A petition was presented for eight Band Concerts to be held during July and August 1937 and the Budget Committee recommend the sum of \$480 be appropriated and raised for this purpose.

On petition requesting the Town to purchase a new piano for the Municipal Hall, the Budget Committee recommend the sum of \$300 be appropriated and raised for this purpose, and that a Committee of five be appointed by the Moderator to make such purchase.

A petition was presented asking the Town provide a skating rink and swimming pool at Cascade and the Budget Committee recommend the sum of \$300.00 be appropriated and raised for this purpose.

There being an unexpended balance of \$1,493.42 from amount raised last year for Dump and picking up Garbage, we recommend the sum of \$800 be appropriated and raised for care of dump this year.

There are two requests for sidewalks, one on Howland Avenue and one from Glen Street to E. Libby Sons' Store.

The Budget Committee do not care to make any recommendations for sidewalks this year.

It is expected the Town will be able to get some W.P.A. Allotment and we have recommended the amount of \$2,200 be appropriated and raised for projects. We recommend from this amount \$200 be used for Church Street drainage and that \$2,000 be made available for use of the Water and Sewer department and from this amount the Sewer on Cross Street be made and the new pipe be laid to the Island so called on Washington Street.

Last year the Town raised \$700 to build a sidewalk on overhead bridge at Cascade. It appears this amount was not sufficient and we recommend an additional amount of \$500 be appropriated and raised for this purpose. We also recommend that the selectmen take this matter up with the Public Service Commission at an early date.

Under advertising we recommend the sum of \$1,500 be appropriated and raised. This is arrived at as follows: Advertising and Recreation, \$1,000. Rest Room and Information Bureau, \$500.

We recommend the sum of \$4,000 be appropriated from funds on hand to retire Cascade Water Bonds.

We recommend that the amount now in the Gorham Savins Bank be used together with an amount appropriated from cash on hand sufficient to take up ten new Municipal Water Bonds during the ensuing year.

We recommend the amount of \$8,626.74 be appropriated and raised for Town Maintenance and from this amount the following streets be built: Church Street and Mallay Avenue.

Also that suitable catch basins be installed to take care of the water at Fred Leeman's Residence on lower Main St. and John Butcher's Residence at Cascade.

We recommend the sum of \$4,000 be appropriated and raised for Winter Roads, this amount to be held until November 1937.

We understand that it is necessary to have either a new Motorcycle or an automobile for Police duty and we recom-

mend the sum of \$700 be appropriated and raised for the purchase of an automobile.

Following is a list of our Budget for the ensuing year, and if no new projects appear other than recommended below our tax rate should be about \$28 per \$1,000.

During the year 1936, there has been more bed-side work than in the preceding year, and the nurse has, as well, given the usual amount of time to school work.

At the request of the State Board of Health, the nurse has visited and secured the history of orthopedic cases among children in the district. Information concerning these children has been sent to the State which is planning to conduct an orthopedic clinic later in this vicinity. It is understood that many of these infirmities will receive treatment at the expense of the state.

The New Hampshire Social Service has asked the cooperation of the nurse in compiling information on all State, County, Red Cross or any other recipients of welfare. The real object of this survey is not known to the nurse.

The usual number of defects have been found through examination of the school children, many of whose eyes and teeth require attention. Such physical defects as tonsils, adenoids, etc. are under the inspection of the school physician. As always,

there are not available the funds necessary to treat all these children. The County, however, has assisted to a much greater extent this year than ever before which accounts for the fact that the call for welfare work from the Association has been less urgent than in previous years.

The nurse is most grateful for the cooperation of people of the community, and feels particularly indebted to those who have contributed clothing and other supplies. The Red Cross has been most generous in its donations to the needy of the town.

Respectfully submitted.

Anne Gorman, District Nurse
