REPORT OF SUPERINTENDENT

To the School Board and Citizens of Eaton:

We were pleased to retain Miss Alice Whiting in the school at Snowville for another year. The school is well organized and the instruction is excellent. Twenty-two pupils are registered.

The statistics for the school year ending last June follow: registration, 19; percentage of attendance, 93.5; tardiness, 39; pupils transported, 17.

Pupils attending Kennet High school this year whose tuitions are paid by the district are: Woodrow Allard, Myrtle DeWitt, Florence Head, Sam Head, Doris Nelson, Vera Nelson, Beulah White, Eleanor Young.

We expected to include in this printed report the amount of state-aid money to be paid next year, and the new equalized valuation on which the \$5 tax is based, but this information is late in coming to us. These figures however will be known before the district meeting.

Eaton for several years was fortunate enough to secure the services of a school nurse for a nominal sum which probably did not pay the expense of the nurse's travel. We find that the larger towns which become responsible for the nurse's contract and pay most of the salary are not willing to continue such arrangements as Eaton has enjoyed. The annual medical examination given to pupils by a physician satisfies the legal requirements and it is not likely that any arrangement for a nursing service can be made unless the district raises a sum considerably larger than the amount approved by the state on this item.

Your superintendent has enjoyed his association with the school organization and is deeply appreciative of the excellent work of his predecessor.

Respectfully submitted,

JOHN H. FULLER.

North Conway, February 15, 1935.
