TOWN WARRANT**THE STATE OF NEW HAMPSHIRE**

To the Inhabitants of the Town of Tuftonboro in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Tuftonboro on Tuesday, the fourteenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. \$23,396.00, figures of Budget committee.

3. To see if the Town will vote to raise and appropriate the sum of twelve hundred and fifteen dollars (\$1215.00) to repair the Melvin wharf.

4. To see what action the Town will take about raising the sum of four hundred dollars (\$400.00) asked for by the Forestry Department for the control of the White Pine Blister Rust.

5. To see if the Town will vote to raise and appropriate the sum of four hundred sixty three dollars and fifteen cents (\$463.15), the State to contribute the sum of one thousand eight hundred fifty two dollars and sixty cents (\$1852.60) for Town Road Aid.

6. To see what action the Town will take about allowing a discount on taxes.

7. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and fifty.

LEROY A. MATTHEWS
CHARLES F. WHITTEN
FORREST W. HODGDON
Selectmen of Tuftonboro

A true copy of Warrant — Attest:

LEROY A. MATTHEWS
CHARLES F. WHITTEN
FORREST W. HODGDON
Selectmen of Tuftonboro

FOREST FIRES — OUR MOST SHAMEFUL WASTE

Everyone apparently fears fire but too many are careless with it. This is particularly true of fires in and near woodlands. Official figures show that more than 98 per cent of all forest fires result from human carelessness and can be prevented. Consequently, we may say "Forest Fires are our most shameful waste".

Annual forest fire losses are tremendous and their effects far reaching. Such fires destroy the raw products of the forests, the protection forests provide for game and the supply of ground water. They upset local economies by drawing men from gainful employment and requiring the expenditure of public funds to extinguish them.

Our forest fire organization is doing a good job in keeping the size of fires small but the number of fires is increasing. In 1949 there were 100 more fires in New Hampshire than in 1948, but they burned 500 acres less. For the warden and his deputies to do the job they are capable of, they must have the cooperation of the public—YOU!

The primary objective of all fire fighters is PREVENTION—fire stoppage. This is the goal toward which your local forest fire warden and his deputies are constantly working. It can be achieved ONLY if YOU and YOU cooperate with them. It is worth YOUR effort and can be accomplished by:

- 1 Being careful with fire in or near woodland, being particularly careful with matches and cigarettes.
- 2 Securing the required written permit from the warden when the ground is not covered with snow.
- 3 Insisting that others be careful and comply with burning requirements.

- 4 Calling the warden promptly when fire is detected and aiding him to extinguish it.

Let's reduce the number of forest fires and eliminate our most shameful waste.

1949 Fire Record

Number of fires	1
Acreage burned	2
Number of fire permits issued	212

Census Taker

ROBERT C. JORDAN

B. REPORT OF THE SUPERINTENDENT

1. Problems and Conditions General to the Union

By the time this report reaches you, interested citizens in all of the six districts in this Union will have had an opportunity to study and evaluate their schools. Through this medium, far more has been learned of your schools than could be written in many yearly reports. The evaluation of what your schools are doing and what you want them to do has been determined by you, with the aid of the teachers and students.

You are to be congratulated for your labors, but the satisfaction you have had from doing this splendid job is a greater reward for your effort than any praise which might be given here.

The results of the survey have been, or are being, distributed as they are completed. If you did not receive copies of this material and wish them, they are still available in the several districts.

Your superintendent, teachers and school boards will continue to study these results and, in some cases, many of you will no doubt do the same.

These studies you have done will be the highlight of the school year, 1950-51.

And now for some specific facts which bear repeating. Before writing these, I have gone back to the report of a year ago, perhaps you will care to do the same thing.

Teachers:

The teacher question which has been so serious for many years eased more this year, especially in the secondary field. However, our young people will not enter the field unless the salaries are satisfactory.

Normal losses resulted in a turn-over of twelve teachers during the summer. One other replacement has been necessary since school began.

