STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of Newfields, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Newfields, on Tuesday, the Tenth (10th) day of March 1986, next, at two o'clock in the afternoon until nine o'clock in the evening to act upon the following subjects:

(BUSINESS MEETING TO BE HELD AT SEVEN-THIRTY O'CLOCK PM.)

1. To choose all necessary Town and School District Officers for the ensuing term.
2. To see what action the Town will take toward the acceptance of reports of Town Officers as printed in the Town report.
3. To see if the Town will vote to authorize the Selectmen, in case of disaster, to apply for, contract for, receive and expend Federal Funds for disaster relief.
4. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend money from the State, Federal or other governmental unit or a private source which becomes available during the year in accordance with the procedure set forth in RSA 31:95-h.
5. To see if the Town will grant a discount of 2% on taxes paid thirty days after the tax bills are mailed by the Collector.
6. To see if the voters will authorize the Selectmen and Town Treasurer to borrow a sum or sums, as needed, in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the Town negotiable notes thereof: said notes to be repaid during the current municipal year from taxes collected within the current municipal year.
7. To see if the Town will vote to authorize prepayment of resident taxes and to authorize the Tax Collector to accept prepayment as provided by RSA 80:1a. If the resident taxes are repealed by the Town, then this article is null and void.
8. To see if the Town will vote to authorize the Water Commissioner, with the approval of the Selectmen, to borrow money in anticipation of revenue.
9. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to be placed in the Capital Reserve Fund for the purchase of a new police cruiser.
10. To see if the Town will vote to raise and appropriate the sum of \$500.00 to help defray the cost of the expenses of the

Rockingham Child and Family Services, which will bring their request to \$1,000.00. (\$500.00 of which is line item #47 in the Town Budget).

11. To see if the Town will vote to raise and appropriate the sum of \$352.00 to help defray the cost of the expenses of the Women's Resource Center.

12. To see if the Town will vote to raise and appropriate the sum of \$530.00 to help defray the cost of the expenses of the Big Brother/Big Sister Organization.

13. To see if the Town will vote to raise and appropriate a sum, not to exceed \$3,000.00, to allow the Selectmen to have Baker Street (Thompson Lane) area surveyed.

14. To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to upgrade and improve Halls Mill Road.

15. To see if the Town will vote to raise and appropriate the sum of Thirty-Five Thousand Dollars (\$35,000.00), for the drilling of test wells in the aquifers, and to explore for additional water sources.

16. On the petition of Susan C. Bonner, and 10 others, to see if the Town will vote to extend the gates and bars, on Halls Mill Road, a distance of Two Hundred feet (200') beyond the southeast corner of property owned by Rolfe and Joanne Voltaire.

17. To see if the Town will authorize the Selectmen to sell the property of Esther Bonner which consists of approximately 1 acre +- of land with buildings, on Hervey Court, Old Map #4, Lots #95 & 96. Such land having been taken in default of redemption.

18. In the event of an affirmative vote on Warrant Article #17, will the Town authorize the Selectmen to sell the property back to Mrs. Bonner for any and all sums owed to the Town, including real estate property taxes, sewer fees and assessments, water fees and any other fees, together with accrued interest. Mrs. Bonner would have 90 days, after today, to settle this matter and if she has not done so, the Selectmen shall sell the property by advertised sealed bids.

19. On the petition of Mark A. Goodrich, and 9 others, to see if the Town will vote to instruct the town's representative to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant shall be stored or disposed of within this Town of Newfields unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at the annual Town Meeting by written ballot.

20. On the petition of Reginald H. Sharp, and 10 others, to request the Town of Newfields, NH to raise and appropriate five thousand(\$5,000.00) for the installation of a handicap ramp at the Library.

21. On the petition of G. Jack Shaw, and 11 others, to see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to employ a full time Administrative Assistant.

