#### STATE OF NEW HAMPSHIRE TOWN WARRANT

To the inhabitants of the Town of Newfields, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Newfields on Tuesday, the ninth day of March, 1993, at two o'clock in the afternoon until nine o'clock in the evening to act upon the following subjects:

BUSINESS MEETING TO BE HELD AT SEVEN-THIRTY O'CLOCK

1. To choose all necessary Town and School District Officers for the ensuing year.

2. To see what action the Town will take toward the acceptance of the reports of the Town Officers as printed in the Town Report..

3. To see if the Town will vote to authorize the Selectmen, in case of disaster, to apply for, contract for, receive and expend Federal Funds for disaster relief.

4. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend Federal and State grants which may become available during the course of the year, in accordance with RSA 31:95-b, and also to accept and expend any money from any other governmental unit or private source to be used for the purposes for which the Town may legally appropriate money.

5. To see if the Town will vote to authorize the Selectmen to borrow Short Term Notes in anticipation of taxes. (RSA 33:7)

6. To see if the Town will vote to authorize the Tax Collector to accept prepayment of Real Estate taxes for the year 1993. (RSA 80:52-a)

7. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be placed in the previously established Fire Truck Capital Reserve Fund for the future purchase of a replacement fire truck. (4th year)

8. To see if the Town will vote to extend the gates and bars on Old Lee (Otis) Road to the northernmost boundary of Map 208, Lot 10.1. This portion of road has been conditionally approved by the Board of Selectmen, Road Engineer and Road Agent. 9. To see if the Town will vote to Authorize the Selectmen to enter into an agreement with the New Hampshire Municipal Health Insurance Trust, Inc. for the provision of health and other benefits to employees of the Town of Newfields as may be selected by the Town of Newfields, and authorized the Chairman of the Board of Selectmen to execute and deliver to the Trust an Initial and Renewal Application and Participation Agreement, and a Certificate of Authorizing Resolution, pursuant to RSA 5-B:3.

10. To see if the Town will vote to raise and appropriate the sum of \$99,999 as payment to the Town of Newmarket to settle potential liabilities on behalf of the Town of Newfields in connection with the use and closure of the Newmarket Landfill.

11. In the event Warrant Article # 10 fails to pass; To see if the Town will vote to authorize the Selectmen to enter into an agreement with the Town of Newmarket to settle potential liabilities on behalf of the Town of Newfields in connection with the use and closure of the Newmarket Landfill, and to see if the Town will vote to raise and appropriate the sum of \$100,000 for payment to the Town of Newmarket as consideration for such agreement, payable at the rate of \$20,000 per year, together with interest at a rate of 5% per annum on the unpaid balance, commencing June 1, 1993 and continuing until final payment on or before June 1, 1997, in accordance with the following schedule:

1. Twenty thousand (\$20,000) dollar payment on or before June 1, 1993.

2. Twenty-four thousand (\$24,000) dollar payment on or before June 1, 1994.

3. Twenty-three thousand (\$23,000) dollar payment on or before June 1, 1995.

4. Twenty-two thousand (\$22,000) dollar payment on or before June 1, 1996.

5. Twenty-one thousand (\$21,000) dollar payment on or before June 1, 1997.

(2/3 ballot vote required)

12. To see if the Town will vote to authorize the Selectmen to convey any real estate acquired by the Town by tax collector's deed. Such a conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80.

13. To see if the Town will vote to authorize the Selectmen to convey to Eugene Perreault property acquired by tax collector's deed and situated at 369 Piscassic Road in return for payment to the Town of unpaid taxes, interest, penalties and costs for the years 1989, 1991, and in lieu of property tax which would have been due during the time the Town held title to the property. 14. To see if the Town will vote to establish a Capital Reserve Fund under the provision of RSA 35:1 for the purpose of purchasing an equipped police cruiser and to raise and appropriate the sum of \$6,000 to be placed in this fund.

15. To see if the Town will vote to authorize the use/transfer of \$5,000 from unexpended Water Department receipts as of December 31, 1993 and to place such funds in the previously established Expendable Trust Fund for maintenance of the Newfields Water Department.

16. To see if the Town will vote to raise and appropriate the sum of \$750 for the purchase and installation of an outdoor sign to be placed on the Town Hall lawn to announce town meetings and events.

17. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of upgrading Bald Hill Road from the Intersection . of Route 87 to the Newmarket town line, and to raise and appropriate the sum of \$25,000 to be placed in this fund. (1st year)

18. To see if the Town will vote to raise and appropriate the sum of \$3000 for the installation of a concrete pad for the recycling bins.

19. To see if the Town will vote to raise and appropriate the sum of \$2,500 to be placed in the Conservation Commission Fund to be used for the acquisition of a complete Natural Resource Map.

20. To see if the Town will vote to raise and appropriate the sum of \$3,400 for the construction of a lighted, four foot wide brick walkway from the Town Hall parking lot to the base of the existing handicapped ramp. Said walkway to include six foot wide granite steps.

21. On a Citzens Petition of Peter Cotch and 44 other voters, to require household refuse intended for disposal must be set out in tightly covered, rigid containers no earlier than one day prior to scheduled collection. Refuse otherwise set out will be deemed as improperly disposed of, unless under prior arrangement with the Town.

22. To see if the Town will vote to raise and appropriate the sum of\$455,039 that may be necessary to defray Town charges for the ensuing year, exclusive of all special articles listed above.

23. To hear any reports of any committee heretofore appointed and pass any vote relating hereto.

24. To transact any other business that may legally come before this meeting.

Given under our hand and seal this 13th day of February in the year of our Lord, nineteen hundred and ninetythree.

Setayloes Jame M. Cour James C. Rym

#### MINUTES OF THE ANNUAL TOWN MEETING HELD MARCH 10, 1992 TOWN OF NEWFIELDS, NH

The annual Town Meeting was called to order at 7:30 p.m. by the Moderator, James Hayden. He gave instructions as to the procedures townspeople should follow when addressing their concerns. Mr. Hayden indicated that should the meeting run late, if there were no objections, that we would adjourn and finish the meeting on March 11, 1992.

Article 1. To choose all necessary Town and School District Officers for the ensuing term. Mr. Hayden announced that this had been going on since 2:00 p.m. and the polls would remain open for the duration of the meeting.

Article 2. To see what action the Town will take toward the acceptance of the reports of the Town officers as printed in the Town Report.

