transact any other business which may legally come before the meeting.

Given under our hands and seals at said Surry, this the 13th day of February, 2017.

We certify and attest that on or before March 1, 2017, we posted a true and attested copy of the within Warrant at the place of meeting, and like copies at fire station and Surry School and delivered the original to the Surry Town Officials.

Reed Free Library Board of Trustees

End-of-Year Summary – 2016

As 2016 draws to a close, the Trustees of the Reed Free Library are pleased to report a year marked by numerous physical improvements to the library as well as increased community involvement.

On the bricks and mortar side, the Board wishes to thank the Town of Surry for providing a new library roof. While we hated to see the slate tiles go, ice dams and subsequent ceiling damage posed a threat to the collection. In addition to the new roof, the Board placed a coded lockbox on the side of the building to provide secure access, as needed. We also hired Surry resident Ross LeGare to give the library walls and ceiling a fresh coat of paint, something that has definitely brought new life to our interior space.

Beyond this, the Board is happy to report the completion of a successful (and thoughtful) weeding of the adult book collection this past year. Working together throughout the spring, summer and fall, Board members removed books that had not circulated in 7 or more years and/or were not deemed critical to the collection. We now have room for a more current, active-use collection and look forward to discussing both functional and invitational arrangement of our furnishings to encourage increased library use in the upcoming year. While not a space that is in public demand, the Board also spent a day culling and discarding a collection of old magazines, decorations and other (strange) items from the library basement that had collected over many years. We will now add a dehumidifier to the basement to reduce mold and help maintain the condition of the collection.

2016 was also a positive year in terms of community involvement. As a result of the town-wide survey and feedback provided at a library gathering in 2015, longtime Surry resident Mary Fosher shared intriguing town stories in the library. While many of these stories are available in *Surry, New Hampshire - A 20th Century History* (by Richard Scaramelli), hearing them “live” from contributing author Mary Fosher made for a delightful evening for town residents, old and new.

As we look forward to 2017, the Board is in the process of determining other events that might be held in the library. As always, we invite ideas and input from town residents. Beyond such events, we also look forward to further culling of the library collection (the children's section is our next target, with help from willing young residents) and coordination of a volunteer landscaping crew who have offered their expertise in determining how best to beautify and maintain the walkway leading to the library's entrance.

Taken together, we believe that the work done this year has given our town a more vibrant, community-centered library. We therefore thank all who have contributed their time and effort and encourage you to join us again (and to recruit others) as we move forward with new projects in 2017.

Surry Planning Board 2016 Year in Review

January:

Septic System Approvals for Jane and Terry Fecto, 23 Mason Drive, and Jason Smart, 613 Old Walpole Road, were received. A public hearing was held and approval granted for a 3-lot Subdivision, creating one new building lot, of land of Frank Conroy and John Trubiano on Farm Road. Public hearing was held and approval granted for amending language in the Driveway Regulation. Public Hearing was held and approval granted for changes in the language for the definition of Child Care Center in the Surry Zoning Ordinance. This language change appeared on the Warrant for the 2016 Town Meeting.

February:

Approval of Subdivision from the NH Department of Environmental Services for the Conway/Trubiano Subdivision was received. Septic System Approvals for Eliza and Jeffrey Murphy, 113 Village Road, and Gregory and Karen Deminico, 648 Old Walpole Road, were received.

March:

Election of Officers: Peter Bissell-Chairman, Laura Barrett-Secretary. The Planning Board has one vacancy. A Driveway Permit has been issued to Andy DuGreer on the Pond Road. Information regarding Accessory Dwelling Unit legislation was received.

April:

The Planning Board will change its meeting night to the 3rd Monday of each month beginning in June 2016. Changes to the Driveway Regulation to reduce run-off of water onto town roads was discussed. More information regarding Accessory Dwelling Units was received.

May:

Language amending the Driveway Regulation was approved. Septic System Approvals were received for Knud and Marie Keller, 726 Route 12A, Tom Perkins and Mary Lizotte, Cider Mill Lane, and Kimberly Guarnaccia, 1144 Route 12A. A copy of a Project Review by the New Hampshire Division of Historical Resources for Woodward's Sugar House, LLC was received.

June:

Septic System Approvals for Homer Dansereau, 689 Old Walpole Road, and James LaPoint, 328 Pond Road, were received. The selectmen have received a Driveway Application from Thomas Perkins, Cider Mill Lane.