22. To see if the Town will vote to raise and appropriate the sum of Thirty-Two Thousand Dollars (\$32,000.00) and remove from the Capital Reserve Fund, the Forty-Five Thousand Dollars (\$45,000.00) previously voted at Town Meeting, and the accrued interest, to purchase a fire truck.

23. To see if the Town will vote to transfer \$100.00 plus \$256.33 in interest as of 12/31/86 and the accrued 1987 interest, from the Capital Reserve Fund to the General Fund. This Capital Reserve Fund was set up to grade the lot across from the Church.

24. To see if the Town will vote to transfer the interest of \$1,514.28 plus the accrued 1987 interest, from the Capital Reserve Salt Shed Fund to the General Fund.

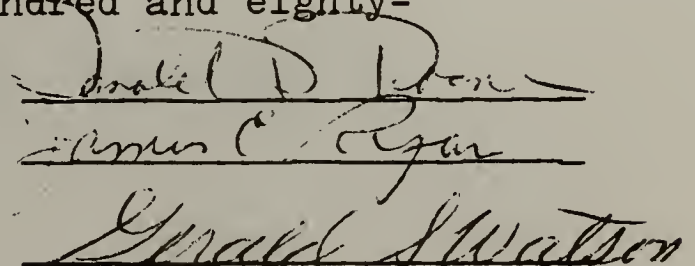

25. On the petition of Faith E. Page, and 9 others, to petition the Town of Newfields to extend the gates and bars on Halls Mill Road, Two Hundred (200') feet on to the property owned by David F. Quigley, for the purpose of building. David F. Quigley is herewith submitting drawings to the appropriate Town Boards for upgrading of said road to class V status. The work will be done at David F. Quigley's expense.

26. To hear the reports of any committee heretofore appointed, and pass any vote relating thereto.

27. To transact any other business that may legally come before this meeting.

28. To raise and appropriate the sum of Two Hundred Ninety-Nine Thousand Three Hundred Twenty-Six Dollars (\$299,326.00) that may be necessary to defray Town charges for the ensuing year. Exclusive of all special articles as listed above.

Given under our hands and seal this Tenth (10th) day of February in year of our Lord, Nineteen hundred and eighty-seven.

Board of Selectmen
 Town of Newfields REVISED

Your summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1986 taxes on the basis of the following figures.

Net Assessed Valuation		\$ 8,407,295.
<u>Taxes Committed to Collector:</u>		
Town Property Taxes Assessed	\$	853,761.
Precinct Taxes Assessed		0.
Total Gross Property Taxes	\$	<u>853,761.</u>
Less: Est. War Service Tax Credits		5,050.
Net Property Tax Commitment*	\$	<u>848,711.</u>
Tax Rate - Town		\$ 101.55
- Precinct Newfields Sewer Dist.		\$ -0-

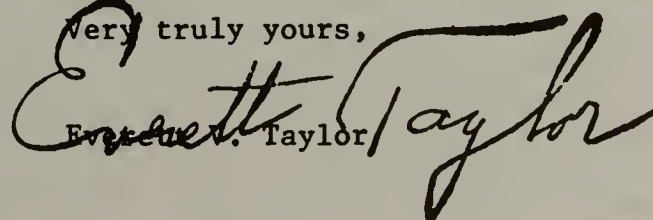

*The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriation.

The net amounts approved for school, county and precincts are indicated below. These amounts are the total monies which should be transferred to each of these units of government.

Net School Appropriations		\$547,414.
County Tax Assessment		\$ 33,991.
Net Precinct Appropriation (1)		\$ 0.

In arriving at the above approved rate the Overlay has been set in the amount of \$ 15,978.

Very truly yours,

 Everett H. Taylor

 (per official tax rate letter)

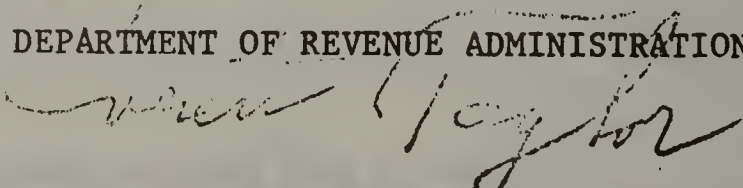

RSA 76:11 provides for delivery of the list (warrant) to the collector within thirty days of receipt of approval of the tax rate unless for good cause the time is extended by the department. The collector shall within thirty days after receipt of the warrant from the selectmen (assessors) send out the tax bills unless for good cause the time is extended by this department.

