## LIBRARIAN'S REPORT

It was a very productive year at the Olivia Rodham Memorial Library.

We started registering all our regular and new patrons as they came into the Library, and to date we have one hundred registered users.

During the Fall and Spring terms at Keene State College, the Librarian completed two Library Technique courses: one entitled "AV in the Public Library", and the other, "Programs and Services for Children". This completes all the courses offered by the State Library and the University of New Hampshire. A total of nine courses were completed.

The Librarian is serving on the Advisory Council on Libraries, which meets monthly in Concord. She attended eight of these Council meetings in 1977. She is also serving on the Planning Board and the Qualifications Committee for the District Advisory Council and attended five such meetings in Claremont, Peterborough, Antrim, Walpole and Newport. She also attended three Service Center meetings in Peterborough, two Book Meetings at the Keene District Office, and four Trustee meetings.

The Librarian showed the film, "Rabbit Hill", to the young people at the Town Hall during Old Home Week. She also showed a slide program which she wrote, entitled, "The Little Dog Who Collected Sticks". We are still showing some excellent films the second Wednesday of each month in the Library at 7:30 P.M. An average of fifteen people attended last year, and everyone is welcome!

Last winter the Librarian taught five sixth-graders a nine-week library course, which ended with a trip to the Keene Junior High School Library.

Once again, our library received a Certificate of Merit for meeting state requirements in 1976.

Eighteen young people took part in the Summer Reading Program entitled "Poki's Tail". After each book was read, a brightly colored yarn was added to Poki's tail. Ice cream was served to all at the end of the summer.

The Bookmobile made three visits and left 1,925 books. Thanks to all who helped pick out the books and stayed to help shelve them afterwards.

Eleven pre-schoolers visited the library in November, where they were shown a film and told some stories by the librarian.

Books were taken every two weeks to the school and pre-school during the school year. My thanks to Sydney Plant, Joan Warner, Celia Wiechert, and Dorothy French for their help in carrying the books to the young people.

Seventy-four books were obtained on Interlibrary Loan.

Four hundred seventy-five books were catalogued during the year.

Many thanks to those people who have given both books and money for books to the Library and to those who are giving current issues of some excellent periodicals.

The Library has been given money for recordings and tape cassettes, so a collection of such material is being added slowly to the Library. If anyone has any special interest in fine music and/or the spoken word, please let your Librarian know.

A pamphlet file has been started in the Library containing pamphlets and newspaper clippings of interest.

My sincere thanks to Vera Balch and Barbara Bennett for their help in the Library, and to my Trustees and the Friends of the Library, who have made 1977 an enjoyable year.

## REPORT ON THE OLD BRICK SCHOOLHOUSE IN NELSON

---

After a year, the building has now been stabilized. We had the usual hang-ups; but in spite of it all, the foundation has been re-enforced, the brickwork repaired, and the entrance, kitchen and first floor renovated and painted. The furnace is in and working, and the first floor room has storm windows. The Committee was in error in assuming that the roof was in fair condition and didn't need immediate work. Luckily there are sufficient funds left to get this done when the weather permits. Upstairs the room is incomplete, and storm windows are needed.

The Committee regrets that they never did thank each and every person that helped. And there were plenty that did, and we are grateful to them all.

REPORT OF THE CEMETERY BOARD  
1977

---

It should be recalled that beginning in 1976 all financial transactions of the Cemetery Board are made and reported by the Selectmen.

Consequently the only financial statement now required of this Board is a report of all income it has received and paid to the Selectmen during the year.

These receipts appear as follows:

Interest received from Cemetery Trust Funds	\$532.67
Payments received from sale of Cemetery Lots	<u>350.00</u>
	<u>\$882.67</u>

In addition to the usual maintenance work in 1977 there were a few extra items which involved considerable effort and expense. These included the removal of one large dead elm tree and work on two large marker stones which were badly leaning, probably due to frost action. These stones were raised and new supports placed under them to restore them to an upright position.