July:

A Public Hearing was held and changes to Article V, Design Standards Section A, Driveway Cuts on Town Roads #8 of the Driveway Regulation were approved.

August:

A joint public hearing with the Zoning Board of Adjustment was held to consider a Special Exception and Site Plan Review submitted by Ted Grussing and JoAnn Winot for property at 585 Old Walpole Road. The Zoning Board of Adjustment approved the Special Exception and the Planning Board approved the Site Plan. An incomplete subdivision application from Paul and Ronald Desilets was received but not submitted.

September:

An application for a Two-Lot Subdivision of land of Ronald and Paul Desilets located on Farm Road was submitted by Joe DiBernardo, land surveyor. There was a discussion with Selectman Bruce Smith about zoning on the South Mine Ledge Road and the need to correct some property cards. There was further discussion about the vacancy on the Planning Board. It is the responsibility of the Planning Board to present members for appointment. Accessory Use Dwelling amendments were discussed. A letter from the NH Department of Environmental Services regarding Best Management Practices for Groundwater Protection was received.

October:

Public Hearing was held and approval was granted for a Two-Lot subdivision of land of Ronald and Paul Desilets on Farm Road. There was further discussion of proposed amendments to the Accessory Use Dwelling Ordinance.

November:

No meeting was held.

December:

Eva Morel has been appointed as member and Kristin Mehalick has been appointed as alternate to the Planning Board.

Septic System Approval for Fred Blouin, 23 McCurdy Hill Road, was received. The updated Hazard Mitigation Plan was received. A request from the Selectmen to review and update the Road Standards was received. David Bergeron inquired about subdivision of two parcels in the Wilbur Road/Old Walpole Road area. No proposal was submitted. Amendments to the Accessory Dwelling Use Ordinance were presented and discussed. One version was approved for submission to public hearing.

Surry Conservation Commission

March 2017 Annual Report to the Town

The first stage of logging (about 25 acres) in the Graf Town Forest to implement the Forest Stewardship Plan was completed last year. It was cut to promote quality young timber growth and provide wildlife habitat. Surry Resident and Keene State Professor Jo-Beth Mullins' students have laid out and flagged two proposed trails. We hope trail building can start this fall. If anyone is interested in helping, please get in touch with a commission member.

The foot bridge over Merriam Brook (on the trail that follows the west side of the Ashuelot River) was destroyed in the 2012 flood. The Army Corps has plans to reconstruct this bridge as well as the Dort Road foot bridge. They have the materials for the Merriam Brook Bridge. An April meeting with interested town residents, the Snow Mobile Club, the Conservation Commission and the Army Corps will discuss the next steps. Please let a Commission member know if you would like to come to the meeting.

The Conservation Commission, working with the NH Department of Environmental Services, the Cheshire County Conservation District, the Army Corp of Engineers, the Ashuelot River Local Advisory Committee, and the Monadnock Conservancy, is committed to preserving and protecting the natural environment, flora and fauna in Surry. We are participating in a UNH Extension project to inventory town-owned land and land under conservation easement.

The Surry Commission is a member of the NH Association of Conservation Commissions. The Association has advised that state law provides a clear role for local conservation commissions to participate in environmental law enforcement. The Commission is monitoring a wetlands restoration and some possible wetlands dumping. The Commission has commented on Wetland and Dredge-and-Fill applications before the NH Department of Environmental Services. Some of our suggestions have incorporated into the requirements for the projects. The Association is planning a Wetlands training at the Keene Library on March 27th at 6:00 PM. Anyone interested is invited to attend.

The Commission has posted signs on the Surry end of three discontinued roads in town. These signs specify that owner permission is needed for use of the roadway. In spring, the other end of each road will also be posted.

If you have any questions about what you can do to preserve your land, soil, water, or wildlife resources, the Conservation Commission will be glad to help. The Commission would like to present a public educational meeting for the town. If you have a topic related to the natural world you would like to learn more about, please contact us. If you have a concern about a possible environmental infraction, or want guidance in how to avoid one, please come to one of our meetings. We meet the first Monday of the month, 7:00 PM, at the Surry Town Hall. All are welcome.

Surry Fire Department Engineer's Report

2016 was the busiest on record for the Surry Fire Department (SFD). Calls for service increased 43% from 2015 and 66% from two years ago. We were fortunate not to have any major incidents in Surry; however, we were summoned mutual aid to assist our neighboring communities. In the spring, we assisted Acworth, Alstead and Marlow with major brush fires. As a friendly reminder, please use care when openly burning outside. It is New Hampshire State Law to obtain a permit when rain isn't actively falling or snow cover is not present. Permits can be acquired free of charge from the Warden or Deputy wardens.

