ANNUAL TOWN MEETING WARRANT

State of New Hampshire

To the Inhabitants of the Town of Haverhill in the County of Grafton qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the ninth day of March, 1948, at ten o'clock in the forenoon to act on the following matters:

Article 1. To choose a town clerk.

Article 2. To hear the reports of Selectmen, Treasurer, Cemetery Commissioners and any other Town officers heretofore chosen, and to pass any vote relating thereto.

Article 3. To choose one Selectman for the term of three years, a Town Treasurer, one or more highway agents, one or more auditors, one library trustee for the term of three years, one Cemetery Commissioner with the term of five years, one trustee of trust funds for the term of three years, and all other necessary town officers.

Article 4. To see if the town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the town, as recommended by the finance committee in its budget report, to raise and appropriate all sums so determined for the purposes so determined, and to pass any other vote relating thereto.

Article 5. To see if the town will vote to contribute funds for the construction of Class V highways as provided in Chapter 188, Part 13, Laws of 1945, and to raise and appropriate the sum required for this purpose.

Article 6. To see if the town will vote to authorize the Selectmen to issue interest bearing notes or orders to provide for current year's expenses in anticipation of taxes.

Article 7. To see if the town will vote to authorize the Selectmen to distribute the inventory blanks by mail or at the time they examine the taxable property.

Article 8. To see if the town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the town through Tax Collectors' deeds.

Article 9. To see if the town will vote to appoint or elect a budget committee to supervise the appropriations of the town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 10. To see if the town will vote to convey all its right, title and interest in and to the west half of Lot 1 and Lots 7 and 10 in the town, known as "leased lots," to the State of New Hampshire, for a nominal sum.

Article 11. If the preceding article is adopted, to see if the town will authorize the selectmen to execute all necessary papers to carry said vote into effect.

Article 12. To see if the town will vote to instruct the Selectmen to investigate the present status of all leases on leased lots in said town, to rescind all leases not in good standing, and to report in full on all outstanding leases in the next town report; and to pass any other vote relative to the sale of these lots or relative to conveying them to present lease holders on reasonable terms.

Article 13. To see if the town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and to make an appropriation to cover the expense of such audit.

Article 14. To see if the town will vote to purchase a power shovel, and if so, to raise and appropriate the sum required for this purpose.

Article 15. To transact any other business proper to come before said meeting.

Given under our hands and seal this 6th day of February, 1948.

T. BORDEN WALKER,

ROY E. DUNKLEY,

CARROLL STODDARD,

Selectmen of Haverhill

REPORT OF SELECTMEN

To the taxpayers and citizens of Haverhill:

We herewith submit our report for the year ending January 31, 1948. Our detailed statement will be found on the following pages.

The town books were audited by Emile Blank and D. R. Newbold, town auditors. The books were found to be in excellent condition. The auditors came January 16th and finished January 21st.

Old Age Assistance payments have risen sharply during the past year, and will call for a larger amount to be raised this year. \$6,221.12 was spent on Old Age Assistance in 1946 and \$7,830.66 in 1947.

By reassessing town property the selectmen were very pleased in the reduction of the tax rate, and feel that this lower rate should be an incentive to future business enterprises coming into town.

The First National warehouse in North Haverhill has proved to be a great benefit to the town. This has not only helped decrease the tax rate, but has given a great deal of employment to people in town.

The American Legion home in Woodsville is certainly a fine building. We are proud that the Legion has such a fine organization back of them that have worked so hard, and enabled the boys to have such an excellent meeting place.

The new telephone building in Woodsville is also an asset to the town, and should give the people even better service than they have had in the past.

T. BORDEN WALKER,

ROY E. DUNKLEY,

CARROLL T. STODDARD,

Selectmen of Haverhill

FOREST FIRE PROBLEMS SERIOUS

The year 1947 was one of the worst periods of drouth and forest fire occurrence in eastern United State history. Lack of water ruined crops, lowered water levels and dried up brooks everywhere. Three months of deficient rainfall and abnormally high temperatures resulted in many fires which were mostly well controlled and kept within bounds. Only the high winds beginning on October 23rd caused a few fires to escape beyond immediate control. These few fires resulted in burning some 15,000 acres and the loss of 63 or more buildings in four New Hampshire towns.

