# TOWN WARRANT

## The State of New Hampshire

**The Polls will be open from 10:00 a.m. to 6:00 p.m.**

To the Inhabitants of the Town of Lyndeborough in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Citizens' Hall in said Lyndeborough on Tuesday, the ninth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

Polls will be open at 10 o'clock in the forenoon to act on Articles 1 and 2.

The balanace of the Warrant to be taken up and voted upon on Friday, March 12, 1982 at 7:30 in the afternoon.

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. "Shall we adopt the provisions of R.S.A. 72:43 - F for the adjusted elderly exemptions from property tax? These provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000; To qualify, the person must have been a N.H. resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, must have a net income of less than \$10,000 or if married a combined net income of less than \$12,000.00, and own net assets of \$30,000 or less, excluding the value of the person's residence."

Article 3. To hear reports of all town officers, agents, and committees, and take any vote relative thereto.

Article 4. To see if the Town will vote to authorize the selectmen and town treasurer to borrow sums of money in anticipation of taxes.

Article 5. To see if the Town will vote to authorize the selectmen to accept gifts and/or federal or state aid in the name of the Town of Lyndeborough.

Article 6. To see if the Town will vote to authorize the selectmen to convey property acquired by the Town by tax collector's deed, by public auction or advertised sealed bid or in such other manner as determined by the selectmen as justice may require.

Article 7. To see if the Town will vote to accept the sum of Six Hundred Dollars (\$600.00) from friends of Ernest E. van Ham to set up a fund to be known as the Town Hall Trust Fund, with the interest to be used for the upkeep of and repairs to the Town Hall at Lyndeborough Center.

Article 8. To see if the Town will vote to raise and appropriate a sum not to exceed \$73,000.00 (seventy-three thousand dollars) to purchase a front end loader and to purchase a used road grader for the highway department, to be purchased by the selectmen and the highway committee, and to raise such sum by serial notes or bonds, or take any action relative thereto.

Article 9. To see if the Town will vote to raise and appropriate the sum of eighty-eight thousand seven hundred seventy-two dollars (\$88,772.00) to include principal and interest for a new road grader for the highway department, to be purchased by the selectmen and the highway committee, and to raise said sum by serial notes and bonds or take any action relative thereto.

Article 10. To see if the Town will vote to authorize the withdrawal of six thousand dollars (\$6,000.00) from the Revenue Sharing Fund; (\$2,500.00) two thousand five hundred dollars to be applied to purchase of a police cruiser; (\$3,500.00) three thousand five hundred dollars to be applied to purchase of highway equipment, or take any action relative thereto.

Article 11. To see if the Town will vote to raise and appropriate the sum of twenty-eight thousand dollars (\$28,000.00) to reappraise the taxable property in the Town and authorize the selectmen to negotiate a contract for this purpose, or take any action relative thereto.

Article 12. To see if the Town will vote to raise and appropriate the sum of one hundred and sixteen dollars (\$116.00) to be used as the Town's contribution to a study which will identify aquifer and groundwater supplies. This study will be performed by the U.S. Geological Survey and sponsored by the Nashua Regional Planning Commission.

Article 13. To see if the Town will vote that, beginning with terms which expire in 1983, members of the Planning Board shall be elected by vote on the annual Australian Ballot for Town Officers in accordance with the Revised Statutes Annotated as amended. (By Petition)

Article 14. To see if the Town will vote that commencing at Town Meeting 1983, the Town's registered voters elect the person of their choice to fill the position of road agent. (By Petition)

Article 15. To see if the Town will vote to authorize the Town to enter the Central Dispatch Center for Fire and Police, at a cost not to exceed eight thousand five hundred ninety dollars and eighteen cents, (\$8,590.18).

Article 16. To see if the Town will vote to authorize the selectmen to negotiate a contract with the Tarn Road Property Owners Association for the maintenance of the existing Tarn Road upon formal application by said Association.

Article 17. To see if the Town will vote to accept the Budget as prepared by the Budget Committee or make any alterations relating thereto so that the Town will raise and appropriate such sums of money as may be necessary to defray town charges for the ensuing year.

