# Commissioners' Report.

---

## *To the Inhabitants of Sullivan County :*

In compliance with the laws of New Hampshire, it becomes the duty of the Commissioners, as well as other officers of the County, to present to the people their report, which by a change of the law by the last Legislature, is for twenty months, the law now requiring the report to be made January 1st, instead of May 1st, as formerly.

### COUNTY FARM AND ALMS HOUSE.

Mr. and Mrs. Charles Willard have continued their labors as Superintendent and Matron, and we feel confident that for industry, kindness and interest for the inmates, they are hard to excel.

Miss Eliza Willard has charge of the Insane, and we are warranted in saying that she has worked a great reform in that department.

The increased cost per week is accounted for from the fact, that the inventory returned is less, by nearly eleven hundred dollars, than in previous reports, we having reduced the appraisal of farming utensils, household furniture and miscellaneous articles.

A cordial invitation is extended to all to visit the institution and have an opportunity to form an intelligent opinion of the same.

FINANCIAL CONDITION OF THE COUNTY.

The County is now owing three thousand dollars and a small amount of accrued interest, which becomes due October 15th, 1893, the debt being reduced six thousand dollars since May 1st, 1891.

With gratitude for confidence bestowed and kindness received, we respectfully submit our report.

H. N. HAYWARD, } Commissioners  
 GEORGE NEAL, } of  
 ISAAC H. LONG, } Sullivan County.

Newport, N. H., December 31, 1892.

 Sullivan County.

## AUDITORS' REPORT.

The undersigned, auditors of the County of Sullivan, having attended to their duties as specified by law, respectfully submit that they have carefully examined the accounts of the Commissioners, Treasurer, Superintendent of County Farm, and all other County officers and find the same correctly cast and properly vouched.

We have examined the various bills and vouchers, and find that the goods purchased were for the use of the County, and that the price for goods bought, or received for those sold, was as our judgment, at their market value.

CHARLES H. WEED, }  
 JOHN McCRILLIS, } Auditors.

Newport, N. H., Jan. 10, 1893.

# Physician's Report.

---

*To the Commissioners of Sullivan County :*

There is at present no sickness at the County Farm, and the hygienic condition of the Institution is excellent. Since my appointment as physician in March last there has been but little sickness. There have been four deaths, all from old age or some chronic disease.

I take pleasure in saying that I have found Superintendent Willard and his assistants always ready to do everything possible for the comfort of the sick, aged and feeble minded.

Respectfully submitted,

A. L. MARDEN, M. D.,

Physician.

# Solicitor's Report.

---

There is no civil action pending in which the County of Sullivan is a party. I have received no money belonging to the County and have paid out but little for expenses.

BURT CHELLIS, Solicitor.

January 2nd, 1893.

# Chaplain's Report.

---

*To the Honorable Commissioners of Sullivan County :*

Regular religious services have been held as usual, since the last reports for the county were made, at the County Farm. There have been ten deaths at the Institution during the past twenty months. Funeral services for two of those who have died were held in other places by other clergymen and seven of those, who have died, were buried by friends in different cemeteries remote from that belonging to the County.

Last June, Mr. Charles L. Walker, of Salem, Mass., delighted and profited the family at the Farm, by an exhibition of some fine Bible pictures with the aid of a stereopticon. Children's Day was observed one Sabbath in June. The ladies of the Claremont W. C. T. Union have made their usual semi-annual visits, coming loaded with gifts and tokens of good will. These visits are seasons of pleasure and profit.

A Sunday School was organized last May, and meets every Sabbath afternoon in the dining hall of the main building, with Miss Cora D. Whipple and Mrs. Wm. H. Whitmore as teachers. About thirty attend the school, although the number of children at the Farm is now smaller than usual. Lesson helps, and papers are used in this work. A cabinet organ for these different services would be helpful and appreciated.

The Superintendent, Matron and Assistants are doing much for the comfort and welfare of those committed to their charge, while our Commissioners are excellent supervisors.

Respectfully submitted,

G. H. HARDY, Chaplain,

# Treasurer's Report.