All October fires were costly. They burned deeply in the ground and required day and night patrol of large crews of men until the rains came late in October. Towns which escaped from serious fires might easily have been in the midst of the most serious conflagrations we had.

Governor Dale closed the woods effective at midnight of October 15th. With the blow-up of October 23rd, a second proclamation closed all back roads and authorized towns to inaugurate patrol. The effect of this was to cut down subsequent fires for the rest of the dry period.

Local fire warden forces performed an admirable job to hold the more than 200 fires that occurred during this October period. Many men were taxed to the utmost as the emergency continued. To them and all those who did their work, the people of New Hampshire owe a debt of gratitude. The state forest fire control agency based on local town wardens and town crews wherever adequately equipped rose to the occasion and met the test in whatever town their services were needed.

It is now time to take stock everywhere of our fire fighting facilities for the season ahead and to make them adequate where necessary. To this end town fire plans and training programs for wardens,

deputies and other key men in each district are being arranged or in progress. If equipment and tools are insufficient properly to equip the available man power in each community with the right tools for the job, they should be provided for at once. The yearly addition of fire tools to the town supply will generally need to be built up. The state sells tools to the towns and shares one-half their cost. Good equipment is important and can help greatly to keep both damage and fire costs at a minimum.

For many years we have requested our wardens not to issue burning permits except on rainy days. This regulation will be in effect again this year, as it is one of the best means of assuring such fires from getting out of control. Nine out of every ten fires can be prevented, 98 percent of all fires being due to human carelessness. Be sure to get a premit for any fire in or near woodland when the ground is free from snow. Be sure your fires are always out before you leave them. Help us in getting the travelling public to keep from throwing out lighted matches or cigarettes. Be careful of all fires in or near woodland.

W. S. CODMAN,

District Chief.

Jan. 1st, 1948

Woodsville Fire Dist.

REPORT OF NORTH HAVERHILL FIRE CHIEF

During the year 1947, we have answered 21 calls, 9 within and 12 outside the Precinct.

The new fire truck was put to a good test at the Leonard Clifford fire and again at the fire in Bradford. I believe most everyone is perfectly satisfied with our new truck.

Of the \$4,000.00 which the Precinct borrowed to repay the loans, we had from interested people around town, \$1,000.00 remains unpaid. The firemen have paid \$3,000.00 on the note and hope to clear up the \$1,000.00 during this year.

The department is in need of some new hose. We haven't bought any since 1944. If we could buy 400 or 500 feet this year, then 100 feet each year, it would do away with such a large bill at any one time. We are asking for \$1,000.00 this year.

The firemen feel that the Precinct should insure them against accident during a fire. We should like this matter brought to a vote at the Precinct meeting this year.

The Selectmen of Haverhill signed the "Mutual Aid Agreement," making it possible for us to call outside help without cost to us. The Precinct or town from which they are called pays them. If we are called elsewhere, by this agreement, the Town of Haverhill pays half and the North Haverhill Precinct pays half of our bill. By this agreement it makes it possible for us to go out to a call without first having to contact the Selectmen or Precinct Commissioners. There are ten departments signed up now with several more likely prospects in the future. Nearly everyone feels this "Mutual Aid Agreement" is a wonderful set up.

Respectfully submitted,

LAWRENCE E. SMITH,

Chief, North Haverhill Fire Department

WOODSVILLE FIRE DISTRICT

Warrant for Annual Meeting for 1948

To the Inhabitants of the Woodsville Fire District, in the Town of Haverhill, County of Grafton and State of New Hampshire, qualified to vote in said district affairs:

You are hereby notified to meet at the Community House on High Street in said District, Thursday, March 11, 1948, at thirty minutes past seven o'clock in the afternoon to act on the following matters:

1. To choose a Moderator.
2. To choose a Clerk.
3. To choose a Treasurer.
4. To choose an Auditor.
5. To hear the reports of the officers heretofore chosen and to pass any vote relating thereto.
6. To choose one District Commissioner for the term of three years.
7. To choose one Water and Light Commissioner for the term of three years.

AUDITOR'S REPORT

I certify that I have examined the books and accounts of the School Board and Treasurer of the Woodsville Union High School District for the year ending June 30, 1947 and find them correct and properly vouched for with a balance on hand \$644.01.

