Special Dedication

This Annual Report is dedicated to all of the Temple residents who did everything they could, when they could, to resist the NED Pipeline Project. Our pipeline advisory committee worked hard to create highly professional and technical recommendations to local, state and federal officials to improve the regulatory framework but in the end the people of Temple were their army. They gave you ideas on what people could do to stop NED and you responded!

You attended FERC hearings, attended anti-NED rallies, attended Concord hearings on house bills, attended government and public pipeline meetings, wrote to FERC, filed as intervenors with FERC, wrote letters to the editor to all local papers opposing NED, wrote to our federal, state and local representatives opposing NED, put up signs on your lawns, or simply attended our occasional pipeline vigils on the streets.

To all we say congratulations and thank you!

Warrant Articles

To the inhabitants of the Town of Temple, NH in the County of Hillsborough in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the Fourteenth Day of March 2017 next, at Seven o'clock in the morning, to act on the following subjects.

Article 1: To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Article 2: Shall we adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town of Temple, NH on the second Tuesday of March. *(3/5 majority vote needed) (By petition).*

Article 3: To cast your ballots on the proposed amendment to the Temple Zoning Ordinance to Section 7 "Accessory Dwelling Units (ADU's) (formerly known as Accessory Apartments)".

THE POLLS SHALL OPEN AT SEVEN O'CLOCK IN THE MORNING,
AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE
EVENING.

You are further notified to meet at the Temple Elementary School in said Temple, on Saturday, the Eighteenth Day of March 2017 next, at ten o'clock in the morning, to act on the following:

Article 4: To see if the town will vote to pay the Town Clerk a salary in lieu of any statutory fees, as per RSA 41:25, with the initial salary of \$18,526 beginning in 2017.

Article 5: To see if the town will vote to raise and appropriate the sum of \$1,325,140.00 for town charges as the operating budget and other necessary maintenance and operating expenditures. *(Selectmen Recommend)*

Article 6: To See if the town will vote to raise and appropriate the sum of Thirty Thousand dollars (\$30,000.00) to be placed in the Culvert and Bridge Maintenance and Repair Expendable Trust previously established by Article #7, March 15, 2014 Town Meeting under the provisions of RSA 31:19-a. *(Selectmen Recommend)*

Article 7: To see if the town will vote to raise and appropriate the sum of Seven Thousand dollars (\$7,000.00) to be placed in the Fire Department Vehicle Maintenance and Repair Expendable Trust Fund, previously established by Article #6, March 13, 2010 Town Meeting under the provisions of RSA 31:19-a. *(Selectmen Recommend)*

Article 8: To see if the town will vote to raise and appropriate the sum of not more than Twelve Thousand Three Hundred dollars (\$12,300.00) for the purpose of constructing a storage addition to the Mansfield Library. *(Selectmen Recommend)*

Article 9: To see if the town will vote to raise and appropriate the sum of Five Hundred dollars (\$500.00) to support The River Center. *(This expenditure would become part of the budget in subsequent years if passed).* *(Selectmen Recommend)*

Article 10: To see if the town will vote to adopt the provisions of RSA 72:28-b the "all veteran's property tax credit. If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or was an officer honorably separated from service, and (2) is not eligible for and not receiving the credit for veterans who served in a qualifying war or armed conflict or for veterans with a service-connected disability. If adopted, the credit will be in the amount of \$100.00, which is the same amount as the credit for a veteran who served in a qualifying war or armed conflict. If the credit is adopted, any person desiring to claim the credit will be required to file an application with the selectmen or the assessors by April 15 of the tax year.

Article 11: In order to ensure that Temple is a safe and welcoming community for all, employees of the town of Temple shall not enquire about, report, or act upon any person's immigration status under any circumstances while performing their duties. *(By petition).*

Warrant Articles

Article 12: The town of Temple affirms its commitment to the rights ensured by the First and Fourth Amendments to the Constitution of the United States of America and declares that in the town of Temple, no person shall be required to declare their religious or philosophical belief or affiliation, nor to sign a registry for any belief or affiliation. *(By petition).*

Given under our hands and seal this 16th day of February in the year of our Lord, Two Thousand and Seventeen,

George Willard, *Chair*
Ken Caisse, *Selectman*
Gail Cromwell, *Selectman*

Mountain Lane Farm

Mountain Lane Farm

Select Board Report

The most important news of the year was the withdrawal by Kinder Morgan of their proposed pipeline project known as Northeast Energy Direct or NED. Our Ad-Hoc Pipeline Committee worked tirelessly to combat the proposal and we are indebted to them for all their efforts. Temple was an active member of the Municipal Pipeline Coalition, a 15 town group that took an active role in meeting with state officials and attending the meetings in Concord at the Site Evaluation Committee (SEC) as well as the many hearings on proposed legislation at the state legislature. Temple was a major participant on both fronts. Work must continue with the state legislature and the SEC this coming year.

This year, the Jeta Grove Foundation, having been established as a 501C (3) religious organization, agreed to “GIFT” the town a voluntary payment based on the local tax assessment. The Lukas Foundation renewed their contract with the town to make a 25% payment of their total tax assessment.

There were 17 building permits issued in 2016, 3 of them single family residences. While these don’t come close to the 37 permits issued 10 years ago (2006), 10 of which were single family homes, it should help somewhat to alleviate the property taxes lost due to the property being converted for religious purposes.

We achieved an important service for our town by putting the tax cards on line as compiled by our town assessor, Avitar. A resident can verify their tax assessment information by using the town website making this a far simpler process than in the past. We continue with the effort to make useful information available on the town website and urge everyone to take advantage of it.

Established in 2005, in 2015 we celebrated 10 years of partnership with Greenville regarding the Temple/Greenville police department. In 2016, we celebrated 10 years with Lyndeborough & Wilton for Ambulance services.

It was with regret that we had to endure the resignations of our most respected town clerk, Wendy Drouin and our town treasurer, Shannon Kelly this past summer. Both women had just been re-elected in March with over 90% of the vote. We thank them for their service to the town and wish them well in their future endeavors. Fortunately, we were able to retain the services of someone with

prior town clerk experience and elevated our deputy town treasurer to treasurer status with little advanced training or diminution of service.

The projects that were outlined in the specific warrant articles of the 2016 town meeting were completed at or below cost: the repairs to the Hadley Highway bridge, the demolition of the town-owned property on Route 45, the repair of headstones at two of the town cemeteries. The warrant for the propane tank was not spent as a different arrangement was made to transfer the ownership, and the amount allocated for a baseline air quality study was also not used due to the pipeline withdrawal.

It is important to note the many volunteers who serve on various committees without any manner of payment. These include the Budget Advisory Committee, Cemetery Trustees, the Zoning Board of Adjustment, the Ad-Hoc Pipeline Committee, the Trustees of the Trust Funds, the Library Trustees, the Planning Board, the Conservation Committee, the Recreation Committee, the Capital Improvements Committee, the Temple Town Hall Advisory Committee, the Patriotic Purposes Committee and the Village Green Committee. A special thanks to our Building Inspector & Health Inspector who rarely charge anything for their services. Thank you all.

As always, if you have any questions about town matters, do not hesitate to contact any one of us or attend one of our regular select board meetings

Respectfully yours,

George Willard, *Chair*
 Ken Caisse
 Gail Cromwell

Lilliane LeBel

Capital Improvements Program Report

The New Hampshire legislature established RSA 674:5-8 to encourage towns to develop Capital Improvement Plans in order to anticipate and plan financially for major expenses. Temple's first Capital Improvement Plan (CIP) was developed in 2004 with assistance from all of the Town's Departments. The resulting plan was intended to be a living document that would be updated each year to reflect the town's changing needs. The CIP Committee has updated that plan in each subsequent year providing recommendations to the Select Board for consideration at Town Meeting.

The CIP Committee's goal is to keep the Capital Improvements budget as flat as possible, while emphasizing protection of current infrastructure and town services.

In 2016/17 the CIP Committee met and/or communicated with each town department reviewing and discussing all potential revisions for the 2017-2026 CIP Plan. To assure continuity of discussion from year to year each department also provides a *CIP Expenditure Request Form* as well as up-to-date written quotes for all items requested.

This year the CIP Committee also had discussions regarding both capital reserves and grants:

Capital Reserves: The CIP recommends targeting a consistent, yearly tax impact of approximately \$110,000 to cover all capital expenditures for Temple. This value was selected based on past data and future projections to be sustainable for the town's needs into the foreseeable future. The advantage of a consistent tax impact is that taxpayers will be shielded from the impact of year to year fluctuating capital expenditures. To achieve this goal, the CIP recommends the use of Capital Reserve accounts (to which funds would be added or subtracted to achieve the targeted tax impact) in conjunction with bond financing when appropriate.