Squad 1 (the former Surry Police Cruiser) has been an immense addition to the fleet. This unit is used primarily for EMS (Emergency Medical Services) response which accounts for over half of the call volume. Squad 1 has been equipped with all EMS supplies which previously was scattered around Engine 1 due to lack of space. This smaller more practical vehicle shortens our response time and allows more members to respond to calls that wouldn't operate our large trucks.

While we are fortunate for the additional equipment, the lack of space in the firehouse has become challenging. Engine 3, the Mini-Pumper used for forestry, has been relocated to the Highway Garage to make room for the Squad. In order to store the Mini-Pumper at the garage, we must drain the water and winterize the pump. The truck is essentially out of service during this time due the space needs of the highway garage in the winter months. We are working on a plan to address this in the near future.

This year we used money the department was awarded by the federal Assistance for Firefighters Grant program to purchase 8 full sets of Personal Protective Gear (PPE). This included structural gear from head to toe, EMS parkas, and forestry gear. Of the \$21,592 cost, 95% was covered by grant money and helped bring the department back to compliance for PPE.

The engineers want to thank the residents of Surry for all their support. We also want to thank the members of the SFD for selflessly volunteering their time year after year to make this department operate. SFD is 100% volunteer based. If you are interested in joining our department please contact any member, or stop by the fire station during monthly meetings on the 2nd or 4th Mondays of the month. You can also send an email to surryfd@ne.rr.com.

Surry Volunteer Fire Department is now on Facebook! See pictures of our apparatus, training events, and other news related to the SFD. Find us at <https://www.facebook.com/Surrynhfiredept/>.

Surry Recreation Committee Report 2016

This year, it was voted at the Surry Town Meeting to hold Old Home Day every other year, so our next Old Home Day will be August 19th, 2017. This year we also had to make the decision to not hold the Haunted House, as the Surry Players would need the space for rehearsals. Instead, we held a party on Halloween for Surry children. This included refreshments, games such as donut on a string, mummy wrap contest, jack-o-lantern bean bag toss, crafts, and a preview tour for next year's Haunted House. It was well attended with approximately twenty families enjoying the festivities. In addition to the Halloween Party, we organized a caroling event again this year, in conjunction with the Beth-el Bible Church, which took place on December 21st. Despite the cold, we had a good turn out and caroled first at the church, then to many of the houses on Village Road. Afterward we enjoyed refreshments.

As always, we welcome input and suggestions to draw more Surry residents to these events. Please contact any member of the Recreation Committee to volunteer to help with Old Home Day, the Haunted House, or Caroling.

Ashuelot River Local Advisory Committee

Washington Lempster Marlow Gilsum Sullivan Surry Keene Swanzey Winchester Hinsdale
2016 Annual Report

The Ashuelot River Local Advisory Committee (ARLAC) was established in 1994, one year after the Ashuelot River was enrolled into the State Rivers Management and Protection Program. Members are nominated by local municipal officials and appointed by the Commissioner of the NH Department of Environmental Services (DES).

The volunteer **Ashuelot River water quality monitoring program** continued for its sixteenth season, in conjunction with the NHDES Volunteer River Assessment Program (VRAP). ARLAC members, working with community volunteers, participated in a spring training session, leading to monthly sampling May through September. The Ashuelot River is classified as "class B," meaning that it is considered suitable for fishing, swimming and other recreational uses.

- We sampled 11 sites along the River's 64-mile length, and 3 sites along the South Branch in Swanzey.
- We obtained E. coli samples from June through September, and total phosphorous samples from July through September.
- The cost of lab analyses was covered by contributions from Conservation Commissions along the River and NHDES.
- Over 190 hours were logged by 20 volunteers. New volunteers are always welcome!
- A quick look at this year's results:

E.coli--most samples met the "class B" level for surface waters. However, the September sampling exceeded Class B levels (showing contamination) at Ashuelot sites from the Stone Arch Bridge in Keene to Hinsdale, and the South Branch. This likely reflects high flows experienced that day due to prior heavy rain and more run-off.

pH levels—continue to be acidic, with readings just below the standard of 6.5 especially in the upper reaches of the Ashuelot (Stone Arch Bridge in Keene & towns north) and the South Branch.