A year ago, I pointed out that salaries in this Union were equal to the average in the state. Unfortunately, now, I must report that this is not true for this year. Today, salaries being paid are on an average of \$200.00 under the state average, so our districts did not hold the gains they had made.

Buildings:

All of the districts have continued to maintain and improve present buildings. Three more schools have improved lighting. In two schools, all of the floors were refinished. More rooms were painted, and dark shades for moving pictures were installed in five schools. In the last three years, all of the schools but one have had all of the corridors and rooms painted. From here on, this should be an easier job to do, just a reasonable proportion each year.

From your own experience, you know that a clean, pleasantly painted and well lighted place in which to work and live is a grand thing.

Maintaining school buildings is no small task, but it is far less costly than building new ones. If you can continue to permit your boards to carry on as they

have these past three years, you will not be faced with the problems some districts have.

School Lunches:

Hot lunches are important and growing projects in this Union. Facilities have been improved, and for children not yet being provided with this advantage, plans are under advisement to have the services in the months to come.

The Federal Government still pays nine cents toward each meal served when one half pint of milk is provided and the other food meets certain specifications. Surplus commodities have continued to flow into the Union. This presents a problem, in that no school has adequate storage space and all foods received must be accepted at one place and then distributed to all of the schools in the Union having federally aided programs. Pittsfield High School has been the receiving point for all of these materials and Mr. Prescott, the Principal, and the boys of the school, deserve your thanks for the work they do in handling all of these shipments. The bookkeeping is done in the superintendent's office.

The following foods have been received since September: 20 boxes of Honey, 177 boxes of Apples, 113 bags of Potatoes, 450 cans of Peaches, 252 cans of Tomatoes, 210 (5 lb.) bars of Cheese, 320 lbs. of Butter, 66 cans of Peanut Butter and 48 cans of Tomato Paste. We have been notified that 60 more pounds of Butter and 150 boxes of Dried Milk will be coming in soon.

Instruction:

All teachers in the Union attended a four day workshop in Reading, under the direction of Dr. Anna

Louise Cordts, in September. Three days were credited toward our five days reserved for workshops and one day was contributed from the teachers' time. The districts shared the expense of this venture. It is hoped that the children will receive the benefit from this work on the subject most important of all, Reading.

So much interest has been shown by our parents in this workshop that we plan to invite a limited number of parents to participate in future meetings.

Just how we shall use the other two days assigned to workshops for this year has not yet been determined.

Seventy per cent of your teachers took courses during the summer, or are taking courses now. To help your teachers improve through professional training, a course was given the first half of this year in Wolfeboro and two courses are planned for this half of the year, with one in Alton and one in Pittsfield. Several other teachers have attended courses in Concord and Tilton.

Your teachers are to be commended on this splendid achievement. It is not easy to find the time to do this professional work and still prepare for the daily job.

Recommendations:

Last year was a critical year in education. Neither our National nor our State Legislative bodies saw fit to increase or maintain their support for public school education so the burden falls on local communities to support the schools by real estate taxes. If this was not in keeping with your views, evidently your legislative representatives did not know it.

The burden of supporting your schools is, therefore, back on real estate, which many people believe unsound, since real estate is believed to-day no longer to be a true measure of one's ability to pay, nor is it an index to the educational needs of a community.

The formula used for the distribution of the \$400,000 of state aid granted is also being questioned and studied.

In this Union, there is a wide variance in the amount of taxable property behind each pupil: Tuftonboro pupils have \$18,000, Alton pupils have \$16,000, Wolfeboro pupils have \$8,700, New Durham pupils have \$7,600, Pittsfield pupils have \$6,800, and Barnstead pupils have \$5,400.

Supporting your schools is your problem but the same principle applies as you and I must face each day when we purchase that product which fits our pocketbook. You alone must, therefore, determine the kind of educational expenditures that will be made.