The Highway Department plan has three large vehicles replacements in 2020, 2021 and 2028 (totaling approx. \$509,000). The Fire Department also has two large vehicle replacements due in 2023 and 2026 (totaling approx. \$515,265). In order to avoid future tax spikes the CIP committee approved a recommendation to the Select Board that the Town place warrant articles for substantial amounts to be deposited in a Capital Reserve for Capital Equipment starting in 2019. Please see the Graph and Spread Sheet for the smoothing out effect that occurs

with a Capital Reserve account in conjunction with bond financing. The graph shows the scheduling of infrequent large expenses, in dark grey. The effect of using bond financing and Capital Reserves to spread these expenses over time is shown in light grey. (see graph on following page)

Grants: We continue to request that each Department research and apply for all available grants in the year prior to the year that a capital expense is requested. Temple's Fire Department, Highway Department and Municipal Office have had great successes being awarded grants and the CIP wishes to encourage early applications so we can better plan for a smooth bottom line.

A copy of this year's CIP reports (including both the Narrative and Spreadsheet) may be picked up at Town Meeting or at the Municipal Building.

Capital Appropriations With vs Without Smoothing

This graph shows the scheduling of infrequent large expenses (Purchases Due), and the smoothing out that occurs using Financing and Capital Reserve

Continued on next page

Capital Improvements Program Report

For 2017, the ongoing bond payments are:

Fire Department: 9 Air Packs, Air Cylinders, and Booster were purchased in 2014: The price was \$62,500 but due to a generous anonymous donor contribution of \$5,000 the cost to the town was reduced to \$57,500. This amount was financed for 5 years at 2.29%. The 2017 payment of **\$12,192** will be the third of 5 payments. Interest paid over the 5 years will be \$3,410.

Highway Department: The 2014 International Dump Truck was purchased in 2013 at a cost of \$160,258 and financed at 2.15% for six years. Total interest will be \$12,128. The 2017 payment of **\$28,464** is the fourth of 6 payments.

Highway Department: The 2015 Loader was purchased in 2015 at a cost of \$117,500 and financed at 2.50% for three years. Total interest will be \$5,875. The 2017 payment of **\$41,126** is the second of 3 payments.

Steve Harling

For 2017, the CIP Committee recommends the following projects:

Highway Department: The CIP recommends a warrant article of \$30,000 to repair the Thomas Maynard Drive culvert.

Library Storage Addition: The CIP recommends a warrant article of \$12,300 for the addition.

Respectfully submitted by the Capital Improvement Committee:

Connie Kieley, *Chair*, Mary Beth Ayvazian, Tedd Petro, Gary Scholl, Barry West, and Select Board liaison, Ken Caisse

Don McElreavy

Budget Advisory Committee

The Budget Advisory Committee (BAC) provided the Temple Board of Selectmen (BoS) with a recommended operating budget of \$1,239,092 which includes our recommended salary increases but exclusive of previously committed debt service. The total proposed budget, \$1,320,874, is around 0.7% less than the approved budget for 2016 and around 3.3% higher than the actual expenditures in 2016.

The BAC is most appreciative of time and assistance provided by the department heads, the elected and appointed boards, the vibrant volunteers of various committees and the valuable input provided by the municipal administration team.

The BAC is also appreciative of the open participation with the Select Board. Examples of this are the meetings to review the Auditor's Report and Tax Rate Setting. Throughout the year, the BAC has also been called upon on numerous occasions to make financially relevant recommendations on numerous topics.

Issues for 2017 which are worthy of note include:

- 1) Our shared Resources
 - a. Temple Greenville Police: Down \$6,200 due to 2016 surplus
 - b. Wilton Ambulance: Up \$9,300 due to increased staffing
 - c. Wilton Recycle Center: Down \$5,300
- 2) Our budget is generally consistent with 2016 with a few exceptions reflecting:
 - a. A decrease in the number of elections to be held
 - b. A decrease in Highway Sand and Gravel due to pre-bought inventory
 - c. A reduction in Legal costs related to completion of the Pipeline support
 - d. A reduction in Government Building Maintenance and Recreation due to projects completed
 - e. An increase in insurance rates due to renewal transition in 2016
 - f. An increase to the Planning Board for update support on the Master Plan
 - g. A project to repair grave stones in the Cemetery

Respectfully Submitted,

John Kieley, Ken Sullivan, Christine Robidoux,
Gail Cromwell, *Ex-Officio*, Gary Scholl, *Chair*

Cemetery

The cemetery maintenance went pretty much as usual this year. The drought conditions meant that we didn't have to mow the grass as much as we ordinarily do, but considering how dry it was, the grass survived quite well. We had a little bit of a problem with the deer eating some of the shrubs and flowers. This is only natural and happens fairly often.

We did end up hiring a gravestone repair specialist to come in. His name is Kai Nalenz and you may have seen him on N.H. Chronicle TV show on WMUR Channel 9. They did a segment on his work which was very interesting. Kai did excellent work repairing all the damaged monuments in the Wives and Mothers Cemetery, and several more in East Cemetery with the money we raised in warrant article #8 at Town Meeting 2016. The plan is to continue in 2017 repairing more of the monuments in East Cemetery with money from the regular budget. It will take several years to finish by doing it this way but eventually we should get caught up with the needed repairs

Respectfully submitted,

Timothy P. Fiske, Cemetery Supervisor

Highway Department

If you'll remember correctly, December of 2015 was unusually warm with no snow. This odd weather continued through January and February of 2016. We had a few small snowstorms, quite a bit of rain and freezing rain, but no bad ice storms. The temperatures always warmed up enough to keep the ice from forming too much on the trees.

We had already started grading the gravel roads by early March. There was not much frost in the ground and what little bit there was came out quickly. Mud season was mild with only a few bad spots to deal with. We had our sweeping done and were getting ready to start ditching the gravel roads by the time April came. Then on April 3rd, the temperature dropped down below freezing, we had about 6-8" of snow, and the freezing temperatures continued for 4 days. This cold weather killed the buds on the peach trees and many of the apple trees. Spring returned after that and we did our spring cleaning. We were also involved during this time with the demolition of an old house that the Town had taken for taxes. We continued ditching, grading roads, and mowing lawns in May. The ground was already showing signs of being drier than it should be, the grass wasn't growing as well as it should have been, and the roads were starting to get dusty.

In the summer months of June, July, and August, we

- Paved all of Mansfield Rd.
- Ditched and shimmed the paved sections of Hill Rd., Cutter Rd., Moran Rd., and Mud Rd.
- Graveled all of Hudson Rd., Kendall Rd., and large sections of Fish Rd. and East Rd.
- Mowed all the roadsides
- Rebuilt the entrance to Foster Rd. from West Rd.
- Installed some underground drainage at the intersections of Cutter and Mansfield Rds.

The weather throughout the summer was nice but very dry. Most of the streams in Town were dried up and we were in a severe drought. It turned out to be a perfect time to repair a steel culvert, measuring 8' high by 12' wide and

50' long, on Hadley Hwy. The bottom was rotted out and the culvert had been condemned by the State. A cement bottom and sides were poured into this culvert which should now last another 30 years.

When September and October rolled around, we finally started to get a little rain. We did our sand sealing, started grading the gravel roads, stock-piled our winter sand, and prepared for winter. There were funds left over because last winter was so mild so we bought and stock-piled an extra 1000 tons of gravel to be used on the gravel roads in 2017.

It continued to rain quite a bit in November which helped to alleviate some of the drought. The weather in December was strange; it would snow for a few days then warm up and rain again, melting away much of the snow. This type of weather used up quite a bit of salt and sand. We did end up with a white Christmas though but just barely.

In the summer of 2017, we will be concentrating our paving and sand sealing mostly on the North end of Town. There will also be a Warrant Article to add money to the Culvert Repair Trust Fund so that we can continue to take care of some of the large old culverts that are failing.

Respectfully submitted,

Timothy P. Fiske, *Road Agent*

Temple-Greenville Police Department

A review of our crime statistics for 2016 shows that our crime rate has remained approximately the same for the past three years. There is no doubt that law enforcement officers are faced with greater challenges than ever before, especially with the current opioid crisis in the state of New Hampshire. I am thankful for our great officers and the job they do to ensure the continued safety of our Temple and Greenville communities.

The Police Station has had safety upgrades. Early in the year, the NH Department of Labor inspected our facility. Several concerns were brought to our attention. Items of concern included tripping hazards from old carpeting, GFI electrical outlets, lighted EXIT signs, and an eye wash station. All of these safety issues were corrected at minimal cost.

Throughout 2016, the utility companies have been working on improving the energy infrastructure in Temple, Greenville, and surrounding towns. Officers have assisted Eversource, along with their sub-contractors, with safe work zones. Other companies, such as Asplundh Tree Service and Northern Tree Services have been clearing tree limbs from the lines which should result in fewer power outages.