Upon Motion made and seconded Article 2 was accepted, noting some printing errors. Being no discussion, Article 2 was put to a vote and passed.

Article 3. To see if the Town will vote to authorize the Selectmen, in case of disaster, to apply for, contract for, receive and expend Federal Funds for disaster relief.

Upon Motion made and seconded by the Baiers, Article 3 was accepted. Selectman Lane indicated that this was a general article which allowed the Selectmen to accept federal money should another natural disaster, like last year's storm occur. Article 3 was put to a vote and passed.

Article 4. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend Federal and State grants which may become available during the course of the year, in accordance with RSA 31:95-b, and also to accept and expend any money from any governmental unit or private source to be used for purposes for which the Town may legally appropriate money.

Upon Motion made and seconded, Article 4 was accepted. Selectman Lane indicated that this Article was in relation to the preceding article concerning block grants made by the federal government. Article 4 was put to a vote and passed.

Article 5. To see if the Town will vote to authorize the Selectmen to borrow Short Term Notes in anticipation

#### of taxes (RSA 33:7).

Upon Motion made and seconded Article 5 was accepted. Selectman Lane indicated that this was in case of a short fall in cash receipts, short term notes could be obtained, to cover expenditures. Article 5 was put to a vote and passed.

Article 6. To see if the Town will vote to authorize the Tax Collector to accept prepayment of Real Estate taxes for the year 1992. (RSA 80:52-a).

Upon Motion made and seconded Article 6 was accepted. Selectman Lane indicated that it is customary to allow the Tax Collector to accept tax payments in advance of their due date. Article 6 was put to a vote and passed.

Article 7. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property, other than cash, to the Town for any public purpose. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by a vote at Town Meeting.

Upon Motion made and seconded Article 7 was accepted. Selectman Lane indicated that the article was self explanatory, dealing with a donation of land, equipment. This paragraph is required by the Department of Revenue Administration (DRA). Article 7 was put to a vote and passed.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$2,000 for the installation of new shelving and lighting in the Newfields Public Library.

Upon Motion made and seconded Article 8 was passed. Barbara Hayden spoke on behalf of the library, indicating the necessity for better lighting and shelving and indicated that this was the first time they had come to the Town for money. Article 8 was put to a vote and passed.

Article 9. To see if the Town will vote to raise and appropriate the sum of \$50,000 to complete Phase II of the Newfields Fire Station addition.

Upon Motion made and seconded Article 9 was accepted. Ray Buxton spoke on behalf of the fire station showing blueprints of the station and the work needed for its completion. He indicated that they had a difficult time securing permits and getting approval of design codes, energy codes but did succeed on the second attempt. Phase I of the fire station was commenced in October of 1991 and completed in January of 1992. 12 bids were received ranging from \$113,000 to \$276,000. Phase II would complete the addition. Fire Chief Bill Chick indicated that this was the first time in several years that all the equipment was in the same building. He further noted that handicap access was designed into the plan pursuant to a Stipulation with the architectural design codes concerning the second floor.

Dave had a question regarding parking. Chief Chick indicated that there was adequate parking on both sides of the building. Les Patterson asked what the additional \$50,000 that needed to be raised would cover. Ray Buxton indicated that it would finish the downstairs, finish the upstairs bathrooms. It was noted that Fire Department volunteers did a lot of the work at no cost to the Town. The station also has a new heating system and new insulted windows. Jack Shaw indicated that the building was very nice and quite a bargain for the money spent. Article 9 was put to a vote and passed.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be placed in the previously established Fire Truck Capital Reserve Fund for the future purchase of a replacement fire truck (3rd year).

Upon Motion made and seconded Article 10 was accepted. Chief Chick indicated that a fire truck had a life span of approximately 15 years. Regardless of style of truck a new one cost on average \$150,000. He further indicated that they had no plans to replace any fire trucks at this time but due to the cost of same it would be wise to start putting money away now. Les Patterson had concerns whether this would be put in as a line item on the budget. It was indicated that this would have to be put in as a warrant article each year. Article 10 was put to a vote and passed.

Article 11. On the petition of 25 registered Newfields voters: We, the undersigned residents of Newfields, petition the Town of Newfields to place on the Warrant the request to support the Rockingham Nutrition Program's Meals Services for Older, Homebound Older and Handicapped Newfields residents by allocating \$25 (3rd year).

Upon Motion made and seconded Article 11 was accepted. It was noted that \$25 seemed low for this service. Selectman Conner indicated that this was just a subsidy. Mr. Hayden noted that since it was its third year as a warrant article it would become a line item on the budget next year. Article 11 was put to a vote and passed.

Article 12. To see if the Town will vote to include the Rockingham Nutrition Program's Meals Services as a line item under Human Services in the 1993 Town Budget.

Upon Motion made and seconded Article 12 was accepted. Mr. Hayden indicated that if passed this would become part of the Town Budget and the amount may be subject to change. Selectman Coes confirmed this. Article 12 was put to a vote and passed.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$2,500 for electrical rewiring of the 1st floor (exclusive of the Selectmen's office) and basement of the Town Hall.

Selectman Lane indicated that subsequent to this Article being put.into the Town Warrant it was discovered that there was money in the Common Trust Fund which could cover the expenses of electrical rewiring and that they intended to withdraw this Article. Based on this information, a Motion was made and seconded to turn down Article 13. A vote was taken on this Motion and passed. Article 13 was defeated.

Article 14. To see if the Town will vote to establish an Expendable Trust Fund, in accordance with RSA 31:19-a, for the maintenance of the Newfields Water Department and authorize the use/transfer of \$5,000 to this fund from unexpended Water Department revenues of December 31, 1992.

Upon a Motion made and seconded Article 14 was accepted. Selectman Coes indicated that these monies would come from excess revenues from the Water Department, the surplus would be set aside in this Trust for the Water Department to use for unforeseen disasters rather than from Town taxes. If this Article is defeated the surplus funds would be returned to the general fund. Jack Shaw asked if this amount was the maximum amount allowed. Selectman Coes indicated that this figure was an approximation derived at in determining the new water rates which are currently in effect. Article 14 was put to a vote and passed.

