Winston Churchill: World War II

University of New Hampshire COVID-19 Successes

There were many leadership similarities between Winston Churchill and higher education administrators during their respective crisis

4 Tenets appeared throughout the literature.

- Communication
- Collaboration
- Partnerships
- Advancement in Technology

We can often look to the past to prepare for the future.

## Similarities

By January 21, 2021, the death toll from COVID-19 in the United States had exceeded the death toll of Americans killed in WWII.

Challenges in leading during both crises were convincing citizens to get involved.

Strong communication plans were essential.

Collaborate across disciplines to aid in the effort.

Partner with others.

Drive technological advances.