There are outstanding coupons amounting to \$24.75 and a balance in Woodsville National Bank of \$24.75 to pay same when presented for payment.

I also certify that note of \$1,000.00 due January 1, 1947 was paid and destroyed.

H. B. KNIGHT,

Auditor.

REPORT OF THE HEADMASTER

To the Superintendent of Schools:

I herewith submit my fourth annual report of Woodsville High School for the year ending January 31, 1948.

Enrollment

The enrollment for the year 1946-47, to date includes 139 pupils.

Distributed according to classes they are:

Seniors	22
Juniors	31
Sophomores	46
Freshmen	38

Post-Graduates — 2

Graduates

Diplomas were awarded to the following graduates in June, 1947:

Virginia Beaton	William Mitchell
Harold Byrne	Della Nelson
Stella Chiaradia	Arthur Noyes
Roger Darby	Roger Pierson
Wyman Darby	Muriel Robinson
Norman Farnsworth	Victor Roy
Robert Gowitzke	Ardeth Stimson
Richard Gutterson	Merlene Taylor
Wayne Heywood	Rita Tyler
Arlene Mason	Pauline Weden

Scholarships

The following scholarships were awarded:

- First Place: Virginia Beaton
- Second Place: Della Nelson
- Third Place: Norman Farnsworth
- Fourth Place: William Mitchell

The Alumni Attainment Award was given to William Mitchell; the Music Awards were given to Arthur Noyes and Harold Byrne; the Science Award to Norman Farnsworth; the History Award to Virginia Beaton; the Alumni Scholarship to William Mitchell.

In September, 1946, a change in the administrative department was made. The former submaster, Mr. Norman Paquette, accepted a position at Claremont High School; his place was taken by Mr. Philip Tousignant. Mr. Connor is now filling the position for Mr. Tousignant as he has returned to Rhode Island to enter the business field. Mr. Frank Woodward is submaster this year in place of Mr. Paquette.

Curriculum

Under the sports program, the following activities were undertaken: touch football, softball, physical education for the girls and boys, basketball and baseball. For the second consecutive year, the Woodsville High School boys basketball team became champions of the Ammonoosuc League. The girls, under Coach Litz, had a very successful season.

Woodsville High School put on a play during the month of November entitled "Almost Eighteen." It was ably coached by Mr. Woodward, and played to a capacity house.

Under the direction of Miss Perry and her commercial classes, the Cycle was published quarterly, much to the interest and delight of the student body.

A. G. PENDO,

Headmaster.

Teaching Staff

The High School faculty returned in September with only one new member on its staff, caused by the resignation during the summer of Mr. Paquette. Mr. Edgar Tousignant was obtained to fill the vacancy. On December 8th, however, he resigned and Mr. Timothy H. Connor of Worcester, Massachusetts was employed to teach English and French in his stead. Mr. Connor holds an A.B. degree from Holy Cross and a M.Ed. degree from Fitchburg State Teachers College. He has had several years teaching experience in Vt. and N. H. schools, and is proving an asset to the already excellent staff. Mr. Frank Woodward has been deservedly promoted to the position of Sub-master.

The Grade School has four new teachers, including the Kindergarten. Miss Natalie Clough of Lisbon, a graduate of Keene Teachers College with a B.Ed. degree replaced Miss Pierce in Grade 7; Mrs. Beatrice Arnault of Ea. Rochester, holding a B.Ed. degree from Plymouth Teachers College, was secured to teach

Grade 4, previously taught by Mrs. Pike. At the Xmas vacation however, Mrs. Arnault resigned and Mrs. Kathleen Butson was employed for the grade. Mrs. Butson is also a graduate of Plymouth Teachers College, as is Mrs. Dorothy Schuyler of Lisbon who replaced Miss Purmort in Grade 2. Mrs. Dorothea Lamb of Wells River, Vermont, a retired kindergarten teacher with years of experience in Somerville, Massachusetts, and a graduate of Wheelock College, joined the army of volunteer teachers in this critical period, and accepted the position vacated by Mrs. Weed, as Kindergarten teacher.