Article 15. To see if the Town will vote to establish a Conservation Commission under the provisions of RSA 36-A for the promotion and development of natural resources of the Town and to raise and appropriate the sum of \$500 for this purpose. Furthermore, any balance remaining at the end of the year be transferred to a Conservation Fund Account in the hands of the Town treasurer (RSA 41:29). Upon Motion made and seconded Article 15 was accepted. Selectman Coes begin the discussion that the Conservation Commission is not active within the Town and explained the importance of same and the need for it within the Town of Newfields. At present the Board of Selectmen handles such things as land use changes by default since there is no Selectman Lane indicated that there Commission in effect. were some 38 parcels owned by the Town that need to be found and cataloged. He further indicated that Newmarket has a Conservation Committee which has lead to the creation of parks, etc. within the Town. There is no agency in Newfields that does this at this time. Lyman Baier had concerns about how members of the Commission would be appointed and what was the purpose of the Conservation Fund Account. Selectman Coes indicated that the Commission would be made up of volunteers and the creation of the Trust would keep funds for the Conservation Commission from being turned back into the general fund. Lynn Sweet read a letter from Billie Bird in support of the Commission noting the benefits by cataloging and protecting land such as the wetlands, open space, coastal and aids in enforcing laws. Article 15 was put to a vote and passed.

Article 16. To see if the Town will vote to deposit 5% of revenues collected pursuant to RSA 79-A (land use change tax) in the Conservation Fund in accordance with RSA 36-A:5, III as authorized by RSA 79-A:25, II.

Upon Motion made and seconded Article 16 was accepted. Selectman Coes indicated that when land is taken out of current use the taxes can be high. The 5% requested is the minimum the Town could allocate to the fund. She indicated that this is how other Conservation Commissions in other towns are funded. There is no guarantee, however, that any land will be taken out of current use. Jack Shaw indicated that he believed 10% would be a more workable figure. Mr. Hayden explained that the Town already takes 10% according to State law, but that 5% of the 10% collected would be placed in the fund for the Commission. Article 16 was put a vote and passed.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$15,700 for the purchase of a new police cruiser and authorize the withdrawal of \$9,000 plus interest from the Police Cruiser Capital Reserve Fund created for that purpose. The balance of \$5,469.47 is to be raised through general taxation.

Upon Motion made and seconded Article 17 was accepted. Selectman Lane indicated that the worst of the 2 cruisers had been sold. That the existing cruiser needed to be repaired or replaced. It would cost approximately \$15,700 to replace the existing cruiser. \$9,000 plus interest would come from money that has been placed in the fund from running warrant articles. The balance would have to be raised through general taxation. Officer Ploof indicated that the existing cruiser had 126,000 miles on it, it was a 1988 Plymouth in rough shape. Bill Chick spoke on the benefits of having a fund such as this which aids substantially when a new vehicle or piece of equipment needs to be replaced. John Finn asked about leasing rather than purchasing. Officer Ploof indicated that leasing is only beneficial when dealing with a fleet of cruisers (3 or 4) not for just 1. Selectman Coes indicated that if leasing were to be an option it would have had to be specifically noted in the warrant article. The fund was established for the purchase of a new police cruiser. Article 17 was put to a vote and passed.

Article 18. To see if the Town will vote to authorize the Board of Selectmen to dispose of tax deeded property through public auction, sealed bid, or any other manner in the Town's best interest.

Upon Motion made and seconded Article 18 was accepted. Selectman Conner indicated that this was an enabling warrant article which would prevent the Town from acting as landlords and recommended by the Department of Revenue Administration. That the disposition of property would not be automatic, it would require public hearings. Several townspeople had concerns about this process in that it may be easier for the Town to take homes due to unpaid taxes, etc. Lynn Sweet indicated that when a piece of land and buildings are in question to bring it before the people at the next Town meeting and work with each parcel individually rather than giving the Selectmen the power all at once. Selectman Coes indicated that through the Conservation Commission and the Board of Selectmen there would be much deliberation before a parcel is disposed of. A amendment to the Article was suggested in that it should read . . . "tax deed residential property" . . . Selectman Lane indicated that this was not a wise decision nor consistent with state statute. This was never put to a vote. Paul Watson indicated that no action should be taken on this Article until the Commission is put together and able to catalog the land and then come back to the Town at some point in the future with specific information and requests. Les Patterson made a Motion to table Article 18. Same was seconded and accepted. Upon a vote upon the Motion to table Article 18 it was passed. No further debate was had.

Article 19. To see if the Town will vote to authorize

the Board of Selectmen to dispose of surplus property by public auction, sealed bid, or in any manner in the Town's best interest.

Upon Motion made and seconded Article 19 was accepted. Selectman Conner indicated that "surplus" referred to equipment and non-land only. Jack Shaw recommended that property be replaced with items and equipment. Upon Motion made and seconded Article 19 was amended to the following: "To see if the Town will vote to authorize the Board of Selectmen to dispose of items and equipment by public auction, sealed bid, or in any manner in the Town's best interest." A vote was had upon the amendment to Article 19 and passed. Article 19 as amended was then put to a vote and passed.

Article 20. To see if the Town will vote to authorize the Newfield's Water Department, through the Board of Selectmen, to withdraw from the Dr. Varney Trust Fund not more than \$25,000 to be used to install an eight inch water main from the Sargent/Tebo Well (#6) to Main Street.

Upon Motion made and seconded Article 20 was accepted. Selectman Lane indicated that this article if passed intended to withdraw money from an existing trust fund which is supposed to be used for water extension only. The need for the funds is to complete the loop of a subdivision which should have been completed and paid for by the owner of the subdivision but due to money problems was never completed. The Board of Selectmen are not in support of this article. Wendell Sargent explained the importance of #6 well to the Town as a whole but indicated that the pump was working hard but was only a year old. Paul Watson had recommended that we withdraw the money so the project could be completed and recoup the monies expended from the new owner once it had been sold. Selectman Coes indicated that this was not possible. Further, in talking with the real estate broker listing the property in question it is noted that the property will eventually be sold and it would be the responsibility of the new buyer to live up to the previous agreement and recommended that the Town wait it out. Jack Shaw indicated that the pump was working fine now and expected it would for an additional year and recommended that this issue be brought up at the next Town meeting. Les Patterson made a Motion to move the question, same was seconded and put to a vote. It must pass by a 2/3rds vote. It did not and the Motion to move the question was denied. Article 20 was put to a vote as accepted and defeated.

Article 21. To see if the Town will vote to extend its involvement and commitment as a member of the Lamprey Regional Solid Waste Cooperative from its current termination date of June, 1993 until the end of the business day on June 30, 1996.