RSA 76:11-a Information Required. The tax bill which is sent to every person taxed, as provided in section II, shall also show the assessed valuation of all lands and buildings for which said person is being taxed. The 1985 rate breakdown reflects a proportionate share of the Reimbursement a/c Property Exempt by 1970 Special Session for each unit of government.

RSA 76:13 provides that interest at 12% per annum shall be charged upon all taxes except resident taxes not paid on or before Dec. 1, except that in the case where a tax bill was sent to a taxpayer on or after November 2 and before April 1st, interest shall not be charged until 30 days after the bills are mailed. The collector shall state on the bill the date from which interest will be charged.

The tax bill which you mail must contain the date from which interest will be charged and on this date is determined by the date you send the last bill on the list committed to you. RSA 76:13 also requires that you notify this department in writing of the date on which you send the last bill. There is enclosed a form for this purpose.

Board of Selectmen
Town of Newfields
Newfields, New Hampshire 03856

To the Board of Selectpersons:

We have examined the combined financial statements of the Town of Newfields for the year ended December 31, 1986, and have issued our report thereon dated February 6, 1987. As part of our examination, we made a study and evaluation of the system of internal accounting control of the Town of Newfields to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards and the standards for financial compliance audits contained in the U.S. General Accounting Office Standards for Audit of Governmental Organizations, Programs, Activities, and Functions. The purpose of our study and evaluation was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the Town's financial statements. Our study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole or on any of the categories of controls identified above.

The management of the Town of Newfields is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide management with a reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions, or that the degree of compliance with the procedures may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of the Town of Newfields taken as a whole. However, our study and evaluation disclosed the following conditions that we believe result in more than a relatively low risk that errors or irregularities in amounts that would be material in relation to the financial statements of the Town of Newfields may occur and not be detected within a timely period.

MANAGEMENT LETTER: TOWN OF NEWFIELDS

As of December 31, 1986

General Fund

General Fixed Assets

The Town does not maintain records of general fixed assets as a matter of policy. The recording of fixed assets would fulfill the need to provide for physical, dollar value control, and establish accountability for general government capital expenditures over the years.

With the recording of fixed assets, the related depreciation could be determined on an annual basis for the purpose of measuring total cost of governmental services and evaluating the efficiency of programs. The selectmen are in the process of listing and valuing all fixed assets owned by the Town. This comment has been made in prior reports.

Revaluation of Land and Buildings

During 1986, the Town's valuation of property was only 20% of the current fair market value. This presents a burden to the selectmen in trying to arrive at proper land and building valuations of new homeowners, or sale of agricultural land.

It is recommended that the selectmen recognize the need to have all properties assessed at 100% of current valuation. This may be accomplished by having a complete reassessment done by a qualified appraiser. This comment has been made in prior reports.

Trust Funds

During the current audit it was noted that the Trustees of Trust Funds have one checking account and nine separate savings accounts, for the common trust.

It is recommended that the savings accounts be combined into a common trust. This would allow the trustees to allocate income more easily and possibly earn a higher interest rate. This comment has been made in prior year reports.

POLICE DEPARTMENT

For the year 1986 the Newfields Police Department had the following activity. We responded to 206 Complaints filed by residents. 155 cases were processed through the Exeter District Court. 358 persons were issued warnings for motor vehicle violations and 67 persons were issued warnings for OHRV violations. 39 Motor Vehicle accidents were investigated and 2 OHRV accidents were investigated. 1 Burglary and 1 Robbery were investigated. 11 Thefts were reported and 4 of those were cleared by recovery of the items taken. The Department responded to 181 calls for assistance and 13 burglary alarms.

