Report of Trustees of the Town Library.

By the appointment of the Selectmen, Rev. J. G. Davis and Mrs. P. W. Dodge, whose term of service expired in March, 1881, continue in office for the current year.

Mr. J. E. Upton,
Mrs. Saml. D. Herrick, } Term of service expires 1882.

Mr. James F. Weston,
Miss L. B. Myrick, } Term of service expires, 1883.

The membership of the Board remains unchanged, but four persons should be elected at the next annual meeting of the Town to fill the vacancies that occur in March.

The Library has been kept open for the benefit of our citizens on every Saturday afternoon during the year. No books have been lost, and no serious damage to the books is reported. Few books have been retained beyond the established limits, one hundred and seventeen families have drawn books, and the whole number loaned was seventeen hundred and eighteen, an average issue of thirty-three volumes per week.

During the year sixty-two volumes have been purchased and placed in the Library at an expense of \$67.42, and twelve volumes and two pamphlets have been presented to the Library, viz :

Sketch of Rev. Silas Aiken, by Dr. Aiken.

Progress and Poverty. Donor unknown.

Schawtko's Search. Donor unknown.

Life and Times of Goethe, by Mrs. James McGregor of Boston.

The Daughter of an Egyptian King, by Mrs. Geo. A. Spalding of New York City.

First Annual Report of Board of Health, Lunacy and Charity of Mass., 1879, and 11th Report of State Board of Health of

Mass. 1879, 2 vols., by Wm. Blanchard, Esq., of Boston, Mass.

Dartmouth Memorials of Judges recently deceased, 1880, by Rev. J. G. Davis.

Reports of the Commissioner of Agriculture, 1879 and 1880, New Hampshire Agriculture 1879, Contagious Diseases of Domestic Animals 1880-81, 4 vols., by A. A. Rotch, Esq.

Fragrant Memories, by E. D. Boylston, Esq.

Self Culture, Rev. Freeman Clark D. D., by Mrs. Wm. Blanchard of Boston.

The Library now contains nine hundred and thirty volumes, most of them in good condition and adapted to general reading. More than ten years have elapsed since a complete catalogue was published. The number of readers would undoubtedly increase if all the volumes with their appropriate titles were printed in one catalogue. As the matter now is, few persons have sufficient knowledge of what the Library contains to avail themselves of its treasures. If the Town should decide to make an appropriation to pay the cost of printing, we think that the labor required in the preparation of a new catalogue would be furnished gratuitously.

The following summary is from the report of the Treasurer Miss Myrick.
