STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Lancaster qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on the second Tuesday of March next, at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose a Town Clerk, a Town Treasurer, one Selectman for three years, one Trustee of Trust Funds for three years, one Library Trustee for three years, three members of the Col. Town Spending Committee for three years, two delegates to the Constitutional Convention and other necessary officers for the ensuing year.

2. To raise and appropriate such sums of money as may be necessary for Town officers' salaries and expenses, for election and registration expenses, Municipal Court expenses, Town Hall expenses, Police department, Fire Department, Legal expenses, Health department, Vital Statistics, Sewer maintenance, Town Maintenance, Street lighting, Garage repairs, Library, Town Poor, Old Age Assistance, Memorial Day, Parks and Playgrounds, including Band concerts, Cemeteries, Regional development, Civic and Trade Association, P. W. A., Interest on Temporary loans, on Bonded debt, on Long Term Notes, for Town Road Aid, Pruning and cutting trees, Sidewalk construction, Sewer construction, New Equipment, Payment on Bonds, Long Term Notes and for all other town expenses.

3. To direct how money raised for the above purposes be expended.

4. To see if the town will vote to authorize the Selectmen to hire money on temporary notes in anticipation of taxes, covering period from March 8, 1938 to the Annual Meeting of 1939.

5. To see if the town will instruct the Town Treasurer where to deposit town funds.

6. To see what action the town will take in regard to real estate taken over by the town for non-payment of taxes.

7. To see if the town will authorize the Selectmen to distribute the blank inventories at the time they examine and appraise the property to be taxed.

8. To see if the town will vote to authorize the Selectmen to sell the Stone Crusher machinery.

9. To take the sense of the qualified voters upon the following question:—"Shall the vote heretofore taken adopting the provisions of Chapter 26 of the Public Laws, relating to the method of balloting for town officers, be rescinded?"

10. To transact any other business which may legally come before said meeting.

Given under our hands and seal at Lancaster, this 21st day of February, 1938.

CHAIRMAN'S REPORT

In the Town Report of the town of Lancaster for 1927 the first report of the Colonel F. L. Town Spending Committee appeared. Inasmuch as this fund has been in operation for a ten year period it might be well to call to mind the dream Colonel Town must have had in making this bequest to Lancaster and how well this dream has been fulfilled by his agents, the various Spending Committees. To quote the exact words from the Colonel's will, as it relates to this responsibility, the following is submitted:

"The net income from this said Trust Fund is to be always expendible, and should be used, and expended by the said Town of Lancaster solely for the benefit, instructions, and proper entertainment, and the teaching of right living, etc., of the people thereof. The youth of the public schools should be favored, and encouraged by the proper bestowal of annual prizes for merit, and by aiding the Scout organizations among them, etc., but no part of this aforesaid income may be used in connection with the maintenance of the public schools, since the said town of Lancaster is fully able to support the same.

"Also assistance in the support of the public Library, and the providing of instructive public lectures, and other desirable public entertainment, were had in view in connection with this said bequest. Which is herein so bestowed to the said Town of Lancaster, with many good wishes for its long continued usefulness, and with kindly remembrances going back to scenes of long past years."

Just what has been accomplished during the first ten year period?

In going over the Secretary's reports for this period, it is noted that the Community House was opened on October 6, 1927. The original Town Homestead was remodelled and the large hall to the rear built to complete the fine community center. The so-called Ray Field was converted from a swamp into a graded Community Field in 1931. The Community Camp, in the East part of the town, originally purchased by a boys' group under the leadership of Rev. A. R. Parshley, was taken over by the Spending Committee and developed into a Community Camp in 1932, while two tennis courts were constructed on Community Field and ready for use in 1934. These pieces of property constitute the entire group of activities directly supervised by the Spending Committee.