Article 18. To see if the Town will vote to instruct, by written notice from the town clerk, members of the New Hampshire Congressional Delegation to support or co-sponsor a resolution in the United States Congress to:

Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze immediately ceasing the testing, production and deployment of nuclear weapons and missiles and new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries. (By Petition)

Article 19. To see if the Town will vote to request by written notice from the town clerk that the Governor, the members of the Senate, the House of Representatives and the Department of Education for the State of New Hampshire, will dilligently and urgently seek to relieve the towns of New Hampshire from the burdensome and disproportionate costs of mandated special education.

Article 20. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this seventeenth day of February, in the year of our Lord nineteen hundred and eighty-two.

## SELECTMEN'S REPORT

There has been much said about the overexpenditures of the Highway, Police and Fire Departments. The budgets were reviewed quarterly and it was the opinion of the Board of Selectmen that the services were necessary and therefore, continued. However, we were able to stay within our total budget, more through Divine Providence, than financial wizardry.

The Highway Department is most outstanding, due in part to the heavy winter conditions and resulting equipment failure. While the general direction is good, there are areas that need refining and policies that need sharper definition. This will be accomplished with continued cooperation and conscientious effort.

The Police Department reflects increased activity requiring more man hours. The activities of a necessity are not always visible and while you may not see a lot of activity, rest assured there is a conscientious effort made by Chief Hyde and the part time patrolmen. Remember, this is a **part time** department and you cannot expect full time results which, incidentally, would double the Police Budget and then some.

The Fire Department has done an excellent job again this year in the fire and accident coverage and in building up and maintaining the equipment. Witness the tank truck which required great effort and dedication and, I'm sure, elicits much appreciation from us all. Unfortunately, we did not escape the inflationary trend and general economic conditions, and as a result the overexpenditure resulted. It is to Chief Abbot's credit that this is **not** a common occurrence.

As you all know, we are caught in the current economic trend and it does not promise to get better right away. There are areas that can be reduced and others that must continue and even increase, if we are to maintain even a modicum of service to you all. Whatever is done will be done at your discretion following the recommendations of the Budget Committee, Department heads and Selectmen. Whatever the outcome, we will strive to do our best with what we have.

Special Thanks To: The Fire Department Auxiliary for their generous donation of time and money to rewire Citizens' Hall. All committees and departments and civic groups whose efforts are sincerely appreciated.

Respectfully submitted,

THEODORE D. ROCCA  
REGINALD T. WETHERALL  
ROBERT H. ROGERS  
Selectmen of Lyndeborough

## REPORT OF THE LYNDEBOROUGH BUDGET COMMITTEE

This was not a very good year for the Budget Committee. We had several resignations late in the year, including the Chairman who took a position on the School Board.

With the exception of the Police Department, all department expenditures looked reasonable into the last quarter of the year. If the weather had held up during December, even the Highway Department had a good shot at staying within budget. Obviously, the weather was not cooperative.

Enough of last year -- a new set of problems for 1982. The Lyndeborough Central School District shows an approximate increase of \$35,000. Eighty per cent of this increase is a direct result of State cutbacks in funding of mandated education and transportation of out-of-district special needs students.

Now the other problems -- The town expenditures for 1981 showed significant overruns in both the Police and Highway budgets. It was the general consensus of the committee that the Selectmen must exercise tighter control of the expenditure rates of town departments.

The Budget Committee, on the recommendation of the Highway Committee, has included monies in the budget to purchase a new pay loader, with wing plow capability, and a used grader. Also included is money to purchase a used 1979 police cruiser to replace the town's present 1974 cruiser which needs major repairs.

The Budget Committee does not recommend reappraisal of the town at this time.

As a last note, the committee was severely hampered this year by the lack of detailed 1981 expenditures by several departments and the Selectmen. It should be noted that the Municipal Budget Law requires a statement of all expenditures in such detail as the Budget Committee may require. The more information the committee is given, the better job it can do.