Dissolved oxygen, total phosphorus, chloride, turbidity, and specific conductance remained within the standard.

As mandated by DES, **ARLAC reviews and comments on state permit applications** within the River corridor that have potential impacts on the River. Included this year were 10 Wetland or Shoreland projects in Marlow, Gilsum, Keene, Swanzey, and Winchester. We continued to follow the progress and reports regarding the West Street Dam and proposed Hydro station, and participated in review of the Forest Management Plan for the Dillant Hopkins Airport. The Falls Brook restoration in Swanzey was completed this year and supported by ARLAC.

We strive to educate ourselves on a broad array of issues associated with the River and its watershed. We hope to be a resource that works well between the interests and concerns of the citizens in the watershed and State authorities. Activities included:

- Serving as a resource to Keene State College students who were conducting senior projects.
- Working with six Monadnock Regional High School students in water quality monitoring.
- Participation in both regional and state-wide meetings covering topics such as: NH Instream Flow protection, dam removal, and stream connectivity.
- Participation in the Open Space Conservation Fair in Keene.
- Dialogue with US Army Corps of Engineers regarding management of USACE corridor properties.

The **Annual River cleanup** took place September 23 and 24 in conjunction with the Connecticut River Watershed Council's Source to Sea Clean-up and co-sponsored by the Cheshire County Conservation District and the City of Keene. The Ashuelot River Campground joined in providing manpower and canoes for the event.

- 70 volunteers collected over a ton of trash in Swanzey and Keene from the Ashuelot River and Beaver Brook.
- 50 tires were removed from the Ashuelot River; 29 removed by Keene State College students.
- ARLAC received the Source to Sea Cleanup Make a Difference Award for our longstanding service.

We continue to have a Facebook presence as the *Ashuelot River Local Advisory Committee*.

River monitoring data can be viewed at des.nh.gov/organization/divisions/water/wmb/vrap/data.htm.

Current E.coli results can be viewed during the monitoring season at www.criver.us.

ARLAC meets the third Tuesday monthly at 7 p.m. at the Keene Public Library. We invite citizens and town officials to contact their local ARLAC representatives with any concerns or interest in participating as a town representative.

**STATE OF NEW HAMPSHIRE – TOWN OF SURRY
COUNTY OF CHESHIRE
TOWN WARRANT – 2016**

Nancy Callender, Town Moderator, opened the annual meeting March 10, 2016 at 7:00 pm and led the Pledge of Allegiance. The polls were open on March 8th, 2016 from 2:00 pm to 7:00 pm for the purpose of electing the town officers on the official ballot and to vote on articles 2 and 3. The moderator read the results of the election of officers and informed everyone present that the swearing in of those elected would be Monday, March 14, 2016 at 7:00 pm at the Town Hall.

To the inhabitants of the Town of Surry, in the County of Cheshire, in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town Hall in Surry on Tuesday, the 8th of March, 2016 from 2:00 p.m. to 7:00 p.m. to cast written ballots to act upon the following articles:

1. To choose all necessary Town officers as listed on the official ballot.

Read by Nancy Callender, Moderator

Swearing in for officials: 7:00 pm Monday 3/14/16.

Those accepting positions ready by Nancy.

2. Are you in favor of the adoption of Amendment 1 to the Surry Zoning Ordinance, as proposed by the Planning Board, to amend Article II (entitled "Definitions"), Section F (entitled "Day Care"), subsection 1. (entitled "Child Care Centers" by deleting the words "to 13 or more children"?)

The purpose of this change is to clarify that this definition applies to all child care centers, not just those with 13 or more children.

Article passed.

3. To see if the Town will vote "to adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure. These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes."

The purpose of this is to formally adopt the tax lien procedure that Surry has been following since town meeting on March 10, 1994.

Article Passed.

In addition, you are hereby notified to meet at the Town Hall in Surry on Thursday, the 10th of March, 2016 for the business meeting at 7:00 p.m. to act on the following articles:

4. To hear the reports of the Town Officers and Committees.

Moved: B Smith

Second: J Davis

Vote: Passed

5. To see if the Town will vote to raise and appropriate the sum of \$361,195 for general municipal operations. This total does not include appropriations proposed in other warrant articles addressed individually. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Moved: J Berglund

Second: J Davis

Discussion:

J Davis: The \$5000.00 that we cut that was added last year special for a project on Mine Ledge road to replace some culverts. That project was done and we just went back to \$5000.00. Disappointed, money was in the budget last year, there are so many projects that need to be done.