Upon a Motion made and seconded Article 21 was accepted. Selectman Coes indicated there were no other options for dumping and that it was necessary to extend with Lamprey. Article 21 was put to a vote and passed.

Article 22. On a Citizen's Petition of 25 registered Newfields voters, to see if the Town will vote to raise and appropriate the sum of \$5,500 to contract services for the continuation of the recycling program (3rd year).

Upon a Motion made and seconded Article 22 was accepted. Linda Begerbing indicated that they are requesting the same amount as last year, that over the last year 35 tons of trash has been recycled and Newfields has the best rate of participation (over 56%) for a Town its size. They are looking to add a small storage building to the site for supplies, etc. Article 22 was put to a vote and passed.

Article 23. To see if the Town will vote to include Recycling as a line item under Sanitation in the 1993 Town Budget.

Upon a Motion made and seconded Article 23 was accepted. It was explained that after 3 years as a warrant article, it becomes a line item on the Town's budget, however, an opportunity to speak on its amount, etc. is still possible. Article 23 was put to a vote and passed.

Article 24. To see if the Town will vote to raise and appropriate the sum of \$6,500 to cover sewer tie-in and excavation costs, town water hook-up and repairs to the Scout House.

Upon a Motion made and seconded Article 24 was accepted. Selectman Coes indicated a lot of volunteer time and effort has gone into the Scout House so far and additional monies are required to complete the House (i.e. \$3,000 sewer department; \$600 water department; \$1,000 excavation; \$1,000 sheetrock). The Scout House is open to other activities. Presently there are 17 boy scouts and approximately 20 girl scouts that the Scout House will benefit once it is completed. Barbara Hayden asked why the money to complete the Scout House could not be raised with fundraisers. The girl scouts are only allowed 2 fundraisers per year and they are already spelled out. Joyce was concerned that the door to the Scout House opens onto the street and this could be very dangerous. Mrs. Young thought that may be a different location would be more appropriate, the Town Hall, the fire station, the Church. These are all possibilities. Article 24 was to put a vote and defeated. (28 - yes; 42 - no).

Article 25. On a Citizen's Petition of 25 registered Newfields voters, we the residents of Newfields petition that \$250 be appropriated for the Richie McFarland Center for each child served; 1 child served (3rd year).

Upon Motion made and seconded Article 25 was accepted. The article is self explanatory. 1 child is presently served by the Center and the \$250 figure is obtained and decided by the Richie McFarland Center. Article 25 was put to a vote and passed.

Article 26. To see if the Town will vote to include the Richie McFarland Center as a line item under Human Services in the 1993 Town Budget.

Upon Motion made and seconded Article 26 was accepted. A concern was the \$250 requested was per child. Barbara Hallinan indicated that only one child is served right now and that \$250 per child is very inexpensive. It was explained that if the figure was to be included in the 1993 Town Budget it could still be voted on when reviewing same line by line. Article 26 was put to a vote and passed.

Article 27. On a petition of 25 registered Newfields voters, to see if the Town of Newfields will vote to raise and appropriate the sum of \$1,480 to assist Seacoast Hospice, a non-profit organization (3rd year).

Upon Motion made and seconded Article 27 was accepted. The Executive Director spoke on behalf of the Hospice indicating that they have received wonderful support from the Town of Newfields. That the help is certified and provides care and comfort to those with a life expectancy of 6 months or less. Everything is included for this individual, even the costs of medication if insurance is no longer available and financial conditions of the individual have changed. The people receiving care from the Hospice never receive a bill. Article 27 was put to a vote and passed.

Article 28. To see if the Town will vote to include Seacoast Hospice as a line item under Human Services in the 1993 Town Budget.

Upon Motion made and seconded Article 28 was accepted.

Article 28 was put to a vote and passed without discussion.

Article 29. To see if the Town will vote to authorize the Board of Selectmen to create a 7 member committee to investigate the hiring of a new police chief and the benefits of a full or part time chief position. Further, this committee shall contain at least one public safety professional and said committee shall also be charged with screening prospective applicants and making recommendations to the Board of Selectmen by April 30, 1992.

Upon Motion made and second Article 29 was accepted. Selectman Lane indicated that former Police Chief Michael Daley was now working with the Stratham Police Department and Officer Ploof was working as Officer-In-Charge and working very closely with the Board of Selectmen. committee is thought to be needed to address the needs of the Town. Stephanie Daley wanted to know how the 7 member committee would be picked. Selectman Coes indicated that the members would be determined by a lottery. Les Patterson wanted to know who is a public safety Selectman Coes indicated a police officer professional. or an individual versed in public safety. This individual would not bill the Town for his/her services as no money is being appropriated for this position. Sharon Baier asked who would select a Chief of Police without the committee. Selectman Coes indicated that the Board of Selectmen would choose a new Chief. However, doing it in this manner would enable the Town to have a voice in the decision making. Paul Watson suggested that an amendment be made to Article 29 eliminating the word part-time. He felt it would be an injustice to the Town to appoint a part-time Police Chief and make it impossible to keep up the present standards. J. Rumford made a Motion to move the question which was seconded. Mr. Hayden explained what the vote would be concerning. Upon a vote upon the Motion to move the question, it was passed. There was then a vote upon Paul Watson's Motion to amend the Article to delete the word "part-time". This was defeated. A vote was then taken upon Article 29 as it originally appeared in the Town Warrant. Article 29 was passed.

Article 30. On the petition of Patricia D. Edgerly and 25 others, to see if the Town will vote by listing in the Warrant by a yes/no ballot vote the following: Shall we adopt the provisions of RSA 287-E relative to the conduct of games of bingo and the sale of Lucky 7 tickets (Yes/No Ballot vote).

Upon Motion made and seconded Article 30 was accepted.

Patricia Edgerly spoke on behalf of the Article indicating that she was interested in running a bingo game at her campground at the request of her campers. In order to do same she learned it must be put in as a warrant article and voted on by the Town. Much discussion was had as to who would be allowed to participate, would other organizations be able to come into Newfields to run bingo games and where the games would be held outside of the campground. It was explained that the request for Lucky 7 tickets are associated with the game bingo (pull tabs). A ballot vote was then conducted the results being 28 yes and 52 no. Article 30 was defeated.

Article 31. To see if the Town will vote to raise and appropriate the sum of \$1,000 to install a concrete pad adjacent to the Town salt shed for the recycling bins to alleviate drainage and safety problems.

