## FOREST FIRE WARDEN'S REPORT

### PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note.

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles - use your ash tray.
5. Don't burn at home - Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires .....	1
Number of acres burned .....	1/10
Number of permits issued .....	32

**TAMWORTH OUTING CLUB, INC.****ACTIVITIES REPORT**

August 1958 to August 1959

The largest project of the year for the Tamworth Outing Club was the sponsoring of the construction of the new modern ski shelter on Page Hill, which the Junior group desired and enthusiastically raised money toward, supplemented by gifts in time and money from individuals, the Tamworth Foundation and the Tamworth Outing Club. The shelter was opened on February 22 when a group of Outing Club members met for a work party to take care of necessary details for the interior.

Two trap shoots were held at Huckins Barn in October and a successful rifle shoot at Roberts gravel pit in November.

A permanent stand was constructed in the triangle at the four corners for the Town Christmas Tree, again erected and decorated by the Outing Club.

Page Hill was in operation for the season under the supervision of Mr. Charles Behr with Mr. Norman Wilkinson as tow operator.

Ski School for the grammar school pupils was successfully operated with the assistance of the Tamworth Foundation. A Ski School emblem was designed and executed for the children participating in the Ski School program. The results are most gratifying to watch when a group of Junior skiers gather on Page Hill every weekend to enjoy this exhilarating sport.

The New England Sled Dog Club held its two day racing program on January 3 and 4 under the auspices of the Outing Club. A supper, followed by a dance,

was put on at the Tamworth School by the Club to help defray expenses.

Other activities sponsored by the Outing Club were: a Junior Fishing Derby, entered by twenty boys and girls; Square dances at Huckins Barn and a Tennis Tournament for adults and children, held Labor Day weekend.

The Outing Club meets at the Town House on the third Monday of each month at 8:00 p.m. You are invited to attend.

Respectfully submitted,

Secretary

## COOK MEMORIAL LIBRARY

The trustees and librarian of the Cook Memorial Library urge you to visit and become acquainted with the wide range of reading, both fiction and non-fiction which we have to offer. Through bi-monthly exchange with the Bookmobile and Shieling books, over a hundred different books are offered regularly.

Through the generosity of Mr. and Mrs. Francis Cleveland and the Tamworth Foundation many of the very latest books are available, also new children's books.

We greatly appreciate the gift subscription of the American Heritage Magazine. Copies of Newsweek, Time, Saturday Review, Parent Teachers Magazine, Readers Digest, Good Housekeeping and the Americas are regularly given and may be borrowed.

We also express our thanks to the Garden Club for the attractive arrangements in the window boxes both summer and winter.

Miss Irene Irwin is filling the vacancy left by the passing of Mrs. Ethel Berry who for many years so ably served as treasurer.

Respectfully submitted  
HELEN B. HIDDEN  
Librarian

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Tamworth:

During the school year of 1958-59 the teachers in the Tamworth School were:

Mr. Ronald Corkum, Principal	Grade 6
Mrs. Elizabeth Brady	Grades 7 and 8
Mr. Wilfred Crowley	Grade 5
Mrs. Eva Young	Grade 4
Miss Margaret King	Grade 3
Mrs. Dorothy Remick	Grade 2
Mrs. Ethel Berry	Grade 1

Early in the current year the school was deeply grieved by the death of Mrs. Ethel Berry. Mrs. Berry had served the schools of Tamworth faithfully and well for many years.

We are pleased to welcome back to the staff Mrs. Janet Johnston as the teacher of the first grade. Mrs. Johnston taught here two years ago. In September of the current year Mr. Thomas F. Moore, Jr., joined the staff. Mr. Moore is a graduate of Clark University. All the other teachers of last year returned to their respective positions. Tamworth is most fortunate to have an outstanding teaching staff.

During the year Tamworth School had an average enrollment of 172. In September of the current year the school opened with 184 pupils.

There were 67 high school pupils enrolled in Kennett High School and eight pupils at the Quimby School. The tuition rate in both schools was \$350.00.

In September of the current year there were 64 Tamworth pupils in Kennett High School and eight at the Quimby School. Tuition rates are \$355.00 and \$350.00 respectively.