J Croteau: The money was added last year for two culverts and that work was done, so we reverted to the budget.

Vote: Passed.

6. To see if the town will vote to raise and appropriate the sum of \$116,000 for the purpose of making road improvements including \$16,000 to be withdrawn from the Road Improvement Capital Reserve fund established in 2015. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Moved: M Barrett

Second: R Beaudine

Discussion:

J Berglund: What are we planning on doing this year?

J Croteau: We are doing a culvert on upper Pond Road as soon as the weather permits. The project is about \$130,000.00, this is quite a substantial project.

J Davis: Is that the only road project that we are planning on doing?

J Croteau: Yes it is. There are two big projects left to complete then we can get back into rebuilding and repaving the roads. We're still doing culvert replacements on the dirt roads with regular gravel and grading as well.

J Davis: It seems that we aren't doing any maintenance to the other roads and they are in need of repair.

J Croteau: We're trying to.

J Davis: It has been three years since you've done any work on some of the roads.

R Beaudine: You mention to culvert on the lower pond road, \$116,000 is a lot of money, has it been approved?

J Croteau: We have the permits, etc. just a matter of raising the money.

W Russell: It seems that Surry's mantra is to only fix roads when it's an emergency. But there's always a crisis, we've fixed Joslin road for three years in a row now. The crisis could be averted if we had proper planning, the culvert on Joslin road has failed, I think our road department structure needs to be changed to something similar to the fire department. We need a plan that is ongoing, our road infrastructure is a failure. Our taxes are good, they haven't gone up but we can't continue to work with the budget as it is.

B Smith: As far as how much money we spend, we're trying to do things the way that you would in your home, value for our money, trying to get good usage for our funds.

J Davis: The same spots every spring/fall, driveways, etc., 5 or 6 hundred dollars in the same spots every year.

C Lothrop: We need to hire a consultant for our roads and help develop a 10/15 year plan, cost it out for us and then we can make a decision on what happens.

Vote: Passed

7. To see if the Town will vote to raise and appropriate the sum of \$15,000 to place into the existing Town Hall and Carriage Shed Maintenance Expendable Trust Fund, for the purpose of repairing and maintaining the town hall and attached carriage shed. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Moved: J Berglund

Second: M Barrett

Discussion:

J Berglund: How much do we have in that fund?

E Eichner : \$138.00 is left. We spent money last year on windows.

J Berglund: Is that enough?

J Croteau: We need a roof.

Vote: Passed

8. To see if the Town will vote to raise and appropriate the sum of \$1,000 to place into the existing 250th Anniversary Expendable Trust Fund, for the purpose of paying for Surry's 250th anniversary celebration in 2019. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Moved: R Beaudine

Second: J Davis

Discussion: None

Vote: Passed

9. To see if the Town will vote to raise and appropriate the sum of \$10,000 to place into the existing Highway Equipment Capital Reserve Fund for the future purchase of highway

equipment. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Moved: M Barrett

Second: R Beaudine

Discussion:

J Davis – What is the balance in the account?

E Eichner – \$118,000.00

J Davis – So do we think 10,000 is enough? Other towns are appropriating more. Should we be putting more away for future pieces of equipment? The tractor is pretty much useless. With difficulty it might be able to build a ditch. It loads sand but that's about it. We keep doing things the way we've done things for eons and nothing ever changes.

R Beaudine : Would you accept a motion to increase the amount?

Moderator: There are limitations of \$52,820.00 in total for any changes to all the warrant articles.

W Russell: We need to change the structure for how the roads are run. There are people in town that have the expertise. The road agent is supposed to be the advocate for the roads, not the selectmen.

J Berglund: Move that we increase the article by \$5000.00.

Second: R Beaudine

Vote: Passed to amend the article 9 from \$10,000.00 to \$15,000.00.

9. To see if the Town will vote to raise and appropriate the sum of \$15,000 to place into the existing Highway Equipment Capital Reserve Fund for the future purchase of highway equipment. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Moved: R Beaudine

Second: J Berglund

Vote: Passed

10. To see if the Town will vote to raise and appropriate the sum of \$5,000 to place into the existing Property Revaluation Capital Reserve Fund to pay for a future town wide property revaluation. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Moved: W Russell

Second: R Beaudine

Discussion:

K Lucius : How often is everything reevaluated in the town?