Each year has shown a marked increase in utilization of all of these facilities. Several thousand people enjoyed opportunities offered through the medium of the Community Camp in 1937. The Superintendent's and Matron's report will give detailed description of the use of the Community House during the past year, as well as of the tennis courts. It might be well to note in passing that 2,955 more hours of paid bowling were enjoyed by people in Lancaster in 1937 than in 1936; 344 more hours of free bowling also occurred in 1937 over 1936. The Field has been a scene of many baseball, football and other types of outdoor athletics as well as the center for the playground since 1931.

Referring to the Will, under the heading of "Proper Entertainment," the Spending Committee has assisted in the support of the skating rink, playgrounds, golf, tennis, Community Camp, bowling, and other recreational activities which the Community House affords. Under "Instruction" it has assisted in higher education through its scholarship fund, has assisted in transportation of rural high-school students,

has established a Juvenile Library, has bestowed the prizes of merit suggested by the Will and supported all Scout activities in the town. The scholarship fund has aided 35 Lancaster boys and girls, many through the entire college course.

It has been gratifying to the Committee that some of the projects started by them have been taken over by other groups and organizations. It is hoped that as time goes on more groups and organizations will follow this same procedure, thereby releasing funds for the Committee to utilize to establish new projects which the town may need as time goes on.

That the town of Lancaster is fortunate in this bequest no one can dispute. That the town is proud of the accomplishments as a result of this bequest goes without saying. This accomplishment has not been the result of any "Spending Committee," but has been the outgrowth of a sympathetic community, working in close co-operation with their agents, the Spending Committee, in trying to bring to the town of Lancaster and its people the maximum amount of wholesome recreation, instruction, and general benefit as was the dream of Colonel Town when he made his will. That the next 10 years will show even greater accomplishments than the past ten will be the ambition of your Spending Committee. It can be, and will be, accomplished if the same close sympathetic co-operation prevails during that period as has existed during the first ten years.

Respectfully submitted,

D. A. O'BRIEN,

Chairman.

Secretary's Report

At the Town Meeting held in March, 1937, Dr. W. M. Bronson, L. E. Bragg, and Mrs. Ethel M. McCarten were elected to serve for three years on the

Spending Committee. Their term of office will expire in 1940. Associated with this group during the year were Rev. R. P. McClintock, Carroll Stoughton and Mrs. Katherine N. Lane whose terms of office expire in 1939. Miss Evelyn Moyle, Enos G. Fay and Daniel A. O'Brien, whose terms of office expire in 1938.

At the first meeting of the Committee the officers for the year selected were: Dan O'Brien, Chairman; Miss Evelyn Moyle, Secretary; and Enos G. Fay, Treasurer. Various committees were appointed to facilitate the administration of the different activities during the year, carrying on these functions and then reporting to the general committee. Sub-committees appointed were as follows:

House Committee: Dr. W. M. Bronson, Chairman; Enos G. Fay and Evelyn Moyle; Scholarship Committee: D. M. White, Chairman; Mrs. Ethel McCarten and Carroll Stoughton; Field Committee: Rev. R. P. McClintock, Chairman; Carroll Stoughton and Mrs. Katherine Lane; Camp Committee: L. E. Bragg, Chairman; Rev. R. P. McClintock and Mrs. McCarten.

During the year the Committee met six times. The policy of the Committee has been to withhold certain and many appropriations until such time as all of the money available for spending will have been turned over by the investment Trustees so that the Spending Committee may not "over spend."

The Treasurer's report gives in detail the various appropriations made during the year. A few elaborations, however, of these appropriations may be interesting and worthwhile.

One of the problems confronting the Committee has been the use of the Community House. When the House was first opened it was extensively used by various groups and organizations. This was followed by a very marked let-down to a point where the lack of its use became a topic of consideration at each committee meeting. Various methods have been employed to increase the use of the House until at present

there is scarcely an idle hour due to the activities of the various school clubs, town organizations and private individuals. A vote by the Committee making a charge of 15c for two strings of bowling with one free night a week for ladies has materially stimulated interest in this type of recreation. Income from bowling this year exceeded the previous year by \$200. Although the rate for bowling is materially less than at other places, the Committee feels they should carry part of the burden and permit a wider opportunity of play for those interested in this type of sport.