Thank you to my fine administrative staff. Thank you to all the town departments, boards, committees, and individuals for all the support we have received.

Respectfully Submitted,

James H. McTague, *Chief of Police*

Town of Wilton Ambulance Service

The Town of Wilton Ambulance has had a very interesting year in 2016. We have treated over 500 patients for the first time in our history. Our recruitment and Driver/Non-Medical Programs are producing dividends. We have also been having ongoing staffing issues that should be resolved in the few months due to the pending approval of equity adjustments.

In 1974, the Wilton Lyndeborough Volunteer Ambulance and Rescue Association was started to serve the residents with volunteer First Aid and EMT's. In the forty-three years since, we have moved from a completely volunteer organization to a combination department with on-call/per-diem EMT/AEMT's and per-diem Paramedics. Last year the Town of Wilton looked at salaries throughout the town, and noted the relative inequity of the salaries of the EMS providers in Wilton. The Wilton Selectmen and Wilton Budget Committee came up with a three-year equity adjustment plan to bring our providers to market levels. With recruitment not going as quickly as hoped, we have requested that years two and three of the equity adjustments be implemented in the 2017 Budget. We have started to get more interest in the Town of Wilton Ambulance at the EMT and Paramedic level at these new rates. We also have four Driver/Non-Medical Providers completing their EMT Class who should be online in the first quarter of 2017. We also have two additional Driver/Non-Medical Providers starting EMT Class in the Spring of 2017. This should help alleviate the staffing issues.

We have responded to 98.8% of the calls for service that we have been requested to respond. We have used "Mutual Aid" from other towns only 6 times. This is due to not having an ambulance available. Below are the statistics by town for calendar year 2016.

As we have said in past years, thank you for your support over the past year, and in the future, we do appreciate it. We are also always looking for members, and you don't have to have any medical experience, we will train you. If you're interested, give us a call. We'd love to have you on board.

I, personally, want to thank all the EMS providers presently putting in a lot of their time to ensure the ambulance gets "out the door" when called. We want to ensure that you know that if you call for an ambulance, you will get one, with highly qualified personnel, in a timely manner. If you want to join the ranks, we are always looking for members. Please either give us a call or go on the Town of Wilton website for an application.

Gary Zirpolo, NRP, *Chief of Department*

Karen Artemik, NRP, *Assistant Chief*

Robert Cole, NRAEMT, *Captain*

Volunteer Fire/Rescue Department

2016 where did it go! This was a busy year for the Temple Volunteer Fire Department. We had 121 calls which is above our average. We average about 100-110 calls a year. We provided Mutual Aid 17 times this year which is the highest it has been. We had one structure fire in town and a couple bad accidents which required extrication.

This year we had five new members join us and I have been contacted by a few more interested folks.

In the training department we had 2 members complete the fire fighter 2 course and some members completed some refresher training. We had some good drills this year using our Jaws and SCBA. Things are always changing and they are finding different and better ways to keep us safe and we do our best to keep up with those changes.

We had our gear box for our pump on the engine fail this year and it was an expense we were not expecting. We got that fixed so hopefully it will last us until its replacement time.

I look forward to working as Chief with all the members of the department and the Officers in 2017 as we continue to improve our department.

TVFD is always looking for volunteers to come join us. As a volunteer department we are looking for assistance in any capacity that an individual is able to give, such positions include: Firefighters, Fire Scene Support Personnel, Drivers/Operators, Incident Support Personnel, First Responder EMT's, and Maintenance personnel. Training is not necessary. We provide the equipment and the necessary training as well as all the support that you need to become a safe member of the department. It is our ultimate goal to have every member return to their family after each call. TVFD accepts and encourages individuals from age 14 on up to join. Please contact a current member or email Chief Clark at TVFDc1@gmail.com .

In closing I would like to thank all my Officers and members for a fantastic job done this year. I would like to say congratulations to Luke Peterson for receiving firefighter of the year in 2016.

Respectfully submitted, George Clark, *Fire Chief*

Temple Town Forester

For the tax year April 1, 2015 through March 31, 2016, the Town received two Reports of Wood or Timber Cut. Yield taxes assessed for these harvesting operations totaled \$3,519.76. As of January 13, 2017, four Intents to Cut have been filed with the Town for the current tax year. Timber harvesting operations have continued to be fairly quiet in town over the past couple of years as can be seen by the small number of Reports of Cut and current Intents. Good quality white pine and hardwood continue to be in demand. The pulp market has basically gone from bad to worse with very little demand. This has resulted in a continued oversupply to the chip plants, which now has significantly cut into prices. I expect this market condition to continue through this winter and probably into the summer months. With oil prices again being down this winter, the demand for firewood has tapered off and in many cases the price being paid for standing firewood has dropped.

The State RSA specifies that any person owning land upon which wood or timber is cut, either for sale or for services rendered, must first file an Intent to Cut form with the Town Selectmen or assessing officials. The exception to this is a person cutting up to 10,000 board feet of logs or up to 20 cords of fuel wood for either their own use or for a land conversion. Under these exceptions an individual does not have to file an Intent to Cut form. The tax year runs from April 1st to March 31st.

The RSA also states that within 60 days of completion of the operation or by May 15th, a Report of Wood or Timber Cut must be filed with the Town specifying the exact volume cut by species. The Town will levy a 10 percent yield tax based on the stumpage value of the material cut. This value is not based on the actual price paid for the forest products but on average values provided by the State. If the job is not completed by March 31st or did not take place, a Report of Cut must still be filed by May 15th. At that time a new Intent to Cut should be filed to renew the permit. If the job is not completed by March 31st but will be completed by June 30th, a 90-day extension may be granted without having to renew the permit. To do this the Selectmen must be notified in writing by the Owner, prior to May 15th. Finally, during a harvesting operation, if the volumes to be harvested are going to exceed the estimated volumes on the original Intent to Cut, a supplemental Intent should be filed immediately showing the additional estimated volumes.

Landowners considering a timber harvest should be aware that there are State harvesting regulations that must be followed. If you have any questions regarding this or the permitting process, you can contact me through the Selectmen's Office.

Respectfully Submitted, Allan Oxman, *Licensed Forester #67*

Temple Forest Fire Warden

Despite the dry weather we had most of the Spring, Summer, and Fall, we managed to have very few Temple fire calls, and some Mutual Aid calls. The most dangerous times for fires are in these dry and windy conditions.

Written permits are necessary when there is no snow on the ground. Seasonal permits are given for cooking, and are not to be used for burning brush. Burning household trash is illegal.

If you have any questions call Fire Warden Joe Cournoyer at 878-1479 or Deputy Fire Warden Mike Connolly at 209-0699.

Respectfully submitted,
Joe Cournoyer,
Temple Forest Fire Warden

Rose Lowry

Forest Fire Warden & State Forest Ranger

Over the past two years, New Hampshire has experienced its busiest fire seasons since 1989. 1,090 acres burned during the 2016 season. The White Mountain National Forest experienced its largest fire since becoming a National Forest, burning 330 acres in the town of Albany in November. Fires falling under state jurisdiction burned 759 acres, with the largest fire of 199 acres occurring in Stoddard. The extremely dry summer led to a busy fall fire season with large fires occurring into mid-November. Drought conditions hampered fire suppression efforts and extended the time needed to extinguish fires. Your local fire departments and the Division of Forests & Lands worked tirelessly throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2016 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

As we prepare for the 2017 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

Only YOU Can Prevent Wildfires!

Animal Control

2016 was a fairly quiet year for Animal Control. In the spring we had some sheep that had been sold to a farm in Lyndeborough who decided to try and find their way home to their original farm in Temple. One was caught and the other two eventually made their way back to Lyndeborough. I would like to continue to thank all horse owners for maintaining their fences and making sure they have shelters for their horses that comply with State laws.

Dog Owners please take note all dogs over the age of 4 months old must be licensed by April 30 each year, RSA 466:1. The dog tag should be placed around the dog's neck. Not only will this help me return your pet if it gets lost, but it's a State law.

Planning Board

This was a busy year for the Planning Board. After the election in March, the board welcomed back Ted Sartell plus new member Brian Kullgren. The following slate of officers was voted in to serve for the year: Chairman – Allan Pickman; Vice Chair – Bruce Kullgren, Jr.; and Secretary – Tedd Petro.

During the year one application for subdivision was received and approved. Also, the board received and approved one request for a lot line adjustment. In October a preliminary proposal for a five-lot subdivision was presented, and this continues to move forward into the next year.