During 1986 because of many changes in the surrounding communities the traffic passing through Town has increase tremendously. The speed of this traffic has also increased. We will be out there trying to slow this traffic down and we ask your cooperation in this matter. Please stay within the posted speed limit. We have been using a system of giving more warnings than court summons to traffic violators. This system is not working and we will be issuing more summons than warnings this year in hopes that this will slow the traffic down.

Burglary activity in the surrounding communities is again on the rise. We ask that if anyone see anything suspicious in their neighborhood, please call us. Only with the help of everyone can crime be prevented.

To the parents of young children. Our department now has available I.D. tags that may be attached to your child's clothing or shoes so that they may have some form of identification on their persons. This is available by contacting our department. These tags were made available by the Rockingham County Law Enforcement Association.

NEWFIELDS FIRE DEPARTMENT

I am again happy to report to you that in 1986, Newfields had no loss of property by fire. This is a tribute to the people of Newfields. It shows that fire safety pays off.

The Fire Department responded to 27 calls last year, 16 calls in Town and 11 mutual aid calls.

The Department is currently carrying 24 men and officers. In addition to the fire calls, the men attend monthly meetings and monthly training sessions. The group of men taking the Fire Fighter I Certification course of 100+ hours, have completed the course. This is a tribute to these men.

The Fire Department personel conducted a fire drill and put on a program for Fire Prevention Week at the Schools in Town: Newfields Elementary School; Grades 1-3 and Grades 4-6, Newfields Pre-School; two visits and Kinder-Warren Child Care Center. The theme of these programs was "The Fireman is your Friend."

We have been pre-planning some areas of Town and looking towards the future needs of the Town with some tentative plans to protect the lives and property in Newfields.

I feel this to be a fine group of people to work with. The Townspeople should be very proud of these people who still volunteer their time freely in an age where volunterism is getting to be a thing of the past.

Sincerely,

William Chick, Chief
Newfields Fire Dept.

REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

MINUTES OF THE NEWFIELDS SCHOOL DISTRICT
MEETING, MONDAY, MARCH 3, 1986
RECORDED BY THE NEWFIELDS SCHOOL DISTRICT CLERK

The annual Newfields School District meeting was held on Monday, March 3, at the Newfields Town Hall. The meeting was called to order at 7:30 by Moderator, Jim Hayden.

The minutes of the meeting held on March 4, 1985, were reviewed by all. The motion to accept the minutes as written was introduced, seconded and accepted. The School Warrant was read by Moderator, Jim Hayden, as follows:

School Warrant
State of New Hampshire

To the Inhabitants of the School Board of the School District in the Town of Newfields, New Hampshire, qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on the Third Day of March, 1986, at seven-thirty o'clock in the evening to act upon the following subjects:

1. To see if the District will vote to raise and appropriate half of one percent (\$2,600.00) of the school's annual budget for on-going maintenance of the school building. If all or part of the designated funds are not used, they will be returned to the town.
2. To see if the District will vote to raise and appropriate the sum of One Thousand One Hundred and Seven Dollars (\$1,107.00) for the purchase of twenty-five (25) student desks, twenty-five (25) student chairs and two (2) student tables.
3. To see if the District wishes to request from the Commissioner of Education a waiver of the requirements stated in RSA 189:11A which requires the establishment of a school lunch program.
4. To hear the reports of agents, auditors, committees or officers heretofore chosen, and pass any vote relating thereto.
5. To choose agents, auditors and committees in relation to any subject embraced in this warrant.
6. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from any source which becomes available during the fiscal year. Said money must be used for legal purposes for which the School District may appropriate money; requires a public hearing on the action to be taken; must not require the expenditure of other School District funds.

7. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for School District officials and Agents and for the payment of the statutory obligations of the District, and to authorize the application against and appropriation of such sums as are estimated to be received from the State Equalization Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which the balance is to be raised by the Town.