Buildings and Grounds

Several rooms at the High School have been improved by the installation of fluorescent lights. The Mechanical Drawing room and Domestic Science room would be much better if remodeled and redecorated. The Mechanical Drawing room could be most useful if redesigned as a Trophy Room in which could be displayed the pictures of former teams and classes; always an attractive feature to all students and alumni. Improvements have been made in the chemistry laboratory. A new electric stove and a new electric refrigerator have been installed in the Domestic Science room by a plan whereby each unit is replaced each summer for five years, thereby assuring the D.-A. classes the most modern equipment at no additional cost to the school.

The Grade School building has been greatly improved by the laying of an asphalt tile floor in the lower hall. Two additional rooms have been equipped with fluorescent lights, and shades installed in two other rooms. The playground has been resurfaced and a basketball standard erected. More equipment is needed on the playground for the primary pupils. A very great addition to the usefulness of the building would be the development of better lunch facilities for the noon lunch. A well equipped Mechanic Arts shop would enrich the high school curriculum in applied practical arts. The addition of power driven machin-

ery, such as an electric jig saw, a sander, and a grinder would be of advantage to the shop pupils in the Grade School.

It is a pleasure for any Superintendent of Schools to feel the spirit of cooperation that is prevalent in your schools. The teaching staff is loyal and industrious. Headmaster Pendo and Principal Callahan are to be commended for their competent administration in their respective buildings. Their tasks would be futile however, were it not for the efficiency of the staff with which each works. Fortunate indeed will be the District if we are privileged to list the same personnel for the coming school year.

The splendid interest shown in your schools by the School Board is surpassed only by the loyal support of the citizenry. Your School Board is, in fact, the Board of Directors of the greatest industry in New Hampshire, the Public Schools, and the members of the Board merit well your confidence. To the School Board, to the Faculties, pupils and citizens of the Woodsville Union High School District, I express grateful appreciation for your support, and both Mrs. Bennett and myself have been made most happy by the cordial welcome received at every hand in your fine community. It is our desire that we merit your trust and reciprocate your friendship.

Respectfully,

PHIL A. BENNETT,

Superintendent of Schools

SCHOOL DISTRICT WARRANT FOR HAVERHILL

To the Inhabitants of the School District in the town of Haverhill qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 9th day of March, 1948, at 1:00 O'clock in the afternoon, to act upon the following subjects.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto in relation to any subject embraced in this warrant.
7. To choose Agents, Auditors and Committees in relation to any subjects embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the District will vote to authorize the School Board to expend the proceeds (\$1000.00) received from the sale of the East Haverhill School Building, for the support of schools.
10. To see if the district will authorize the school board and two other legal voters of the district, appointed by the moderator, to act as a special commit-

tee to consider the feasibility of forming a cooperative secondary school district and to report to the district not later than May 1 its findings including building requirements, program of studies, capital investment, operational costs of such a district and such other matters as may be deemed material.

11. If the preceding article is adopted, to see if the district will vote to raise and appropriate the sum of not exceeding \$300 to cover the cost of preparation of the report and traveling expenses of the special committee.

Given under our hands at said Haverhill this 8th day of January, 1948.

REPORT OF THE SCHOOL BOARD OF HAVERHILL, NEW HAMPSHIRE

We, the undersigned members of Haverhill School Board, beg to submit the following report:

Taking advantage of the State Aid Contribution of about \$14,000.00 enabled us, not only to give substantial increases in the salaries for the teachers, thus bringing the same somewhat up to standard, but also to increase our appropriations for Textbooks, Scholars' Supplies and New Equipment. Furthermore it enabled us to make extensive improvements at Haverhill Academy. At that building the Home Economics room was considerably enlarged, in accordance with a plan, drawn up by Mrs. Towne, teacher, and Headmaster F. H. Jenkins. A linoleum floor was laid, and the room was equipped with two gas-stoves, two sinks and an electric refrigerator, also a number of cupboards for holding provisions and kitchen utensils.

A new cement floor over the entire basement, including the boiler room and Boys' and Girls' toilets, was installed in such a manner that from now on any surface water, seeping into the basement during Spring thaws, will be carried off into the pit in the boiler room. A long solid table with strong benches was also provided for the boys for their lunch. The entire project was carried out by Mr. George Lavoie who was ably assisted in the planning by Headmaster F. H. Jenkins. The cost of the whole project was about \$2,000.00. Before School opening citizens were invited to inspect the work, accomplished, and the general consensus of opinion expressed was: "A fine job and a wonderful improvement!"