Approved Requests to the Planning Board			
Date apprvd	Applicant	Map/Lot	Type
02/03/16	Judy Royster Jeta Grove Foundation	9-1 and 9-4	lot line adjustment
04/06/16	Vincent Mamone	5-53	4-lot subdivision

Zoning Ordinance amendments: The board put forth a new proposal to regulate commercial and industrial noise. After much time and discussion, including close collaboration with the town of New Ipswich, creation of “Section 31: Commercial and Industrial Noise” was presented to voters and ultimately approved. Minor revisions to “Section 17: Signs” were also put forth and approved.

Gas Pipeline: In April news was received that Kinder Morgan “suspended indefinitely” the Northeast Direct (NED) natural gas pipeline project. Following in May was verification that the company’s application before FERC was formally withdrawn, and thus the project officially halted.

Request to upgrade town road: In June the town received word of a large subdivision being proposed in neighboring New Ipswich that would be located near the Temple border. The developers met with the Temple Board of Selectmen to request an upgrade be made to Moran Road in our town to accommodate access/egress for the subdivision. This request was rejected by Temple Board of Selectmen, and the town of New Ipswich was notified of this decision.

Driveway Regulations: A review of the town’s existing Driveway Regulations commenced this year, and is still a work-in-progress. Road Agent Tim Fiske and Fire Chief George Clark participated and offered their perspective. Board members did agree to a new approach that the regulations be mandatory for the first 30 feet of driveway length, and beyond that just advisory guidelines. They continue to address other issues, including safety and environmental factors, liability aspects, issuance of waivers, steep grade considerations, issuance and inspection processes, involvement of the Selectmen, and enforcement matters. Revision will continue on in 2017, culminating with a public hearing and finally a vote of the Planning Board on acceptance of the updated document.

Master Plan update: Another huge project finally undertaken was a belated update of the town’s Master Plan. This document was last revised in 2003. It was decided to approach Southwest Region Planning Commission for professional assistance with some of the more technical and data-rich chapters and maps. A required Vision chapter will be written by the board. It is hoped other chapters can be revised a few at a time, rather than attempting to update the entire document all at once.

Agriculture vs. commercial: This subject was brought up due to a zoning violation complaint about a local operation. There was discussion but no consensus of how to define and regulate at the point where agricultural activities cross over and assume commercial aspects. The board agreed to reexamine this at another time.

Accessory Dwelling Units (ADU’s): As the year ended, the board was tackling an amendment to zoning which would basically redefine “accessory apartments” and provide language in compliance with new state law that takes effect in 2017. This amendment will be presented and explained in a public hearing, and then offered to voters on a ballot in March. This amendment will not noticeably change what is has been allowed in town for many years.

My thanks go to board members and to Betsy Perry for all their hard work and dedication during the past year.

Respectfully submitted, Allan Pickman, *Chair*

Zoning Board of Adjustment

During 2016, the Temple Zoning Board of Adjustment held six public meetings which included two public hearings. At our first meeting of the year in August we elected officers and made nominations to the Select Board for renewal of members with expiring terms. In our second meeting in September we made nominations to the Select Board for new alternates. In our third meeting in September we held a public hearing to hear our only case in 2016, a third party appeal on an administrative decision. In our fourth meeting we voted on our decision on the appeal. Our fifth meeting in October was a business meeting, as was our sixth and final meeting of the year in November.

I would like to thank John Pierce for serving as Chair of the Zoning Board of Appeals for many years, and the members of the Board for their service and contributions in 2016: Honey Hastings our Vice-Chair, John Kieley our Board Secretary, full members Dave Martz and Mary Beth Ayvazian, and our alternates Bill Ezell and Sydney Thomas.

Respectfully submitted,

Jenny Houston, *Chair*

Conservation Commission

In 2016 the Conservation Commission focused on two efforts 1) Protect and preserve Temple's natural resources and 2) to educate town residents on how to protect their land, water and property.

Protecting and preserving Temple's natural resources:

- NED pipeline activities
 - Began planning a major baseline water and air testing effort.
 - Reviewed potential disturbed wetlands mitigation effort.
 - Proposed warrant article statement opposing NED.
 - Supported and promoted legislation to make potential pipeline and natural gas infrastructure in New Hampshire safer (both 2016 and 2017 legislative sessions).
- Resident wetlands and related projects
 - Reviewed resident Dredge and Fill requests.
 - Assisted citizens with projects affecting or changing resident ponds.
- Culvert projects
 - Working with Road Agent Tim Fiske on replacement of the bridge/culvert on Thomas Maynard Dr.
- Resident well water testing
 - Motivated by NED pipeline concerns and energized by resident interest, continued exploring a project to offer town-wide (but optional) well water testing.
- Potential conservation projects in Temple
 - Assisted residents with their efforts and projects to conserve their lands.
 - Engaged residents and Temple landowners with information on land conservation.

Education:

- Managing water resources in town / DES
 - Stormwater management presentation
 - Hosted a presentation in April 2016 with two DES experts:
 - Jason Aube discussed shoreland protection/stormwater management.
 - Shane Csiki discussed importances of crossings and culverts.

Conservation Commission Public Deposit Investment Pool			
Description	Credit	Debit	Total
Beginning Balance			\$ 92,501.56
Interest	\$ 482.55		
Totals	\$ 482.55	\$.00	\$ 92,984.11

Conservation Commission: Citizens Bank Checking Account:			
Beginning Balance			\$ 482.30
Contributions	\$ 7,601.54		
Interest	\$.14		
Checking Account End Balance			\$ 8,083.98

- Well water education presentation
 - Initiated planning for 2017 presentation identifying where well water comes from and how to keep your well water healthy.
- Tom Wessels talk with Library Trustees
 - Cohosted with Library trustees a talk by Tom Wessels: "A Forest Landscape".

In retrospect of 2016, we are very glad the NED pipeline is not threatening and complicating our lives and our town. We look forward to 2017 with potentially new educational presentations about our well water. As always we look forward to assisting all residents interested in any conservation questions and efforts (small or large).

Respectfully submitted, Sean Radcliffe, *Secretary*

Steve Harling

Temple Economical Energy Committee

SUCCESS! THE PIPELINE'S GONE!!

In 2016, the Energy Committee continued its intense focus on defeating the construction of Kinder Morgan's Northeast Energy Direct (NED) natural gas pipeline. We were especially dedicated to eliminating the dangerous public health threat to our elementary school and a fairly large portion of Temple if NED's 41,000 horse power compressor station were built as planned, within the proximity of the school, a farm and residential neighborhoods. By merging our efforts with the work of the Temple Ad Hoc Pipeline Committee plus a lot of help from many of our residents and other NH and NE citizens, along with Kinder Morgan's lack of customers, we succeeded. They quit!

Throughout the pipeline battle and following NED's demise, we maintained our commitments:

1. Conducting the recycling for major town events, including Good Roads Day and the Harvest Festival.
2. Producing an energy and environmental educational booth for the Annual Harvest Festival.
3. Providing information for residents seeking advice on how to obtain energy efficiency assistance, air pumps and net-metered or private installations of solar arrays
4. Offering free home weatherization for qualified residents.
5. Maintaining our educational website, www.teec.info
6. Working toward reducing greenhouse gas (GHG) emissions, locally and beyond, as instructed by the Warrant Article passed at the 2007 Town Meeting –
 - We attended regional and state energy strategy sessions, testified at legislative RGGI hearings, wrote Letters to the Editor of various newspapers and to our elected officials to support strengthening the Regional Greenhouse Gas Initiative (RGGI) in the face of ill-conceived efforts to diminish its reach and effectiveness.
 - We worked with our Congressional delegates and governor to help protect the environment and public health from additional methane and other GHG emissions produced by fracked gas infrastructure, successfully

urging them to write the Federal Energy Regulatory Commission (FERC) requesting the establishment of an additional requirement for pipeline approval—a Comprehensive Health Impact Assessment. And we accomplished the same result working with NH's Site Evaluation Committee (SEC) which approved the establishment of the same requirement for any application for a “high pressure gas pipeline” in our state. The SEC requires that it be conducted by an independent public health professional, taking approximately 6 months to complete, and estimates that it would cost the applicant \$15,000.

7. Collecting Temple's electricity and heating fuel usage data from 2005 through 2016 and (with several exceptions) getting the data from '08 –'16 uploaded into the Energy Star Portfolio Manager website to track Temple's usage and GHG emissions which can be found at: <https://www.energystar.gov/buildings/facility-owners-and-managers/existing-buildings/use-portfolio-manager> Go to the right-hand side of the page where there is a sign-in space. The user name is Temple NH and the password is Temple.Energy.History .

8. Although we lacked the sufficient time to get the solar program up and running for the students at TES, last spring, due to our intense effort to eliminate the threat of the pipeline and compressor station, we intend to get the solar program rolling again this year.

Respectfully submitted,
Beverly Edwards, *Chairperson*

Steve Harling

Temple Ad Hoc Pipeline Advisory Com.

