## TOWN WARRANT

To the inhabitants of the Town of Troy in the County of Cheshire qualified to vote in town affairs.

You are hereby notified to meet at the Town Hall in said town on Tuesday, the 8th day of March next, at nine o'clock in the forenoon to act on the following subjects:

Article 1. To choose a town clerk, one selectman for three years, and all other town officers.

Article 2. To see what action the town will take upon the budget submitted by the budget committee.

Article 3. To see if the town will vote to raise and appropriate such sums of money as may be necessary to defray the following town charges for the ensuing year:

- a. Town officers' salaries.
- b. Town officers' expenses.
- c. Election and registration.
- d. Town hall and other buildings.
- e. Parks and playgrounds.
- f. Legal fees, vital statistics, and miscellaneous.

Article 4. To see if the town will vote to raise and appropriate a sum of money for snow removal and sanding.

Article 5. To see if the town will vote to raise and appropriate a sum of money for oiling and general maintenance of highways and bridges.

Article 6. To see if the town will vote to accept State Aid for construction and maintenance of Class 5 roads, and to raise and appropriate the sum of \$310.81 for same to which the State will contribute \$2,072.10, if appropriated.

Article 7. To see if the town will vote to raise and appropriate the sum of \$610.00 to defray the town's share of the Federal Social Security Act (Old Age and Survivors Insurance), or take any action relating thereto.

Article 8. To see if the town will vote to raise a sum of money for street lighting.

Article 9. To see if the town will vote to raise and appropriate such sums of money as may be necessary for the support of the poor and old age assistance.

Article 10. To see if the town will vote to allow a discount on all taxes, excepting poll taxes, paid on or before dates designated at this meeting.

Article 11. To see if the town will vote to raise and appropriate a sum of money for the support of the fire department.

Article 12. To see if the town will vote to raise and appropriate a sum of money for the support of the police department.

Article 13. To see if the town will vote to raise and appropriate the sum of (\$3,000.00) three thousand dollars, for the maintenance and operation of the Water Works.

Article 14. To see if the town will vote to raise and appropriate the sum of (\$100.00) one hundred dollars, for the purchase of the water rights to Perkins Pond, dam and small area of land near same, for the Water Works. The aforesaid mentioned being held for the Water Works until said meeting.

Article 15. To see if the town will vote to raise and appropriate the sum of (\$2,000.00) two thousand dollars, for the purpose of purchasing, installing, and erecting a pump, fittings, and building at the so-called New Rock Well development. Necessary for an emergency supply to the water system.

Article 16. To see if the town will vote to raise and appropriate the sum of \$4,000.00 to pay water bonds at maturity and \$1,755.00 interest.

Article 17. To see if the town will vote to raise and appropriate a sum of money for the employment of a district nurse.

Article 18. To see if the town will vote to raise and appropriate the sum of \$800.00 toward the support of the Elliot Community Hospital.

Article 19. To see if the town will vote to raise and appropriate a sum of money for the care of the town dump.

Article 20. To see if the town will vote to raise and appropriate a sum of money for the care of shade trees.

Article 21. To see if the town will vote to raise and appropriate a sum of money for the observance of Memorial Day.

Article 22. To see if the town will vote to raise and appropriate a sum of money for the continuation of the War Memorial program.

Article 23. To see if the town will vote to allow the American Legion the use of the Town Hall one night each month without charge.

Article 24. To see if the town will vote to raise and appropriate a sum of money for the support of the public library.

Article 25. To see if the town will authorize the selectmen to administer or dispose of any real estate acquired by the town through tax collector's deed.

Article 26. To see if the town will vote to raise and appropriate a sum of money for the care and improvement of cemeteries.

Article 27. To see if the town will vote to raise and appropriate the sum of \$183.00 (1/100th of 1% of the valuation of the Town) to the Monadnock Region Association of Southern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages

of the Town, in cooperation with the other thirty-seven towns of the Monadnock Region.

Article 28. To see if the town will vote to raise and appropriate the sum of \$75.00 to defray the cost of the Civil Defense program now being conducted in the State of New Hampshire, or take any action relating thereto.

Article 29. To see if the town will vote to instruct the selectmen to borrow money to pay town charges.

Article 30. To hear the reports of agents, officers, or committees heretofore chosen, and take any action relating thereto.

Given under our hands and seal this 11th day of February in the year of our Lord 1955.

CALVIN W. CUMINGS,  
FRANKLIN L. LANG,  
L. E. RAY HALE,

Selectmen.

A true copy of Warrant—Attest:

CALVIN W. CUMINGS,  
FRANKLIN L. LANG,  
L. E. RAY HALE,

Selectmen.