Minor repairs were made at the Grade School at Haverhill, North Haverhill, Center Haverhill and Pike, and, as in former years, the boilers at Haverhill Academy, Alumni Hall, North Haverhill and Pike Schools were cleaned by the Woodsville Hardware Company. One of the stokers at Haverhill Academy called for repair parts, entailing an expense of about \$260.00.

We desire to call the attention of the Tax-payers and Voters of the District to the annual reports by Superintendent Phil A. Bennett and Headmaster F. H. Jenkins.

As regards the budget, covering the fiscal year, beginning July 1, 1948: In view of the fact that our district will receive about the same amount of State Aid money as for the Current School year, we have made allowance for a further increase in the salaries for the teachers, including the sum of \$1,500.00 towards the salary for an Agricultural teacher—it being understood that the Federal Government would contribute the other \$1,500.00.

The total amount of the budget submitted for your consideration is \$43,462.00 which compares with \$43,197.00 for the current year.

The retiring member of the Board is Mr. Emile Blank of Pike.

Respectfully submitted,

EMILE BLANK,

REPORT OF HEADMASTER TO SUPERINTENDENT OF SCHOOLS

I submit herewith my twenty-fourth annual report of Haverhill Academy and High School.

The total enrollment to date for the current school year, 1947-48, is sixty-seven. The distribution by classes is as follows:

Seniors	12
Juniors	16
Sophomores	14
Freshmen	25

There are eight tuition pupils, all of whom come from the town of Piermont. Only two pupils have left school to date. This is an unusually low rate of discharge. It is unusually noteworthy inasmuch as no pupils from the two lower classes have left school. As a rule, about 80% of those who drop out of high school leave during the first two years.

Diplomas were awarded to the following graduates in June:

Gordon Arnold, Nancy Curtis, Audrey Dargie, Joan Eichhorn, James Frink, Herbert Hall, Harold Joslin, Robert Knapp, Richard McDanolds, Thelma Moody, Robert Palmer, Alice Sawyer, Eloise Stoddard, Ellen Swan, and Betty Thompson.

Scholarship honors were won by James Frink, Eloise Stoddard, Herbert Hall, and Robert Palmer in the order named. The Scholarship, Loyalty, and Achievement Medal was awarded to Herbert Hall. Nine of the fifteen graduates are continuing their studies in post-secondary institutions.

James Frink ranked among the first ten of the one hundred seventy-five seniors in the state who competed for the Pepsi-Cola college scholarship. Gordon Arnold was one of 134 from the New England states

and one of 8 from New Hampshire selected for the Naval Aviation College program. According to a bulletin issued by the First Naval District Headquarters, there were more than 50,000 applicants from every part of the U. S.

The usual extra-curricula activities have been maintained and an increasing number of pupils are participating.

The boys' basketball team finished the 1946-47 season in fourth place in the league and 14th in its class in the state.

The baseball team won second place in the league, losing but one game.

The girls' basketball team took second place in the 1946-47 league standing. For the current season, the boys' team is in second place to date.

Extensive repairs, remodeling, and additions have been made to basements in the Academy building, including a new cement floor with provision for taking care of the spring seepage water, removal of partitions increasing the boys' lunch and coat room and installation of other partitions that close off the toilet and furnace rooms. New sanitary lavatories have been installed in both the boys' and girls' basements and a 24-foot lunch table has been built in the boys' lunch room.

The Home Economics Laboratory has been enlarged and modernized. Two complete cooking units and a refrigerator have been installed. The room has been entirely redecorated and the floor covered with in-laid linoleum. Fluorescent lights have been installed in the Home Economics room and in one of the classrooms. Some electrical outlets have also been installed. More are needed, and each room should have fluorescent lighting.

The trustees appropriated funds for the purchase of a new set of encyclopedias and other supplementary books for the use of the pupils to be added to the list now in the library. The appropriation also provided

for the purchase of a recorder. Both the encyclopedia and recorder are now in use and the other books are in the process of selection.