KENNETH E. HALL, Chairman  
Lyndeborough Budget Committee

## REPORT OF THE LYNDEBOROUGH FIRE DEPARTMENT

The Lyndeborough Fire Department responded to a total of 39 alarms:

Chimney	9
Mutual Aid	6
Accidents - Car	8
Brush	5
Electrical	1
Structure	1
False	6
Lost Child	1
Tree	2

There was no property damage to report. Chimney fires are the most prevalent. In the near future, the Ladies Auxiliary is going to donate brushes which may be borrowed by the residents to clean their own chimneys. Just call any fireman and they can be obtained.

The picture on the cover is our latest project. The cost was around \$4000, and I wish to thank all who donated and supported the Department's fund raising activities. If we went out and bought a new tanker, the cost would be \$40,000.

The trucks are in good condition except the 1959 Ford. The body and tank are rusting badly, but motor and chassis are in good condition. We would like to replace the body at a cost of \$9000 next year. At the end of 10 years (1992) we will need a new pumper to replace the 1972 Ward La France. The estimated cost will be \$95,000.

In order to finance the large purchase, I would like to see a capital reserve fund set up and invested in U.S. Treasurer bonds at 15%; so the bite will not be too great when the time comes in ten years.

I want to thank everybody for the good job well done.

Respectfully submitted,

EDWARD M. ABBOT, JR., Fire Chief

## REPORT OF POLICE DEPARTMENT

I hereby want to state that the year of 1981 was more active than 1980.

We need the support of the townspeople and the budget committee to back the Police Department. In general our town is in better shape than the surrounding towns due to the cooperation that is given to the department. But you cannot put your best foot forward if the townspeople do not care to support the department.

Therefore it is all up to my constituency what kind of services you expect from your police department. So I am calling your attention to the necessity of whether you want a professional service or not. We need financial support to perform our duties in cooperation with the laws of the State and to give protection to persons and property.

In closing I would like to mention that the Bicycle Safety Program again was a success and would like to thank the townspeople, Selectmen, Fire Department and Ambulance Service, also a special thank you to my fellow officers.

Listed below is a brief summary of some of the calls answered by the Department.

Accidents	36
Fatal	1
Burglary	6
Thefts	16
Domestic	38
Alarms	129
Dogs	34
Motor Vehicle	266
Court Cases	approx. 300
Unfounded	20

Remainder of time and activities were spent on patrol and follow-up investigations.

Respectfully submitted,

JOHN F. HYDE, JR., Police Chief

## 1981 LIBRARIAN'S REPORT

Omitted from 1980 reports, a State flag was given in memory of Mrs. Herrick by Mrs. Walker, Mrs. Stearns and friends and neighbors. Books were given in memory of Mrs. Babson and Mr. Van Ham. Thank you for all the gifts of books and magazines, also to the Improvement Society for their gift of money for the shade fund, and their gift of the electricity.

Thank you to the newly formed group of The Friends of the Library for Consumer Reports magazine, and all the projects they have planned to help with library improvements.

Two hundred fifty books were added and four hundred seventy discarded (two hundred twenty to the depository in Wilton). All Jacob Abbott books were donated to the Wilton Library, and the rest at the Union Fair Books Sale in the Spring.

The bookmobile made two visits this year before it was taken out of service.

Passing over the library desk were 1525 fiction, 571 non-fiction, 1475 juvenile, 656 bookmobile, 345 magazines, 13 records and 4 prints. We borrowed 59 books from the Hillstown co-op, 11 from the Nashua Library, 11 from the State Library and one from the Keene Library. We also received 15 new records from the state when they discarded their record collection.

Mrs. Watt and I attended the library convention at Waterville Valley in May. I attended 10 weeks of classes in Keene on Public Library Techniques. I also attended 1 DAC meeting, 6 Hillstown meetings and 3 special meetings.

We had a story hour at Goss Park thanks to Connie Forbes who took over after my accident, also a story hour at the library in conjunction with Channel 11. Thanks again to Connie for helping and to Lucille Watt for the loan of the TV set.

All of the school classes have visited the library this year. The Kindergarten comes each week to hear stories or watch films, the elementary classes also come down to watch films loaned to us from the State Library. Thank you to the Hall family for the gift of the movie screen.