## BUDGET OF THE TOWN OF TROY

---

### REPORT OF THE FIREWARDS

During 1954 we answered 14 calls; two of these were general alarms and 9 were chimney fires. We were very much pleased to find that we had no calls to the public dump and congratulate the selectmen for controlling this situation and removing this extreme fire hazard.

The Fire Department is in good condition. We have purchased considerable new hose and have renewed a good deal of the street wiring on our fire alarm system. This system must be extended, particularly inasmuch as in the not too far distant future, the dial telephone system will be installed and we will lose the present close cooperation of the Telephone Company who have been so very helpful in operating our present fire alarm system over many years. We appreciate the loyalty and good service extended not only by the members of the Fire Company but by the interest shown by the citizens of the town. We are very fortunate in having available the test drill yard of the Meadowood Fire Department in Fitzwilliam with whom we are cooperating.

Respectfully submitted,  
WILLIAM J. PRARIO,  
ROBERT H. CONGDON,  
GEORGE K. RIPLEY,

Firewards.

---

### REPORT OF FIRE DEPT. 1954

James Orkins, chimney fire.  
Orland P. Goodnow, chimney fire.  
Troy Blanket Mills, general alarm.  
Wm. Wilder, chimney fire.  
Lampinen Est., chimney fire.

James Orkins, chimney fire.  
 Harry May, grass fire.  
 John Silander, chimney fire.  
 R. Oman, chimney fire.  
 Clifford Briggs, chimney fire.  
 Hydrant test.  
 Mildred Hobbs, chimney fire.  
 Ace Hearts (Bailey), chimney fire.  
 Francis Johnson, general alarm.

ROBERT H. CONGDON,  
 Clerk.

YEARLY REPORT OF DISTRICT NURSE

Jan. 1, 1954 to Jan. 1, 1955

Number of Visits:

Medical	272
Surgical	44
New born	5
Medical taken to State Hospital	1
Medical taken to Keene Hospital	1
Medical taken to Keene Clinic	2
Medical free follow up	10
	<hr/> 335

Cash

\$333 75

Due from N. H. State Welfare

4 00

Turned over to Assoc. Treas.

---

\$329 75

As usual much welfare work is done. Clothing and foot wear is given to the nurse and she gives these articles to those needing and to those who ask for same. This past year, repair was needed on shoes, rubbers and overshoes, and as a fund was allotted by the town, the nurse has used same, instead of paying from her own money as in all previous years.

During the year New Hampshire State Nurses Assoc., District Nurse Assoc., and Nurse-Teachers meetings were held, which the nurse is expected to attend, which I have.

During 1954 much work has been done for the School Children. T.B. Patch test was given, with a few who were recommended to have X-ray and the nurse took these children to Keene for X-ray, with no active cases found. Glasses were

obtained through the Lions Club of Keene and through the State for several. Also Dr. Ford gave his services to remove tonsils from one child who was showing a great loss of hearing. Through the American Legion and Auxiliary of Troy, one child was given extensive services on his teeth. Also some of the local orders have donated money so that some child could have milk. For all this the Nurse is appreciative.

HARRIET H. T. BROWN, R.N.,  
District and School Nurse.

## AUDITORS' CERTIFICATE

---

Troy, N. H., Jan. 26, 1955

We hereby certify that we have examined the accounts of the Selectmen, Treasurer, Town Clerk, Overseer of the Poor, Tax Collector, Water Rent Collector, Trustees of Public Library, Water Commissioners, and District Nurse Association and find the same correctly cast and properly vouched.

HAROLD E. BOYDEN,  
HARRY T. NISH,  
Town Auditors.

## WAR MEMORIAL RECREATION COMMITTEE REPORT

---

The 1954 season was a success in many ways. The usual good program at the Sand Dam was in evidence. The children of Keene came daily under the same arrangements as last year. Marlboro children came once a week during their six-week summer program. Mrs. Alyce Dubina filled in for one week while Mr. Staples was absent due to illness.

The baseball field was used by the Fitzwilliam AA and in return they did an excellent job of caring for the ball grounds during the summer.

The concession stand was again run by a class from Troy High School under the direction of Mr. Trask.

A new bath house was started in the fall. Exterior construction has been finished and interior walls and dressing booths will be finished this spring. The Boy Scouts planted 500 red pine north and east of the bath house.

The tennis courts had another coat of asphalt and sand. One more coat this coming spring should result in a good finished playing surface. Lights have been installed on the center post and the area will be available for evening activities, such as roller skating, and may be flooded during the winter for safe ice skating.