8. To transact any other business that may legally come before this meeting.

Article 1. A motion was made by Alan Taylor and seconded by Margaret Hayden that Article #1 be accepted as published. It was explained by the School Board that hopefully the monies would be used for "rainy" day emergencies. Since this money was actually part of the overall budget it was moved by Lynn Sweet to table Article #1 and 2 after a look at the whole budget. Seconded by Nancy Taylor, and passed.

Article 2. This article was temporarily tabled.

Article 3. Motion was made by Lynn Sweet and seconded that the District request a waiver from the Commissioner of Education concerning the requirements stated in RSA 189:11a, which requires the establishment of a school lunch program.

A brief discussion revealed it could be foreseeable Newfields could be required by the state to provide a lunch program, this meant new buildings and additional staff. Motion passed.

Article 4. Lynn Sweet motioned and seconded by Alan Taylor to accept as written Article #4 as published.

Janice Trueman said last years Article #9, (Hot-topping the school driveway) sent out spec's to five contractors. One responded and eventually another. However, both were over \$30,000.00. An engineer was consulted and revised the spec's, making the durability of the hot top last ten (10) years rather than twenty-five as previoulsty stated in earlier spec's. New spec's were sent out, only one contractor responded; said he would do it for ten thousand (10,000.00) dollars. The hot topping will be done during April 1986 vacation. No vote needed.

Article 5. This article will be voted on Tuesday March 11, 1986.

Article 6. It was moved by Lynn Sweet and seconded that the District will vote to authorize the School Board to apply for accept and expend without further action by the School District Meeting, money from any source which becomes available during the fiscal year. Said money must be used for legal purposes for which the School District may appropriate money; requires a public hearing on the action to be taken; must not require the expenditure of other School District funds. Motion passed.

Article 7. A motion was made by Alan Taylor and seconded by Mary Schneer that Article #7 pass the expenditure of \$534,238.00. The motion did not include Article #1 or Article #2. The budget was read by Janice Trueman, School Board Chairperson, and explained by the School Board Members with the assistance of Nathan Greenberg, Assistant Superintendent of Schools. It was noted by School Board Member, Margaret Doane, the salaries only reflected a 3% (or one step) increase over last years salary, this could be affected during final negotiations. If the increase was higher than 3% a special School District meeting would be held. Discussion concerning the line items followed, concerns of the projections of student enrollment, how the resource room meets many complex needs, increase in dues for organizations. After all questions were satisfactorily answered, the motion passed.

Article 8. A motion was made to discuss Article #1 and Article #2. Article #1 was passed. Discussion prior in budget had answered all questions. A motion by Alan Taylor and seconded by Nancy Taylor to pass Article #2, and so passed.

This brought the final budget to a total of \$537,945.00 and was passed.

Barbara Hayden moved to adjourn the meeting, seconded by Nancy Taylor and it was adjourned.

MINUTES OF THE NEWFIELDS SPECIAL SCHOOL
DISTRICT MEETING, MONDAY, OCTOBER 27, 1986
RECORDED BY THE NEWFIELDS SCHOOL DISTRICT CLERK

A special Newfields School District meeting was held on Monday, October 27, 1986 at the Newfields Town Hall. The meeting was called to order at 7:00 by Moderator, Jim Hayden. The School Warrant was read by Jim Hayden as follows:

SCHOOL WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Newfields, New Hampshire, qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on the twenty-seventh day of October, 1986, at seven o'clock in the evening to act upon the following subjects:

1. To see if the district will vote to raise and appropriate the sum of \$27,655.13 to contract items relating to teachers salaries and benefits for the 1986-87 school fiscal year. Such sum representing additional cost contributed to the collected bargaining agreement entered into by the Newfields School Board and the Newfields Staff Association. Written under our hands in Newfields this tenth day of October 1986 and signed by the three school board members.

Art. 1. Because this is a special meeting there is some concern as to who is registered when it comes to an actual vote. A check list of voters was supplied if there was any question as to whether they are or are not a legal voter.