Upon Motion made and seconded Article 31 was passed. Selectman Coes indicated that there is a possibility of slipping in the mud and it would be a nice site improvement. Patricia Edgerly noted that she had been required to install a concrete pad at the campground around the dumpsters at the request of the state. It was considered by them a health issue. Article 31 was put to a vote and passed.

Article 32. To see if the Town will vote to raise and appropriate the sum of \$463,542 that may be necessary to defray Town charges for the ensuing year, exclusive of all special articles listed above.

Upon Motion made and seconded Article 32 was accepted. Selectman Lane noted that he would read through the budget quickly noting any increases. If there are any questions regarding an item on the budget, the moderator will call on you regarding your question. Selectman Coes indicated that the budget is on a new form, some categories have been combined and some have been separated. Discussion was had with regard to the Mosquito Control budget amount. Sue Bonner started the discussion indicating that the spraying did not seem to work and that at times the truck will go by and not be spraying. Cecil Schneer tried to explain the program and procedures used in eliminating the mosquito problems within the Town. Paul Watson spoke on behalf of the spraying and that it worked in his area. That the problem use to be a lot worse. Mr. Schneer will bring the people's concerns to the Mosquito Control Committee for consideration. It was further noted that the total appropriations for this year are down approximately \$8,000. With no further discussion Article 32 was put to a vote and passed.

Article 33. To hear any reports of any committee heretofore appointed and pass any vote relating hereto.

Mary August had a question regarding the distribution of house numbers. Bill Chick indicated that 2/3 of the house numbers had been delivered. The remaining 1/3 would be completed within the next 3 to 4 weeks. Arrangements could be made with Bill to pick up your house number if you still had not received it.

Patty Young had a question as to why the Town meeting was held during the week knowing it runs so late. Selectman Conner indicated that it seemed reasonable and traditional for the Town.

Selectman Betsy Coes took a moment to alert the Town that Francis F. Lane, Jr. had completed his term as a Selectman for the Town of Newfields. She publicly thanked him for all his highly valued assistance. Mr. Lane received a well-deserved standing ovation.

Article 34. To transact any other business that may legally come before this meeting.

With no further business to discuss and upon a Motion made and seconded, the Town meeting was adjourned at 11:35 p.m.

Respectfully submitted,

Miniette saace

Results of the Zoning Ballot

 Are you in favor of the adoption of Amendment No. 92-1 for the Town of Newfields Building Ordinance to replace in full the wording of Article I, Section 3, as follows:

All other matters shall be governed by the standards set forth in the BOCA National Building Code, as recommended and maintained by the Building Officials and Code Administrators International, Inc. (eleventh edition) 1990. This code may be amended to reflect updates or revisions of the national code in accordance with the procedures outlined in NH RSA 674:52,VI, (a)-(c).

Recommended by the Planning Board.

YES 156

NO<u>54</u>

 Are you in favor of the adoption of Amendment No. 92-2 for the Town of Newfields Building Ordinance to DELETE in its entirety Article IX, Growth Limitations Controls.

The Planning Board and Board of Selectmen recommend a "YES" vote. Recent court decisions indicate this ordinance is unenforceable and should be removed.

YES 169 NO 48

3. Are you in favor of the adoption of Amendment No. 92-3 for the Town of Newfields Zoning and Land Use Ordinance to ADD a NEW Article 4.4.9, NOISE CONTROL.

Recommended by the Planning Board.

YES 139 NO 82

#### NEWFIELDS WATER DEPARTMENT ANNUAL REPORT 1992

This last year as been a busy year for the Newfields Water Department. We have accomplished much for the betterment of the water system.

This summer all the gate values, hydrant values and curb box values were located, cleaned, repaired and worked. The 15 kw, 3 phase, 120/240 v. generator was converted to propane to protect against possible gasoline spill in the well area. All pump stations were installed with chlorine monitor stations. We purchased a chlorine testing meter to continously monitor the free chlorine at the wells and through out the system. With the help of the New England Rural Water Works we have established an infusion system which in time will reduce the chemical taste in the water while not reducing the required protection. As of January, 1993 most of the water mains are within the required 0.2 to 1.5 range.

The two easment sections of the protective radius of the Sargent-Tebo well, which were not part of the gift to the town by Dwight Sharp in 1988, have been signed and recorded in the Registry of Deeds. This completes the protective radius of well head #6.

We are constantly vigilant for leaks and urge our customers to check for leaky faucets and toilets.

Respectfully

n,

Wendell Sargent (Superintendent)

Allen Taylor (Assistant Superintendent)

Jerry Kimball (Assistant Superintendent)

## **NEWFIELDS POLICE DEPARTMENT**

Newfields, N.H. (603) 772-2323

P.O. Box 55 Newfields, N.H. 03856

MICHAEL PLOOF Chief of Police

> For the year of 1992 the Police Department has undergone some major changes. After 12 years of service Chief Michael J. Daley has resigned to pursue his career in a larger Department. We will miss him and wish him the best of luck. THANKS FOR A JOB WELL DONE!

> The Police Department has also started an aggressive pro-active Department, by offering several types of classes to the residents. Such as a Federal truck driving laws, Female self defense, Children self defense, and my personal favorite the D.A.R.E. program, now being taught in the elementary school. All the classes conducted were a big success.

> The Police Department has also left Rockingham County Dispatch Center, and switched to the Newmarket Dispatch Center. There were several reasons for the switch, the most important is that the Fire Department and the Ambulance Service use Newmarket, and I felt that all the emergency services should be located at one dispatch center. The Police Department phone # will remain the same. 772-2323.

> I would like to take this opportunity to thank the residents of Newfields for the great support that they have given the Police Department over the years. I ask that you continue to support the Department. Without your support, the department cannot continue to provide the needed services that the people of Newfields deserve.

> > Sincerely

Michael F.Ploof Chief of Police

## **NEWFIELDS FIRE DEPARTMENT**

NEWFIELDS, N.H. 03856

William Chick Chief Ray Buxton Ass't Chief

This past year, (1992) has been a year with very little fire loss in Newfields. The Lion's Share of the credit for this goes to the people of Newfields who are being extremely safe with fire. The awareness of the devastation that can result from the careless and irresponsible respect for fire is a great help in keeping these losses down. The teachers and staff in our schools from day care, preschool and elementary school must share in the praise for this good record. Last , but not least, Newfields still has the luxury of a group of dedicated people in the volunteer fire department. As I have pointed out many times before, these people donate many hours of their time to training, drills and answer the alarms that the department receives.