The Temple Ad Hoc Pipeline Advisory Committee (TAPAC) was created at the request of the Select Board in 2015. It was tasked with informing and advising the board on efforts Temple could make to stop the Northeast Energy Direct (NED) pipeline which was planned for construction adjacent to our southern border. In 2016, TAPAC was especially focused on protecting our aquifers and wells from contamination resulting from the process of pipeline construction and protecting our citizens and school children from the safety and health threat from the toxic emissions generated by the proposed 41,000 horse power compressor station designed for installation dangerously close to our school and residential neighborhoods.

Fortunately, by late spring, Kinder Morgan decided to give up its NED pipeline and leave New England! Until then, we continued to hold weekly meetings and initiate actions in behalf of the town's safety, public health and wellbeing. Our efforts included:

- Sending TAPAC representatives to meetings with our state and congressional legislators and testifying at the Public Utilities Commission (PUC) and Site Evaluation Committee (SEC) hearings and legislative sessions.
- Recommending official letters for the Select Board to send to NH's elected officials and written testimony for the PUC, Federal Energy Regulatory Commission (FERC) and legislative hearings related to the pipeline.
- Addressing Temple's serious concerns for the safety of our water supply. We had consultations from a hydrologist to assess the potential impact of the pipeline and compressor station construction process and operations on our town's aquifers and wells. The resulting determination was greatly disturbing! That information was used in our later work with the SEC in its process to create New Rules and Regulations for "high pressure gas pipeline" applications.
- Assessing the need for baseline air testing and monitoring near our school in preparation for possible eventual court proceedings to challenge compressor station impacts on the public health and safety of our residents and school children if the potential compressor station were constructed as planned.
- Investigating and pricing various types of air monitoring equipment and the possible need for acquiring professional air testing to assure successful testimony in defense of the public's health in court.

- Obtaining a free half day session of baseline air testing at our elementary school conducted by a toxicologist and professor of Environmental Health at Keene State College, using 4 powerful monitors of various types to test for specific pollutants (one monitor cost \$40,000.). There was virtually NO pollution detected in the environment surrounding the school.
- Preparing to be able to conduct baseline health assessments of the residents and students in a 1 mile radius around the area planned for the construction of the compressor station. We contacted all the resources we could find in the state and eventually obtained a baseline health assessment form that can be used by lay people after they complete a short training.
- Posting news and articles on the pipeline page of Temple's website to keep our residents informed
- Meeting and working with residents from other impacted towns on numerous projects as well as promoting fund-raising events to pay for the lawyers hired to intervene in our behalf in hearings and at court proceedings.
- Gathering suggestions from the impacted communities for significant changes they would recommend for the functions and decision-making process at FERC. This was in response to a request from NH's Congressional Representative Kuster. TAPAC members then screened, organized and sent the recommendations to her in preparation for her effort to initiate a congressional bill designed to alter the unbridled authority of FERC, particularly its authority to override the local and state concerns and laws of communities affected by inter-state pipelines.
- Providing supportive testimony at the press conference announcing Congresswoman Kuster's US House Bill that would fund the Office of Public Participation at FERC to strengthen local and state influence in the natural gas pipeline permitting process. It was soon joined by a sister bill introduced in the US Senate initiated by NH's Senator Shaheen to populate the Office of Public Participation at FERC with a paid Public Advocate and a board of other representatives serving as local conservation and public health advocates.
- Urging our congressional delegation to join in a 3-state effort (NY, MA & NH) by the NED-impacted region to write FERC official letters strongly requesting the addition of a Comprehensive Health Impact Assessment to the requirements for all the pipeline applications they process. We were successful at getting Governor Hassan, Representative Kuster and Senator Shaheen to do so.

Continued next page

TAPAC, continued

- Working with NH's Site Evaluation Committee (SEC), which oversees all applications for new energy infrastructure in the state, TAPAC members managed to get several key requirements added to the New Rules and Regulations for siting "high pressure gas pipelines" in the state. Two of our members, a retired civil engineer and an electrical engineer, played very significant roles in convincing the SEC to establish critical limits on the construction methods and processes allowable in the state of NH. Another TAPAC member was influential in getting the requirement for a Comprehensive Health Impact Assessment also adopted into the New Rules and Regulations for hydraulic fractured gas pipeline applicants in the interest of protecting public health. The Joint Legislative Committee on Administrative Rules adopted the New Rules and Regulations from the SEC late last summer....a major success!
- Actively participating in the creation of specific and effective sub-groups, such as the Municipal Coalition of town administrators and Select Board members from the impacted towns which also met weekly and provided a highly respected voice within the state for denying the pipeline's approval. The NH Pipeline Health Study Group is another subgroup involving TAPAC members which worked closely with the SEC on the New Rules and Regulations and is still working with the NH Department of Environmental Services (DES) on changing the state's Toxic Air Statutes to update them to

Allan Pickman

a standard appropriate for protecting the public from health hazards resulting from the new unconventional, hydraulically fractured (fracked or so-called "natural") gas infrastructure as compared with the conventional gas industry infrastructure for which the present state statutes were written.

- Thankfully, the NED pipeline met its demise in NE and TAPAC definitely pitched in to assist its "death by a thousand cuts!" Our members also did a significant amount of research that will be useful if the state is pressured to go through another natural gas pipeline threat. And NH's regulatory agencies, the SEC and DES, will be better prepared to fend off the safety and health hazards they would present.

Respectfully submitted,

Beverly Edwards and Sean Radcliffe, *TAPAC Co-chairs*

Mansfield Public Library Report

We got together with the Conservation Committee to host Mike Beebe in April. Mikes family founded and owned Temple Mountain Ski Area until the mid-eighties. We had 32 folks attend his presentation, which was full of great memories for the audience!

The Summer Reading Program was limited to preschoolers this year and we met several times during July for fun reading and playing with new friends!

We have always done a spooky reading as part of the Halloween party in October. We made a change this year and read stories as part of the Children's Christmas Party instead. Very festive!

The pie table was very successful! Many thanks to our pie bakers and helpers.

Meetings held in the Library: Temple Rec, Village Green and Library Trustees. Priscilla Weston, Bob Lepine and Ruth Quinn all donated magazines to us and we thank them for their support.

The library donation to the Souhegan Lion's winter coat drive was very large as always. Thank you for helping those in need!

Our circulation total for this year was 5,099

In-house circulation: 4,284 Books, Magazines, Audiobooks, Puppets, Puzzles

Overdrive Ebooks	691
Overdrive AudioBooks	53
Overdrive Magazines	71
Computer use in house	271
After hours computer use	78

The staff and I are so grateful for the support and help of our fantastic Board of Trustees. They are the best!

We are on Facebook and the Temple website. Our phone number is 878-3100 and our email is mansfieldlibrarynh@comcast.net as a reminder, we announce upcoming programs and events with postings in the library, post office, town office, store and Facebook. We occasionally put ads in the Ledger Transcript also.

Respectfully submitted,
Kathy Fedorka, *Library Director*

Mansfield Public Library Trustees

In 2016 we had the trim around the windows and the front of the Library painted as well as the front and side doors into the Library. The bathroom also got a fresh coat of paint. We plan to replace the front storm door and paint the stair railing this spring.

Our fund raiser of roses for Mother's Day was a success. We added spring flowering bulbs to our pie sale table at Harvest Festival, also successful.

The plans for a storage closet have been finalized and when our warrant article is approved at Town Meeting, we can start building it this spring. The existing janitor's closet is being expanded this year to accommodate a new ladder and a safe.

The Trustees attended the 2016 NH Library Trustee Assoc. Spring Conference. We met with Trustees from large and small libraries and shared ideas and thoughts for the future.

We would be interested in hearing your ideas for activities that could be supported by the library.

As always the Trustees of the Mansfield Public Library would like to take this opportunity to recognize Director Kathy Fedorka, Assistant Robin Downes and Aides Beth Carpentiere and Ann Foley for their efforts in providing a great library experience for our town. They work very hard to meet your needs. A special thank you to Dennis Fedorka for his computer expertise in keeping our computers safe and up-to-date.

We are always looking for volunteers to help out with special programs and activities at the Library. We thank Vince Mamone and Priscilla Weston for volunteering to serve as alternate Trustees.

Respectfully Submitted, The Trustees of the Mansfield Library

Temple Town Hall Advisory Committee

The Temple Board of Selectmen (BOS) established the Temple Town Hall Advisory Committee (TTHAC) in 2010 to act as stewards of this town building, supporting the BOS in an advisory capacity.