B Smith: Every 5 years.

Vote: Passed

11. To see if the Town will vote to raise and appropriate the sum of \$20,000 to place into the existing Fire Truck Capital Reserve Fund for the purchase of a future fire truck. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Moved: J Brooks

Second: J Davis

Discussion: None

Vote: Passed

12. To see if the Town will vote to authorize indefinitely, until specific rescission of such authority, the Selectmen to transfer tax liens, or to sell real estate acquired in default of redemption, or to vary the manner of such sale or transfer as justice may require, or otherwise convey pursuant to RSA 80:80 any real estate acquired by the Town by Tax Collector's deed. (Majority vote required).

Moved: J Davis

Second: S Goldsmith

Discussion:

B Smith: No change in practice, we are just formalizing what has been in practice since 1994. Our attorney recommended two separate votes which is why we voted on article 3 on the 8th and why we have this article.

Vote: 51 Ayes, 0 Nays, 2 abstained. Passed.

13. To see if the Town will vote to indefinitely, until rescinded, authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose as permitted by RSA 31:19. (Majority vote required).

Moved: J Davis

Second: R Beaudine

Discussion:

D Lane: Are there any specific items that are being gifted to the town?

J Croteau: No. We need to update the language and add "until rescinded" into the article so we don't have to vote on it every year.

Vote: 51 Ayes, Opposed, 0, 2 abstained.

14. Per RSA 289:6 II-a (a) "Shall we delegate the duties and responsibilities of the cemetery trustees to the board of selectmen". (Majority vote required).

Moved: S Goldsmith

Second: J Berglund

Discussion:

J Croteau – History: In the past the selectmen have been responsible for the maintenance of the cemetery. The other half is the maintenance of the cemetery trust funds. Until recently we thought the trustees of the trust funds were the ones responsible for maintaining the cemetery trust funds. We need to establish a three member board or pass article 14, we feel that the select board is the best team for the job, investing interest, etc. We have a spread sheet for each of the funds and how the money is to be spent. We are 90% of the way there so we won't have to start off on ground zero. So tonight I ask you to please support article 14.

S Sweeney – My name is Sharon Sweeney and I am a Trustee of the Trust Funds. I would like to address article 14.

Last November, Susan Farrell and I met with Tom Donovan, DOJ director of Charitable Trusts, and Terry Knowles, the assistant director, to discuss several issues regarding the cemetery trust funds. Our first question related to some inequities in the cemetery trusts expenditures and we were told, it isn't up to us to deal with it, all funds spent from the trust funds were the sole responsibility of the Cemetery Trustees. Our research determined that Surry Selectmen have been performing some of the duties of Cemetery Trustees, but they were never given that authority by a vote at Town meeting. When we relayed that information to the state division of charitable trusts in Concord, we were told that Cemetery Trustees are mandatory and we didn't need to have a warrant article to establish them, but they should be elected by official ballot as soon as possible, basically in March. A meeting was set for January 7th with the selectmen to discuss the issues. We informed them that according to the State, Surry hasn't been "playing by the rules" for quite some time and we must take action now to protect the town from liability issues. The way to do that is to elect three cemetery trustees on the official ballot. Well, that didn't happen, instead the selectmen chose to take a different route, to have the people of Surry vote on a warrant article to make them the Cemetery Trustees. This is perfectly legal and was brought up at our meeting by Bruce Smith, but the other two selectmen didn't seem interested in performing all the duties required of Cemetery Trustees in addition to everything they do now. We left the meeting believing that the official ballot would include electing 3 cemetery trustees. That didn't happen either. Let me explain some of the duties of Cemetery trustees: They are responsible for the care and maintenance of Town cemeteries. They must establish bylaws, prepare a budget, prepare the deeds and see that the cemeteries are properly maintained. They must elect a chairman and a bookkeeper who will keep detailed records of all money spent in the cemeteries along with creating vouchers for payment, those paid with trust fund money and those paid by the town. The Trustees of the Trust Funds control the payment made from cemetery trusts, but it is the job of the Cemetery Trustees to determine what money can be spent on care and maintenance compared to general cemetery repairs. They must determine the intent of each trust and execute vouchers to the Trustee of the trust funds for payment. They may appoint a cemetery custodian or sexton who shall be responsible to the cemetery trustees for supervising all work done in the cemeteries. I agree that most of these duties have been performed by the selectmen in the past, but there are irregularities in the distribution of income and