My first year at the library has been enjoyable, and fairly busy. I hope to see more borrowers in the coming year.

Respectfully submitted,

BRENDA CASSIDY

## REPORT OF THE HIGHWAY DEPARTMENT 1982

The TRA project this year was a continuation on Lyndeborough Center Road from the Rose Farm to the mink farm. Some problems did occur with the emulsion mix but the problems will be taken care of.

The Duncan Fund and Highway Subsidy were used this year to reconstruct Johnson Corner Road. This stretch of road will be paved in the summer of 1982.

This year the main project was the rebuilding of Furnace Brook bridge. The completion of this project was another contribution to the scenic beauty of the Lyndeborough roads.

The winter costs were high due to the heavy storms. There were many repair bills due to the extra work put upon the tired equipment. The 1960 road grader broke down in early December leaving us to depend on a rented grader. There is a great necessity to replace the grader.

Again this year I would like to thank the townspeople and the other men of the highway department for their patience and help.

Respectfully submitted,

CHARLES "CHUB" YERGER, Road Agent

## PLANNING BOARD REPORT

During 1981 the Planning Board approved four subdivisions for a total of 11 lots, held one site plan review, several re-subdivisions, (subdivision where no new lots are created), completed its contract with Nashua Regional Planning Commission for Planning Report and updated the Building Regulation and Zoning Ordinances (Orange Book).

The Planning Report and supporting maps were presented to the Planning Board, Sounding Board and interested Public in November by a "SubCommittee" from NRPC, (Walter Warren) Sounding Board, and Planning Board. Copies of this report are available at the Town Library. The maps will be available at the Selectmen's Office, Town Clerk, and Town Library early in 1982.

This report meets the State's Requirement RSA 36:10 (every town shall have a Master Plan), but more importantly it allows the landowner, and town officials to determine the capabilities of properties. The map system starts with a base map and adds transparent overlays that give a complete picture of a property showing location to services, road conditions, slope, soil type, water resources and land use.

In the budget for 1982 the Board has requested funds (\$350.00) to develop and present to the Town at two public hearings Zoning Ordinances in conjunction with this Master Plan.

Also requested was \$175 for updating the Building Regulations and Zoning Ordinance Booklet ("Orange Book"). A subcommittee has gone through the town reports and State Regulations to update the ("Orange Book"). New booklets as well as replacement pages would be available during 1982.

## REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission continues to make progress on its several projects.

In May the members walked through the Town Forest located behind the Fish and Game Club with assistant County Forester Karen Bennett. She met again with the Commission in June and possible uses for the area were discussed.

In June we sent John Watt to Conservation Camp at Interlochen in Hillsboro.

In October the Commission discussed the proposed spray program for gypsy moths. John Morison presented all the information, but no general agreement was reached as to the desirability of the program. The Selectmen, however, were asked to make formal application in case the townspeople decided to proceed with the spraying in the spring.

David Buxton volunteered to continue the town forest project with the county forester.

The Commission is open to suggestions from the town for uses for the wood lot.

## **WILTON-LYNDEBOROUGH VOLUNTEER AMBULANCE AND RESCUE ASSOCIATION**

The Wilton-Lyndeborough Ambulance has had a busy and interesting year. The total number of runs for 1981 was one hundred and eighty (180). These represented accidents, home illnesses, mutual aid for other services and a variety of calls.

The present attendant's roster numbers thirty-five (35). Of these, twenty-nine are Emergency Medical Technicians and four are licensed Advanced First Aid. Under the new state regulations, an Advanced First Aid card plus fifteen additional hours of training is the least level of requirement to be an ambulance attendant. Everyone is required to maintain a current C.P.R. card.

New equipment includes a set of Medical Anti-Shock Trousers. These were purchased with gift monies acquired through donations or bequests. At the first of the year, six crew members were certified in their use. Six more will soon start training. Like the Hurst Tool, this valuable equipment is not used often, but can mean the difference between life and death. The additional hours of training are well worthwhile. We would like to thank the community for making their purchase possible.

