Annual Report

RICHMOND

NEW HAMPSHIRE

1979

DEDICATION

EDITH BULLOCK ATKINS

1946 – Librarian – 1980

You have nurtured and guided the growth of our library from a corner in the town hall to the old school house No. 6 and now the new addition. Because of your personal commitment of thirty-four years, we now have an exceptionally fine cultural center for the entire community. With love and admiration all the people of Richmond thank you for your devoted service, and the pleasure your library will provide everyone for years to come.

May your years of retirement be happy ones and the dedication of this town report serve as a small token of our appreciation.

AUDITORS' REPORT

Richmond, N.H. 03470

February 9, 1980

The Board of Selectmen
Town of Richmond
Richmond, N.H. 03470

Gentlemen:

Our report on the audit and examination of the accounts and records of the Town of Richmond for the fiscal year ended December 31, 1979, is submitted herewith. The attached financial statements are included as part of our report. A complete copy of this audit report must be given to the Town Clerk for retention as part of the Town's permanent records.

SCOPE OF AUDIT

Our examination and audit included the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustee of Trust Funds.

FINANCIAL STATEMENTS

1. Comparative Balance Sheets show a decrease in the net surplus of the Town from \$28,608.48 in 1978 to \$15,079.35 in 1979.
2. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations in the amount of \$10,444.12 in 1979 as compared to \$1,155.18 in 1978.
3. The Statement of Estimated and Actual Revenues shows a net revenue surplus in the amount of \$5,647.37.
4. The Budget Summary indicates a net Budget surplus for 1979 in the amount of \$16,091.49.
5. Summaries of other accounts include the Town Treasurer, Tax Collector, Town Clerk, Trustee of Trust Funds, Revenue Sharing and the special Fire Department equipment fund account.
6. The Summary of Long Term Indebtedness shows a principal balance of \$3,000.00 which will be paid off in 1980.
7. The special Revenue Sharing Report which is required by the Department of Revenue Administration of the State of New Hampshire must be published in the Annual Town Report.
8. Monies which were appropriated in 1978 for various town projects and the new fire truck were expended during 1979.

AUDIT PROCEDURES

The accounts and records of Town Officials charged with custody, receipt and disbursements of public funds, as indicated in the scope of the audit, were examined and audited to the best of our knowledge and ability. All Town books and records necessary to carry out our audit were thoroughly checked and carefully verified.

CERTIFICATION OF AUDIT

Certification is hereby made that we have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1979, and in our opinion the attached balance sheets, and other statements of sources of revenue and expenditures present fairly the financial position of the Town of Richmond for the period under review.

THANKS

We most heartily thank the Town Clerk and Town Treasurer for their kind cooperation and assistance to us during the examination of their records. Their patience and understanding made this difficult task a rewarding experience.

Very truly yours,
Stanley F. Bartram,
Margaret J. Bartram,
Auditors
Town of Richmond, N.H.

SELECTMEN'S REPORT

This past year has been extremely active. Many new duties, Laws, demands and expectations were placed before this Board. We would like to briefly summarize some of the events.

Unfinished business from the previous year was given first priority. The Selectmen's Office was moved downstairs, after a fine job of partitioning off a section of the Town Hall, which has this year been

nominated and entered into the National Register of Historic Places. The new well and pump for the Firehouse and Library has been completed in time for the Annual Richmond Community Day. The Veteran's Hall septic system and new rest rooms were also completed.

New business completed were: external repairs to the Veteran's Hall, internal repairs of the ceiling will be attempted this year. Painting of the Civil Defense building and sign. Purchased new tables for the Veteran's Hall. Continuing extensive road work on the Sprague Rd. and Greenwood Rd., which we hope to complete this year.

Two Selectmen attended and completed a week long training course on property appraisal at Plymouth State College given by the Department of Revenue Administration. We have started and completed 75% of the new appraisal card system. When the balance is completed, we will then compute the information into real value for the next year's tax bills. This will be a complete revaluation at 100% of fair market value by State Law. We had asked for \$600.00 to pay for assistance to undertake this huge task. We later found that State Law prohibits anyone other than the Selectmen in Richmond to assess property. The appropriated money entered into the General Fund.

