Movie on Geriatric nursing procedures at the
Wolfeboro Hospital.

One day at the Medical Convention at Wentworth
by the Sea.

District meetings of the N. H. State Nurse's
Association at Ashland and Franklin.

Attended a meeting in Conway regarding a Men-
tal Health Program for Carroll County, and
one in Center Ossipee for the Diabetic De-
tection Drive.

Tamworth was most fortunate in having the X-ray
Mobile this past summer. I have no figures on
the number of people X-rayed, but a great many
took advantage of this opportunity.

The Carroll County Medical Society sponsored a Dia-
betic Detection Drive and again Tamworth people
took an active part.

I also assisted at a Polio Clinic in Madison.

TAMWORTH OUTING CLUB ACTIVITIES

1955 — 1956

Square Dances

The weekly square dances held at Huckin's Barn during the summer have had an average attendance of eighty and at times as many as one hundred twenty have attended. Since square dancing has been taught in the Tamworth School more of our own young people have taken part.

Tennis

Tennis Tournaments were held in Chocorua on Labor Day weekend. Junior, Women's Singles, Men's Singles, and Women's Doubles matches were played to an enthusiastic gallery.

Shoots

Two trap shoots held on the hill above Huckins' Barn drew good crowds. One target shoot, with high power, and 22 rifle classes, was held before the hunting season opened. We are pleased to see an ever-increasing number of teen-agers attending these shoots.

Sled Dog Races

Because of continued cold it was possible to hold the races on Chocorua Lake. In addition to our "old faithfuls", a large crowd was drawn from Route 16 traffic. Due to the combined efforts of the Conway radio station staff and our own C. P. A. men and equipment, it was possible to listen to a continuous report on the race over WJWG.

Fishing Derbies

The enthusiasm for the Junior and Senior fishing derbies is increasing each year. Junior contestants were given the opportunity to visit the Powder Mill Hatchery. Mr. Lawrence Brett supplied the transportation for a most interesting and instructive trip.

Christmas Tree

As it has for the past few years the T. O. C. was responsible for the town Christmas tree in the center of the village.

Ski School

Tamworth children received four ski lessons from a staff of three local teachers and one Cranmore instructor. Twenty-seven pairs of skis were issued to the children. Beginner's classes were held at the old school and the advanced groups were transported to Page Hill. Transportation was paid for by the Tamworth Foundation. Several Tamworth boys have made the Kennett Ski Team which would have been impossible without previous training.

Page Hill

The tow was in operation thirty days with Mr. William Hidden in charge.

REPORT OF COOK MEMORIAL LIBRARY

The librarian and trustees of the Cook Memorial Library wish to express their appreciation for gifts of money from the Tamworth Foundation for adult and juvenile books. The following people have also added books to the Library shelves: Mr. and Mrs. Francis Cleveland, Mr. and Mrs. Harry Damon, Mrs. Charles Rheault, Mrs. Alfred Tozzer and Miss Emma Johnson. The library has circulated over four thousand books the past year. About sixt-five persons visit the library regularly during the winter months. In the summer there are more than double that number.

We also wish to thank the Tamworth Garden Club for our summer and winter arrangements in the window boxes and for the Christmas decoration.

FIRE WARDEN'S REPORT

DANGER FROM FIRES IN WOODLANDS

WOODLAND LITTER, WHEN DRY, IS HIGHLY INFLAMMABLE AND FIRES CAN QUICKLY GET OUT OF CONTROL. WE REQUEST YOUR CO-OPERATION TO CONTROL ALL FIRES SO THAT LIVES AND PROPERTY MAY NOT BE ENDANGERED OR DESTROYED, AND FORESTS BE KEPT GREEN TO FURNISH THE NATURAL BEAUTY WE ALL ENJOY AND TO GROW TIMBER WE WILL NEED.

WHAT IS "WOODLAND"?

The term "woodland" is defined by law to include, "cut-over land, slash and such other land as bears a sufficient amount of wood growth, wood, weeds, grass or other growth as to be likely to be burned over."

WHEN IN THE WOODS, YOU ARE EXPECTED TO EXERCISE CAUTION IN THE USE OF FIRE AND TO REMEMBER THAT

IT IS UNLAWFUL TO

Throw down lighted matches, cigarettes, or other burning substances from vehicles or otherwise.

Burn brush, rubbish, grass or other materials when the ground is not covered with snow, without written permission from the Forest Fire Warden.

Kindle a camp or cooking fire on land of another without permission from the owner or his agent.

Leave an open fire burning unattended.

Fail to report a forest or brush fire that is out of control.

VIOLATORS ARE SUBJECT TO THESE PENALTIES

Anyone letting a fire escape from control, whether or not he has a permit to kindle the fire, is liable for the costs of extinguishing the fire.

Anyone found guilty of dropping inflammable material in or near woodland shall be fined not more than \$25.00.

A person failing to report an uncontrolled brush or forest fire is liable to a fine of not more than \$10.00.

For kindling a fire in woodland of another without permission of the owner, or for kindling any fire without a permit when a permit is required, a person may be fined not more than \$200.00, or imprisoned 60 days.