The City of Keene Recreation Department paid \$400.00 for the use of the area. The Town of Marlboro Recreation Department gave 1,000 feet of lumber for the new bath house for their use of the area. This more than compensated for the free use of the area last year when the Marlboro Recreation Department was not in a position to pay for their use of the area.

The War Memorial Committee met on Jan. 19, 1955 with all but one member present. Plans were made for the coming season. Complete agreement was reached on the following:

1. To hire Mr. Ralph Staples as director of the summer program at the same salary as last year.

2. To hire Mr. Eberhardt Reichmann as assistant to Mr. Staples. Mr. Reichmann was a public school teacher in Germany for three years. He taught in this country under UNESCO for one year and at present has a teaching fellowship for his masters in languages at the University of Cincinnati. He has had considerable waterfront experience and is an expert Red Cross Life Saving Examiner.

3. To arrange for part time duty with Harold Johnson.

4. To allow Keene use of the area under the same conditions as the past two seasons. To re-emphasize that their life guards are to be responsible to Mr. Staples as director of the waterfront.

5. To allow Marlboro use of the area. Financial and other arrangements to be made later when their program is organized.

6. To allow use of the baseball field by the Fitzwilliam AA under the same conditions as last year.

7. To allow the "concession stand" to continue under school supervision.

8. To arrange for rainy weather programs, either at the Town Hall or the school gymnasium.

Sand Dam funds not included in town appropriation :

Bank balance	\$77 62
Keene	400 00
Donald Holbrook (Donation)	25 00

---

\$502 62

Disbursements :

Town—for asphalt and sand	\$150 00

### TROY WAR MEMORIAL SUMMER PROGRAM REPORT

---

The 1954 summer recreational program at the Sand Dam had a successful season with many new activities. The total attendance figured on a cumulative basis was five thousand children-days from Troy. This figure does not include adults and the Keene children.

A typical day of the summer program would consist of the following activities:

9:30-10:30 A. M.	Beginners swimming lessons
	Intermediate swimming lessons
10:30-12:00 A. M.	Craft Work
	Junior Life Saving
1:30-3:00 P. M.	Baseball game
3:00-4:00 P. M.	General swimming
	Volley ball and other games

(On alternate days canoeing and boating instructions replace arts and crafts work).

The athletic program consisted of team sports and individual activities. Baseball games were played with the Keene and Marlboro playgrounds. Two age groups averaged two games a week. The Troy teams had a successful season.

The second annual tri-town swimming meet was held at the sand dam. It consisted of swimmers from Troy, Keene, and Marlboro. Troy placed first.

The new tennis courts were a valuable addition to the program, equipment and tennis instructions were provided.

Several special events were held during the summer. Among these were the track and field day and the hike up Mt. Monadnock. Peanut hunts and special games were organized for the youngest age group.

Archery as a sport was introduced for the first time and it proved to be very popular.

Our swimming team entered the New Hampshire state swimming championship meet held in Manchester, New Hampshire. Harold Johnson placed first in 50 yd. backstroke and Raymond Woods placed third in diving.

Red Cross beginner, intermediate, swimmer, and Jr. life saving cards were awarded to the classes that earned them. These achievements represent a considerable amount of work by the boys and girls of Troy.

The staff wishes to express its thanks to all the people who contributed to the success of the program.

Respectfully submitted,  
RALPH L. STAPLES,  
WHALEN DUNN.

## SCHOOL WARRANT

---

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Troy qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 8th day of March, 1955, at 10:30 o'clock in the forenoon, to act upon the following subjects:

To bring in your votes for the election of the following officials:

1. A Moderator for the coming year.

A Clerk for the ensuing year.

A Member of the School Board for the ensuing three years.

A Treasurer for the ensuing year.

Polls open at 10:30 P. M. March 8, 1955; close at 6 P. M.

You are hereby further notified to meet at 10:30 A. M. on March 8, 1955 at the Town Hall to act upon the following subjects:

2. To determine and appoint the salaries of school board and truant officer, and to fix the compensation of any other officers or agent of the district.

3. To hear the reports of agents, auditors, committees, or officers chosen, and to pass any vote relating thereto.

4. To choose agents, auditors and committees in relation to any subject embraced in this warrant.

5. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officers, auditors and agents, and for the payment of the statutory obligations of the district, and to authorize the

application against said appropriation of any sums as are estimated to be received from the state equalization fund, together with other income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

6. To see if the district will vote to raise and appropriate the sum of two thousand nine hundred dollars (\$2,900) as a deficit appropriation to be made available prior to June 30, 1955; to meet the cost of extra teacher service and necessary alteration work on the Ripley Homestead building, not contemplated or included in the present budget.

