New Boston, N. H., February 12, 1936.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Citizens of New Boston:

At the close of the last school year Mrs. Lucy Baker terminated her service as a member of our teaching force. In addition to other splendid work, her accomplishment with the music groups was unusual. While it required much patience, perseverance and training, it provided profit for those who participated and enjoyment for all in school as well as many others. Allen Charter of Manchester, a normal graduate, was elected to take up Mrs. Baker's work. In addition to school duties, Mr. Charter has given instruction in "Red Cross Aid" which has received fine response. The groups met in the school building evenings, composed of different groups for school pupils and adults. There have been requests for evening groups in "Shop Work." These, conducted by Mr. Nedeau and Mr. Charter, also provide for school pupils and adults.

The enrollment for the current year is as follows:

Miss Crowell's room:

Grade I, 15; Grade II, 4; Grade III, 10.

Miss Keuhn's room:

Grade IV, 9; Grade V, 8; Grade VI, 10.

Junior High School:

Grade VII, 16; Grade VIII, 6.

Senior High School:

Grade IX, 19; Grade X, 15; Grade XI, 11; Grade XII, 1.

Total enrollment, 124.

A new feature in connection with the classes in English in High School is the broadcasting of plays over WFEA of Manchester. The "Radio Script" for the plays is provided, and broadcasting affords added opportunity and incentive for precision, clearness and correct usage in English.

There are six tuition pupils in High School. The tuition charge here is \$75.19 per pupil for the school year.

The high school is participating in debating with other schools in this section of the State. Such an activity requires much continuous application and effort, but is vastly worth the investment on the part of all who participate. Excellent work has been done by New Boston pupils in recent years along this line.

Compelled to give up active supervision for much of the year, I have not been out of touch with school matters. I wish to express my appreciation of Mr. Holden's capable service in my place. Also, thanks are due the School Board for their kind consideration, and the teachers for their constant faithfulness.

Respectfully submitted,

J. BYRON TARNEY.