The primary purpose of the TTHAC is to assist in monitoring the use and condition of the Town Hall, advising the Select Board on any issues arising that might impact the building's functionality or appearance. This will ensure that the facility remains a vibrant community center for education, enrichment and general enjoyment, and that its historic, functional and financial values are protected on behalf of all current and future Temple residents. Additionally, this will assist the Town in fulfilling its obligation to preserve the Town Hall in the same structural condition and state of repair as when its rehabilitation was completed, in accordance with, but not limited to, the terms of the Stewardship Agreement that exists between the Town of Temple and the NH Land and Community Heritage Investment Program (LCHIP). Extending beyond the LCHIP agreement timeframe, the existence of this advisory committee will ensure that the same spirit of Town Hall stewardship is carried forth, and that the preservation of this building continues in perpetuity.

The Town Hall's multi-year exterior painting project, which began in 2014 with the church side, followed by the front in 2015, was completed this spring when the library side and rear walls were done. Considering the fact that wood structures of this nature typically require a degree of exterior maintenance every five years or so, we anticipate that some painting "may" again be necessary beginning in 2019. Any recommendation made to the Board of Selectmen (BOS) in this regard would of course be based upon the actual condition of the Hall at the time, which our committee continuously monitors.

Our annual inspection of the Town Hall's interior and exterior was conducted in October, the results of which were used to draft the "2016 LCHIP Historic Resources Annual Monitoring Report" on behalf of the Select Board. This yearly report is required under the terms of the Stewardship Agreement that exists between the Town of Temple and LCHIP until Dec 10th, 2024. The report was approved by the BOS and submitted to LCHIP on Nov 08th.

Deterioration of the exterior door on the church side of the Main Hall, which was being monitored, accelerated quite rapidly in mid-to-late December. It is the exterior entry/exit door located in the corridor that connects the Main Hall to the Annex. This situation will be addressed as soon as possible in 2017.

A large map of Temple dated 1966, identifying roads and property owners at that time, was gifted to the Town by Gail Cromwell this year. A request prepared by our committee and submitted to the Trustees of the Trust Funds resulted in a grant from the Ruth DeQuoy Memorial Fund to cover the cost of its framing, which we gratefully acknowledge. The map now hangs in the corridor that connects the Main Hall and Annex, diagonally across from the "1908 Town Hall Dance" poster. Check it out the next time you are at the Town Hall.

Respectfully submitted,
Ron Pulos, *Chair*

Temple Town Hall Usage Information

When hosting an event or meeting in the Town Hall, prior to leaving please be sure:

- Everything has been cleaned and returned to its proper place.
- The heat, if adjusted, has been returned to its maintenance mode.
- All lights not controlled by automatic switches have been turned off.
- All doors are closed tightly and locked.

Thank you!

Recreation Commission

2016 was a busy year, with one of our official members, Sandra Chisholm, moving South, and one of our great “honorary” members, Tami Guilmain, also heading for warmer climes. We are fortunate to have some more honorary members, and we appreciate all the help we get, especially from Beth Crooker, Melissa Boisvert, Linda and Steve Bollinger, Kathy Fedorka, Roger and Allison Cabana, and our plethora of young people who keep showing up! Thank you, thank you, thank you! We were also fortunate to have some pretty awesome folks who bring beautiful treats to share!

The Christmas Giving Party went well, and we had better attendance than last year. A special thank you to Dave Martz (you know what you did!) for stepping in at the last minute and to Devorah Hanson for jumping in with both feet! We were also lucky to have some very special donations to our “store”, and the children were able to offer some lovely gifts to their family members and friends. The kids seem to have embraced the idea of the event as an opportunity to give, rather than receive, and are hopefully making some decorations that will give pleasure for years to come.

Trunk or Treating was a huge success, and brought lots of positive feedback. We offered hot dogs, water and chips this year, so working families could get out and enjoy the festivities and not have to worry about dinner. Felicia Sartell, Linda Bollinger and Nick Finnis did a wonderful job of judging our costume contest, though we struggled with darkness a bit, but we have a plan in place for next year to solve that problem! As always, Ted Sartell offered hayrides, a highlight of the evening. Especially rewarding was to see the effort the “Trunkers” put into presenting themselves! There were some awesome displays this year, and even more cars than last year!

Don't forget to mark your calendars for this year's 4th of July celebration and come and enjoy some good old fashioned fun early in the day. It's rare in today's world for kids and adults to interact, and this time honored tradition is a great way to spend time together. Also, the Temple Fire Department's cookout can't be beat!

Watch for the date for our Daddy Daughter Danceand it's not just for dads and daughters! Granddads, uncles, brothers – whoever has a special young lady in their lives and would like a the opportunity to have a special night out. This past year we had a special treat, with one of Tanya (Andersen) Bosse's dance

instructors on hand to lead the dancing! Make this event part of your special young lady's memories!

Once again, this community shows its best side with the Thanksgiving Senior Dinner at the Temple Elementary School. Parents, students and staff work together to present this special day to share with the oldest and youngest members of our population. It's always the Thursday before Thanksgiving at Temple Elementary School so mark your calendars!

A special thank you to the Bragg Fund, for purchasing a sound system for us, which we are happy to offer to townsfolk who might need a high quality system for special events, for a small refundable deposit.

Over the course of the year, we try to partner with different folks who have a talent or skill to share, and hope that you take advantage of these offerings. Whether it's a Lego camp, dance class or Tai Chi, or perhaps you have a talent, or idea for a group or event, we are happy to have you give us a call, come to a meeting, or send us an email with your thoughts!

Finally, the Tennis Court at Memorial Field got some much needed repairs that will hold us over for a few more years, and we contributed some funds to repair/build some picnic tables too! We'd like to make this recreation area even more attractive to our taxpayers, and hope you think of it as a great resource for Saturday night pick up games, a place for kiddos to ride bikes, or have a picnic.

We are but a few now, and would welcome some new members, and new ideas. We only meet about six times a year, so the time commitment is not overwhelming, and we have a lot of fun! Once again, a big thank you to all the volunteers who help make things happen here in town, we couldn't do it without each and every one of you!

Respectfully submitted,
Amy Cabana, Ken Carpenter, Joe Cournoyer, and Vivian Wills

Village Green Committee

Members and friends of the Village Green Committee planted flowers throughout the center of town in late May before Memorial Day. This planting also included geraniums along the back side of the Veterans Monument and in the Veterans Memorial bed next to the town hall. In December we placed wreaths on all the buildings in town and also decorated the common with wreaths and roping.

To cover these costs we held three fundraisers: a plant sale in May, a table with Annie's beans, donated vegetables and other items at the Harvest Festival, and for the first time, a poinsettia sale in December.

The committee was asked by the Selectmen to take on the task of planting something in the long narrow area in front of the Municipal building parking lot that borders Route 45. With the help of a grant from the Temple Anniversary Fund (thank you!) we planted 250 King Alfred daffodils and three ornamental red bud trees in October. We also added compost and mulch and are hopeful that this area will look quite lovely in the spring.

Respectfully Submitted:

Felicia Sartell, *Chair*

Donald McElreavy

250th Anniversary Fund

The Temple Anniversary Fund advisory committee recommended distribution of its 2016 award to the Village Green Committee for the purpose of adding plantings and improvements in front of the municipal building.

The Fund was established in 2008 with an initial gift of capital with the intent of inspiring other donations so that substantial projects, outside of those we vote on in Town Meeting, could be envisioned and carried out. Each year, about \$1,000 is awarded to projects in town that are of benefit to all. The Fund is still able to receive additional gifts that will enable the committee to increase the amount we can give to local projects. Donations to the Anniversary Fund are held by the NH Charitable Trust. More information on making a donation is available at the Town Offices.

Over the past seven years, the advisory committee has recommended a variety of worthy projects to the Select Board for consideration. Projects selected include furniture for the library, repairs to the town common, plantings, playground equipment at the school, restoration of an historic portrait, and repair and restoration of historic grave markers. The Temple Anniversary Fund is seeking applicants for the 2017 award.

The balance on the Anniversary Fund town account in 2014 was \$1,645.74. Subtracting the 2015 award of \$1,000 left a balance of \$645.74. Funds received from the NH Charitable Foundation in Feb. 2016 in the amount of \$1,225.96 raised the town account's balance to \$1,871.70, and interest of .11 cents brought it to \$1,871.81. The \$1,000 2016 award to the VGC leaves a balance of \$871.81(exclusive of any new interest on the account).

Respectfully submitted,

Vince Mamone and Julie McAdoo, *on behalf of the Advisory Committee*

Contoocook Valley Transportation Co.

CVTC has had quite a year! We expanded our service area from 13 to 33 towns in the Monadnock region following the transfer of the American Red Cross medical transportation program out of Keene.

CVTC gives the gift of HOPE with every mile we drive! Using 2016 data from January through September, our Volunteer Drivers have driven 60,640 total miles for 239 riders living in 26 of the 33 towns.

Currently, we have 71 active Volunteer Drivers and have a goal of 120 to cover the entire region.