7. To see if the district will vote to raise and appropriate the additional sum of \$3,623.18 to complete all obligations outstanding against the school addition building account.

8. To take up any other business which may legally come before the meeting.

Given under our hands at said Troy this 10th day of February, 1955.

F. FULLER RIPLEY,  
Chairman,  
ROGER C. SMITH,  
ERNEST L. WOODBURY,  
School Board.

A true copy of Warrant— Attest:

F. FULLER RIPLEY,  
ROGER C. SMITH,  
ERNEST L. WOODBURY,  
School Board.

## REPORT OF THE PRINCIPAL OF THE TROY HIGH SCHOOL

---

To the Superintendent of Schools:

I herewith submit my fourth report as principal of the Troy High School.

The construction of the, long sought and much needed, addition of three elementary rooms, a combination auditorium-gym and lunch room, locker rooms with showers, and kitchen has made possible a much improved educational program for the youth of Troy. The addition was practically finished when school started in September. As principal of this institution, I am aware of the great significance of this contribution by the citizens of Troy. I feel that this report should be focused upon the improvements in our program resulting from the addition.

**Return to Normal Schedule**—Probably the greatest contribution of the addition is the elimination of the emergency two-session program which we endured for three years. Under the program the 7th and 8th grades were required to attend school from 12:15 until 5:15 p.m. This group is now back on a normal schedule. The high school now attends school from 8:00 a.m. until 2:45 p.m. A 25-minute lunch period is scheduled at 12:35 p.m.

**Physical Education Program**—With the availability of a gym and shower and locker facilities, a physical education program for all boys and girls in grades 7-12 has been initiated. This program is of course in its infancy and a more extensive program will develop. At present each pupil has physical education for two periods each week engaging in such activities as volleyball, badminton, tumbling, basketball, and group games. Director of the physical education program is Mr. Herbert Silander.

**Home Economics**—The old lunchroom is now being changed over into a full time Home Economics room. Home

Economics is now taught to all girls in grades 7 and 8. It is offered as an elective for two years in high school. Mrs. Jean Fletcher, present Home Economics teacher, has shouldered the task of working out a syllabus in advanced Home Economics to provide a four-year program in high school.

**Art Program Improved**—We have had an Art course offered for two years, but have never had adequate storage and instructional space. Now the old kitchen storage has been utilized by the Art Department and the Home Economics room is made available all day Friday for Art classes. We are extremely fortunate to have on our staff Miss Ruth Lamb who has done a superb job of rebuilding interest in this field. All pupils grades 1-8 take art for one period each week. Grades 9 and 10 in high school are required to take one period per week in this subject while it is offered as an elective in grades 11 and 12.

**Library**—A room on the top floor of the old building is being converted to a library room. At present some book-cases have been installed, reference books, and magazine subscriptions acquired, and some supplementary reading books in the non-fiction area are available.

We are taking advantage of the State Library Bookmobile which has been very cooperative by leaving approximately 100 different books each month as a loan to our library. The pupils help pick out the books and consequently they get read much more thoroughly, being of interest to them. Many improvements must be made before our library is adequate for this size school, but we are making progress.

**Assembly Programs**—We now have the auditorium and stage which enables us to hold regular assembly programs. This is an entirely new undertaking for never before have we had space to seat all members of the school in one room. Some of the types of programs which have been arranged this year are: Rally; Student Council Elections; Freshman Initiation; Plays; Debates; Educational Movies; and professional entertainments.

**New Program Attracts Tuition Pupils**—This year ten (10) students have enrolled at Troy from Fitzwilliam. We will be

able to absorb approximately 30 more tuition pupils in our present high school without overcrowding. Our high school enrollment should exceed 100 pupils by next year.

**Driver Training Program**—Through the fine contribution of the Monadnock Garage of Troy, a new 1955 Chevrolet training car has been made available for joint use of Troy and Marlboro High Schools. This car was donated in memory of the late Charles Lepisto Sr. This is the first year that Troy has offered this course in Driver Training and it is already proving popular and very beneficial. The course is under the direction of Mr. Albert Furlong who has the program operating smoothly. At the present time there are 12 pupils taking the course which consists of 20 classroom hours of study (traffic laws, good driving habits, knowing your automobile) and 20 hours of driving.

**Staff Changes**—As school opened in September 1954 we found the following new faces appearing on our staff:

Mrs. Marion Starkey of Troy, formerly the kindergarten teacher, has been employed as a part time teacher in grade 1, which has an enrollment of 50 pupils. She works with Mrs. Moore for about three hours each day.

