Jan. 15,	Garage fire, Mac's Garage	Rumney Depot
Jan. 20,	Chimney fire, Mrs Parker	Rumney Depot
Jan. 30,	Chimney fire, Rev. Earl Beal	Rumney
Feb. 4,	Chimney fire Burke	W. Plymouth

On account of lack of hose the Plymouth Fire Company was called to the fire at Mac's Garage. The garage and Mr. Dolby's barn were burnt to the ground. A fire on the roof of Gordon McKee's house was extinguished with the help of the Plymouth booster pump. A water hole would be a great advantage to the Rumney Depot corner section. The nearest supply of water is 2,000 feet away. A water hole is badly needed near Wm. McKee's residence at West Rumney and one in the Quincy section of town. I recommend that we have 400 feet of two and one half inch hose which would make 1500 feet available. This would cover a large share of the town.

Fire Chief

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Rumney, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eighth day of March 1941, at two o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District, as determined by the School Board in its annual report.
9. To see if the district will vote to petition the state tax commission to have an audit made by the municipal accounting division and to make an appropriation to cover the expense of such audit.
10. To see if the District will vote to construct and equip a central school house in Rumney in said District and to purchase a suitable building site for same.

11. To see if the District will authorize the issuance and sale of not exceeding \$35,000.00 in principal amount of bonds or serial notes of said District, to be issued in accordance with the provisions of the Public Laws of New Hampshire Chapter 59 as amended, to bear interest not exceeding four per cent per annum, the date of issue, the time and place of payments of principal and interest, the fixing of the rate of interest, provision for the sale of said bonds, and other matters in relation thereto, to be left to the discretion of the School Board.

12. To see if the District will vote to authorize the School Board to execute and deliver in the name and on behalf of the District all contracts and agreements and take all action necessary or incidental to obtaining a loan and-or to issuing and selling the bonds or notes authorized at this meeting.

13. To transact any other business which may legally come before said meeting.

Given under our hands at said Rumney, this nineteenth day of February, 1941.

ANNUAL REPORT OF
THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the

School District of Rumney:

The eleventh report of the present Superintendent of Schools is hereby submitted and makes a part of the Report of the School Board of the School District of Rumney.

No changes have occurred in the teaching staff since my last report except that Elinor Jones is completing studies for her degree this last semester at Plymouth Teachers College, and Clarence P. Amadon of Lancaster is substituting for her to the end of the year. The percentage of attendance of 95.26 for last year is very creditable considering the severe winters in this region. The district transported 30 children last year. There were no pupils in attendance from outside the district.

In the last report of this series the writer set forth in considerable detail the generally accepted advantages of consolidation, and his attitude toward this progressive procedure is well known in this area. The committee on a new consolidated school is continuing its study and survey. It expects to have proposed plans drawn by an architect to submit to the people at the district meeting. Transportation is entirely practicable for the district. There is no reflection on any municipality to carry a debt for a legitimate community building provided the amount, interest, and time are in proper relation to the equalized valuation of the municipality, and does not cause a too high tax rate.

The present reported rate of 3.30 is below the average for the state. A town might well "keep out of debt," but in general would in the long run fall behind others and not invite the interest of progressive and dependable people to build up an attractive community. To assume a bonded debt requires prudence, courage, and vision. The decision lies with the voters of the district.

Respectfully submitted,

ALLAN M. McCURDY

REPORT OF SCHOOL NURSE

To Rumney School Board:

I hereby submit my report of School Nursing from September 1939 to July 1940.

Children inspected 120

Symptoms of defects found:

Dental	44
Tonsils, enlarged or diseased	19
Vision	11
Hearing	7
Enlarged Glands	6
Orthopedic	1
Underweight	10

The following corrections were made:

Dental	42
Tonsil Operations	4
Vision	4
Orthopedic - under treatment	

All children above second grade were tested for defective hearing by the audiometer. 7 showed slight hearing defects. Some of these cases were possibly due to defective tonsils.

15 children were treated at the Dental Clinics held at Plymouth.

The Sight Conservation paid for examinations and glasses for 2 children.

The tonsil operations were done at the Tonsil Clinic held in June at the Memorial Hospital at Plymouth. Two were made possible by a donation, and the Red Cross helped one.

The usual program of health inspection, weighing and instruction has been carried on through the school year and 88 school calls, 67 home calls and 18 business calls were made.

At the beginning of the school year of 1940, inspection was made again and these symptoms of defects found.

Children examined:	117
Dental	47
Tonsils, enlarged or diseased	20
Vision	9
Enlarged glands	5
Orthopedic	1
Underweight	11
These corrections have been reported by children to date.	
Dental	12
Tonsils	4
Vision	3

The parents, teachers and agencies have been most cooperative for which we are very grateful.

Respectfully submitted,

ANNA M. LOVETT, R. N.,
School Nurse