Interest in the tennis court became so keen that restrictions of one hour were placed on everyone, with a sharp line drawn in favor of those in town. People from surrounding towns appreciate the type of court available and are eager to use it. A charge of 25c per person per hour was made to those living outside of town, except as they might be bona fide guests of residents of the town. Tennis has proved to be one of the leading sources of recreation for a large group in the community.

The use of the hall has been given rather freely to all movements that have a charitable object and where the Committee has been shown that the purpose was definitely for charity.

Support was given to the rural people to assist in transportation of high school pupils who lived beyond a two-mile radius of the village. The school laws provide for transportation of pupils until they reach high school age, but make no provision for older pupils. This appropriation has been made at the request of the rural residents and has met with hearty endorsement by the entire group. Only people in the town of Lancaster are considered in this appropriation.

Assistance has been given to the Golf Course in lieu of one free day of golf weekly to residents of the town of Lancaster who choose to golf. This day must be other than Saturday, Sunday or a holiday. Support during the year was given to the Outing Club to

assist in properly policing streets used for coasting, and lighting the area used for skiing. Some help was also given in financing ski instruction for boys and girls. An appropriation was made to Mr. George Grondin of the town who has maintained so efficiently the local skating rink for a number of years. This appropriation is made since Mr Grondin never charges children for skating. It is felt that the skating rink provides a source of recreation that is safe and properly supervised, and is, perhaps, one of the best projects assisted by the Committee. The Camp increased in popularity and was given some needed improvements. Much more income was derived from the Camp this year than previously and many improvements to the property should be made in 1938.

One of the most gratifying appropriations has been to the scholarship loan fund. This year returns of loans have been received by the Committee from those helped in the past whereby \$600.00 was used to assist in financing the current year scholarship loans. Returns to date indicate that this project will be self-supporting in 1938. Special mention should be made of the efficient manner in which this project has been guided under the leadership of D. M. White, the only person who has been asked to assist the Committee beyond its regular membership. Mr. White has served efficiently as Chairman of this Committee since its inception.

The Community House was painted during the past year and the property preserved and a slight improvement was made by cutting a door in the hall, making it possible for a large group to leave the building with less confusion.

It has been the ambition of the Committee to maintain the property and still operate it so that the people of Lancaster will derive the greatest amount of pleas-

ure from it and at the same time preserve it in a manner that is fitting as a memorial to its donor.

Respectfully submitted,

EVELYN MOYLE,

Secretary.

A fairly accurate survey of the use made of the building discloses:

(A) Patrons paid for and rolled 6750 strings on the alleys. Women rolled, free of charge, 1528 strings. (These do not include the vast number rolled by school pupils for which no charge is made).

(B) The Hall has been used for basketball activities a total of 450 hours.

(C) The building has been used for other special purposes an aggregate of 360 hours.

(D) Parties 34, Dances 10, Basketball games 32, Committee Meetings 146.

Boy Scout Troop, No. 204, meets each week. Unity Club meets twice a month, except during the summer. Eighth Grade Graduation, Prize Speaking Contest, High School Graduation and Reception were held in the Auditorium.

The Tennis Courts were opened May 31, 1937, and closed Oct. 12, 1937. Fourteen hundred and fifty persons played during that time.

Many visitors have been shown through the building.

During our experience as Superintendent and Matron the use of the building has increased each year with 1937 far exceeding any previous year in service. Our added responsibility has been materially

lessened by the fine co-operation shown by those who use the property, and we particularly wish to call attention to the high type of boys and girls that use the building so much and to commend them and to thank them.

REPORT OF SCHOOL COMMITTEE

At the annual meeting of the Town School District in March 1937, Ralph D. Shute was re-elected for the three year term.