It is anticipated that two more trees should be removed in 1978. Also broken marble stones should be repaired. This may require outside help who are skilled in this type of specialized work.

The Cemetery Board recommends that the Town appropriate \$1,500 for this work.

Respectfully submitted,

Note: The three Trustees of Trust Funds, as such, also become members of the Cemetery Board.

REPORT OF THE POLICE DEPARTMENT

---

As you will note below in the recap of this year's activities, the Department has been busy, with most categories showing increases. The one bright spot is the great reduction in the number of reported breaks and property thefts. We feel that this is due, in large part, to the increased patrols, especially those that have been made in the late evening hours. The number of complaints investigated almost doubled, indicating that residents are more aware of unusual happenings and are reporting them. It might be of interest to explain that a complaint could be either reporting a strange vehicle or the fact that a pony is galloping up Route 9 at 6:00 A.M. At any rate, we have been most happy to know that people are interested, and we have tried to answer the calls promptly.

As always, we have much appreciated the help rendered by outside agencies: Mutual Aid, State Police, Sheriff's Office, and our neighboring departments.

Again, may we ask that all continue to be alert to the unusual and to call the Department to investigate.

ACTIVITY REPORT FOR 1977

Hours spent on patrol	613
Accidents investigated	28
Complaints answered	119
Breaking and Entering complaints	11

It is with a bit of sorrow that I realize that this is the last report to the Town that I will have had a part in writing. It has been a great privilege to have had the opportunity to serve Nelson for the past twenty years as selectman, C. D. director, and police officer. They have been most instructive and rewarding years. I know I shall miss the opportunity that they gave me to be of service to you folks, and, hopefully, my efforts have helped to make Nelson a better place to live. My sincere thanks to all who gave me their help in my endeavors. I shall miss you.

Sincerely,

KEN BALCH

REPORT OF THE NELSON  
FIRE DEPARTMENT

---

Thirty-four calls were responded to by your Fire Department in the year 1977.

These calls consisted of four house fires, three smoke investigations, five chimney fires, two brush fires, thirteen Rescue calls, one Mutual Aid assistance, two investigations, (fire alarm warning systems), one search and rescue, one downed wire, one boat fire, and one truck fire.

A total of two hundred man hours were spent by thirteen members at fire training schools in Keene State College and Meadowood Fire Training School.

Our Department is now up to twenty-seven active members, of which five are qualified Emergency Medical Technicians, and three are qualified Red Cross First Aid Instructors.

At present all three trucks are in running order, and things are beginning to shape up.

In the past year we have run into unexpected snags. The brakes on both tankers went bad and had to be repaired; also, the radios in M-1 and M-2 had to be replaced because of age and the high cost of maintenance. These two radios were replaced at an unbelievably low price of one thousand dollars, of which four hundred was paid by matching funds.

We are now faced with a serious problem. The alerting siren atop the fire house finally disintegrated due to metal fatigue, age, and extreme cold weather. This has to be replaced. In the meantime, I was able to borrow a siren from the Chesterfield Fire Department. This siren is much too small for our area, but at present is better than none.

Our number-one truck has reached its tenth birthday, which means we have just ten years left to build a reserve fund for its replacement. At the current cost of fire trucks, it means setting aside a reserve of close to five thousand dollars a year for the next ten years.

We now have water Fire and Rescue in our department. After the boat fire on Granite Lake last August, we were the grateful recipients of a boat, motor and trailer donated by a summer resident on the Stoddard side of Granite Lake. We are now in the process of equipping this boat for water rescue and so it can be used to supply water for any fires around lake shores.

I wish to thank you people for the preventive measures you have taken in the care of your chimneys. Due to your interest in safety, we have had only five chimney fires. We want to help you prevent this type of fire next year; thus, we are planning to set up a chimney-cleaning group in the department. This group will accept

requests and set up time for cleaning on Saturdays and Sundays. Any donations will be accepted by the Fire Department.

