REPORT OF SCHOOL BOARDS.

TOWN SCHOOL-DISTRICT.

During the past year there have been twenty-three weeks of school in each of the several districts, in nearly all of which we are pleased to be able to report satisfactory results. We were fortunate in securing the services of experienced teachers in nearly all of our schools, who entered upon their work with earnestness, and whose efforts to interest and instruct have done much for the advancement of the pupils under their charge. Very notably has this been seen where the labors of the teacher have been met with a like effort on the part of the scholars.

It would be economy to place charts in our schools to aid the teachers in instructing pupils who are too young to take up regular studies. Although somewhat expensive, they would amply repay the outlay in the extra amount of time the teacher would be able to give to the more advanced scholars.

It has never appeared expedient to consolidate any of our schools, neither does it seem probable that we will be obliged to abandon any of the school-houses now in use. In view of these facts, our school-rooms ought to be made respectable and comfortable, that we may receive the greatest possible benefit from them. We trust that the question of school-houses will receive the consideration it justly deserves.

The usual term of high school was taught by Mr. J. M. Barton, a senior in Dartmouth college, who gave good satisfaction, and proved himself a man fit for the place. The value of this extra term cannot be over-estimated.

School children reported by selectmen, 108.

Attending the various schools, 118.

PENACOOK SCHOOL-DISTRICT.

To the Citizens of Penacook School-District:

As we submit the seventh annual report, it is a pleasure to note an advancement in all of the schools of our district to a high standard of excellence.

In particular we would call attention to the fact, that notwithstanding there has been so much sickness, etc., the increased attendance has been five per cent. over that of 1890, indicating faithfulness on the part of the teachers, and also that the truant officer has done his duty.

The same teachers have been employed the entire year.

Mr. C. S. Flanders assumed charge of the grammar school with the first term, and has proved himself a successful teacher, the man for the place.

Roll of Perfect Attendance.

First Term.—Alice Shaw, Mamie Kenney, Edward Milliken, Harry McShane.

Second Term.—Alice Shaw, Minnie Brooks, Harry McShane.

Third Term.—Alice Shaw, Burton Coleman, Harry McShane.

The intermediate school has been taught by Miss Susie Hall, and has fully reached the marked degree of superiority of former years.

Roll of Perfect Attendance.

First Term.—Mary Banker, Nellie Davis, Emma Mathews, Alice McShane, Carrie Rheome, Bernice Shaw, Eddie Kenney.

Second Term.—Nellie Davis, Ella J. Fisher, Emma Mathews, Carrie Rheome, Annie Warren, Emma Sargent, Eddie Kenney, Irving Sargent.

Miss Georgia Chandler has taught the primary school. It is a difficult matter in this school to show the results of the hard work put into it. The pupils are very young, and of necessity, there is a large number for so small a room; many cannot understand the English language in any degree, still a marked advance has been made.

Roll of Perfect Attendance.

First Term.—Lena Banks, Flora Heroux, Rosie Mathews, Serena Rheome, Albert Cassaveagh.

Second Term.—Flora Heroux, Lena Banker, Lena Brooks, Rosie McShane, Lizzie Wooley, Joseph Heroux, John Papino.

Third Term.—Flora Heroux, Annie Kenney.

On account of removal from town, Rev. C. E. Milliken resigned from the board. His associate members deeply regretted this necessary action, as his frequent visits to the schools

betokened an unusual interest in their progress. We desire to express a due appreciation of his services.

Respectfully submitted :

ANSON C. ALEXANDER,
GEORGE NELLER,

Board of Education.