Thanks again to the people who make donations of time, money and materials to the fire department. These donations which are used to augment the money raised by taxes allow me to keep a well-trained well-equipped and professional appearing department for the Town of Newfields.

Cooperation and support from the Selectmen and other departments of the town help to make the job of chief easier.

Thanks to all again.

William Chul

William Chick, Chief Newfields, Fire Department

STATE OF NEW HAMPSHIRE DEPARTMENT of RESOURCES and ECONOMIC DEVELOPMENT DIVISION of FORESTS and LANDS

172 Pembroke Road P.O. Box 856 Concord, New Hampshire 03302-0856

STEPHEN K. RICE Commissioner

**IOHN E. SARGENT** Director

December 7, 1992

603-271-2214

FAX: 603-271-2629

Report of Town Forest Fire Warden and State Forest Ranger

1992 was below average for wildfires reported in our state. Our largest fire was in May in Rumney where a suspicious origin fire burned approximately 150 acres with a total cost of approximately \$30,000. The N.H. Division of Forests and Lands assisted many other communities in wildland fire suppression as well.

Our fire lookout towers reported 289 fires, burning a total of 136 acres. Our major causes of fires were fires kindled without a permit, unknown causes and children.

Please help your town and state forest fire officials with fire prevention. New Hampshire State Law (RSA 224:27) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done." Violation of this statute is a misdemeanor, punishable by a fine of up to \$1,000 and/or a year in jail and you are liable for all fire suppression costs.

Local fire departments are responsible for suppressing fires. The small average fire size of .47 acre/fire is a tribute to early detection by the public or our fire tower system and the quick response of our trained local fire departments. Please help your Warden and fire department by requesting and obtaining a fire permit before kindling an open fire.

The N.H. Division of Forests and Lands assisted 28 towns with a total fo \$20,000 in 50/50 cost share grants for fire fighter safety items and wildland suppression equipment in 1992.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or Division of Forests and Lands at 271-2217.

#### REPORT OF THE NEWFIELDS MOSQUITO CONTROL COMMISSION

Each spring the mosquito control crew begins the season with the enthusiasm and drive to improve over the previous summer. Certain variables make this task difficult such as the amount of snow or rain recorded during the year, average daily temperatures, the height and number of flood tides. Virtually the only factor controlled by the crew is their physical condition. Each season brings new challenges and 1992 was no exception.

The 1992 season is best described as the busiest we have ever experienced. The salt marshes were in need of spraying more frequently than in past years. Well timed rain falling in between the flood tides created a constant mosquito breeding pattern from April into September. The crew larvicided the marshes up to ten times during that period using a bacteria, <u>Bacillus thuringiensis</u> <u>israelensis</u> (Bti for short). The bacteria specifically targets mosquito larvae yet is short lived when exposed to sunlight. As a result, re-application is necessary every week if more mosquito breeding is found.

This busy spray schedule not only burdens an already tight budget, but stresses the crew and equipment as well. Fortunately, constant maintenance keeps the backpack sprayers running and excellent physical endurance allows the crew to sustain the hectic pace.

Larviciding is a very demanding and time consuming part of mosquito control. Yet few people see this work because the crew is spraying in remote areas that border the bay, rivers, streams, railroad tracks, dirt roads and wooded areas. One isolated salt marsh site near the railroad trestle must be reached by parking on a dirt road off New Road in Newmarket, walking down the railroad tracks to the marsh. Only an occasional railroad maintenance crew sees the mosquito control crew spraying this marsh. Yet left untreated, millions of mosquitoes hatching from this site could easily fly into town searching for a blood meal.

The crew begins checking stagnant water in April, often breaking the ice in search of larvae. The adult mosquito who bites us in late May and June must be sprayed in April or early May while in the aquatic larval stage. Please call the office at 778-3906 if you would like the crew to inspect your wetlands for mosquito breeding. Mosquitoes only breed in stagnant water, but not all stagnanat water supports mosquitoes. The crew will survey the site for mosquito larvae. If no larvae are found, then spraying is not done.

Larviciding takes place during the day while adulticiding (controlling adult mosquitoes) is done at dusk or dawn when the wind is calm. The town was sprayed fifteen times during the 1992 season. Adulticiding is a supplement to the larviciding program. The insecticide resmethrin is used to control adult mosquitoes.

When the crew wasn't spraying or maintaining overworked equipment, they were busy building new greenhead fly traps or fixing old traps. These black boxes, placed on salt marshes during the summer, control greenhead flies without insecticides. Flies are lured to the trap by the dark color and location. Greenhead flies rest inside the trap and are unable to escape. They die of dehydration. Anyone who would like to construct their own trap should contact the office for the design.

Any resident who does NOT want his/her property sprayed for mosquito larvae or adults must contact the Mosquito Control Department at 778-3906 or write to P.O. Box 46, Stratham, NH, 03885. Please contact us every year. All requests will be honored.

Respectfully submitted, Sarah MacGregor Director

#### CONSERVATION COMMISSION

Last year the town voted the Conservation Commission into existence. Since then we have made great strides toward accomplishing conservation goals. We have formed a working group, joined the state organization of conservation commissions, set up an advisory board and created a fund of ideas about conservation in the Town of Newfields.

We have to play catch-up ball, since most commissions like ours have been in existence many years and State money to help towns with projects has dried up. We are asked to find out, also,what natural resources our town has. Then we must ask you, the propertyowners, what goals you want us to pursue.

What are our natural resources? We can name obvious ones like: our rivers, Great Bay and access to the ocean, our wetlands, the soils in our town, the roads, recreational or public lands, etc. To define these further, we need a professional Natural Resource Inventory bought with matching funds from the state. We are proposing this for this year. Town records will then be more precise.

We hope to send out a questionnaire this spring to ask what you are most interested in saving and protecting. Our task is monumental and more volunteers are needed to reach our goals. Please assist us in our work in saving our environment and creating conservation opportunities. You can begin by simply phoning me or any member of our commission with suggestions.

We'd like to hear from you.

Bobbie Byrne, Chairman 772-5783

54 COURT STREET - PORTSMOUTH, NEW HAMPSHIRE 03801 603 436-8110

#### INDEPENDENT AUDITOR'S REPORT

Board of Selectmen Town of Newfields Newfields, NH 03856

I have audited the accompanying combined financial statements of the Town of Newfields as of and for the year ended December 31, 1991, as listed in the table of contents. These financial statements are the responsibility of the Town's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

The Town has not maintained a record of its general fixed assets and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not presented in the financial report.