Through the volunteer Driver Program we:

- assist in sustaining and/or improving the **health and wellness** of riders and drivers;
- provide **access to essential healthcare, support services, and other basic needs** for those who are unable to drive or don't own a car because of age, ability, income level, and/or life circumstance;
- enhance our riders' ability to **reclaim, retain or attain independence** by providing for themselves and their family.

Temple statistics:

- We received 27 ride requests from 3 Temple residents.
- Volunteer Drivers logged in 628 miles and donated 40 hours of service for a value of \$600.
- 1 Volunteer Driver lives in Temple.

Now entering our eighth year of service, CVTC is a stronger thread in the safety-net of human services and continues to advocate for community transportation options for the entire region. Enclosed is our brochure.

On behalf of our Board of Directors, riders and volunteer drivers, we appreciate your consideration. Town funding provides public support leverage for other funding opportunities. Please contact me if further information is needed at ellen@cvtc-nh.org or 821-4081.

Learn more at www.cvtc-nh.org.

Ellen A. Avery, *Executive Director*

Home Healthcare, Hospice & Community Svcs

In 2016, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Temple.

Service Report: HCS activities in Temple, 2016

Services Offered	Services Provided
Nursing	227 visits
Physical Therapy	169 visits
Occupational Therapy	52 visits
Medical Social Work	30 visits
Home Health Aide	135 visits
Total unduplicated residents served.	35

Nurse Is In clinics, hospice care, Healthy Starts prenatal and well child services are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 2016 with all funding sources is \$94,925.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2017, we request an appropriation of \$1,750.00 to continue to be available for home care services in Temple.

For more information about services, residents may call (603) 532-8353 or visit: www.HCSservices.org or drop in for consultation: Walk In Wednesday on the first Wednesday of every month, 3-5pm at our office at 45 Main Street, Peterborough.

Thank you for your support of home care services.

Monadnock Family Services

Monadnock Family Services (MFS) is actively assisting residents of Temple who are in need of quality mental health counseling and rehabilitation services. In addition to being the region's only emergency mental health crisis service, MFS offers a variety of treatment programs for our community. Our Adult Outpatient Services program provides mental health evaluation and treatment, as well as medication evaluation and monitoring, counseling and specialized group services. Our Child, Adolescent & Family Services program is designed to support and promote good mental health in children and every member of the family. The Monadnock Substance Abuse Services program helps people develop new, healthier behaviors and make positive changes in their lives. Our broad array of services to residents of Temple also includes the Monadnock Volunteer Center, In SHAPE for Adults and Children, Supported Employment and the Monadnock Adult Care Center.

Your financial support of our work will benefit your friends and neighbors receiving help at MFS, and we hope that our partnership in caring for the residents of Temple will continue. Please know that we pursue many other sources of funding as well, such as Monadnock United Way, grants, foundations and local fundraising efforts conducted in concert with our Board of Directors. Each source, however, helps with only a portion of the total cost of care.

We thank you for your past financial support and ask for your continued allocation to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your community. In FY 2016, MFS provided over **\$12,234.00** in discounts to the consumers in Temple. We expect that an additional **\$3,152.00** will likely be written off as uncollectible. To help close this gap, we are asking for the equivalent of **\$1.25** for each resident of Temple which, based on the 2010 US Census, amounts to **\$1,708.00**. We have enclosed information for you about the services provided to residents of your town during our most recent fiscal year. If you have questions, please contact me at 603-283-1568 or mdelisle@mfs.org

By working together, we help to insure our communities remain healthy and vital places to live work and grow. Thank you for your consideration.

Mary Delisle, *Director of Development*

Clients from Temple treated for the year ended June 30th 2016: 12

5 children, 2 adults, 5 seniors.

Total # of appointments provided for above residents 490
 Percentage of payments received for services 73%
 Discounts based on residents ability to pay, & other discounts \$ 12,234
 In addition, current outstanding and uncollectable balances (\$3,152)

St. Joseph Community Services, Inc.

For many years, the Town of Temple has supported our services. I write again to ask for your continuing support. St. Joseph Community Services has been providing vital services to the elderly and disabled adults of Hillsborough County for thirty-nine years. Providing nutrition and social engagement to this often isolated population helps support their choice to remain independent and age in place in their own homes within their communities. For many of our homebound clients, the driver may be the only person he or she will see that day.

Meals-on-Wheels is not an entitlement program. In other words, there is a limit to the amount of meals funded under our state contract. The funding that we receive from the cities and towns in our service area of Hillsborough County is essential to our ability to continue to meet the needs of everyone who asks for our help.

In addition, our program is funded by the state on a per meal basis. The money provided for each meal does not cover the full cost of a meal. It was never intended to. It is expected that agencies like St. Joseph Community Services would raise the remainder of the funds from the communities it serves.

Last year, we served **8 Temple residents**. One of these residents were served under our Title XX program, which is sponsored by the County of Hillsborough. We are requesting funding of \$80 for each of the remaining clients. .

8	Unduplicated Clients
<u>-1</u>	County-Sponsored Seniors
7	
<u>x \$80</u>	Per served residents
\$560	Requested Funding

Thank you very much for your consideration and time. Please feel free to call me at (603) 424-9967 with any questions you may have on our programs and the needs that we meet.

Sincerely,

Meghan Brady, *President*

Allan Pickman

Minutes of the Town of Temple Annual Meeting March 12, 2016

Moderator, Steve Cullinan called the meeting to order at 10:10am. After welcoming everyone, he had members, past and present, of the military, stand to be recognized. The meeting then stood for the Pledge of Allegiance. Reverend Olivia Holmes then said a prayer for the meeting.

Cullinan read the list of newly elected candidates. (Townwide vote was held on Tuesday, March 8th.)

Article 1: To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Election Results

- Moderator – 2 year term Steven Cullinan
- Selectman – 3 year term Gail Cromwell
- Town Clerk – 3 year term Wendy Drouin
- Tax Collector – 3 year term Jeanne Whitcomb
- Treasurer – 3 year term Shannon Kelley
- Road Agent – 3 year term Timothy Fiske
- Cemetery Trustee – 3 year term Maureen B. Cullinan; Rebecca Van Dam
- Library Trustee – 3 year term Camilla Lockwood
- Library Trustee – 1 year term Rebecca Van Dam
- Fire Engineer – 3 year term William S. Wildes
- Planning Board – 3 year term Telford Sartell; Brian Kullgren
- Budget Advisory – 3 year term Paul Jordan; Open Seat
- Budget Advisory – 1 year term Christine Robidoux
- Supervisor of the Checklist – 6 year term Mary Amsden

The Town Clerk swore in the Moderator and then the Moderator swore in the rest of the newly elected officials. Cullinan read the rules of the meeting and announced the results on Articles 2–4, from the Townwide vote on March 8th:

Article 2: To see if the Town of Temple, NH shall vote to adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town of Temple, NH on the second Tuesday of March. (3/5 majority vote needed) (By petition).

Article 2 Did Not Pass 216 Yes votes 217 No votes

Article 3: To cast your ballots on the proposed amendment to the Temple Zoning Ordinance to add Section 31 “Commercial and Industrial Noise”.

Article 3 Passed 351 Yes votes 83 No votes

Article 4: To cast your ballots on the proposed amendment to the Temple Zoning Ordinance to Revise Section 17: Signs, paragraph e; delete existing paragraph e and replace with new language.

Article 4 Passed 292 Yes votes 140 No votes

The meeting then continued on through the articles under consideration.

Allan Pickman

Article 5: To see if the town will vote to raise and appropriate the sum of \$1,330,816.00 for town charges as the operating budget and other necessary maintenance and operating expenditures. (*Selectmen recommend*)

Moved by George Willard, second by Ken Caisse.

Gail Cromwell moved to waive the reading of the Budget. Second by George Willard.

Amendment passed by card vote: Many yes's to 14 no's.

Budget discussion by Gail Cromwell, Select Chair.

Questions about website management and Animal control.

Amendment proposed by Jeanne Whitcomb, with a second by Cody Charron:

~Town Clerk Salary to include additional \$1.00 fee as increased in July 2015 per RSA 261:152.

After discussion the Amendment was not accepted by the Moderator as it did not contain a total dollar amount.

Article 5 passed by voice vote.

Article 6: To see if the town will vote to raise and appropriate the sum of Thirty Thousand dollars (\$30,000.00) for the purpose of removing asbestos and demolishing the building located at 400 NH RT 45 (taken by the Town of Temple by tax deed in 2015). (*Selectmen recommend*)

Moved by Ken Caisse, second by George Willard.

Amendment proposed by Ken Caisse, with a second by George Willard:

~To see if the town will vote to raise and appropriate the sum of Seventeen Thousand dollars (\$17,000.00) for the purpose of removing asbestos and demolishing the building located at 400 NH RT 45 (taken by the Town of Temple by tax deed in 2015).

Tim Fiske, Road Agent, spoke to the article and the amendment.

