TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Greenville in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Greenville on Tuesday, the twelfth day of March next, between the hours of ten of the clock in the forenoon and four of the clock in the afternoon, then and there to bring in your ballots for the following town officers:

Town clerk for one year; one selectman for three years; town treasurer for one year; tax collector for one year; highway agent for one year; water commissioner for three years; cemetery trustee for three years; library trustee for three years; two auditors for one year; three firewards for one year; also to bring in your ballots for the election of Delegates-at-large, Alternate Delegates-at-large, Delegates and Alternate Delegates to the National Convention of the various political parties to be held to nominate party candidates for President and Vice President of the United States.

And at eight of the clock in the afternoon of the same day at the same place to act upon the following subjects:

Article 1. To choose all necessary officers not chosen by the Australian ballot.

Article 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 3. To hear reports of agents, auditors, committees and officers heretofore chosen and pass any vote relating thereto.

Article 4. To see if the town will vote to authorize the selectmen and town treasurer to borrow money in anticipation of taxes, or take any action thereon.

Article 5. To see if the town will vote to raise and appropriate a sum of money to insure employees of the highway department, firemen, street lighting system and other liability insurance, or take any action thereon.

Article 6. To see if the town will vote to raise and appropriate the sum of \$222.01, the state to contribute \$888.04, these amounts to be used jointly as a relief fund and to be expended on Class V highways, so-called, or, will raise and appropriate the sum of \$1,683.00, the state to appropriate a like amount, the money to be used as a state construction fund, and must be spent on what has been known as the Turnpike, or take any action thereon.

Article 7. To see if the town will vote to petition the state tax commission to have an audit made by the municipal accounting division and to make an appropriation to cover the expense of such audit.

Article 8. To see if the town will vote to raise and appropriate the sum of \$100.00 to the Monadnock Region Association of Scenic New Hampshire for the issuance and distribution of printed matter, newspaper and magazine advertising, calling attention to the resources and natural advantages of the Town in cooperation with the other thirty-seven towns in the Monadnock Region.

Article 9. To see if the town will vote to accept from James C. Taft, as a gift, a certain parcel of land situate on the East side of Adams Street, known as the old ball field, and to be hereafter known as the Greenville Recreation Field given in memory of Herbert J. and Ida F. Taft, or take any action thereon.

Article 10. To see if the Town will vote to accept as a gift from Columbian Real Estate Company, a parcel of land now owned by the Company near the junction of Main and River Streets, or take any action thereon.

Article 11. To see if the Town will vote to accept as a gift from Columbian Real Estate Company, the way now known as Columbia Road, the same to be used as a public street, or take any action thereon.

Article 12. To see if the Town will vote to accept as a gift from Columbian Real Estate Company, that portion of Ashton Place now owned by the Company, the same to be used as a public street, or take any action thereon.

Article 13. To see if the town will vote to authorize the selectmen to administer or dispose of any real estate acquired by the town through tax collector's deeds, or take any action thereon.

Article 14. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-sixth day of
February, in the year of our Lord nineteen hundred and forty.

DAVID C. EMOND
CHARLES E. SAWYER
J. WILLARD BUTTRICK
Selectmen of Greenville

A true copy of Warrant—Attest:

Respectfully submitted,
JAMES C. TAFT, *Justice.*

REPORT OF THE OVERSEER OF THE POOR

During the past year the Town experienced the most serious industrial crisis of its existence. Naturally the effect was a constant demand for aid from the relief department.

Early in the year the Board of Public Welfare established the policy of requiring from physically able persons, some service in return for aid granted. By reason of this policy, a number of projects were accomplished with relief labor. One sewer job which otherwise would have been costly, was performed in this manner. Brooks into which surface drains discharge, were cleaned and in two instances retaining walls were built. Streets and sidewalks were swept and the town dump taken care of.

At the present time the prospects of more industrial employment early in spring are good. This, together with the lowering of the age limit to 65 years on old age assistance, should somewhat lessen the relief load. Nevertheless, relief will continue to be a problem for some time.

For the purpose of economy and efficient control, the continuation of the Board of Public Welfare as presently composed, is sincerely recommended.

Credit is hereby given the following persons for relief labor performed in proportion to amount received and ability to render service: Alfred Caouette, Sr., Elzear Caron, Joseph L. Caron, Alfred Chouinard, Joseph Dancause, Jr., Ernest Duval, Joseph Fortin, Albert Fortin, Edgar Gagnon, Olivier Gagnon, Ernest J. LaCroix, Yvon Leger, Albert Ouellette, Ernest Ouellette, David Proulx, Sr., Harold Reed, Joseph Thibeault, Robert Thibeault, Daniel Twiss, Adelard Vaillancourt and Myron Whitney.

Respectfully submitted,

DAVID C. EMOND

Overseer of the Poor.