Mr. Herbert Silander, who attended two years of college at Springfield and then transferred to Keene Teachers College to obtain his B/Ed degree, replaced Mr. Russell McLaughlin, who married and took his bride to Alaska where they both are doing teaching and missionary work with the Indians. Mr. Silander is teaching English and Social Studies in grades 7-8. He has the added duties of High School Physical Education director and coaches varsity sports.

Mr. Albert Furlong, a graduate of Keene Teachers College with a major in Trades and Industries, has replaced Mr. Leonard Littlefield in the Shop. Mr. Littlefield accepted a teaching position in the junior high at Salem, N. H. Mr. Furlong brings much practical knowledge into his classes having spent seven years in the field of mechanics and construction. He is also teaching Math and Driver Training.

Mrs. Jean Fletcher, after much persuasion consented to leave her duties in her home and assume the task of building

up our Home Economics Department. Mrs. Fletcher majored in college in Home Economics and Science. She has assumed the duties left by Mrs. Hamilton who is now devoting her entire teaching time to Marlboro.

Miss Ruth Lamb a graduate of the College of Practical Arts and Letters, Boston University, and two years of teaching experience in Sutton and Oxford, Mass., replaced Mrs. Stella Eaton in the Art Department. Mrs. Eaton left the teaching field to assume family responsibilities. Miss Lamb has been very effective in building interest in the field of Art and has the program operating exceptionally well.

I have attempted to provide a view of the developments here in the Troy School, but one major problem is arising and I feel obligated to comment on it. The problem as I view it is that of **Teacher Load**. We are at present operating this school, understaffed particularly in the High School Area. The teachers in Troy are not only called upon to furnish instruction in the classroom, but also must assume the heavy load in extra-curricular. It is imperative in a small school, of this calibre, that teachers do assume a greater load than in larger schools, but it is also imperative that the load be such and the salary be such that teachers of the highest calibre are willing to remain here for several years. Nothing is more injurious to a well functioning program than the turn over of a teaching staff. After making a thorough study of our program and present staff load I therefore recommend that we obtain at least the equivalent of another teacher and a half for next year's program. I further recommend that teachers be hired with consideration given to their obligations in co-curricular work as well as their classroom work.

In closing I wish to commend you, the superintendent of schools, and the Troy School Board for your devotion and hard work. It has made my work very enjoyable and rewarding knowing that the interests of the children have been foremost in your minds.

Respectfully submitted,

CORRIDON TRASK JR.,

Principal.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

A year ago we looked forward with hope and expectation to the new addition to our school. Today, I feel sure we all look with pride and satisfaction on that addition and on the benefits it has already brought to our school pupils and the community. Indeed, we on the school staff are wondering how we ever got along in the past without the extra classrooms and the benefits of the auditorium-cafeteria-gymnasium combination. There is a definite 'pride in ownership' apparent when visitors come to the building.

In a recent issue of The New Hampshire Architect magazine, some forty school buildings constructed in New Hampshire during the past year, were listed with their costs etc. . . . It was interesting to note that on a square foot basis of cost, the Troy

addition was constructed at the least cost, and on a cubic foot basis, was second lowest in cost. This economical cost was achieved despite the fact that our building is complete with acoustic tile ceilings in classrooms and the auditorium, sponge rubber safety panels on the gym. walls; drinking fountains and wash basins in each room and other up-to-the-minute equipment. These facts seem to me to point to an excellent job done by the architect, Mr. Norman Randlett and by the school board and building committee; a job which merits the generous praise of the community.

It goes almost without saying that the educational program at Troy will become the equal of any high school in the area and that the lives of the children of Troy will be enriched and improved in our new educational environment. Improving the minds and lives of our children is the surest way of improving the community and the nation.

DR. CHARLES L. BOWLBY,  
Superintendent.

------------------------	-------	------------

**RECEIPTS**

Rentals	\$2,400 00
Balance to credit of school district	\$300 00

The Ripley Homestead building, given to the district by Mr. George Ripley, has now been converted into a four tenement apartment house for our school teachers. There are three four-room apartments and one two-room and kitchenette apartment.

The availability of this building for teachers makes it possible for six members of our staff to live in the community where they work, and where other living quarters would be very difficult to obtain.

The following alterations have been made in the building :

1. The main front stairway has been extended to the top floor.
2. The main front stairway has also been extended to the basement.
3. One bathroom has been added.
4. Three kitchens have been installed.
5. Extensive re-wiring and alterations have been made to carry the extra current load.
6. Extensive plumbing alterations were necessary.
7. Seven rooms have been painted and papered.

The Ripley Building is structurally sound, the building well painted and the roof good. However, some additional repairs are needed on porch areas this summer. It is hoped that each year the budget will permit a fair balance to be returned to the district on the operation of the building.