Respectfully submitted,

JAMES M. BELL,  
Chief

REPORT OF  
THE NELSON VOLUNTEER FIRE DEPARTMENT RESCUE SQUAD

---

An Open Letter To The People Of Nelson:

The leading causes of death among children and young people are automobile accidents, drownings, and burns. Children are frequently injured by bicycle accidents and the accidental ingestion of hazardous substances, as well as by skiing, snow machine, and motorcycle accidents. Even with precautionary measures, accidents can occur when we least expect them.

Only a minute handful of people noticing the emergency medical personnel at work really see that the tragedy is carried within each one of them. They are all well trained; they know how to effectively use splints, bandages, CPR, and the thousand other little things that literally mean the difference between life and death. But --- that training never prepares them for a night standing next to a small limp body, or feeling the trembling grip of someone as they rush him toward the hospital, or the tear-reddened eyes of a mother whose child they are desperately trying to save. The praise they receive is deeply personal and usually on a one-to-one basis.

While parts of our society seem oblivious to their work, the rescue worker serves so that life might go on. He or she is always prepared to help the victim, be it from fires, accidents, strokes, heart attacks, depressed suicide attempts, drownings, broken bones, burns, or emergency deliveries.

The people of this town are very fortunate to have such a group of dedicated people. Your Fire Department and Rescue Squad members have spent many of their own hours training, and learning new techniques to help the people of Nelson in times of emergencies. 1977 has shown an increase in both fire and rescue calls and the use of your Fire Department equipment, as well as an increase in manpower and hours volunteered for training.

Sometimes we tend to take the smell of smoke or a chimney fire too lightly. Let's look a little further and think of some of the possibilities for tragedy that can occur when a call for help is put in. One of your family or friends may be injured responding to the call, or a small child may lose his life in a fire that was started by that chimney you forgot to clean. We are here to help you, but our biggest job is to teach and encourage prevention. Prevention saves lives --- yours and your loved ones. It is our wish that each and every one

of you has a safe and healthy 1978. We stand ready to help you in any emergency, but the dedicated people of your Fire Department and Rescue Squad need your fullest support.

Sincerely,

JEANNE BINI, R.N., E.M.T.  
Captain, Nelson Volunteer Fire  
Department Rescue Squad

ANNUAL SCHOOL MEETING

March 4, 1977

Prior to the meeting Linda Fauteaux was sworn in as Supervisor of the Checklist pro tem, and Karen Tolman was sworn in as acting Clerk.

The meeting was called to order at 7:00 p.m. by the Moderator, Ethan C. Tolman, at the Nelson Town Hall.

The checklist was handed over to the acting Clerk and signed by the Clerk and the Supervisors of the Checklist.

The Moderator read the Warrant through Article 1: To choose all necessary school district officers. The Moderator opened the polls for persons wishing to vote for the officers listed by non partisan ballot as required by law. He announced that the polls would remain open until after 9:00 p.m. The meeting was recessed until 8:00 p.m. At 8:00 p.m. the articles were acted upon as follows after the reading of the Warrant by the Moderator.

Mr. David Upton introduced Mr. Charles Larracey of the Supervisory Union and asked that he be allowed to speak at the meeting when asked.

Article 2. A motion was made that the reports of Agents, Auditors, Committees or Officers chosen as found in the Annual School District Report be accepted and placed on file. The motion was seconded and the article was passed.

Article 3. It was moved that the District vote to authorize the School Board to make application for, and to accept and use in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state, or private agency. The motion was seconded and the article was passed.

Article 4. It was moved the the District raise and appropriate the sum of \$579.00 to send the fifth grade (13 students and 1 adult) to Otter Lake Conservation School (Camp Union). (13 students x \$43 + 1 adult x \$20 = \$579.00) The motion was seconded and Article 4 carried.

Article 5. It was moved that the District apply for a school lunch program waiver for the 1977-78 school year and raise and appropriate \$2,700.00 for the support of a locally administered school lunch program. Jon Punce

moved to amend Article 5 to read: that the District apply for a waiver to abandon the Nelson School lunch program. This amendment was seconded and defeated. Maury Collins moved to amend Article 5 to read: that the District apply to the State of New Hampshire for a permissive Federal School lunch program and that the present lunch program now in existence be continued in the school year 1977-78. This amendment was seconded and passed, and Article 5 carried as amended.

