C H. Canney, Treasurer

• School • Board. •

Your School Board is pleased to report that your schools during the past year have been quite successful, but still we see many chances for improvement.

One of the worst features of our schools, is the irregularity in the attendance of the scholars, which may be attributed to two causes, one the lack of interest of the scholars, and the other, that the parents do not have an interest in the welfare of the school

Many of our scholars have not reached the age to understand the necessity of an education, and a grave duty devolves upon every parent to impress upon the mind of the child the need and benefit of a liberal education.

Not only is time lost to the scholars which can never be regained but they lose interest in the school and it requires very much more time to make the same advancement than it would if the attendance had been regular.

Strict discipline is necessary in order that a school may obtain the best results, scholars that are attending school should remember that in most cases, the course marked out in youth is apt to be followed in old age, therefore consider well the course you pursue. for you have a duty you owe to yourselves, your teacher, and parents, which you should hold sacred.

And now as another year is approaching and bringing with it new and better facilities for an education with new and free text Books let us strive to make a more marked improvement in our studies and deportment, and you will lay a foundation for a character of which you may feel proud and will be credit to those surrounding you.

Our Schools have been quite successful throughout the Town the past year, and have been taught by the following persons, the Village School of twenty seven and one half weeks in three terms, the first two terms by Miss. Emma Thompson, the third by Miss. Ida Ford. Howard Morse being perfect in attendance the first term.

The School near the Town House of twenty five weeks first term by Miss. Ella Thompson, second by Miss. Mable Hunter, third term by Miss. Nellie F. Webster. Emnia J. Webster and Lucy M. Fox being perfect in attendance the third term.

The School near David W. Crams of twenty five weeks was kept by Mrs. Mary E. Perkins. Willie E. Howe being perfect in attendance the first term and Elmer W. Huntress perfect in attendance every School day for the past two years.

The School near David M. Hawkins of twenty five weeks, first term taught by Miss. Ada M. Flanders, the second term by Miss. Grace M. Bickford. Phoebe A. Brown, Lizzie E. Bickford, Martha Hilliard and Nellie M. Huckins being perfect in attendance the first term.