The school health program continues under the competent supervision of the community nurse, Mrs. Thelma Roberts, R. N., with the annual physical examinations by Dr. Remick.

At the last annual district meeting an appropriation of \$15,000.00 was voted for the construction of an additional classroom. This room was completed and occupied in November. The room is attached to the south end of the building and now is the home-room of the fourth grade.

### COOPERATIVE SCHOOL STUDY

Six school districts presented a cooperative school district article in their warrants at the last annual district meetings. The districts voted as follows: Brookfield voted against joining a cooperative school district; Ossipee and Madison voted decisively for the cooperative; Effingham, Freedom, and Tamworth voted to continue the study for another year. At the date of this report the general committee has met and the several sub-committees are working on new reports to be made to the districts prior to the annual district meetings.

### MUSIC SUPERVISOR

At the annual Supervisory Union meeting held in May, 1959 the union board members voted that a committee should study the feasibility of employing a music supervisor to serve the schools of the union. Serving on the committee were Mr. Raymond Kennard,

Effingham; Mrs. Mabel Davis, Freedom; Mrs. Elizabeth Brady, Madison; Mr. Harry May, Ossipee; Mrs. Dorothy Moody, Tamworth; and Mr. Howard Hobbs, Wakefield.

This committee reported that the project is entirely feasible and recommended that each district include in its warrant an article with an appropriation for the service. The supervisory union board accepted the recommendation unanimously. Our schools now have no music instruction under the direction of a trained supervisor. No provision is made for this important aspect of our pupils' education. These are the only schools in the state that do not have a supervised music program. The expense of this program will be allocated to the districts on the same basis as the other supervisory union expenses. I urge all citizens to support this project.

The Tamworth School is truly a community school. It is a good school because so many individuals and organizations take an active interest in it and are very generous in their efforts and contributions to help provide fine educational opportunities to Tamworth children. It is difficult to name all these people. Particularly worthy of commendation are the members of the school board who are untiring in their efforts to discharge the responsibilities of their office.

Respectfully submitted

EVERETT H. BRASIER

Superintendent of Schools

## TAMWORTH SCHOOL LIBRARY REPORT

The Tamworth School Library continues to grow and to become an increasingly active and meaningful part of our children's education. Mrs. Harry Damon and Mrs. Myrick Crane, with substitute help from Mrs. Rolf Spicer and Mrs. Edward Moody, are on duty at the school every Thursday from 8:30 to 12:00. In addition to this time, all of which is volunteer service, our librarians spend many hours ordering, cataloguing, and arranging books in preparation for the weekly library periods for children.

The following facts and figures demonstrate the activity and growth of the library during the past year:

Number of books in library: over 875

Books checked out during year: 7,567, an average of 44 per pupil

Magazines: (subscriptions donated by Mrs. Crane and Mr. and Mrs. Damon) **Audubon Magazine, Popular Science, Field and Stream, Children's Activities, Popular Mechanics, National Geographic, Seventeen, Hot Rod** (This last is a particularly popular number with the 7th and 8th grade boys, and the issues are in well-thumbed tatters before they are two weeks old.)

### Ethel Berry Memorial Fund:

Donations from Townspeople - \$132.50

Donations from School Children and Teachers - \$94.50

From this fund have been purchased a 20-volume **World Book Encyclopedia** and 101 new books, including three new copies of **Webster's Collegiate Dictionary** - in great demand by students (involuntary) of vocabulary in the 8th grade.

Mr. and Mrs. Harry Damon contributed the new

**American Heritage, Jr.** Mrs. Marjory Gane Harkness has given us **The American Heritage Book of Great Historic Places** and the **Rainbow Book of Science** by Donald Culross Peattie.

In August, at a library-benefit meeting open to the public, Mrs. Crane showed slides taken during her trip to Japan, and Miss Irene Irwin sold flowers. Fifty dollars was collected for the library at this meeting, and one interested guest, Mrs. Nathan Foster of Beverly, subsequently gave \$100.00 to the library fund.

Also available to the children are books sent to the school by the Tamworth Town Library and the New Hampshire State Bookmobile, which loans about 180 books every two months.

The school children and their teachers are grateful to all those who contributed to the success of this truly remarkable school library. Its continued growth and development depend on the continued support of the many friends of the school.
