Fire Warden's Report

It is recommended that the small amount of \$20.00 be made available for the purchase and keeping in repair small forest fire hand tools. These small tools can be obtained through the State Department at one-half the cost to the State,

During this critical period it is more than ever the part of good and prudent citizenship to remember

1. That permission to burn in or near woodland or where fire may be communicated to woodland must be secured from the forest fire warden when the ground is not covered with snow.

2. To be careful when smoking in or near the woods and not to throw or drop lighted cigars, cigarettes or matches.

3. To notify your local warden promptly of any fire you see.

4. That fire prevention is the best and cheapest fire insurance.

5. To be fire-minded; be careful; be cooperative and thus help your warden prevent forest fires. **This is patriotism at work.**

The 1942 fire record for our town follows:

Number of fires or investigations, 2.

Area burned, None.

Number of permits issued, 20.

Forest Fire Fighting Tools On Hand

10 Knapsack Pumps

12 Shovels

12 Council Tools

6 Mattocks

4 Pulaski Tools

6 Axes

2 Cross Cut Saws

12 Lanterns

6 Headlights

1 Flame Thrower

2 Canteens