## **WILTON-LYNDEBOROUGH YOUTH CENTER, INC.**

The Wilton-Lyndeborough Youth Center takes great pride in providing summer recreation for the two towns. Thanks to dedicated volunteers, your tax deductible donations, registration fees, special fund-raising efforts, help from local businesses and organizations, park training programs, town appropriations and good management, the Youth Center has managed to hold down its budget costs. However, inflation is catching up with us, and this year we will be asking for an increase in town assessments.

The Youth Center has been passing new costs along to users of its facilities and programs in an effort not to seek more tax dollars, and will continue to do so.

During the summer of 1981, the Youth center provided again its nine-week swimming program at Goss Park, including the Red Cross swim lessons and life saving classes, Heart Association CPR training, tennis lessons with instructor Miss Diane Bourgoine, arts and crafts by Mrs. Carol Dowling, softball competitions, pre-school story hour with Mrs. Brenda Cassidy of the Tarbell Library and volunteer assistants, a "luau", the Ken-L-Ration kids dog show, P.J. day, road race #4, a Hampton Beach day trip, the Roberts Bros. Circus, an Old Home Days float which won second place for "best business". Tennis memberships were offered to those who enjoy the privilege of using the tennis courts after regular park hours. Lights for night-tennis were installed thanks to Ed Lamminen and friends. The park also offered a swimmer aid orientation class for the first time for prospective lifeguards.

The park facilities are available for local business outings via contract.

The ice skating area at Carnival Hill was once again delayed -- first due to shortage of funds, then postponed due to mud. The area has been surveyed and grade lines shot.

The park was used by the Little League teams once again -- a good family experience.

The Youth Center would like to find someone willing to serve on the board as a tennis chairman, who will try to arrange tennis competitions and tournaments.

Thank you for your continued support, and we will strive to improve and expand the programs we offer.

## MEMORIAL DAY REPORT

Two large flagpoles were made and installed at the Center and the South Cemetery. These flags were put up in lieu of the individual flags on each grave, as every year some graves would be missed. It should save the Town some money for the flags each year to have the two central flagpoles. The expenses for Memorial Day 1981 were:

Material for flagpoles	\$ 75.50
Two 3' x 5' flags	82.54
60 12'' x 18'' flags	52.50
Horses for the parade	75.00
Temple Band	250.00
	<hr/>
Total Expenses	\$535.54
Received from town	\$500.00

Respectfully submitted,

Lafayette Artillery Co.

## AUDITOR'S REPORT

The books of the following Town Officers have been audited:

Treasurer  
Town Clerk  
Selectmen  
Tax Collector  
Trustees of the Trust Funds  
Trustees of the Library  
Trustees of the Cemeteries

In addition, the Revenue Sharing Account and the books of the Lyndeborough Conservation Commission were audited and the Town Officers' Bonds were inspected.

The accounts were found to be correct with minor corrections.

## Lyndeborough School District

### SUPERINTENDENT OF SCHOOLS REPORT

This report is traditionally written to cover the preceding school year. Since I assumed office in August 1981 a report from me on the 1980-81 school year is not possible, thus this report will focus on the present and future of Lyndeborough School District and School Administrative Unit No. 63.

Lyndeborough Elementary School with a fifty percent change-over in staff is attempting to meet the educational needs of the elementary grade children of the community. An emphasis on building a program stressing the basics is a top priority of the staff.

An ongoing energy study and plan is underway in an effort to establish permanent savings in the operational costs of the school facility.

An active program of teacher evaluation is attempting to encourage professional growth and competence.

School Administrative Unit Number 63 is undergoing extensive evaluation in an effort to bring the central office closer to dealing with the needs of the students and teachers who serve them. In order to improve communications, groups have been established. These groups are:

#### MANAGEMENT TEAM

Purposes:

1. To seek and find opportunities for cooperation, exchange ideas, and instructional articulation between and among the schools, their staffs, and their programs.
2. To involve the school principals in the development and implementation of policies and procedures within the School Administrative Unit.