In my opinion, the combined financial statements referred to above present fairly the financial position of the Town of Newfields at December 31, 1991, and the results of its operations and the changes in financial position of its proprietary fund types and similar Trust Funds for the year then ended, in conformity with generally accepted accounting principles. Also, in my opinion, the combining and individual fund financial statements referred to above present fairly the financial position of the individual funds of the Town of Newfields at December 31, 1991, their results of operations, and the changes in financial position of individual proprietary funds for the year then ended, in conformity with generally accepted accounting principles.

S.A.U. #16 Meetings

May - Election of Officers and Business December - Budget and Other Business

# NEWFIELDS SCHOOL DISTRICT MEETING MONDAY, 2 MARCH 1992

Moderator, James Hayden called the Meeting to Order at 7:35 PM.

Jim Hayden read thru the entire Warrant Articles, said that they had been signed by the three School Board members, and that he will use the Roberts Rules for meetings and will recognize everybody for discussion after each article has been moved and seconded.

- ARTICLE 1 To see what sum of money the District will vote to raise and appropriate for the support of the schools, for the payment of the salaries for School District officials and agents, and for the payment of the statutory obligations of the District.
- MOVED: Allen Taylor moved that the District appropriate \$882,005 for the above Article.

SECOND: Nancy Taylor

At this time Chair, Pamela Abbott explained that the dollar amount and the percentage amount increase is based on the difference between the 91-92 projected expense rather than the approved budget because that is a more realistic figure. 100% accuracy is impossible, and there is a 2 1/2% increase overall. Four public meetings took place in preparation for this budget and they were able to decrease the percentage from 6% to 2 1/2%. The one year negotiated contract with the teachers was discussed and approved at a public meeting in November 91. The teacher's salary, using the 12 step salary schedule gives them approximately a 5% raise which is competitive, fair and reasonable. Jeanne Conner asked why there was a \$4,000 difference between the approved and projected budget, and was this budget and the teacher's contracts approved by the budget committee. Pam Abbott said that some staff members came in at a higher salary, and that the budget was discussed at four consecutive meetings starting in November. Dotty Dawson wanted to know if the higher salary pertained to the fourth grade teacher. Susan McDougall wanted to know if the budget would change based on the 4th grade teacher salary. Jeanne Conner wanted to know if they cut the teacher's salary would it be taken from another line item. Pam Abbott said that they signed a 1 year contract with the teachers and the amounts in that contract are very specific. Barbara Hallinan asked if the raise was 7% or 7.7%. Lyman Baier stated that the contract included a 4.9% salary increase; all benefits went up 18.9% and the state retirement fund that went up 154%, but the bottom line increase is only 7.7% Pam Abbott stated that this included health insurance and also workmen's comp which is statutory. Ray Trueman said he heard it was possible to re-open the negotiations and change the teacher's rate. Pam Abbott corrected his guote and that the teacher's contract was ratified at the budget meeting and we vote on the bottom line of this budget, and if this is changed the Board could go back to the teachers, but they can refuse to negotiate. Jim Hayden spoke to the Sanborn Regional contracts.

Kathleen Lynch spoke to the fact that Newfields has a 1 year extension and not a 3 year contract that would have become a separate warrant article. The authority of the School District Meeting is to set the bottom line in this budget and if this were to be changed the teachers would not be obligated to re-negotiate and that the Board would have to work within that bottom line. Patti Young said that she went to meetings and wanted to know when she could say that she did not want something. Jim Hayden described what the District meeting is all about and technically you can make your input known at any time. Barbara Hallinan said she thought the 1 year contract was slipped thru. Lyman Baier answered her by saying that this was just an extension of an existing contract. Susan MacDougall asked about the ranges in salary and what was the highest amount. Pam Abbott answered with the figure of \$31,213 for a professional that has been in Newfields for 15 years. Deborah Glass said that she would like to hear what our dollar is paying for, meaning that the teachers are dedicated, with fine credentials and they deserve a raise. Jeanne Conner said she is not against teachers or education but that 7.5% raise is too high because there are people in town out of work. Pam Abbott pointed out that the amount is only \$8300 and the quality education and the amount of time and work the excellent staff spend at school warrants that. Jim Hayden said that technically the tax rate will be a dollar increase. Pam Abbott guoted what is on the Revenue Sheet. Susan MacDougall talked about the potential surplus. Pam talked about the difference in tuition costs that created that. Betsy Coes said there are alot of unpaid taxes. Maggie Doane said that at the meetings she attended it was said that retirement costs were estimated at the highest amount. Will we recoop money if this goes down. Pam Abbott answered that the increase was 6,000 and there would likely be a change. Carter Owen asked if the State mandated a certain amount of money. Jim Hayden answered that the amount was based on average annual earnings of contributers which includes police, firemen, teachers, all municipal employees. Pam Abbott read each line item that had an increase over 91-92 Dotty Dawson asked about the cost of reading materials. Brent Rogers spoke to that issue saying that some textbooks and materials had to be ordered to implement the new reading curriculum. Edna Buxton voiced concern about the need for a new 27 inch TV. Sue Bonner said that a new copy machine would replace old, worn out ditto, thermafax and copy machines. Brent Rogers said they did go out to bid. Dotty Dawson asked about conferences. Pam Abbott said teachers were limited by the amount of money in the budget. Don Doane explained the rubbish pick-up is considered commercial. At this point dialogue was exchanged concerning insurance coverage. Jan Trueman told about the proposed addition to the Vocational School

MOTION: Ray Trueman MOVED: To amend the amount on the 92-93 budget to \$810,000. SECOND: Jeanne Conner

Maggie Doane said she thought the kids would suffer with a budget cut. Don Doane argued for the printed budget. Ray Trueman said we should have the privilege of a line item vote.

MOTION: Allen Taylor MOVED: To vote the Amendment SECOND: Nancy Taylor

Jim Hayden called for a show of hands and the Amendment failed.

Maggie Doane suggested they end the debate on Article I and vote the Motion

Jim Hayden asked for raised hands and the vote was 23 to 11 in favor of the Budget bottom line of \$882,005.

