REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board:

GENTLEMEN:

The report following is for the work of the schools of the district during the year 1927-28:

The following teachers were employed:

School	Teacher	Training	Exp.	Cred.	Salary
Center	Doris B. Williams	3 sum.	5 yrs.	Lic.	\$900
Primary	Martha W. Cilley	1 sum.	20 yrs.	Cert.	1000
Grammar	Blanche G. Cobb	4 sum.	22 yrs.	Lic.	1000

The school statistics for the year are as follows:

	Center	Primary	Grammar	Total 27-28	Total 26-27
No. half-days in session	348	342	343	1033	1028
No. half-days lost	12	18	17	47	52
Total pupils registered	17	32	28	77	76
Average membership	16.01	27.07	23.33	66.41	64.19
Percent of attendance	92.5	93.6	94.2	93.6	91.97
No. of tardinesses	9	113	126	248	259
Average tardiness per pupil56	4.1	5.5	3.7	4.03
No. visits of school board	3	12	6	21	34
No. visits of supt.	22	27	29	78	96
No. visits of citizens	20	57	73	150	293

1. From the above table it may be noted that five less half-sessions were lost this year, yet nearly two weeks of work were lost by the village schools. At least a week might be gained by better arrangement of the school calendar.

2. The average membership of the schools has slightly increased.

3. There is a decided gain in the per cent of attendance.

4. While the total number of tardinesses has slightly decreased, the number in the village schools is much too high. Parents could aid in preventing this by starting children to school in good season.

The total number of pupils in the district attending public schools was 96. Of these 77 were enrolled in the Bradford schools, and 19 in the schools of neighboring towns as follows:

Washington Elementary, 4; Concord High, 1; Hillsboro Special, 2; Warner High, 12. One non-resident pupil from Newbury was registered.

The roll of perfect attendance is as follows:

For one year—Dorothy Howe, Leita Shove.

For two terms—Zealous Shove, Geo. Dodge, Rachael Dodge, Pauline Stevens, Louise Watkins, Walter Stevens, Helen Stevens, Eleanor Wright, Marjory Howe, Edwin Ward.

For one term—Virginia Clement, Esther Cressey, Myrtie Woodward, Violet Rollins, Annie Belle Hadley, Mary Hall, Lucile Ward, Frances Woodward, Eleanor Dodge, Phyllis Chase.

The annual medical inspection was made in June by Dr. R. F. Oliver. Sixty-three pupils were examined with results as follows:

Number of cases of defective vision, 4; hearing, 2; nervous condition, 1; defective teeth, 21; defective breathing, 2; diseased tonsils, 7.

In June a class of four was graduated from the Grammar School. Its members were as follows:

Ellsworth Brown, Stanley Brown, Rachael Dodge, Frances Watkins. All these graduates are now attending high school.

During the year the equipment of the village school was improved by the installation of jacketed heaters. Ventilators for use in the windows were also added.

At the Center school the cross-lighting is injurious to the eyes of the pupils. This could be remedied by closing up all the windows on the side of the building next to the old pound, and installing a good sterling blackboard in their place. A considerable part of the present blackboard is in poor condition. The desks could then be turned a quarter way around to face this new board, and two or three more windows cut on the side of the building next to the Chase property. By this change the injurious cross-lighting would be eliminated, and adequate board room provided.

The toilets at this school are also in poor condition, and should be replaced by the type of chemical toilet commonly in use in neighboring towns. In the schoolroom the plaster-

ing is cleaving from the walls in several places, and the paper is peeling. Possibly the best way to repair this would be to cover all the walls with beaver board as the ceiling is now covered. This could be painted a correct color and would last for many years.

The Center school also needs a 12-inch hanging globe for use in geography.

During the year each teacher has endeavored to improve and advance her school as much as possible. We have found it a pleasure to work with them to this end.

In conclusion we would express our appreciation of the co-operation of the parents and the support of the board in our endeavors to obtain the maximum of good for the pupils at minimum expense to the district.

Respectfully submitted,

JOHN A. SINCLAIR,
Superintendent of Schools.