At last year's Town Meeting there was some discussion of the legality of our appointed Auditor, of over ten years of dedicated service at a very nominal fee, because he was not a resident or a C.P.A. We investigated this and found it to be true. Further investigation shows that in 1945 the Town voted to appoint the Office of Auditor and has been done this way since. With reluctance, we had to ask our past Auditor to resign and appoint a resident who need not be a C.P.A. This process of appointment has been checked with various Local and State Officials and approved.

In closing, we would like to thank all the members of the various Committees and Board for their cooperation over the past year.

There will be some vacancies this coming March for members of various Boards and Committees. There is also a need for a Deputy Town Clerk and Tax Collector. Anyone interested can contact any Selectman anytime.

Respectfully Submitted,
Richard E. Bigda,
Dana A. Taylor,
Francis J. Jillson,
Selectmen of Richmond

LIBRARIAN'S REPORT – 1979

Circulation Data

Fiction	2247
Non-Fiction	1155
Juvenile	1987
Magazines	504
Puzzles	61
Patterns	6

TOTAL	5960

As you will note our circulation is still on the rise. More residents are using the library and with the use of bookmobile materials, contributions from our public and good use of our town appropriation, a wider choice of materials is available.

The summer reading program for the children was a success again this year. Thirty children signed up and twenty-one were given certificates and book gifts for reading at least twelve books. A total of 414 books were read.

Three books sales were held during the year, totaling \$134.51. This money is used to purchase more books. This with the money collected from fines is a great help in keeping abreast with some of the current requests and needs.

It is always sad to lose faithful users of the library. This year there were two, Anthony Rizzo and Andrea Pearsall. I miss them both. Contributions from the public were made to the library in both instances. I would like to mention here the titles purchased with these funds. For Tony, because of his love of biographies, I purchased "Daniel Webster" by Irving Bartlett and two books on crafts suitable for use of children and adults. A book on the Art of Norman Rockwell was given by two of our patrons. Andrea's deep concern for nursing care and health prompted the purchase of "Dr. Fishbein's Popular Illustrated Medical Encyclopedia" and five titles of an open family series for use of adult and children together, "About Dying," "Making Babies," "That New Baby," "Hospital Story" and "Adoption." One of our patrons donated the "Complete Medical Guide" by Miller and knowing Andy's love of Agatha Christie's novels I donated a biography of the author entitled "The Mystery of Agatha Christie."

In closing, I have to say that this is the last report that I will be making for the library. In April I will have completed 34 years of ser-

vice to the Town of Richmond as your librarian. These have been years of happy experiences of bringing the library from the outer walls of the Town Hall to the attractive surroundings we are in today. These have been happy years working with many of the dear people I grew up with and of late years meeting all of the wonderful new people who have chosen to make Richmond their home. I would like to thank everyone from the bottom of my heart for helping to make my dreams come true of bringing better library service to the people of Richmond.

And now for the future, please keep in mind, that I am only six miles away and my assistance will be fast forthcoming if the need arises. My best wishes to each and all.

Respectfully submitted,
Edith W. Atkins,
Librarian

LIBRARY TRUSTEES REPORT – 1979

In 1979, we met eleven times to conduct the towns business concerning the library. The first problem that faced us was the vacant archivist position. This was filled by the appointment of Norma Thibodeau, for one year. By Mid-February, we had completed our application for National Register Status, for the library.

Our new trustee, Judy Rizzo, had to resign in late spring, due to the untimely death of her husband, Anthony. Margaret Wyman was subsequently appointed by the selectmen, and was elected secretary.

The high degree of uncertainty in energy costs and the impending cost of paying a minimum wage to our librarian have caused a substantial increase in the proposed budget for next year. A number of maintenance and repair items were taken care of this year which include the following: Purchase and installation of cellar storm windows; installation of porch light; cutting of maple trees to alleviate mildew problem; new cap for the chimney; repairing of short circuit in furnace; new insulation for the old section of the building; and the heating system was placed on a seven day, time controlled thermostat, to save fuel.