Amendment passed by voice vote.

Article 6 passed as amended, by voice vote.

Article 7: To see if the town will vote to raise and appropriate the sum of Twenty Thousand dollars (\$20,000.00) for the purpose of repairing the Hadley Highway Bridge. (*Selectmen recommend*)

Moved by George Willard, second by Gail Cromwell.

Tim Fiske spoke to the article.

Article 7 passed by voice vote.

Article 8: To see if the town will vote to raise and appropriate the sum of Eleven Thousand dollars (\$11,000.00) for the purpose of repairing old headstones in the town cemeteries, with \$10,000.00 coming from the Cemetery Lots Fund and \$1,000.00 from a grant approved by the 250th Anniversary Committee. (*Selectmen recommend*)

Moved by Gail Cromwell, second by Ken Caisse.

Maureen Cullinan spoke to the article.

Article 8 passed by voice vote.

Steve Harling

Article 9: To see if the town will vote to raise and appropriate the sum of Five Thousand dollars (\$5,000.00) to be placed in the Asphalt/Paving Expendable Trust Fund previously established by Article #4, March 12, 2010 Town Meeting under the provisions of RSA 31:19-a. (*Selectmen recommend*)

Moved by George Willard, second by Ken Caisse.

Tim Fiske, spoke to the article.

Article 9 passed by voice vote.

Article 10: To see if the town will vote to raise and appropriate the sum of Five Thousand dollars (\$5,000.00) to be placed in the Culvert and Bridge Maintenance and Repair Expendable Trust previously established by Article #7, March 15, 2014 Town Meeting under the provisions of RSA 31:19-a. (*Selectmen recommend*)

Moved by George Willard, second by Ken Caisse.

Tim Fiske, spoke to the article.

Article 10 passed by voice vote.

Article 11: To see if the town will vote to raise and appropriate the sum of Four Thousand dollars (\$4,000.00) for the purpose of purchasing a propane tank for the Library/Highway Department heating needs. (*Selectmen recommend*)

Moved by Gail Cromwell, second by George Willard

Tim Fiske, spoke to the article.

Article 11 passed by voice vote.

At this point, Cullinan told the voters that Greenville had already voted to continue the joint Police Force. He then asked if Article 13 could be moved ahead of Article 12, since Article 13 pertains to the contract and Article 12 pertains to moving ahead with a single town police force. All were in favor.

Article 13: To see if the Town will vote to authorize the Selectmen to enter into a 2 year inter-municipal agreement for provision of police services pursuant to RSA 53-A with the Town of Greenville on such terms and conditions as specified in a contract approved by the Attorney General's Office. This article is contingent upon passage of a similar warrant article by the Town of Greenville. (*Majority Ballot vote required*) (*Selectmen Recommend**) *Revised 3/1/16

Moved by Gail Cromwell, second by George Willard.

Chief Jim McTague spoke to this article and stressed the communications between the towns. He also spoke of Temple being able to end the contract mid-term should they so desire.

Article 13 passed by secret ballot: 118 Yes to 27 No

Article 12: To see if the town will vote to raise and appropriate the sum of Thirty One Thousand dollars (\$31,000.00) as additional funds to be added to the Police budget for the purpose of re-establishing a Police Department within the Town of Temple. This anticipates the expiration on March 31, 2016 of the Inter-municipal Agreement between the Towns of Temple and Greenville for the provision of Police Services. (*Selectmen recommend*)

Since Article 13 passed, Gary Scholl motioned to Table Article 12, second by George Willard.

Article 12 was tabled by voice vote.

Article 14: To see if the Town of Temple, NH will vote to oppose the installation of a natural gas pipeline as part of the Northeast Energy Direct project by Tennessee Gas Company LLC, a Kinder Morgan Company.

- a. Whereas, the release of contaminants from drilling will jeopardize our aquifers, drinking water and wetlands.
- b. Whereas, the known emissions of toxins related to the compressor station as well as, blow-downs will impact the health of town residents.
- c. Whereas, the proximity of the compressor station to Temple's Elementary School, also used as Temple's Emergency Shelter, will not only impact the health and safety of the students but in the event of a pipeline related catastrophe it will also impact the town's ability to provide an emergency shelter.

d. Whereas, the town's lack of equipment or personnel to respond to a pipeline explosion, leak or other malfunction emergency will endanger the safety of our residents.

e. Whereas, this project will negatively impact town property values.

The Northeast Energy Direct project threatens a healthy living atmosphere for both residents and wildlife and violates the Temple Master Plan to "protect the health, safety, security, and welfare of all inhabitants of Temple" (Town of Temple Master Plan 2003, p.89).

Moved by Gail Cromwell, second by Ken Caisse.

Sean Radcliffe, spoke to the article.

Article 14 passed by unanimous ballot card vote.

Article 15: To see if the town will vote to raise and appropriate the sum of Two Thousand dollars (\$2,000.00) to cover air testing equipment and analysis to establish baseline air quality in the vicinity of the proposed compressor station for the Kinder Morgan/Tennessee Gas Pipeline Company's Northeast Energy Direct pipeline. (Selectmen recommend)

Moved by Gail Cromwell, second by Ken Caisse.

Sean Radcliffe, spoke to the article.

Amendment proposed by Peter VonSneidern, second by Camilla Lockwood:

~ "...vote to raise and appropriate the sum of Ten Thousand dollars (\$10,000.00)....."

VonSneidern, proposed the increase because he wanted to be sure there was enough money to do or buy whatever the committee felt was necessary to protect Temple.

Amendment passed by voice vote.

Article 15 passed as amended by voice vote.

Article 16: To see if the town will vote to dissolve the Budget Advisory Committee established by vote on article 21 of the March 16, 2002 Town Meeting. (By petition).

Moved by George Willard, second by Ken Caisse.

No one was present to speak to this petition article.

Article 16 failed by voice vote.

Article 17: To see if the town will urge: that the Congress and President, as well as the NH Legislature, take concrete steps to fight big money politics and restore government to the people, including the following measures:

1. Overturn Citizens United;
2. Ban Super PACs;
3. Require that all political donors' names be made public; and
4. Establish small-donor, citizen-funded elections.

The record of the vote approving this article shall be transmitted by written notice from the selectmen to the NH congressional delegation and to Temple's state legislators, and to the President of the United States informing them of the instructions from their constituents within 30 days of the vote and again to those elected to office in November 2016. (By petition).

Moved by Ken Caisse, second by George Willard.

Honey Hastings, spoke to the Article.

Article 17 passed by voice vote.

Move to adjourn by Debra Harling, second by Cody Charron.

Town Meeting adjourned, March 12th, 2016 at 12:00 noon.

Respectfully submitted by

Wendy Drouin, *Temple Town Clerk*

Taxes Assessed

The breakdown of Property Tax Rates for 2016 were as follows:

Town of Temple	\$ 5.81
Hillsborough County	1.28

Board of Selectmen
Town of Temple
P.O. Box 191
Temple, New Hampshire 03084

Dear Board of Selectmen:

During the course of our 2015 audit we identified certain areas where improvements and/or efficiencies could be made that were not included in a formal management letter. The following summarizes these issues very briefly:

- Receivable reconciliations should be completed on a monthly basis and be signed by the Administrative Assistant and Collector.

Town's Response:

Receivables reconciliations are in process of being done. The Administrative Assistant will give the Tax Collector general ledger print-outs on a monthly basis of all accounts dealing with taxes. The Tax Collector will complete a reconciliation report which will list any discrepancies to be reviewed and the Tax Collector and Administrative Assistant will sign.

- Proper support should be kept for all adjusting journal entries.

Town's Response:

After an explanation from the Auditors regarding what type of support they will look at, this recommendation can be met. In the 2015 audit the support needed was for the Social Security and Medicare accruals. The support for these accruals can easily be provided.

- All time sheets should be signed for approval and completed on a standard form. Additionally, each employee should have an approved up-to-date personnel action form.

Town's Response:

All employees have been provided with a standard form for recording time. The personnel action forms had already been instituted, however, this was done after the hiring of the sample employee used in 2015.

- Manifests signed by the Board of Selectmen should be retained.

Town's Response:

Payroll manifests signed by the Board of Selectmen for the weeks in which there is no meeting are being forwarded to the Treasurer to be kept in the Treasurer's records.

- The Administrative Assistant collects certain receipts for the Town. We understand that these receipts are recorded in a triplicate receipt book. We recommend that dual signatures be used on these forms to further strengthen controls over incoming receipts.

Town's Response:

The Administrative Assistant and Office Assistant have instituted the recommendation for dual signature on receipts.

We encourage the Town implement these recommendations in order to improve controls and efficiencies. I will be available to discuss these with you in more detail at your convenience.

Sincerely,

Frank R. Biron, CPA
President
