Report of School Board

According to the law passed at the last session of the legislature making it obligatory on the school board, we have purchased four United States flags at an expense of five dollars and thirty-two cents, and poles will be erected in the spring for the display of the flags.

We have been successful in procuring good teachers. All have labored earnestly and the schools have made good progress.

The average attendance was about ninety per cent. but should be more nearly perfect and there should not be a scholar absent a single day if it can be avoided.

ROLL OF PERFECT ATTENDANCE.