A number of archival gifts were accepted by us on behalf of the town, along with numerous small cash gifts to purchase books. We have established "The Philip Dana Orcutt Memorial Trust Fund" from the many donations made in his name. The income from the trust will be used to purchase books for the permanent collection.

Due to the impending retirement (May, 1980) of Edith Atkins, our search for a new librarian began in the Fall and ended with the appointment of a librarian designate who is now working with Edith and will take over the administration of the library next Spring.

Although we know the town will miss her, Edith's long devotion to duty has earned her a well deserved rest from administrating two libraries. She intends to continue as librarian in Winchester, for the time being.

All in all, the seventies proved to be a rewarding decade for the library. We hope the eighties will bring an even greater role for the library in the educational and cultural growth for the citizens of Richmond. We especially wish every success in this endeavor to our librarian designate, Suzanne Whittemore.

CIVIL DEFENSE REPORT – 1979

I am pleased to report that there were no major incidents requiring the services of Richmond Civil Defense this year since I assumed the directorship after the untimely death of my brother Charles in July. Charles to that point had been actively working, as I presently am, on an update of the town inventory and the establishment of a Richmond evacuation plan. The Federally/State mandated evacuation plan would serve the Town of Richmond in the event of a nuclear accident at Vermont Yankee.

POLICE DEPT. REPORT

We are happy to report that we have two more people added to the police force, John Hillock and Donald Javis. Therefore we have had to outfit them and get them the equipment that is necessary for the job so we used most of our money this year.

As usual most of our problems this year have been burglaries. Please if you see something going on at the neighbor's that is unusual, call the police.

Report of the FIRE CHIEF

I make my report for the year ending December 31, 1979 to the citizens and Selectmen of Richmond.

In the year 1979 we have been lucky, there is very little to report. A few chimney fires and a couple of brush fires.

The new truck went into service the latter part of June.

I would like to thank everyone that worked on trucks or equipment.

We would like to thank all the neighboring towns we have called on for assistance: Meadowood, all the Swanzey's, Winchester, Fitzwilliam and Mutual Aid.

Respectfully Submitted,
Robert VanBrocklin, Chief

By authority of the State of New Hampshire the Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit from the town Forest Fire Warden. No permits will be issued for fires between the hours of 9 a.m. and 5 p.m. unless it is raining.

Robert VanBrocklin,
Forest Fire Warden

RICHMOND FIRE DEPT. – RESCUE SQUAD

At the November meeting of the Fire Dept. the Richmond Fire Dept. Rescue Squad was formed by the order of Chief Van Brocklin.

Due to a change in the State laws in August of 1979, Richmond Fire Dept. was no longer being "Toned" for medical emergencies or accidents because we had no one listed as qualified with the control center in Keene.

The requirements were certification in CPR (Cardio-Pulmonary Resuscitation) and a Red Cross approved course in advanced First Aid.

As a result, steps were taken to train both Fire Dept. Personnel and others in Richmond who were interested in being trained.

As of December 31, 1979 13 Richmond residents have taken the required training and have received certificates – advanced First Aid and CPR (8 in Winchester and 5 in Fitzwilliam).

These 13 people have joined the newly formed Richmond Fire Dept. Rescue Squad.

Twelve more people are scheduled to start a course to be given in Richmond on January 3rd and should have their cards as you read this.

As a result of the efforts of these people and your Selectmen and Fire Chief, Richmond is again being "Toned" for medical emergencies and Rescue.

A Word of Caution

In the event of an emergency, PLEASE use the 352-1100 number. DO NOT call individual Rescue members.

To do this could result in loss of valuable time if it is determined more help or an ambulance or other special equipment is needed.

Report of the RICHMOND CONSERVATION COMMISSION

To the Selectmen:

The following is a statement of the activities of the Richmond Conservation Commission for the year ending December 31, 1979:

1. The Commission has held either regular meetings or work sessions practically every month, and, as usual, has sent a copy of the minutes to the selectmen after approval.
2. No serious outbreaks of weed pollution have been reported in Cass Pond, but the pond continues to be monitored.
3. The Commission manned an information booth at the Richmond Town Fair, as usual, and many pieces of helpful information were distributed at no cost to the public.
4. The Commission mowed and cleaned the Quaker Cemetery shortly before the Richmond Town Fair.
5. The most interesting episode of the year concerned the clearing of power lines by the Public Service Company of New Hampshire. The contractor who did the work did an horrendous job, and the Commission, after many consultations with the contractor and the Public Service Company with no results, filed a protest with the New Hampshire State Arborist Board.