expense that need to be corrected. The only way to do this is for the cemetery trustees to research the number of plots in each trust. Currently there is no distinction between a trust for 1 plot and a trust for 6 plots. In order to have a fair and suitable distribution of expenses, we need to determine the total number of plots in the cemetery compared to the number of plots that have trust funds associated with them, which ones have “perpetual care” and which ones have “care and maintenance”, these are two different designations. There is a database that contains a great deal of this information, but it is incomplete and that is why we asked the town to elect cemetery trustees. We need to protect the Town of Surry from liability issues and bring us into compliance and we don’t believe it’s appropriate that the selectmen perform these duties in addition to everything else they have to do for the town. I encourage you to vote no on this warrant article and send a message to the selectmen that they need to appoint 3 cemetery trustees as soon as possible.

B Smith: I have three quarters of the information in my house, my mother keep the funds, my father kept up the plots, I have the maps, I will find out what the town clerk is missing and make sure they get it.

R Beaudine: Should this be a question? Take out the word shall, and put in delegate.

J Croteau- The wording is from the RSA.

C Lothrop – If at some point if we want the trustee of the trust funds to do this job would there be a conflict of interest.

J Croteau – Yes

J Shepardson – We looked it up and there is no conflict of interest.

R Fiorey – If we vote this down does this means it stays this way for the next three years?

Selectmen can appoint three trustees and they can be voted in at the next election

Vote: Ayes – 18, Nays – 21. Article does not pass

15. PETITION TO THE SELECTMEN OF THE TOWN OF SURRY for a warrant article for the March, 2106 Town Meeting to see if the Town will vote to change the specifications regarding Old Home Day to be held only on odd years (every other year), instead of annually. The Surry Recreation Committee members recommend this action. By petition.

Motion: M Croto-Young – And to note that it is for March 2016 not March 2106.

Second: K Whittemore

Discussion:

K Fisher: This is something that we have been thinking about doing for a few years. Looking for increased participation, we have seen some increase, but need to see 200, maybe if we had it every other year we would have more time and maybe get more participation.

Vote: Passed.

16. To transact any other business that may legally come before this meeting.

J Croteau – Thank you to K Lucius for her many years of service, we'll miss you.

S Farrell – Who do we call for non-emergency calls?

J Croteau – Call the sheriff's office and they will forward the call to the state police.

J Davis – What authority did the selectmen have to sell of the police equipment?

Selectmen responded.

W Russell – Are there any scheduled patrols.

Selectmen – No.

R Boudine – Lots of speeding on 12A

T Small – Misses have a town police department

M Fosher – Mistake on historic plaques – Lilly Pond is only 18 feet deep not eighty. There was no gold mine in Surry. Prior property owner salted the land, new owner came in, made improvements for planned mining, didn't find more than a couple of nuggets.

D Lane - Commented on the number of inquiries regarding the gold mine.

K Fisher – Asked how much to make up new signs.

M Fosher - State can't afford new signs just yet and they are the only ones that can change historic markers.

Meeting closed 7:58.

Given under our hands and seal this 10th day of March in the year of our Lord Two Thousand Sixteen.

Darlene Clark, Town Clerk

About The Cover

It was at the annual Town Meeting in 1971. An article on the warrant asked the question to form a Conservation Committee. The people voted in the affirmative and Surry's first commission was formed. Appointed to the six member board were Calvin Frink, Towar Arnold, A. Harold Kendall, Paula Lorette, J. Chapin Tracy, and Mary Fosher. One of their first projects they took on was to refurbish the Town Common. The work was completed that fall including grading and reseeding. The following spring the project was added to with the planting of rose bushes, black walnut, and spruce trees. In 1974 the State Historical Marker, shown on the cover, was placed indicating the presence of Lilly Pond and Surry Mountain. This capped off major improvements to the Village Common. Mary Fosher tells me there is an error on the bronze plaque that is still incorrect today. The sign erroneously states that Lilly pond is 80 feet deep when in fact it is barely 18 feet. Mary also explains that the information used to create the plaque was researched using Kingsbury's History book. The thought was that Mrs. Mable Kingsbury who was hard of hearing, misheard Mr. Kingsbury's dictation as they wrote Surry's first town History. The Marker also states that gold was mined on Surry Mountain. There is still evidence of mining operations on the mountain, however there was never much gold found in that there hill. Rumor has it that the mountain was "salted" with gold to lure prospective land buyers.