Membership: School Principals

#### TEACHER ADVISORY COUNCIL

Purposes:

1. To represent the various school staffs in the development of School Administrative Unit policies and procedures that affect the teacher.
2. To improve communication and increase understanding on all educational issues.
3. To encourage the exchange of ideas and expertise among the various school staffs at all levels.

Membership: Nine teachers elected by faculty of which they are a member in accordance with the following representation:

- 3 Mascenic Secondary
- 2 Mascenic Elementary
- 2 Wilton-Lyndeborough Cooperative
- 1 Wilton Elementary
- 1 Lyndeborough Elementary

## STUDENT ADVISORY COUNCIL

Purposes:

1. To represent the student body in the development of policies and procedures that will affect students and their education.
2. To provide the Superintendent with direct student input and advise on secondary school matters.

Membership: Six students from each secondary school, two seniors, two juniors and two sophomores nominated by the respective class officers, and recommended by their principal.

In addition, the SAU office has greatly enhanced and modernized its bookkeeping and financial accounting with the addition of a Cado Computer. The computer has a word processing capacity which we hope to utilize in the near future.

The SAU's present office location is being closely studied and a cost effective solution to the housing of the central office staff is being sought.

My initial experience with the communities, teachers, students, and School Boards whom I serve gives me much reason to hope that by working together we can make the best use of the resources provided for the good of the young people we serve.

**SUPERINTENDENT OF SCHOOLS REPORT**

**Vincent J. Franco**

This report is traditionally written to cover the preceding school year. Since I assumed office in August 1981 a report from me on the 1980-81 school year is not possible thus this report will focus on the present and future of the Wilton-Lyndeborough Cooperative School District and School Administrative Unit No. 63.

Wilton-Lyndeborough Cooperative Junior-Senior High School is under new leadership. There is an emphasis on striving for good overall student behavior and responsibility as a necessary pre-requisite for quality education. The staff and student body have responded to this reasonable expectation thus setting the stage for positive educational growth. In order to set a planned course for the future of the school, the staff and administration is involved in the development of a three year plan as a way of setting priorities and making maximum use of available resources.

The addition of two classrooms in the cafeteria has provided extended flexibility in scheduling. A much needed updating of gymnasium lighting has provided better light at significantly reduced operating costs.

The obvious need for a computer program in the school is being addressed by the School Board and the Staff.

School Administrative Unit No. 63 is undergoing extensive evaluation in an effort to bring the central office closer to dealing with the needs of the students and teachers who serve them. In order to improve communication, groups have been established. These groups are:

#### MANAGEMENT TEAM

##### Purposes:

1. To seek and find opportunities for cooperation, exchange ideas, and instructional articulation between and among the schools, their staffs, and their programs.
2. To involve the school principals in the development and implementation of policies and procedures within the School Administrative Unit.

Membership: School Principals

## TEACHER ADVISORY COUNCIL

### Purposes:

1. To represent the various school staffs in the development of School Administrative Unit policies and procedures that affect the teacher.
2. To improve communication and increase understanding on all educational issues.
3. To encourage the exchange of ideas and expertise among the various school staffs at all levels.

Membership: Nine teachers elected by faculty of which they are a member in accordance with the following representation:

- 3 Mascenic Secondary
- 2 Mascenic Elementary
- 2 Wilton-Lyndeborough Cooperative
- 1 Wilton Elementary
- 1 Lyndeborough Elementary

## STUDENT ADVISORY COUNCIL

### Purposes:

1. To represent the student body in the development of policies and procedures that will affect students and their education.
2. To provide the Superintendent with direct student input and advise on secondary school matters.

Membership: Six students from each secondary school, two seniors, two juniors and two sophomores nominated by the respective class officers, and recommended by their principal.

In addition, the SAU office has greatly enhanced and modernized its bookkeeping and financial accounting with the addition of a Cado Computer. The computer has a word processing capacity which we hope to utilize in the near future.

The SAU's present office location is being closely studied and a cost effective solution to the housing of the central office staff is being sought.

My initial experience with the communities, teachers, students, and School Boards whom I serve gives me much reason to hope that by working together we can make the best use of the resources provided for the good of the young people we serve.