Article 6. It was moved that the District raise and appropriate the sum of \$500.00 to be deposited in the Capital Reserve Fund established at the March 1972 District Meeting for the "purpose of the construction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes." The motion was seconded and Article 6 was passed. We now have a total of \$2,289.30 in this account.

Article 7. It was moved that the District raise and appropriate \$141,967.00 for the support of schools, for the salaries of the school district officers and agents, and for the payment of statutory obligations of the District. The motion was seconded and Article 7 was passed.

Article 8. It was moved that we pass over Article 8. The motion was seconded and Article 8 was passed over.

Article 9. It was moved that the District exclude from its Social Security Plan services performed by election officials or election workers for each calendar quarter in which the remuneration paid for such service is less than \$50.00. The motion was seconded and Article 9 was passed.

The meeting was adjourned at 9:20 p.m.

Respectfully submitted,

KAREN TOLMAN  
School Clerk,  
Town of Nelson, N. H.

## ADMINISTRATIVE REPORT

---

The Nelson School Board during the 1977-78 school year established a Long-Range Planning Committee to review the educational programs and facilities of the Nelson School District. The Committee which represented parents, planning board members, teachers, school board members and administration, met throughout the school year to develop a report which will be presented to the school board and finally to the school district relative to its recommendations for the Nelson School District.

The Nelson School Board has established the following goals for the 1977-78 school year.

1. Study of Facility Needs for the Munsonville School.
2. Improve Public Relations with Nelson School District.
3. Curriculum Review and Recommendations.
4. A Review of Public Law 94-192 - Special Education and its impact on the Nelson School District.

In compliance with public law 94-192 dealing with Handicapped Education, the Nelson School Board has demonstrated foresight in the establishment of a local special education program for handicapped students.

During the 1977-78 school year, three youngsters have benefited from the program. If the program did not exist, these youngsters would be tuitioned to other schools for special services.

In the area of maintenance, the school has undergone a complete uplifting. The exterior of the building has been painted and the roof resingled.

## CONSERVATION COMMISSION

The year has suddenly come full circle. The Nelson Conservation Commission, like other Town servants, must pause for a moment of reflection. What have been our accomplishments? Where are we going?

On May 7, 1977 Nelson's spring was improved by the annual freshening of our "roadscape". Enthusiastic throngs of old and young with trucks and litter bags earned the lemonade and cookies graciously offered by our neighbors, the Robertsons, and all were glad that Russ Thomas had initiated this useful fixture.

By July 13, thoughts had already turned toward winter. Dan Scully, of Total Environmental Action in Harrisville, came over to share the latest intelligence on retrofit, insulation and insolation. We are glad to have solar friends next door.

"Cordwood Round-up" was our most dramatic event. On August 8, in the wake of a summer deluge, our Green was suddenly enlivened by stove salesmen, hot dogs, Bobby Curtis's chainsaw, Win French's black powder, Les Clarke's Paul Bunyan tales, and Jim Bell's fire cautions. Somehow this managed to prepare us for woodpiles and the cold nights ahead.

Upstaged on October 17 were our youthful conservationists, students from the Munsonville school, who accomplished a wonderful mission. Guided by stellar surveyor Bill House, they staked out Nelson's eleven-acre Blacktop Mountain site. It was a joyous occasion.

With the new year, we addressed to a most important and pressing concern: land use in Nelson. On January 10 we held a preliminary meeting which we co-hosted with Selectmen, Planning Board, and Board of Adjustment members. Our guest speaker, Ron King, of the Society for the Protection of New Hampshire Forests, helped us focus on the problems land owners and conservationists must face if we are to preserve our splendid but fragile array of natural resources for our children and their descendants.

We urge all of Nelson to turn out for our follow-up information meetings in 1978, designed to help us all make intelligent plans for Nelson's future.