If any 5 people decided that they want this to be voted on by secret ballot, then a secret ballot will be enforced by a yes/no vote. If a voice vote is called and any 7 people challenge the decision by Jim Hayden then the vote will be done by secret ballot.

A motion was made by Alan Taylor that the town raise and appropriate \$27,655.13 for the school district salary increase for the 1986-87 school fiscal year. Motion was seconded by Nancy Taylor

George Drinkwater gave a brief history of past negotiations. NEA negotiated from November of 1985 until August 19, 1986 at which time there was an impartial party brought in and negotiated for 15 hours. At the end of those negotiations they came up with what the board and teachers believed was a fair settlement. Background to the negotiations were given through a screen presentation and questions raised throughout the presentation were answered.

Projections for the budget for the next two years was asked for. The increase for the second year would be approximately \$18,000 and the 3rd year would be approximately \$16,000. These figures were based on the fact that everyone who is presently working

now will be here three years from now and no additional staff will be needed. A comparison on full time teachers salary was asked for from 1985/86 to 1986/87. These figures were provided by George Drinkwater and Jan Truman.

There was much discussion as to the necessity of this increase to keep up the quality of teachers and education in Newfields. There was also discussion as to whether or not such a large increase is justified.

Dennis Learner made a motion to vote on the question. A vote was taken on whether or not to continue discussion or to vote on question. Vote was in favor of voting on question.

Jack Shaw presented a list of 5 names to have vote done by secret ballot. Jim Hayden approved voting to be done by secret ballot.

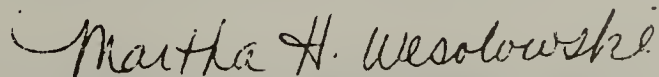

Warrant to be voted on was read again by Jim Hayden. A yes vote would indicate approval for the increase in salaries to \$27,655.13 and a no vote would indicate disapproval of the increase in salaries to \$27,655.13.

49 Votes were cast by secret ballot. Each voter was checked against the voters check list to make sure all voters were legally registered. There were 31-yes votes and 18-no votes.

Motion to raise and appropriate the sum of \$27,655.13 to contract items relating to teachers salaries and benefits for the school fiscal year 1986-87 was passed.

Meeting was adjourned at 8:21 pm.

Respectfully Submitted

REPORT OF THE SCHOOL ADMINISTRATORS
WAYNE F. GERSEN, SUPERINTENDENT
NATHAN S. GREENBERG, ASSISTANT SUPERINTENDENT

In 1986-87, each of the School Boards in SAU 16 spent considerable time on the development of long range plans to address the increasing student population at the elementary level, and the deficiencies of the High School facility. In their deliberating each Board has formed broad based Committees that include citizens, staff members, and administrators in an effort to ensure that proposed changes in facilities meet the local needs. A brief description of the planning efforts and the resulting proposals in each community follows:

Brentwood

The School Board and Long Range Planning Committee are submitting a series of warrant articles to address safety and maintenance needs at the Swasey School, and a warrant article to authorize the Board to hire an architect to develop physical facility plans for consideration in 1988-89. This architect will work with the Board and the Long Range Planning Committee generate alternative methods for adding on to Swasey School to meet the projected enrollment increases.

East Kingston

The School Board and Long Range Planning Committee are recommending a \$1,400,000 addition to the Andrews Lane School. The proposed addition will provide the school district with the necessary classroom space to accommodate projected long term population growth; provide the students and the town with a much needed multi-purpose room; allow the School Board to retire the antiquated Browns Academy facility; and, ensure that the school district will meet the present and proposed elementary school minimum standards.

Exeter

The Exeter School Board and Budget Committee approved an elementary grade reorganization plan that will enable the administration to reduce pupil/teacher ratios to 22:1 without requiring additional construction. Also, the School Board created two advisory committees to review the operation and cost of the Region 18 Vocational Center. As a result of these Committee's efforts, tuition reform legislation has been introduced that could provide relief to all communities in SAU 16.