REPORT OF FIREWARDS

The town had no serious fires during the past year. There were four signal alarms and about fifteen still alarms mostly for chimney fires. The last hydrant at the end of Mill Street has caused heavy expense for several years by freezing, evidently due to seepage of water around its base. It was deemed advisable to relocate it by carrying it under and beyond the brook to higher ground. We anticipate no further trouble with it. Six other hydrants in the fire system were repaired and put in good condition. The cost was over \$300. We hope that next year expenses of this kind can be kept at a minimum.

Since the installation of the fire alarm system years ago the mills have furnished steam for the whistle. When the Denim Mills shut down the boilers in the spring the town was left without a signal alarm. This necessitated the purchase and installation of a siren at a cost of nearly \$300. It is connected with the fire alarm system and boxes are pulled as before.

Pursuant to the vote of the town to purchase a pumper for fire purposes, the Fire Wards visited a number of towns and inspected several types of apparatus. The contract was finally awarded to the Farrar Co. of Woodsville, Mass. The new combination truck is mounted on a Chevrolet chassis. It carries a 500-gallon Barton centrifugal front-end pump, a 200-gallon booster tank, a 32-foot truss ladder overhead, 400 feet of 2½-inch double jacket hose, 300 feet of 1½-inch hose, 2 nozzles, and several other pieces of equipment. The appropriation of \$3500 was all used in the purchase. We believe it will be a valuable asset to the town and an insurance against fire loss.

Respectfully submitted,

WM. H. DOONAN

JOHN RODIER

A. ALPHONSE BERGERON

Firewards of Greenville.

REPORT OF CEMETERY TRUSTEES

The cemetery trustees submit the following report:

A number of perpetual care lots were graded over and re-seeded. Raking and mowing have been done when necessary.

On Memorial Day bouquets were placed on all perpetual care lots.

CHARLES W. ROOTS
ELWOOD E. LIVINGSTON
FRANK MURO

CHAMBERLIN FREE PUBLIC LIBRARY

REPORT OF TRUSTEES

Number of visitors during 1939	5,245
Number of Books loaned during 1939	3,892
Number of Magazines loaned during 1939	750
New Books added during 1939	81
New Books (gifts) during 1939	34
Fines collected during 1939	\$28.05

The Trustees and the Librarian wish to thank all those who made gifts of Books and money during the year to the library. Such gifts are always welcomed, and we hope many more persons will come to realize that such gifts not only show their interest in our library, but react to the good of our whole community. The Trustees are deeply appreciative of the gift of twenty books, many of them classics, from the late Miss Grace Deering of Temple.

The Trustees deeply regret the resignation of one of our members, Mr. Chester C. Pease, made necessary by the change of his business connections from Greenville to Nashua, N. H.

E. H. COFFIN, Chairman
Board of Trustees

AUDITORS' REPORT

We have examined the accounts of the following town officers: Selectmen, Town Treasurer, Water Commissioners, Fire Wards, Cemetery Trustees, Library Trustees, Town Clerk, Municipal Court, Tax Collector and Town Hall Rent Book for the year ending January 31, 1940, and find them correctly cast and properly vouched.

We find that the Road Agent's bills rendered to the Selectmen correspond with the orders issued to him.

As required by the State Tax Commission, we examined the list of unpaid taxes and found this list correct.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Greenville qualified to vote in district affairs:

You are hereby notified to meet at the Greenville Town Hall in said district on the 12th day of March, 1940 at nine o'clock in the forenoon to act upon the following subjects.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year, and also the balance of the current year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the Statutory obligations of the district, as determined by the school board in it's annual report.

9. To see if the district will vote to petition the State Tax Commission to have an audit made by the municipal accounting division and to make an appropriation to cover the expense of such audit.

Given under our hands at said Greenville this thirteenth day of February 1940.

REPORT OF SCHOOL BOARD

To the Citizens of Greenville:

High School tuition continues to be one of the largest items in the school budget. Many parents are finding it increasingly difficult to meet the transportation expense of their children attending High School. The School Board presents this problem for consideration, in view of the fact that some towns appropriate money to transport all students to High School.

SCHOOL BOARD'S ESTIMATE FOR 1940-1941 SCHOOL DISTRICT OF GREENVILLE

School Board's statement of amounts required to support public schools and meet other statutory obligations of the district for the fiscal year beginning July 1, 1940.

SUPPORT OF SCHOOLS:

Teachers' salaries	\$2,300 00

REPORT OF SCHOOL AUDITORS

We have examined the foregoing accounts and find them correctly cast and properly vouched.

CLYDE F. HANNANT
HAROLD PARKINSON
School Auditors

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Greenville:

I respectfully submit my seventeenth annual report as Superintendent of Schools.

SUPERVISION

In my report last year I discussed the early stages of the process of learning to read, covering the work of the first two grades. I pointed out that we make several sections in each grade in order to have each pupil placed at the reading level at which he can do his best work. This procedure is now effective in the third grade as well as in the first two grades.