Just how much support you will give your schools will depend upon what you believe you can afford. New Hampshire legislators believed the state could not provide \$1,600,000 more for education this year, yet, a few weeks later, a state business firm raised its rates which will take from New Hampshire citizens \$1,750,000. This company believed that we had the money and would spend it for their product.

America can't afford good schools, yet, according to the World Almanac, United States citizens spent in 1947 for:

Jewelry	\$1203000000 00
Alcoholic Drinks	9600000000 00
Mutual Betting	1830287455 00
Amusements	1378000000 00
Cigarettes	9600000000 00
	<hr/>
Total	\$23611287455 00
Schools	\$2452581036 00

New Hampshire liquor stores took in \$15,018,-184.00 last year. Approximately \$12,500,000.00 was spent on beer, \$47,413,360.00 was spent on Pari-Mutual betting. These three items total \$74,931,544.00. New Hampshire spent for public schools last year, \$14,453,-324.15. To those who believe that education is essential to democracy, these figures are discouraging. It would seem that our austerity is being applied more vigorously in some fields than in others, and it is a choice each of you should make with solemn consideration.

History relates that John Stark left his plow in the furrow when the call came from Lexington. What if he had squinted at the sun, scratched his head and muttered to his horse, "I calculate other folks can handle it".

2. The Local Situation

Your board has continued its program of plant maintenance by painting all of the halls and one classroom which had never been painted. The floors which were not completed when the building was built were sanded and sealed during the summer. With proper annual care, these floors should now last for a good many years.

The work being done on the grounds around the building should add materially to the appearance of your school. The new storm doors and enclosure on the north side has made a tremendous improvement in the problem of heating your building.

We are all pleased to have Mr. Everett Rockwell as the new principal of your school. Both Mr. and Mrs. Rockwell are keenly interested in your community. Mrs. Holmes attended Summer School at the university of New Hampshire this past summer, and all three of your teachers have been taking a course in Guidance being given, under the direction of the State Department, in Wolfeboro, during the first half of this year.

Your lunch room continues to operate effectively. Miss Wiggins has replaced Mrs. Patton and is doing a remarkable job. More of you adults than ever have helped with your lunch room this year.

A new electric sewing machine has been purchased for your Home Economics program and some new equipment has been obtained for your Shop classes.

Mrs. Smith continues to maintain your building in an outstanding manner. You have one of the cleanest schools in New Hampshire.

Mr. Kenneth Dow deserves your commendation for the time he has devoted to the school property since coming on the board.

I should like to commend to you the program of your Parent-Teachers' Association. This movement deserves your earnest support.

	18	Walter E. Fernald, Tar	150 00

Jewelry	\$1203000000 00
Alcoholic Drinks	9600000000 00
Mutual Betting	1830287455 00
Amusements	1378000000 00
Cigarettes	9600000000 00
	<hr/>
Total	\$23611287455 00
Schools	\$2452581036 00

New Hampshire liquor stores took in \$15,018,-184.00 last year. Approximately \$12,500,000.00 was spent on beer, \$47,413,360.00 was spent on Pari-Mutual betting. These three items total \$74,931,544.00. New Hampshire spent for public schools last year, \$14,453,-324.15. To those who believe that education is essential to democracy, these figures are discouraging. It would seem that our austerity is being applied more vigorously in some fields than in others, and it is a choice each of you should make with solemn consideration.

History relates that John Stark left his plow in the furrow when the call came from Lexington. What if he had squinted at the sun, scratched his head and muttered to his horse, "I calculate other folks can handle it".

2. The Local Situation

Your board has continued its program of plant maintenance by painting all of the halls and one classroom which had never been painted. The floors which were not completed when the building was built were sanded and sealed during the summer. With proper annual care, these floors should now last for a good many years.

The work being done on the grounds around the building should add materially to the appearance of your school. The new storm doors and enclosure on the north side has made a tremendous improvement in the problem of heating your building.

