STATEMENT BY SELECTMEN

TO THE CITIZENS AND TAXPAYERS OF FARMINGTON:

We submit herewith our annual report for the year ending January 31, 1936, together with the budget for the ensuing year as approved by the budget committee. We commend these to your careful consideration.

As heretofore, the problem of direct relief and aged assistance continues to be one of the most serious problems confronting the taxpayers.

Aged assistance has become a permanent and progressively larger item in the budget. Commencing with an average monthly charge of \$239.00 for the final six months of 1933, it increased to an average of \$375.88 in 1934, and in 1935 the total cost was \$7,643.65 (including medical), or a monthly average of \$639.97.

Under present laws we expect to receive, commencing January 1, from federal and state funds, reimbursement on this account of between 50 and 55 per cent.

With respect to direct relief, there is included in this year's account \$368.65 contracted by the N. H. Relief Administration in 1934, but not presented for payment until after February 1, 1935. It also includes \$709.12 for emergency hospital and surgical cases. All bills contracted to January 31, 1935, so far as known, have been paid.

We have been assured that we may expect a further reimbursement from the state for charges contracted prior to October 31, last, but the entire cost of direct relief for November, December and January, and of aged assistance for November and December, will have to be borne by the town, and due to the fact that there

will be no more state funds available for direct relief until July 1, 1936, the entire cost of this charge will have to be borne by the taxpayers until that date.

We have tried to lighten this load as much as possible by spreading town employment among relief and border line cases, and have had the loyal cooperation of your road agent, Mr. Chesley, in this effort.

In this connection we would express a word of commendation for what we consider the efficient conduct of his department by Mr. Chesley.

EDWARD T. WILLSON,

JOHN E. S. HALL,

FRED W. BROWNE,

Selectmen of Farmington.