Sectioning by reading levels in these grades proves to be advantageous and is in itself nothing particularly new. As a given child shows readiness for the next succeeding reading level or stage, he is advanced sometimes with the same group and sometimes into the next group ahead; and of course slower learning pupils are sometimes outstripped by the others in a group and joins the next group that comes along into that stage. Each child is thus enabled to progress according to his own ability and is not forced to take the pace of faster or slower pupils.

It may prove to be more satisfactory, after some further experience with this plan, to designate pupils below the fourth grade according to reading levels instead of classifying them as grade one, grade two, or grade three; and promote from level to level at such times during the year as the children acquire mastery of the reading level in which they have been placed. Pupils would then be promoted into the fourth grade when they were ready to enter upon the study of the content subjects that usually begin in the fourth grade, and only when the pupil is ready to do so with assurance of success, whether the time required to attain such mastery has been three years or four.

Reasonable mastery of the fundamental techniques of reading is essential to the success throughout the remaining school years and to permit a child to advance before mastery is attained is to give him a handicap that may later prove disastrous, not only to his success in the content subjects, but to development of his personality or individuality.

In all our plans and procedures we must think in terms of the *individual child* and remember that he grows as a whole. This is true not only of his years in the primary grades but throughout his school life. All the time that a child is increasing in skill and in understanding, he is also forming attitudes and ideals and interests that will contribute more to the development of his personality than all of the subject matter he may be able to absorb and retain. The facts a child learns slip away quickly, but the thinking habits he acquires and the attitudes and ideals formed are apt to be permanent.

The type of report card that we had developed in the previous two years for the first and second grades is now adapted to the third grade as well. By this means we are trying to give the parent definite information as to the child's growth in reading and to point out the things that may be preventing more rapid growth. We believe this is more helpful to the parent and consequently to the child than the type of report card that merely states the child is "good," "fair," or "poor," because it is more constructive and less critical of failures and establishes a better basis for helpful conference between the parent and the teacher.

MEDICAL INSPECTION

The annual medical inspection of both the Public School and the Sacred Heart School was made in November 1939, by Dr. Karr and the school nurse Mrs. Gilbert. Their report shows the following items of defects and of corrections since the examination of October 1938.

	Public School Defects	Public School Corrections	Sacred Heart School Defects	Sacred Heart School Corrections
Number of pupils examined	43		155	
Number absent	1		3	
10% underweight	0	0	32	*
Defective Vision	Incomplete	2	Incomplete	
Defective Hearing	Incomplete		Incomplete	
Cardiac Disease	3		7	
Deformity or poor posture	1		5	1
Defective Teeth	16	0	48	1
Diseased Tonsils	3	3	25	4
Adenoids	3	3	16	4
Enlarged Glands			2	0
Defective Speech			2	0
Cases of Scarlet Fever	1		1	
Cases of Pediculosis			1	
Skin Diseases			12	
Unvaccinated	0		0	

*Through the efforts of the school nurse money was provided for free milk for a period of four months for fifteen children at the Sacred Heart School, each pupil receiving one-half pint daily, and a record was kept of the gain in weight, which averaged five pounds per pupil.

At this writing the nurse and school physician are co-operating in an effort to control the spread of scarlet fever, one pupil having been taken ill with scarlet fever at the Public School. The school is closed for a week as a precautionary measure and a thorough examination of pupils at the Sacred Heart School is being made.

Plans are under consideration for a Dental Clinic but there is not yet definite assurance that funds will be available to finance one.

BUDGET

The budget for the school year 1940-'41 has been prepared with care. We believe that the amounts called for are the lowest amounts with which the Public School can be maintained at its

present standard of efficiency. The total amount required to meet the School Board's budget is approximately \$350 less than last year, the largest item of reduction being in the estimates for high school tuition requirements. The assessment required to balance the budget is more than \$1000 less than last year. There was a cash balance of approximately \$880 last July as a result of accumulated savings in the years immediately preceding. It is anticipated that there will be a cash balance of several hundred dollars next July because of savings effected this year chiefly in the cost of high school tuition.

Respectfully submitted,

VERNON S. AMES,
Superintendent of Schools

Wilton, N. H., February 6, 1940.

REORGANIZED SCHOOL

The statistical tables at the end of this report show a total enrollment of fifty pupils in the Public School, but the average membership has been only about forty-three; with nine pupils probably completing the eighth grade next June, and a small number entering first grade next September, the enrollment for the school year 1940-'41 is likely to be somewhat less than it is now. It will therefore be entirely feasible to continue with two teachers instead of three. We recognize the disadvantages of this plan but the regular school work is not suffering because of the change this year. It has meant that some of the activities of the upper grades, such as programs and entertainments, have had to be curtailed.

STATISTICS FOR SCHOOL YEAR ENDING JUNE 30, 1939

Census: No. Boys (5-16) 102; Girls 119; Total 221.