Representatives of that board, the Public Service Company and the contractor met with the Commission, and the result was that the work was re-done, and the situation rectified.

6. The Town Forest firewood project has so far been a disappointment. The problem is the access road. The town owns the south half of the right of way and our neighbor on the north owns the north half. Your Commission is doing its best to draw up an agreement to allow the town and the neighbor to use the road for access to their respective properties for all forestry purposes, and we have made some progress. Our town attorney has drawn up an agreement, and we are

hopeful of getting it worded so that all parties concerned will feel comfortable in signing it. It will be advantageous for all concerned not to be trespassing on another's property.

We are looking forward to 1980, and the Commission urges the citizens and other town departments to feel free to call on it with any conservation problems they may have.

The status of our various accounts is as follows:

Report of the RICHMOND CEMETERY COMMITTEE

A new regulation voted on and passed at our last meeting states — All new monuments will have a base of sand, stone and cement. Please check with the sexton before setting any monument, this is to prevent the stones from sinking or tilting after a few years. Perpetual care markers have been ordered and should be ready to be placed by spring cleanup time. Some vandalism is still with us, the new garbage cans have disappeared again; therefore we will not replace them this year, please take your clippings, dead flowers, etc. with you.

Midtown Cemetery, by the town hall, has again had the big white gate snapped off and broken. In Benson Cemetery, off Fish Hatchery Rd., we have had a recent report of much vandalism and as soon as weather permits we will walk up and check on it as the road is impassable for a vehicle.

Our usual soda and beer bottles dot the graves in South and Earl Howard and must be cleaned up every other week. In checking around the different monument companies, we have located a cement that is used on broken stones and we hope to be able to obtain some and have the sexton use and start to repair some of the stones.

The cemeteries seem to be in good shape, with more sunken graves filled in each year and the old section of South Cemetery is now mowable once more. The walls will continue to be kept cleared of brush and little by little the stones are finding their way back on top of each other to resemble a wall.

A copy has been made of all names and dates on stones in Earl Howard, South and Old Section of South Cemeteries and we hope to be able to do the same for Mid Town this summer and have a copy available for the many inquiries we get each year from people checking on their ancestors.

BEACH COMMITTEE'S REPORT — 1979

For the most part, we have a fairly successful year. We have become quite concerned over the number of complaints concerning vandalism, drunkenness, and rowdyism. A number of people had to

leave the beach or did not use the facility out of fear of harrassment.

The beach committee, along with the police and the Selectmen, are making a concerted effort to correct these problems next summer. Some of the solutions we are recommending may seem harsh, but please bear with us and we are sure the town can have a more n-joyable and safe beach.

We spent our total appropriation this year and are asking for a sizable increase so that we may do the things that need attention.

Projects being considered for 1980:

1. New roof on toilet facility.
2. Enlarge swimming area by adding sand to south end of beach.
3. Purchase sand & regrade beach.
4. Repair raft.
5. Increase police patrol.
6. Rent a dumpster to eliminate smelly, fly ridden, barrels.
7. Try to establish a communications system with Camp Takodah.

New Rules being Considered for 1980:

1. No guest passes – authorized vehicles only, in parking area.
2. Picnic tables confined to off beach areas.
3. Regulation of traffic on Pond Woods Road.
4. New Beach Hours.
5. Prohibiting the use of the beach for private parties.

PLANNING BOARD REPORT

For the first time in its history members of the Planning Board were elected directly by the voters in place of the previous method of appointment by the Selectmen. The outcome has been a highly active and conscientious board.

During 1979 the Planning Board acted upon 10 subdivision requests.

The board has also been shaping the groundwork for the Town's Master Plan and with the aid of the townspeople and guidance of the

Southwestern New Hampshire Regional Planning Commission will continue toward its completion.

