COMMISSIONERS' REPORT.

To the Citizens of Coos County :

The Commissioners of the County of Coos herewith submit their annual report for the year ending April 30, 1890, together with the reports of the Superintendent of the Almshouse, Physician, Clerk of the Supreme Court, Sheriff, Jailor, Solicitor, County Treasurer and Auditors.

Your Commissioners have used every reasonable endeavor to provide for the comfortable support of the inmates of the Almshouse, and we are fully satisfied that very few of the inmates ever enjoyed as many of the comforts of life at their homes, as at this institution.

The health of the inmates has been excellent during the year, and the death rate very small, considering the number of feeble ones who go there.

Last spring Mr. and Mrs. S. G. Hannaford, who had faithfully discharged the duties of Superintendent and Matron of the County Farm and Almshouse for some twenty years, tendered their resignation, which was accepted, and Mr. and Mrs. Freeman G. Marshall of Colebrook, N. H., employed in their stead, who took the position in June, 1889. Mr. and Mrs. Marshall had had no previous experience in such an institution; but we are pleased to say that we are so well satisfied with their management, that we have hired them for another year; that the inmates under their care are, in our opinion, well fed, well treated, and kept comfortable.

The expense of keeping inmates at the Almshouse has been \$1.63+ per week, an increase from last year, which can easily be accounted for, owing to the smaller number of inmates, which makes the expense larger per capita, and in the reduction of the valuation of the furniture, bedding, etc., in the Almshouse (which is charged into the running expenses), owing to age, wear and damage, and loss by the fire last summer.

In regard to the building of a new jail at Lancaster, for which an appropriation of \$5000 was made by the County Convention last summer, will say that it will be commenced as soon as practicable, so that it may be completed this season.

We desire to express our thanks to the Overseers of the Poor throughout the county for their able assistance in the care of the unfortunate poor. The class of paupers that receive aid at their homes in the several towns in the county, are under your immediate care, and we trust you will give each case a careful inspection, so that the county may not be put to unnecessary expense, or any deserving ones suffer for the common necessities of life.

For the financial standing of the county we would respectfully refer you to the Treasurer's report connected herewith.

If the citizens throughout the whole county, would visit the Almshouse and witness for themselves, the manner in which it is conducted, there would be less prejudice against the institution, and less suffering among the poor. We extend to all the citizens, and especially the tax-payers of the county, a cordial invitation to visit the Almshouse, and witness for themselves the manner in which it is managed, and thus be better enabled to judge how the paupers there are cared for, and the county's money expended.

Respectfully submitted,

LEVI SHEDD,	}	County Commissioners.

PHYSICIAN'S REPORT.

WEST STEWARTSTOWN, N. H., April 15, 1890.

To the Board of Commissioners of Coos County:—

GENTLEMEN: I have the honor to submit herewith my annual report of the Coos County Almshouse.

The management of the institution has passed from the hands of Mr. and Mrs. Hannaford (who retired) into those of Mr. and Mrs. Freeman G. Marshall of Colebrook. The management of this important institution, presided over by the present Superintendent and his worthy wife, is all that could be desired, and the good feeling that prevails on every side proves conclusively that the vacancies have been most satisfactorily filled.

The health of the inmates for the past year has been remarkably good, little or no sickness having prevailed among them. Again this year the deaths are among the aged, and subjects of chronic disease.

DEATHS.

Sept. 26, 1889, Wm. H. Osgood, insanity.

Nov. 28, 1889, Edwin Lombard, in a fit.

Jan. 17, 1890, Jeremiah Shattuck, aged 82, old age.

March 25, 1890, Chas. Durant, aged 25, (imbecile) exhaustion.

April 11, 1890, Chas. Dearborn, aged 71, cancer of parotid.

SOLICITOR'S REPORT.

To the Citizens of Coos County:

I hereby respectfully submit my first report as solicitor of Coos county, covering a period commencing July 1, 1889, and terminating April 30, 1890. In assuming the duties of prosecuting attorney for the county, I was gratified to find a clean criminal docket. Much credit is due my predecessor, Jason H. Dudley, Esq., in this behalf. Since the commencement of my term of office, no serious crimes have been committed within the body of our county, and no civil suits, in which the county is a party, have been instituted.

The suits brought by the county against the insurance companies, to recover the amount of policies on Court House, were tried in the United States Court in October, 1888, at Concord, and a decision in favor of the county secured. The insurance companies then transferred the cases to the full bench, on questions of law, where they

are now pending, awaiting a final decision by the United States Supreme Court.

My official duties before the Court commenced at the September Term, 1889, of the Supreme Court at Colebrook. This was not a grand jury term, but the following criminal matters were called and disposed of:

State vs. Alfred Harvey. Indictment for burglary found at the February Term, 1889. Plea of guilty entered by respondent. Sentenced four years at hard labor in State Prison, and pay costs of prosecution. Sentence expires Sept. 3, 1893.