We are all pleased to have Mr. Everett Rockwell as the new principal of your school. Both Mr. and Mrs. Rockwell are keenly interested in your community. Mrs. Holmes attended Summer School at the university of New Hampshire this past summer, and all three of your teachers have been taking a course in Guidance being given, under the direction of the State Department, in Wolfeboro, during the first half of this year.

Your lunch room continues to operate effectively. Miss Wiggins has replaced Mrs. Patton and is doing a remarkable job. More of you adults than ever have helped with your lunch room this year.

A new electric sewing machine has been purchased for your Home Economics program and some new equipment has been obtained for your Shop classes.

Mrs. Smith continues to maintain your building in an outstanding manner. You have one of the cleanest schools in New Hampshire.

Mr. Kenneth Dow deserves your commendation for the time he has devoted to the school property since coming on the board.

I should like to commend to you the program of your Parent-Teachers' Association. This movement deserves your earnest support.

PART FIVE

AUXILIARY ACTIVITIES AND REPORTS

A. REPORT OF SCHOOL NURSE

January, 1949 — January, 1950

No. of physicals done by Dr. Gregory	68
No. of physicals done by nurse	58
Defects found at physicals:	
Orthopedic	9
Nutrition	2
Tonsils	32
Teeth Examined	68
Hearing	0
Nervous Disorders	1
Heart Ailments	0
Vision Defects	6
Speech Defects	1
Mental Defects	1
Overweight	3
Skin	2
Pediculosis	0

The physicals done this year by Dr. Gregory were very thorough and revealing. There is a decided improvement in the over-all health of the children, especially in the teeth, since the war years. Undoubtedly this is partially due to the fact that some of our more essential foods are no longer rationed. These physicals done by the school doctor are actually an insurance policy which the parents can have without paying the premiums for these examinations protect your child and all of the children in the school. It is indeed gratifying to see the interest and co-operation shown by the faculty and parents. Although these examinations are

done by a doctor who may not be your family doctor, he does not prescribe unless asked to by you, he simply refers the defects found.

Weighing and measuring of all children was done and a height and weight chart kept with their permanent record in the files in the Principal's office. Although these records may seem unnecessary, use of them can show whether or not your child is losing or gaining unduly and steps may be taken to correct it before it is too late or something serious results from neglect of what may have seemed to be a very minor thing.

In March of last year, a dental clinic was held in Wolfeboro with only 15 out of 70 children actually needing care. This percentage is outstanding and Tuftonboro should be proud of this record. Another clinic will be held in 1950 and I feel very certain the number attending will be even less.

Orthopedic Clinics have been held in Wolfeboro every two months with several Tuftonboro children attending. Three have been discharged as cured, others are still under treatment and there are some new ones this year from the physicals. This service is open to any family any time during the year who feels it might like advice or consultation with Dr. LaFrance.

Vision defects are being corrected at this time on three children.

I would like, at this time, to thank the School Board and Superintendent for their help and cooperation, and also the teachers, for they, too, watch your child's health closely and aid a great deal in helping them to better health.

Respectfully submitted,
AVIS MacAULAY,
School Nurse

PART SEVEN

WARRANT, SCHOOL DISTRICT MEETING

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Tuftonboro, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 14th day of March, 1950 at 2:00 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Member of the School Board for the ensuing one year.

5. To choose a Treasurer for the ensuing year.
6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
7. To hear the reports of Agents, Auditors, Committees, of officers heretofore chosen, and pass any vote relating thereto.
8. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant.
9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
10. To transact any other business that may legally come before said meeting.

Given under our hands at said Tuftonboro, N. H., this 18th day of February, 1950.

EUGENE TUTTLE,
KENNETH C. DOW,
MARION E. MITCHELL,
School Board.

A true copy of Warrant — Attest:

EUGENE TUTTLE,
KENNETH C. DOW,
MARION E. MITCHELL,
School Board.
