Lancaster, N. H., June 24, 1895.

GROVETON, N. H., July 5, 1895.

The convention met in accordance with a call issued by the county commissioners. Convention called to order by Hon. A. S. Twitchell of Gorham, N. H., chairman; John L. Moore elected clerk *pro tem*, and took the oath of office.

PRESENT.

Hon. A. S. Twitchell of Gorham; Boothman of Randolph; Twitchell of Dummer; Bennett, Stockwell, Truland, Moore of Lancaster; Johnson, Roderick, Twombly, Moore of Whitefield; McMann, Allen, Schoppe, Roberts, Clark, Russ, Miles of Stark.

The following report was presented by the county commissioners and the advisory committee, appointed by the county convention at Concord, N. H., March 20, 1895.

COPY.

The county commissioners, and committee appointed to sell the bonds of the county, report that they have offered for sale by publication in all the newspapers published in the county of Coos and by printed circulars sent to the leading brokers and bankers in Boston and New York City, the three and one-half per cent. (3 1-2%) bonds, authorized by the convention, March 20, 1895, as provided by the General Laws, and have received no bids for the same.

Our opinion, based upon inquiries made in the bond market, is that the county bonds at three and one-half (3 1-2) per cent., cannot be sold at par, as required by law, in the open market, but that a four per cent. bond can be sold at a small premium. We therefore recommend that the county convention authorize the county commissioners to issue bonds of the county of Coos to the amount of \$50,000; said bonds to have coupons attached for the semi-annual interest at the rate of four per cent. per annum, to be payable, both principal and interest, at some bank in Boston or New York City, to be fixed upon by the county commissioners and the committee aforesaid, and to be of such denomination as said commissioners and committee shall determine. The bonds to be dated July 1, 1895, and to become due, \$5,000 July 1, 1900, and \$5,000 each July 1, thereafter until all have matured.

A. W. MINER,	} Commissioners of Coos County.
PERLEY KNAPP.	
C. E. PHILBROOK,	

GEO. R. EATON,	} Committee.
F. D. HUTCHINS,	
JAMES S. PHIPPS,	

On motion the above report was accepted.

The following resolution was then presented, and on motion was adopted:

*Resolved*, That the county commissioners are hereby authorized to issue bonds of the county of Coos to the amount of fifty thousand dollars (\$50,000), the proceeds of the same, when sold, to be used in paying the indebtedness of the county. Said bonds to have coupons attached for the semi-annual interest at the rate of four per cent. (4%) per annum, to be payable, both principal and interest, at some bank in Boston or New York City, to be determined by the county commissioners and advisory committee, viz: J. S. Phipps, F. D. Hutchins, Geo. R. Eaton, J. C. Pattee, and Van C. Dodge, appointed by the county convention at a meeting

held Mar. 20, 1895, in Concord, N. H., and who are hereby reappointed, and to be of such denomination as said commissioners and committee shall determine.

The bonds shall be dated July 1, 1895, and the coupons shall be payable Jan. 1, and July 1 in each year, and the principal shall become due \$5,000, July 1, 1900, and \$5,000 each July 1st thereafter till all are matured.

On motion Messrs. Twombly, Clark, and Johnson were appointed committee on mileage.

On motion voted to adjourn.

July 5, 1895.

On the adjournment of the county convention held at Groveton, N. H., this day, the county commissioners and advisory committee held a meeting at the Eagle hotel in said Groveton. The following resolutions were voted and duly adopted:

*Resolved*, That the Coos County bonds this day authorized by the Coos County convention, be made payable, principal and interest, at the National Bank of Redemption, Boston, Mass., and that they be issued in denomination of \$1,000.

*Resolved*, That F. D. Hutchins is hereby appointed a committee to insert an advertisement of the sale of the Coos County bonds, this day authorized, in the Lancaster Gazette, a weekly newspaper published at Lancaster, N. H., in said county, to comply with Sec. 17, Chap. 27 of the Public Statutes of New Hampshire; to procure and distribute circulars offering said bonds for sale, and arrange with the Boston Bank Note and Lithograph Co. to print the same.

*Resolved*, That August 10, 1895, at 3.30 o'clock p. m., at the office of the county commissioners, in the Court House

at Lancaster, be fixed as the time and place for receiving and opening bids for the Coos County bonds, this day authorized.

## Commissioners Report.

---

### *To the Inhabitants of Coos County:*

In accordance with the requirements of Public Statutes we herewith present you with the report of your commissioners, together with the report of superintendent of County farm, physician, chaplain, sheriff, jailor, county solicitor, clerk of the supreme court, county treasurer, and auditors for the financial year ending Dec. 31, 1895.

Since April 15 the County farm has been under the management of William Barnett and wife as superintendent and matron, who are proving well qualified to administer in a homelike and humane manner to the unfortunates of Coos county; previous to April 15, F. G. Marshall and wife had performed the duties as superintendent and matron.

Early in the spring the attention of the commissioners was called to the condition of the reservoir, which was found in bad condition as the old timbers were decayed and surface water from the pastures was running into the spring. The old timbers have been removed, the reservoir enlarged, and wall built up with split stone and cement, and hope before another year to see a good fence built so as to give a chance for trees and shrubbery to grow and keep animals away and insure an abundance of water in the future. The old alms house has been newly shingled and the new insane building roof painted.

