TOWN WARRANT

To the inhabitants of the Town of Lancaster qualified to vote in the town affairs:

You are hereby notified to meet at the Town Hall in said town on the second Tuesday of March next, at 10 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Town Clerk for the ensuing year.

2. To choose one Selectman for three years, a Treasurer, a Prosecuting Agent, one Trustee of trust funds for three years, one Library Trustee for three years, three members of the Col. Town Spending Committee for three years and other necessary officers for the ensuing year.

3. To see what sum of money the town will vote to raise for the following purposes:

First: To meet current expenses of the town and apply on the principal and interest of the town debt.

Second: For Highways and Bridges and Town Maintenance.

Third: For building and repairing sidewalks and sewers.

4. To direct how money raised for any of the above purposes be expended.

5. To see if the town will accept state aid for construction of the Class 2 road known as Dalton Road and raise and appropriate or set aside for said purpose the sum of \$3237; or will accept state aid for construction of Class V roads and raise and appropriate or set aside for said purpose the sum of \$597.25.

6. To see if the town will vote to authorize the Selectmen to hire money on temporary notes in anticipation of taxes, covering period from March 12, 1935 to the Annual Meeting of 1936.

7. To see if the town will vote to dredge the brook above and below the John Smith Bridge and raise money for the same.

8. To see what action the town will take in regard to purchasing a small truck and raise money for the same.

9. To see what action the town will take in regard to repairing the north branch Bridge and raise money for the same.

10. To see what action the town will take in regard to remodeling the "Old Planing Mill" for housing snow-removal machinery and raise money for the same.

11. To see what action the town will take in regard to laying an overflow from the Middle Street sewer and raise money for the same.

12. To see what action the town will take in regard to building a road from the turn on the Martin Meadow road leading to Catbow Farm to State road near the so-called Hodgdon Farm and raise money for the same.

13. To see if the town will vote to appropriate a sum of money not to exceed \$800 to provide free public band concerts and raise money for the same.

14. To see if the town will vote to re-surface Pleasant Street and raise money for the same.

15. To see if the town will vote to build a concrete sidewalk on Main Street from the B. & M. railroad crossing North and raise money for the same.

16. To see if the town will authorize the Selectmen to administer or dispose of any real estate acquired by the town through Tax Collector's deeds.

17. To see if the town will vote to adopt the provisions of the Municipal Budget Act.

18. To see if the town will vote to discontinue that portion of the Daniel Webster Highway as formerly travelled but now unused by reason of the construction of the "Brown's Crossing Cut-off," so-called, in accordance with Chapter 79, Section 1,

Public Laws of New Hampshire; with the understanding that such discontinuance does not take effect until the Selectmen have licensed to the utilities having pole locations now standing in the section to be discontinued, in accordance with Chapter 97, Sections 1, 2, 8 and 9, Public Laws or its equivalent under the Public Laws at the time of discontinuance of said highway.

19. To see what action the town will take towards paying part of the purchase price of the Maxim Fire Pumper to Lancaster Fire Precinct and raise money for the same.

20. To see if the town will vote to rescind any action heretofore taken in regard to purchase or otherwise acquisition of a municipal electric light plant.

21. To see what action the town will take in regard to acquiring or establishing a municipal plant for the purchase of supplying in the town electricity for the use of its citizens and others and for such other purposes as the town may from time to time authorize and direct, in accordance with an act passed by the General Court at the 1935 session thereof.

22. To see if the town will vote to use its Trust Funds to finance the floating debt of the town.

23. To transact any other business which may legally come before said meeting.

Given under our hand and seal at Lancaster, this 25th day of February, 1935.

O. E. WENTWORTH,
ARTHUR F. STICKNEY,
GEORGE E. STONE,
Selectmen of Lancaster.

A true copy, attest:

CHAIRMAN'S REPORT

The past year has been rather uneventful as far as the responsibility of the Spending Committee is concerned except to keep the appropriations within the amount of money available. Two rather significant factors have developed; first, the income has been substantially reduced and second, the people of the town have established rather fixed projects which, if met, limit the activity of the committee in regard to distribution of the fund.

In the past, spending was roughly divided into two groups, fixed projects and new developments. Reference has already been made to the former group. The second group included such spending as tennis court, hall, arches, etc. at the camp, etc. In former years when this type of spending was possible the income amounted to about \$22,000. Now with a reduction to \$16,000, or about \$6,000 less, not only the new developments had to be discontinued but marked reductions were necessary in "fixed" appropriations in order to keep within the available income.

Just what the solution of this problem may be remains with the residents of the town. The committee has always tried to distribute this fund in a manner to satisfy the townspeople and with the "greatest good to greatest number" always in mind. It remains with the people to decide whether the present projects are the most desirable or some new development would be preferable.

The fund was relieved and the town also served, when the Kiwanis Club assumed the responsi-

bility of the Playground. More activity of this type would make possible wider distribution of the fund.