It was deemed advisable to close No. 5 and No. 6 schools due to the small enrollment. With but six pupils in various grades there can be but little interest and no competition, and a substantial saving also results from consolidation. As it was apparent to the committee that few if any pupils would ever attend the Mt. Prospect school No. 8, it was decided to sell the building.

For detailed information you are referred to the report of the superintendent.

REPORT OF THE SUPERINTENDENT

**To the Honorable School Board and Citizens of the
Lancaster Town District:**

General Conditions

Seven town schools are being operated this year. Two that were open last year are closed, namely the Grange school, No. 7, and the Riverton Road school, No. 5. The Grange scholars are being transported to

No. 6, and the Riverton Road pupils to No. 11. It was found necessary to reopen the Martin Meadow school, and the enrollment there is at present ten pupils.

Teachers

Miss McGinley is in charge at the Stebbins Hill school, and Mrs. Dorothy Barnett at Martin Meadow. In December, Miss Mildred Evans resigned her position at South Lancaster, and Mrs. Rena Savage took over the school.

Repairs

The usual minor repairs were made, and the Mt. Cabot school was painted.

Tuition Pupils

At the present time 39 pupils from the old district No. 3, living chiefly on North Main street are being educated in the village schools at district expense. A few pupils from the other districts also attend the grades in the village, but in this case the parents are required to pay their tuition.

High School Pupils

The problem of transporting the town district pupils to the Academy in the winter time is still a serious one. Limited funds are at present available for this purpose.

It is not advisable to allow pupils to attempt to do high school work until they are at least fourteen years of age. Regardless of their ability they are too young to obtain best results from the work of the secondary school. The superintendent has repeatedly urged parents to allow their children to repeat a year in the grades to avoid this condition, and he again asks their cooperation in order to improve this situation.

Conclusion

The superintendent in closing wishes to thank parents, teachers, and pupils in cooperating to make this a successful year.

Respectfully submitted,

WM. G. FULLER.

Librarian's Report

There were 102 books added to the Public Library during this last year, 57 fiction and 45 non-fiction. Eleven were gifts—three presented by the Unity Club, one by the Legion Auxiliary, and two valuable books given by Mrs. Dow and Mrs. Hastings, and five by Mrs. Isabella Stewart; three were French text books and two metaphysical.

The library is fortunate in having books which treat on special subjects. For instance, a group of young people from nearby towns who have taken up the study of Astronomy this winter found in our Library the books on that subject which they specially needed.

Not being able to keep up with the demand for popular fiction, the Concord Library Commission supplies us from time to time with a few books much appreciated.

Nearly 14,000 books were in circulation, 3,000 being non-fiction. Seventy-two dollars were taken in fines and turned over to the Treasurer.

We have had calls recently for the fine collection of foreign photographs, copies from European galleries, and presented a few years ago by Mrs. Geo. P. Rowell. We would like to remind the people if they wish to make a study of them, in their homes, we will be glad to lend them for a certain length of time, as we do books.

A gift of two small cabinets containing forty beautifully mounted moths and butterflies was presented to the Library by Mrs. Leon Holden.

A party of guests from Jefferson made several trips to the Library last summer to study our collection of New England birds.

One hundred and forty-one visitors from out-of-town registered in our guest book from May 10th to October 21st.

MARTHA W. BRACKETT,

Librarian.

Juvenile Library Report

In the year 1937, 6,232 books were circulated from the Juvenile room. Only 48 new books were added, and 11 of these were gifts, but to supplement this number, collections were borrowed from the State Library Commission which helped to round out the supply. The worn out books have outnumbered the new ones for the past few years, so the collection is shrinking and there is a great need for more new books.

During the leave of absence of the librarian, Mrs. Clarence Morton was the substitute. Mrs. Morton, as a former Lancaster teacher, has had experience in dealing with children.

Money from fines turned in to treasury amounted to \$20.00.