State vs. Almon Cross. Indictment for adultery. Plea, not guilty. Continued. Respondent recognized with two sureties, in sum of \$400, for his appearance from term to term until case finally disposed of.

OCTOBER TERM, 1889, LANCASTER.

State vs. Edward Deleoa. Indictment for larceny of horse from H. B. Hinman. Plea, guilty. Sentenced to two years in State Prison, and pay costs of prosecution. Sentence expires Oct. 17, 1891.

State vs. Alfred Harvey. Indictment for burglary. Marked "Not to be brought forward." This was a second offence.

State vs. William D. Perkins. Indictment for obtaining goods by false pretences. Plea, not guilty. Continued by order of Court. Recognizance furnished with two sureties.

State vs. Ai J. Richardson. Indictment for adultery. Respondent out of State and not apprehended. Bonds given at preliminary hearing, called and forfeited.

State vs. Frank Cassidy. Assault. Plea, guilty. Fined \$1.00 and costs.

State vs. Ellsworth Annis. Indictment for aggravated assault. Plea, *nolo contendere*. Nominal fine, and respondent to pay costs. Same paid to clerk.

State vs. Charlotte Sawyer, principal and Wellington T. Sawyer, accessory after the fact. Indictment for

larceny. Continued by order of Court. Recognizance in sum of \$1000, with sureties furnished.

State vs. Thomas A. Lawrence. Indictment for selling liquor to Asa C. Ham. Plea, not guilty. Jury trial. Verdict, guilty. Sentence, fine of \$50, and pay costs of prosecution. Fine and costs paid. One-half fine to county treasurer; other half and costs to complainant.

Thirteen other indictments against parties in Berlin were found by the grand jury on complaint of Asa C. Ham. Sufficient evidence against the respondents not having been produced, the indictments were continued, and finally dismissed. All costs in these prosecutions were paid by the complainants and not by the county.

FEBRUARY TERM, 1890, COLEBROOK.

State vs. Emery Bacon. Adultery. Plea, guilty. Marked "Not to be brought forward." Costs paid by complainants.

State vs. Thomas Pinckney. Obtaining goods by false pretences. Respondent not arraigned. Continued.

State vs. George W. Barnett. Common seller of spirituous liquor. Plea, guilty. Marked "Not to be brought forward" if respondent stops selling. Costs paid by respondent.

State vs. George R. Marsh. Adultery. Respondent out of State. D. E. Cummings appointed commissioner to take bail when respondent is apprehended. Bail furnished with sureties March 10, 1890.

State vs. Hiram T. Heath. Violating fish and game laws. Plea, guilty. Fined \$5.00, and ordered to pay costs. Marked "Not to be brought forward" unless offence is repeated.

State vs. Elmer G. Annis. Selling mortgaged personal property without disclosing the encumbrance. Respondent out of State and not apprehended. D. E. Cummings commissioner to take bail.

Fifteen liquor indictments were found by the grand jury for keeping for sale spirituous liquor, and one for

keeping malt liquor for sale. Of this number, six were against Colebrook parties. Respondents in four of these pleaded *nolo contendere*, and were each fined \$50 and ordered to pay costs of prosecution. One pleaded not guilty, one out of the State, and the other unable to appear on account of illness. All of the other indictments were against parties in the Southern Judicial District, and were ordered transferred to April Term in Lancaster, which convenes on the third Tuesday of the month, being the fifteenth day.

APRIL TERM, 1890, LANCASTER.

Presiding Justice I. W. Smith unable, on account of illness, to proceed with term, and recess taken to April 29, 1890, at which time a further recess is ordered to the fifteenth of May.

In consequence of these postponements I am unable to give the disposition of the liquor and other cases to be called at this term. In all liquor cases pleas of guilty, or *nolo contendere* must be entered by respondents, or the cases will be tried by the jury.

In the indictment entitled "State vs. William D. Perkins," the complainants, who appeared before the grand jury, and on whose evidence the indictment was found, and being notified to produce evidence to sustain it, replied that the matter had been settled. No evidence being produced, a *nolle prosequi* will be entered by the State.

In accordance with the law defining the duties of county officers, I must close my official report on April 30, 1890. Owing to the fact that this limitation prevents any report as to disposition of indictments transferred from Colebrook to Lancaster, at the February Term, I add a note hereto, for the information of the public.

DANIEL J. DALEY, Solicitor.

NOTE. At this date (May 23, 1890) the respondents in all liquor cases except four have pleaded *nolo con-*

tendere and paid their fines and costs to the clerk and county treasurer. April term is still in session, and these four will be disposed of before adjournment. The county treasurer's report will not show the receipt of these fines and costs in his report of this year, but they will appear in his next annual report. D. J. DALEY, Solicitor.