With the reduced income this year the committee has given more time and thought to a fair and just distribution of the money and in making reductions in allotments did so only that they might keep within the income available to spend. They ask the indulgence of those that may differ with them in matters of judgment in the spending of this income.

In conclusion, may it not be suggested that it would be good for ourselves and our fellow townspeople and for the community itself, if fewer requests were made of the Col. Town Spending Committee, lest we get into the habit of having this income do for us those very things that in the doing ourselves gives satisfaction and tends, by joint community effort, to bring us closer together, more willing to work for the town than now. Perhaps in this reduced income now available, we all have a challenge for greater personal service and effort.

Respectfully submitted,

DAN A. O'BRIEN,
Chairman.

SECRETARY'S REPORT

The Col. Town Spending Committee is composed of nine members elected for a period of three years at the annual town meetings. Three members of the committee are elected each year. In 1934 Dr. W. M. Bronson was re-elected, while L. E. Bragg was elected to replace Fred C. Congdon and Mrs. W. L. McCarten was elected to replace Mrs. Lester Moses.

At present the committee is made up of Dan O'Brien, Enos Fay and Miss Evelyn Moyle, whose terms expire in 1935; Carroll Stoughton, Rev. R. P. McClintock and Mrs. Harold W. Lane, whose terms

expire in 1936; Dr. Wm. M. Bronson, L. E. Bragg and Mrs. W. L. McCarten, whose terms expire in 1937.

Officers for 1934 were Dan O'Brien, Chairman; Miss Evelyn Moyle, Secretary; Enos G. Fay, Treasurer. Special committees for the year were as follows:

House Committee—Dr. Bronson, chairman; Miss Moyle, Mr. McClintock.

Field Committee—Mr. Stoughton, chairman; Mr. Bragg, Mr. Fay.

Scholarship Committee—D. M. White, chairman, Mrs. McCarten, Mr. Stoughton.

Camp Committee—Mr. McClintock, chairman; Mrs. Lane, Mr. O'Brien.

To make possible the fair and equitable distribution of the funds, most of the appropriations were made this year after all the income was received by the treasurer. The exception were those appropriations that had to be made earlier to be effective. Appropriations in this class included scholarships, etc. Because of curtailed income no new projects were carried on this year, the money all being used to meet demands and in nearly all of these requests reductions had to be made to keep within the income. Following request in the will, flowers were placed on Col. Town's grave each week on Saturday during the summer.

Col. Town school prizes established before he died were continued on the same basis as 1933 and gave each contestant in the prize speaking group something with larger awards for prize winners.

One of the most successful projects in 1934 was the tennis courts. These were open to the public every week day from 8 a. m. to 7.30 p. m. and on Sunday from 1 p. m. to 6 p. m. In order to give the court privilege to the largest number, use was limited to one hour and bookings were made by

matches instead of for individuals. Otherwise four people kept the courts for four hours, if booked individually.

Fortunately all requests for scholarships were met although the amount per person was reduced in 1933, and several were transferred to the Unity Club fund. This work was carried on by a special committee of which D. M. White acted as chairman. The committee feel indebted to Mr. White for the effective way he has handled the scholarship fund, having acted as its chairman since its inception. Mr. White is the only one except committee members that has acted on any committee and was drafted for this service because of his knowledge of scholarship funds and his keen interest in the project.

Support was given to the Juvenile branch of the Library which has developed into a real source of value to our young people. A special trained leader is in charge.

An appropriation was made to reimburse Mr. Grondin for the use of his rink by youth of the town. The committee are strongly in favor of supervised and safe skating and Mr. Grondin's rink affords both.

The appropriation to the Golf Course carried the privilege to people of the town for 1935 of use of the course one day each week free except Saturday, Sunday or a holiday. This enables people to fit their golf into their free day and is better than having a fixed free day.

Rural people again requested help in the transportation of children to the High School. The committee restricted this to children living more than two miles from the school building. Wm. R. Galbraith had charge of the arrangements and detail of transportation.

An appropriation was made to the Lancaster Band to reimburse them for the free weekly concerts given during the summer months.

Prizes won at the Lancaster Fair by 4-H boys and girls living in the town of Lancaster were paid by the Spending Committee. This included basically a group of rural youngsters.

A small appropriation was made the Outing Club to provide supervision of the toboggan chute and the coasting on Williams Street.

Some slight repairs were made to the building during the year, most of which were minor. Only necessary money was spent on the property.

Vic Leavitt, the first caretaker at the camp, was forced to give up his job early in the spring of 1934 because of ill health. His brother Frank carried on for him during the year. Vic had made many friends who missed him and the natural easy way he had of making people feel comfortable.

The Community Hall has been given many times during the year to charitable, town and other public functions. It is the committee's endeavor to make the community house play a real part in making life pleasanter for the people of Lancaster.

Respectfully submitted,

EVELYN MOYLE,

Secretary.

