SUPERINTENDENT'S REPORT

To the Members of the Stark School Board:

I hereby submit for your consideration my second annual report of the Stark schools.

This year, we have one less teacher than last year owing to the fact that the Blake School has been closed and the pupils transported to the Village School. Miss Dancoes, teacher of Blake School, was transferred to the Crystal School after the resignation of Miss Calzolari, the teacher last year. After Miss Wells accepted a position with Superintendent Adams, we secured Claire Sing, a Plymouth Normal graduate, for the Village School. The other two teachers are the same.

The pupils of the eighth grade who completed the work last June were: Arlene N. Miles, Albert H. Forbush, Irene M. Manuel, Rachel L. Emerson, Elaine E. Gilbert, Eugene E. Gilbert, Rita M. Aubin, Sherwood W. Hodgkins and Winston John Hodgkins.

The school census, taken last September, show-

ed that there were 92 people in town between the ages of five and sixteen and that 77 of these were registered in the local public schools.

There are two transportation routes, one to the Crystal School and one to the Village School. They transport pupils living more than two miles from the school to which they have been assigned by the school board.

Some new blackboards were purchased for the Percy school and a book-closet made. More blackboards are needed for the Crystal school and more closet room is needed for books and supplies.

The school grounds at the Crystal School have been graded so that they are no longer muddy. It is a great improvement.

The various teachers have had entertainments of different kinds and with money earned have purchased special pieces of materials for their school work. For this, they are to be commended.

I feel that the teachers are doing some good work in the schools and I wish to thank all those who are cooperating to make this possible.

Respectfully submitted,

ALONZO J. KNOWLTON,

Superintendent.