Kensington

After several attempts in the past two years, the School Board and Building Committee secured approval for a building addition at a special school district meeting in the Fall. As a result, the school district will construct a four room addition on to the present elementary school. This addition will be ready for student occupancy in September of 1987.

Newfields

The School Board recently created a community based Long Range Facilities Committee to assist them in planning for the district's long range physical plant needs. The School Board is concerned about the present building and site in light of the projected student population increase. As an initial step, the Board and the Long Range Facilities Committee will investigate the purchase of a parcel of land to build a school facility large enough to satisfy student enrollment increases and meet state construction standards.

Stratham

The Stratham School Board, Space Needs Committee, and Elementary School Building Committee are recommending the construction of an elementary school and the purchase of a site of land for this new school. The growth in housing and the resultant increase in the student population requires a major construction project. The specific information on this project will be provided at several neighborhood coffees and at a public hearing.

At the same time, the Cooperative Study Committee has been working with Cooperative Study Committee members from Greenland, Rye, Newington and New Castle to study the feasibility of forming a cooperative school district. The Cooperative Study Committee will present a proposal along with its recommendations at a Special School District meeting in late March or early April.

SAU 16

In addition to the projects and studies being conducted and proposed by each of the individual towns in the SAU, the SAU Board voted to form an AREA Review Committee to study the present AREA Agreement and its impact on our present secondary facilities, particularly the High School.

The actions and proposals that will be put forth to the voters this year and next, are a result of the studies commissioned by the School Boards, and developed with active participation from community members.

We urge you, to listen, study and ask questions regarding the proposed plans, so that each individual town can make the necessary decisions and take the appropriate actions to meet both the short and long term educational facility needs of the children in SAU 16.

SCHOOL DISTRICT REPORT
MARY BETH STEVENS, PRINCIPAL

I am pleased to submit to the citizens of Newfields my annual report as principal of the Newfields Elementary School.

The enrollment figure for the Newfields Elementary School is seventy (70) students. The school is presently grouped into five units - Grade 1, 2, 3/4, 5, and 6. All units have one full time teacher with Grades 3/4 assisted by one part-time teacher during the morning session. A Resource Room is also staffed by one full time teacher. In addition to the above mentioned staff, Art, Music, and Physical Education teachers instruct the children one day a week. Other key personnel include a nurse, speech pathologist, occupational therapist, and school secretary. The school also receives services from various S.A.U. #16 specialists.

The classroom teachers and support staff are dedicated professionals who are continuously striving to improve the quality of educational programming for the elementary children in the district.

The Newfields Elementary School children did very well on National Achievement Tests administered this fall. Our students demonstrated a good understanding of the basics in the curriculum.

A set of three (3) goals was established for this academic year by the Newfields School Improvement Team. They are the following:

1. Continue to Improve Public Relations Related to the Newfields School District.
2. Implementation of a Departmentalized Grade 5/6 in Social Studies and Science.
3. To Promote the Establishment and Implementation of an Academic Enrichment Program.

The staff has completed goal 2, with goals 1 and 3 being a continuing process.

One of my personal goals is to expand the existing curriculum to include enrichment programs for all of our students and to have the staff trained in executing these programs.

A special highlight for this school year was the Newfields Fire Department's Fire Safety program presented at the school.

The children have also visited the Library, Post Office and other points of interest on field trips that complemented and enhanced the curriculum.

The Newfields Parent Teacher Organization continues to be a fine support for the school. Volunteers have provided many services to assist the staff in library management, classroom aides, chaperones for school trips, and fund raisers. The Organization has also provided many informative programs at their monthly meetings. Their endless assistance is greatly appreciated by the entire staff.

In closing, I wish to thank the Newfields School Board, Superintendent Wayne Gerson, Assistant Superintendent Nathan Greenberg, my staff, and the community of Newfields for their support.

Respectfully submitted,

Mary Beth Stevens