A fairly accurate survey of the use made of the building discloses:

a. Patrons paid for and rolled 1794 strings on the alleys. Women rolled free of charge 606

strings. These do not include the vast number rolled by school pupils for which no charge is made.

b. The Hall has been used for basketball activities a total of 425 hours.

c. The building has been used for other special purposes an aggregate of 329 hours.

d. Parties 31, Dances 15, Basketball games 33, Committee meetings 110.

Boy Scouts and Girl Scout Troops meet each week. Unity Club and Gyro Club meet twice a month except during the summer. W. C. T. U. meetings are held once a month. Flower Show, Prize Speaking Contest, Graduation and Reception were held in the Auditorium.

The building was used the day of the Carnival by about 600 people, young and old. One hundred strings were bowled during the afternoon and evening free of charge.

The tennis courts were opened June 2nd and closed October 11th, 1934. One thousand eight hundred and seventy-eight persons played tennis during that time.

Three hundred visitors were shown through the building.

I wish at this time to thank the citizens of the Town of Lancaster for the many kindnesses shown both Mrs. Daley and myself and especially do we thank the young people who are always so courteous and considerate. It is greatly appreciated.

REPORT OF SCHOOL COMMITTEE

At the last annual meeting of the Town School District held in March 1934, Ralph D. Shute was re-elected for the three year term.

It is the aim of the committee to keep the costs of the schools as low as possible, and still maintain the educational standards demanded by good schools. Further decreases in costs can only come through the consolidation of schools with small enrollments.

WILLIAM R. GALBRAITH, Term Exp. 1935,

CHESTER MARSHALL, Term Exp. 1936,

RALPH D. SHUTE, Term Exp. 1937,

School Board,

Town District of Lancaster.

Lancaster, New Hampshire, 1935.

REPORT OF THE SUPERINTENDENT

*To the Honorable School Board and Citizens
of the Lancaster Town District:*

Enrollment

The number of young children entering our district schools seems to be falling off rather rapidly. In several of the schools the attendance will be less than ten pupils within a few years.

Teachers

One change was made in our teaching staff. Miss Elizabeth Ellingwood of Littleton is in charge of the Elm Ridge school.

Repairs

Only minor repairs were made last summer. Two schools, number five and number ten were painted, and all of the schools were thoroughly cleaned.

Health

The excellent work of the health department was continued this past year. Many cases of adenoids and tonsils were treated, and more dental work accomplished.

4-H Club Work

This splendid work was carried on by Mr. Alden H. Mead at Grange and South Lancaster. It is hoped that this activity may be extended to other schools.

Education As An Investment

In these times of financial chaos, all are looking for opportunities for safe investment. Money placed in stocks and bonds or deposited in banks may be lost, but money invested in education yields a large return in better lives and better citizens.

It is being demonstrated constantly that education also yields large financial returns as evidenced by the excellent positions held by the graduates of Lancaster Academy in all parts of the state.

Wm. G. Fuller.

Lancaster Public Library

As the Library book fund was cut last year the number of books bought have been reduced. While there have been eighty-three new books put into circulation, thirty-three are gifts, for which we are very grateful to the people who donated them. Aside from these a new set of ten volumes of the American Educator encyclopedia have been added.

The circulation at the end of the year reached 18,600, 3,378 being non-fiction—an increase of nearly 2,000 over last year.

During the season, the Library is well patronized by summer residents of adjoining towns.

Seventy-two dollars has been received in fines and turned over to the treasurer.

MARTHA W. BRACKETT,
Librarian.

Juvenile Library Report

Several interesting exhibits have been on display in the Juvenile room of the Library during the year, among them a most intricately carved one of soap figures representing an Eskimo village, made by Miss Gaynelle Bennett.

Activities attracting wide attention were those of Book Week in November, which is a national affair. Contests based on books read during the past year were especially popular. The High School,

Grammar School and the Library united to make Book Week a gala time in the book world. Prizes in the form of books were offered by the Unity, Rotary and Kiwanis Clubs.

In September, the Juvenile librarian attended a White Mountain district Library meeting in Littleton. Many things of value were learned and ideas exchanged.

Number books added during the year were 32, among them five being gifts. Fines turned in to treasurer were \$20.00. Total number of books loaned during year 5,667, number of non-fiction 1,148.

Lancaster Public Library

As the Library book fund was cut last year the number of books bought have been reduced. While there have been eighty-three new books put into circulation, thirty-three are gifts, for which we are very grateful to the people who donated them. Aside from these a new set of ten volumes of the American Educator encyclopedia have been added.

The circulation at the end of the year reached 18,600, 3,378 being non-fiction—an increase of nearly 2,000 over last year.

During the season, the Library is well patronized by summer residents of adjoining towns.

Seventy-two dollars has been received in fines and turned over to the treasurer.

MARTHA W. BRACKETT,
Librarian.