The Master Plan will encourage actions that are in the Town's best interests and will chart a course to benefit the people of Richmond and its future generations by avoiding actions which cannot later be adequately corrected. The plan will also provide planning policies to assure that decisions are in harmony with the objectives and policies of the town.

Throughout the coming year the board will be presenting its findings to the Town's citizens for discussion and action.

Report of the RECREATION COMPLEX COMMITTEE

In 1979, we continued to develop the land behind the Fire Department. Our appropriation of \$1,000.00 was used to have a survey made showing elevations and amounts of fill required to bring the area up to level.

Requests for bids were sent out to various contractors and Leonard Lawrence was awarded the contract. Stumps were relocated, fill brought in and the area brought up to level.

It is our wish that the residents of the town of Richmond will honor our proposal for 1980 so that we may continue toward completion of the needed improvements.

WINCHESTER DISTRICT NURSING ASSOCIATION

We offer skilled nursing visits by a professional nurse. We continue to have contracts with a Physical Therapist, WIC (Women, Infants and Children), Cheshire Health and Social Services for Homemakers and Home Health Aides. Our Immunization Programs and Blood Pressure Screenings are open to the public.

There were two blood pressure clinics in Richmond during 1979. 149 Patients were seen during 1979.

We hope that 1980 will be as successful a year as 1979. Anyone can make referrals to our agency. If you or anyone you know needs the services of a nurse or any other services we provide, please feel free to contact us.

We are available Monday through Friday from 8:30 A.M. to 4:30 P.M. We can make one visit without doctor's orders. So please call us. We are here to serve you.

Thank you.

Yours truly,
Colette T. Schwartz, R.N.

RECREATION COMMITTEE REPORT

The year's activities began Richmond Fair Day with a parade and games sponsored by the Committee.

The week of summer camp and the swimming lessons were a great success, with 35 children attending camp and 30 attending swimming lessons.

The Recreation Committee began a new program for children of preschool age and all those who attended enjoyed themselves thoroughly. The success of these summer preschool classes ensure their continuation.

Camperships this summer went to Loren Merrifield, Mark Foote, Edward Campbell, and Sara Jane Wyman.

Summer activities ended with a visit to the KSC Summer Theatre Production.

A Halloween Party was held the Sunday evening before, with judging of costumes, jack-o-lantern judging, games, and a spook house which produced shivers down the spines of the most stout-hearted. About 45 children attended and our thanks to all those who helped make the party a success.

The Christmas Party held December 16th began with a visit by Santa Claus, then the children trimmed the tree and sang caroles.

Finally, a New Year's Party was held at the Veterans Hall with Ben Hall providing the music. Although the attendance was small, all those who came enjoyed the night thoroughly dancing to music from the 50's, 60's and 70's with a midnight pot luck supper to ring in the 80's with style.

Our thanks again to all those who helped to make this past year's efforts a success.

To the Town of Richmond:

On the weekend of 28th of Sept. my family went to New Hampshire for a few days at a friend's place.

On the last day of our stay, an accident happened with a 12-year-old boy, getting burned second and third degree on his legs. With the boy in such pain and us being so far away from home, I thought for sure we were doomed.

The Emergency Medical Team came to our aid with the help from a very warm person who cared.

John Hillock, who is on your force was at our side at the right time. He helped in every way he could to assure us that the boy was in good hands. When someone like him goes out of their way on their job, my family and I agree that he should be thanked.

Please thank John Hillock again for all his help and for being him. We here in this town of New Britain would be very proud just to have one active policeman like him. You are very lucky and should be very proud of him.

He is in our hearts – God Bless Him.

Thank you John Hillock

OUR COVER

One of Richmond's outstanding landmarks? Harry Morse's wall of wood is considered just that by the residents of Richmond. Although to Harry, it will be his source of heat for the winter yet to come. Trees cut down and sawed up by hand find their way to the stone wall behind Harry's house by means of a wheelbarrow. Here they are patiently sorted by size and shape, then become part of the wall.

A tourist attraction? Could be, Harry figures the wall is one. Once up, the wall will remain intact until after the "Labor Day Weekend." "It gives the passer-by something different to look at," says Harry.

A life-time resident of Richmond, Harry is retired from 33 years of service to Lawrence Leather, as well as a respected member of his community.