There has been considerable expense in way of furnishings for superintendent's department and farming tools which were in very destitute condition when Mr. and Mrs. Barnett assumed charge of the farm. At the present time the county owns what there is at the farm, and would recommend that

the superintendent should not own property at the farm. We have also recommended that the farm produce, as much as possible, in way of vegetables and dairy products be consumed by the poor of Coos county.

Homes have been provided for all children between three and fifteen years old, of bright intellect. Nearly all the poor at present at the farm are either mentally, physically, or too old to perform much labor, which with the inventory, compared with years before, account for the high rate per week.

As regards the inventory we are unable to find any such values of personal property at the farm as has been reported years previous, in any department. We have endeavored to make a fair apprizal of all property, at all it is worth to the farm. When the present board of commissioners were qualified, we found that the twenty-three fat cattle had been sold to be retained at the county's expense, and fed meal, and taxes to be paid on the same, until May 1; which would make a difference against the county of at least \$200.

The county sustained a great loss by fire on the morning of Dec. 16. by which the large barn and nearly all its contents were consumed, amounting to about \$1,771 50. We have not deemed it advisable to build until early spring; previous to which your commissioners will furnish specifications and call for proposals to rebuild the same.

To the selectman and overseers of the poor in the several towns we ask you to exercise great care and economy in management of the poor and see that all applicants are legally and deservingly entitled to the same and goods furnished are at cash prices. Blanks for taking depositions will be furnished on request by the commissioners. You are requested to present to the county commissioners during the first week of each term of court all legal claims which said towns have against said county for the suport of county paupers.

Respectfully submitted,

A. W. MINER,	} Commissioners of Coos County.

# Physician's Report.

*To the Commissioners and Citizens of Coos County:*

I herewith submit my annual report as physician to Coos County alms house for the year ending Dec. 31, 1895 :

No acute disease has originated in the institution during the year. The deaths have been due in all cases (with the exception of those from old age) to disease that had become firmly established in the patient before his entrance here. The institution has well maintained its former high standard of cleanliness in all departments. The sanitary conditions are of the best ; the inmates are supplied with good, comfortable beds and plenty of warm clothing ; the food is wholesome and nourishing. Special food for the sick has been cheerfully prepared by the matron whenever I have desired it.

I feel assured that the commissioners, and their assistants at the county farm are solicitous for the comfort and welfare of the inmates. Below is appended a list of births and deaths for the year :

## BIRTHS.

Aug. 19, to Emily Johnson, a boy.  
Sept. 15, to Amelia Lavasseur, a girl.

## DEATHS.

Jan. 26	Harvey Gould,	aged 70	erysipelas
Feb. 6	Emily Dearborn,	" 90	old age
18	Violet Brown,	" 83	heart disease
July 10	George LeGro,	" 36	phthisis
Oct. 2	Victoria Mullen,	" 26	"
25	Sumner Carleton,	" 52	cirrhosis of liver
Nov. 3	Charles Cates,	" 50	dysentery
Dec. 1	Mary Marshall,	" 82	old age
23	Nancy Cole,	" 92	"

Respectfully,

R. E. WILDER.

# Clergyman's Report.

---

*To the Commissioners of Coos County:*

There has been no change in the duties performed by me during the past year. There has been preaching every other Sunday afternoon through the summer, and rendering such assistance as is possible under such circumstances for the religious benefit of the inmates. The singers and village people have attended the services in goodly numbers; the inmates having the choice of attendance, have responded quite well. All who have died during the year have had special funeral services, with the exception of three aged women whose friends took them away. I have had the ready co-operation of Mr. and Mrs. Barnett in all visits, and appreciate their courtesies. The institution is a credit to Coos county.

Respectfully yours,

JOSEPH N. WALKER.

## Solicitor's Report.

---

The freedom from serious crime, which has been so conspicuous a feature in the history of this county, has continued thus far during my term of office. The most serious offences have been a case of receiving stolen goods burglarized from the Concord & Montreal railroad against Michael Robarge, left over from the February term by my predecessor; a case of burglary by Herbert Radway, and a case of rape by Fred Lavasseur, in which indictments were found at the October term. In all these cases the defendants pleaded guilty. The first two were each sentenced to one year in the state prison, and the last to fifteen years. None of these respondents were natives of the county, and the last two were only temporary residents in it.

When my term of office commenced, the first day of April, 1895, there were twenty-six cases on the State docket. Most of them were cases which had been on the State docket for a long time, and were never likely to come to trial, or were liquor prosecutions begun by private prosecutors, and continued from the February term.

At the October term, in consequence of the efforts of the State Law and Order League, represented by Mr. D. C. Remich of Littleton, N. H., a large number of witnesses were summoned before the grand jury and a large number of indictments for violations of the law in regard to the sale of spirituous liquors were found. In nearly all of these cases the State Law and Order League appeared as private prosecutors, paid the cost of prosecution, and have received back from the county the costs and one-half of the fines collected.

The amount of money and parties from whom collected, appears in the report of the county clerk to whom the fines were paid.

A classified list of the cases, according to the nature of of the crime committed, is as follows :

Rape, 1 ; burglary, 2 ; receiving stolen goods, 6 ; false pretenses, 5 ; embezzlement, 2 ; selling mortgaged property, 1 ; cruelty to animals, 1 ; soliciting insurance without a license, 2 ; violation of the game laws, 1 ; malicious mischief, 1 ; selling cigarettes to minor, 4 ; taking illegal fees, 1 ; and violations of the liquor laws, 198.