ARTICLE 2 Shall the District accept the provisions of RSA 198:20-b providing that any school district meeting may adopt an article authorizing indefinitely, until specific revision of such authority, the school board to apply for, accept, and expend, without further action by the school district, money from state, federal, or other governmental unit or private source which becomes available during the fiscal year?

MOTION: Allen Taylor MOVED the above Article SECOND: Nancy Taylor

Pam Abbott explained if there is any revenue that comes in it gives the Board permission to spend without calling a special meeting. This is the same Article that is in the Warrant every year. The State changed the wording so that once we vote this in it will not have to be repeated every year.

The Moderator called for a show of hands and the Article passed.

ARTICLE 3 To see if the school district will vote to create an expendable general fund trust fund under the provisions of RSA 198:20-C, to be known as the school building maintenance fund for the purpose of repairing and maintaining the school buildings. Furthermore, to name the school board as agents to expend and To raise and appropriate from surplus funds, and authorize the use/transfer of Ten Thousand, Five Hundred Dollars (\$10,500.00) of the June 30, 1992 balance for this purpose.

MOTION: Allen Taylor SECOND: Nancy Taylor

Pam Abbott said the Board needed to create an expendable general fund trust fund for the purpose of repairs to the building. That one fund had to be dissolved and to create a new one. Don Doane said that it was not appropriating more funds; just moving money from A to B.

Jim Hayden asked for a vote and declared the MOTION passed.

ARTICLE 4 To see if the school district will vote to discontinue the Capital Reserve Fund - Building, created in 1989. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the General Fund.

MOTION: Barbara Hayden so moved SECOND: Jackie Stewart

Jim Hayden asked people to raise their hands and declared Article 4 a vote.

ARTICLE 5 To hear reports of agents, auditors, and committees or officers heretofore chosen and to pass any vote relating thereto.

MOTION: Allen Taylor SECOND: Nancy Taylor

. • • • • •

Don Doane wanted to know what the report is from a committee to be formed to consider acquiring land for a new school. Pam Abbott answered that it was difficult to get anyone to be on a committee and the project was discontinued.

- ARTICLE 6 To transact any other business that may come before this meeting.
- MOTION: The Teachers' Contract of the ensuing year and the salary of the Principal be a separate Warrant Article to be Ratified at the 1993 School District Meeting

MOVED: Ray Trueman

SECOND: Jeanne Conner

Pam Abbott said only a money amount can be included in a warrant article. Ray Trueman wanted to know about the wage structure of the teachers. Jan Trueman said that the original wording of the contract was structured about 6-7 years ago.

Moderator, Jim Hayden asked for a vote and the MOTION did not pass.

MOTION:	Allen Taylor MOVED that the meeting be adjourned
SECOND:	Nancy Taylor

Jim Hayden declared the meeting adjourned at 9:35PM

Respectfully submitted, Clerk: E. Marjorie Floyd Elnayorie Floyd

#### SCHOOL DISTRICT WARRANT

#### STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the Town of Newfields, qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on the ninth day of March 1993, at two o'clock in the afternoon to act upon the following subjects:

1. To choose a School Board Member for the ensuing three years.

2. To choose a School District Clerk for the ensuing three years.

3. To choose a School District Treasurer for the ensuing three years.

4. To choose a Moderator for the ensuing three years.

5. To choose an Auditor for the ensuing year.

Given under our hands at Said Newfields this  $31^{5T}$  day of SANUARY, 1993.

# **NEWFIELDS SCHOOL BOARD**

The Newfields School Board would like to thank the following members of our community who have given their time/materials toward the improvement of the school building and grounds:

> The Newfields Fire Department - Chief Bill Chick Pat Neal Allan Taylor Mark Hayden Kent Michaud Doug Rugg John Finn Mark Goodrich

The Board would also like to thank Greg Perkins, our custodian, and Pete Foley, our grounds keeper, for all the extra work that they do at the school.

Janice True

Panela N

Pamela Abbott

Maureen Hacket

Maureen Hackett The Newfields School Board

# SCHOOL DISTRICT REPORT BRENT ROGERS, PRINCIPAL MARCH 1993

Newfields Elementary School includes students in grades one (1) through six (6). We currently enroll eighty-four (84) students. At one point this year our enrollment was eighty-nine (89). The teaching staff consists of five (5) full time regular teachers, a special education teacher, and a teaching principal. Newfields also employs art, music, and physical education teachers who provide the Newfields students with once a week instruction.

Support personnel for Newfields Elementary School include a school psychologist, guidance counselor, secretary, nurse, speech pathologist, occupational therapist, and custodian. Our Assistant Superintendent, Dr. Lynch, is also our learning disabilities specialist.

As we strive to provide quality and diversity in the curriculum of Newfields Elementary School we have brought to Newfields a variety of talented people to work with our children. During October of 1992 Newfields Elementary had a Japanese Intern working in our building for a month. The students learned Japanese and about the culture of Japan. This past January the Kitchensink Mime Theatre worked with the entire student body.

Our goal at N.E.S. continues to be that of involving the town and its residents in the daily activities of our school. We want to thank everyone who has helped to make this a reality.

## **REPORT OF THE SAU 16 ADMINISTRATION**

### MARCH 1993

## William J. Clancy, Superintendent Kathleen M. Lynch, Assistant Superintendent John H. Moody, Assistant Superintendent

In July, 1992, the SAU welcomed John H. Moody as a new Assistant Superintendent with primary responsibilities In Kensington and Stratham.

Aobert Teel was appointed to the principalship of the Kensington Elementary School, and the process to fill the principalship vacancy at Stratham Memorial School may have been completed by Annual School District Meeting time.

The science department addition at EAHS has been completed, and the facility has been in use since February 1993. This is the first project authorized and completed under the amended AAEA Agreement.

The Exeter Main Street School addition and renovation will be completed for use in September 1993. Main Street School will serve Kindergarten, Grade 1 and Grade 2 while students in Grades 3 to 5 will attend Lincoln Street School.

A revised Social Studies curriculum was approved for Grade K thru 6 in the SAU #16 schools. This revision is a part of the review of elementary programs conducted by SAU teachers and administration on a rotating basis.

Teacher negotiations have been completed in Brentwood, Exeter and Newfields. At the time of this report, East Kingston's teacher negotiations are continuing.

SAU #16 member districts have been provided with technical assistance and training in several areas of federal mandates. These include the Americans with Disabilities Act, Section 504, and special education mandates. SAU #16 also arranged for reinspection of school buildings in member towns to insure compliance with federal asbestos regulrements.
