## SUPERINTENDENT'S REPORT

---

To the School Board and Citizens of Swanzey :

I have the honor to submit, herewith, my fifth annual report.

**BUILDINGS AND GROUNDS:** Following its policy of improving the school property as fast as money is available, the school board carried out the following projects in addition to the usual minor repairs :

(1) **CUTLER SCHOOL:** Elimination of 3-side lighting in all four rooms. New and modern seats were installed in the two upper rooms. As voted, at the last annual meeting, land was purchased in the rear of the building for playground purposes. This new land was fenced with an inexpensive wire fence though the board had no funds in its budget for this purpose.

(2) **FACTORY SCHOOL:** Several slate blackboards and new curtains were installed. Land for the new playground has been staked out but the price has not yet been finally determined. When the title is passed on this property it will be necessary to erect a line fence. Article 8 is inserted in the warrant to take care of this situation.

(3) **EAST SWANZEY:** The upper room in this building was refinished ; a window was let in on the stairway and a new front door hung. An attempt was made to repair the well so that there may be a suitable supply of water on the property but the water supply failed before the board was entirely satisfied about the quality of the water. This work will be continued in the spring.

(4) **SWANZEY CENTER:** A new cement floor was laid in the basement and a new sink with drain was installed in the corridor.

In line with this policy of progress on the part of the board, I would suggest the following projects to be undertaken as funds are available:

- (1) New seats in the primary room at the Center school.
- (2) New seats in the grammar room at the Factory.
- (3) Steel ceiling in the upper room at East Swanzey.
- (4) Improvement in the toilet facilities at all the schools with the feeling that the greatest need is at East Swanzey.

**HEALTH:** I hope parents will reflect on the report of the school physician printed on another page. In every case a card is sent to the parent calling attention to defects noticeable in the children. Still we find 177 cases of defective teeth, 85 children with hypertrophied tonsils and 85 more with adenoids. These defects are so easily corrected and yet neglect of them not only interferes seriously with the success of the children in school but also conditions their health and chances of success in their after-school life.

**TEACHERS AND PUPILS:** The following changes are noted in the teaching staff: Miss Beatrice Seager resigned on Sept. 20 to continue her education at Boston University. We were very fortunate to be able to secure Mrs. Marjorie Frink, a teacher of wide experience, to take her place. At the Center School it became necessary to secure new teachers for both rooms. To succeed Mrs. Phillips, Miss Alice MacFarlane of Agawam, Mass., was secured and Miss Carlene Day of Colebrook N. H., replaced Miss Henry. Both these young ladies are graduates of Plymouth Normal School, the latter from the 3 yr. course. Matrimony took from us Miss Edna Ramberg, who had served efficiently as principal at East Swanzey for two years. Another Plymouth Normal graduate, Miss Luella Buffum of Derry, N. H., was secured to fill the vacancy and Miss Wheeler was named as principal. I think the usual high order of work done in the Swanzey schools has been maintained.

52 pupils have been in attendance at high schools outside the town for the whole of the last academic year, while eight

others have attended high school for a part of the year, a total high school registration of 60 pupils.

In concluding this report, I wish to express again my grateful appreciation to the school board, citizens of Swanzey, and to the teachers, pupils and janitors for their loyal cooperation in behalf of the education of the children of the town.

Respectfully submitted,

WESLEY H. DOUGLASS,

Superintendent of Schools.

Winchester, N. H., February 17, 1930.

LET US SET THE CHILD IN OUR MIDST AS OUR GREATEST WEALTH AND OUR MOST CHALLENGING RESPONSIBILITY. LET US EXALT HIM ABOVE INDUSTRY, ABOVE POLITICS, ABOVE ALL THE PETTY AND SELFISH THINGS THAT WEAKEN AND DESTROY A PEOPLE. LET US KNOW THAT THE RACE MOVES FORWARD THROUGH ITS CHILDREN AND, BY THE GRACE OF ALMIGHTY GOD, SETTING OUR FACES TOWARD THE MORNING, DEDICATE OURSELVES ANEW TO THE SERVICE AND THE WELFARE OF CHILDHOOD.