DAMAGES

Every person who shall set fire on any land, that shall run upon the land of another, shall pay to the owner all damages done by such fire.

BE SURE — GET A PERMIT

Incinerators should be tight, with a close mesh screen, and be on clean ground.

Open fireplaces used to burn rubbish are classed as incinerators.

Always clean a space about any open fire to prevent its spread.

Never burn in dry, windy weather.

Have incinerators inspected by the Forest Fire Warden and get his written permission.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Tamworth:

During the school year 1955-56 the teachers in the Tamworth School were:

Mr. Ronald Corkum, Principal	Grade 6
Mrs. Elizabeth Brady	Grades 7 and 8
Mrs. Carolyn Pulsifsr	Grades 4 and 5
Miss Margaret King	Grade 3
Mrs. Dorothy Remick	Grade 2
Mrs. Ethel Berry	Grade 1

For the current year Mr. Corkum teaches the mathematics and science in grades 7 and 8, and Mrs. Brady teaches English and the social sciences; Mrs. Henrietta Kane, of Ossipee teaches grades 5 and 6; Mrs. Pulsifer teaches grade 4, and the rest of the staff teach the same grades as last year. We are most fortunate to have such a competent staff of teachers.

During the year the Tamworth School enrolled 177 pupils with an average daily membership of 168.6. As of the date this is written there have been 179 pupils enrolled.

There were 65 high school pupils enrolled at Kennett High School, one at Brewster Academy, and one at Fryeburg Academy. Currently there are 61 pupils enrolled at Kennett High School and 1 at Fryeburg Academy. Of these 12 are seniors. The present eighth grade has an enrollment of 17. The tuition rate in 1955-56 was \$290.00 and is \$305.00 during the current year.

The supervision of the health program was under the competent direction of Mrs. Thelma Roberts who continues in this position during the current year. The Salk Polio Innoculation Program initiated in 1954 was continued through the cooperation of the State Department of Health, Mrs. Roberts and local physicians.

The big event of the year took place when school opened in January and the first classes were held in the new building. The spacious and beautifully decorated rooms, the gymnasium, the modern kitchen, and all other excellent facilities have made a great contribution to a better education for Tamworth boys and girls. The teachers and pupils take great pride in the building and are taking excellent care of it. It was the intent of the school board and the building committee that the building should serve as a community center. Several community organizations have made quite frequent use of the gymnasium and other facilities. Custodian William Hidden is keeping the building in excellent condition.

The development of the athletic field by the Tamworth Foundation is proceeding under the direction of Mr. Richard Read. This is a very important contribution to the entire educational program and should prove to be of great value to the community.

Several other projects are providing valuable contributions to the educational welfare of Tamworth pupils. Among these is the school library service which is reported on these pages by the library committee. The stamp and bond saving project, quite generally carried on during World War II, has been renewed under the sponsorship of the Tamworth Women's Club. The P. T. A. has undertaken to raise

money to purchase a new motion picture projector to replace the old projector which has seen many years of service. Instruction in skiing, which has been provided for several years by the Tamworth Outing Club, is again functioning this year. We are most grateful for the interest shown by these organizations and for the many fine services provided.

The splendid cooperation of the school board, teachers, pupils, and citizens is most sincerely appreciated.

Respectfully submitted,

EVERETT H. BRASIER

Superintendent of Schools

February 9, 1957

The Tamworth School now has the beginnings of a small but excellent library. A Library Committee appointed by Mrs. Chester Davis, P. T. A. President, solicited donations from Tamworth citizens. The P. T. A. Fair held in the school in July added over \$200.00 to the Library Fund. A local architect donated plans for the three book shelves in the front hall. A large number of good books, 2 dictionaries, and a set of encyclopedias have been given to the school. Mrs. Myrick Crane, Mrs. Harry Damon, Mrs. Rolf Spicer, and Mrs. Parker Whipple serve as librarians one day each week. Mothers and teachers have help with catalogueing, and other dull but necessary work. Last year from January - June a total of 2,201 books were signed out, an average of 157 per week. An average of 200 books per week have been withdrawn during this school year. The librarians feel that this is due to the larger number and variety of books we have to offer. We would like to take this opportunity to thank all those who have

given of their ideas, time and money to make this important part of our school a success.

Diabetic Detection:

In co-operation with the Carroll County Medical Society a Diabetic Detection drive was conducted in our school. One hundred and thirty-six children participated.

Orientation Day:

The day before school closed in June, the first graders stayed home and the in-coming first graders came to school. Sixteen children and twelve mothers spent a regular school morning with us. Each child was weighed, measured, teeth examined, throat, glands, skin checked, and the eyes were tested. This gave parents an opportunity to get corrections made before school opened in the fall. I attended a two weeks' summer session at Plymouth Teachers' College on Child Guidance which I enjoyed very much, and which proved very beneficial.

Meetings attended as part of duty:

The School Nurse section of the State Teacher's convention in Manchester.

The School Nurse section of the New Hampshire State Nurse's Association in Concord.

Regional meeting of the School Nurse Teachers in Barrington.

District meetings at Brookfield and Tamworth.

Respectfully submitted,

THELMA ROBERTS, R. N.