The usual standardized tests in the subject matter have been given. These tests are given for the two-fold purpose of measuring the achievement of the pupils against national standards and for checking the effectiveness of the teaching.

In addition to the above tests, a battery aptitude test has been given to the junior and senior classes. This battery consists of five tests including (1) a mental maturity test, (2) reading test, (3) clerical aptitude test, (4) mechanical ability test, (5) space perception test.

The results of these tests have been received from the testing service and are to be used in the guidance program. While they are the property of the school and will be kept in its files, they are available for study and inspection, at the school, by pupils and parents concerned. The results of the tests will also be made available to post-secondary schools and prospective employees when it can be shown that the results are of mutual benefit to such and the pupils concerned.

There has been no significant change in the curriculum this past year. Means are under way for the introduction of an agricultural course to be offered next year. The probability of such an offering for next year will depend upon the possibility of securing an adequate building, equipment and instructor.

The fine spirit of cooperation demonstrated in so many ways by so many interested groups during the past year and for so many years past is herein gratefully acknowledged and deeply appreciated.

Respectfully submitted,

FRIEND H. JENKINS,

Headmaster

Teachers and Pupils

The School District of Haverhill was fortunate indeed in retaining so many members of its previous teaching staff, having to replace only three of the fifteen teachers employed in the district last June. The complete faculty at the Academy returned under the loyal and efficient leadership of Headmaster Jenkins, as did the staff at North Haverhill, with Mr. James Morrill as principal. Mrs. Ellen Chase of Bath was employed to teach grades seven and eight, at Haverhill Corner replacing Miss Martha White. Mrs. Chase, a graduate of Mt. Holyoke College, has had many years of teaching experience, and altho retired, joins the ranks of many, who loyal to the profession, again accepts teaching positions. At Pike, Mr. Wilfred Gendron was secured to teach grades five through eight, replacing Rev. R. B. Nichols. A resident of Barre, Vermont, Mr. Gendron has had several years of teaching experience in the schools of Maine. The third position, left vacant by Mrs. Palmer at the Center Haverhill school, was filled by the return of Mrs. Emily Morrill of Pike, who had taught previously in the same school. The administration was unable to secure a teacher for the proposed course of Agriculture and Shop Mechanics at the Academy. This problem is still being considered by the Board. For the area, Mrs. Christie Goodwin of Piermont replaced Mr. Childs as Music Supervisor.

Building and Grounds

Major improvements were made at the Academy during the summer in the renovating and redecorating

of the domestic science laboratory, physics and chemistry laboratory and the basement rooms. The planning committee in charge of this project is to be commended for its efficiency. Playground equipment has been provided for the Corner school in the form of basketball standards and volley ball equipment on the campus. Added equipment for the primary grades is needed. The housing condition in the Corner school building is not good. Seventy-five pupils are seated in a space normally recommended for sixty. This problem is being studied by your Board and we hope for better conditions next year. The current theme of education stresses the "growth of the whole child" which includes physical and moral growth, as well as mental. This goal can be attained much more rapidly by good housing facilities.

The Report of the School Board and that of Headmaster Jenkins merit your attention.

It has afforded me much happiness to have been welcomed so graciously into your community, not only by the pupils, teachers and School Board members, but by the citizens of Haverhill in general, who have been most cordial. It is my desire to merit this honor.

My sincere gratitude is here expressed to all concerned in the greatest industry in New Hampshire—the Public School.

Respectfully,

PHIL A. BENNETT,

Superintendent of Schools

Haverhill, N. H., January 8, 1948

Old Landmark Presented to Ross-Wood Post for Legion Home

The Home of the Ross-Wood Post No. 20, American Legion was originally one of the oldest inns in the North Country. It was one of the landmarks of the community.

The property was purchased and presented to the Post by Mr. and Mrs. D. R. Rouhan, in memory of their nephew, James Jackson, who died in action in the South Pacific.

The Post has completely renovated the old building inside and out. It is now a fine, well equipped home for the American Legion and the American Legion Auxiliary.

The money for the alterations of this property was raised through gifts, public subscription, parties, dances and carnivals sponsored by the Post and Auxiliary, all of which were well supported by the community.

The Ross-Wood Post and Auxiliary are deeply grateful to the community for their fine Home.
