ration upon recording in the office of the clerk of the town in
which the principal business is to be carried on, and that of the
secretary of state, a copy of such agreement.

Sect. 2. Building and loan associations incorporated under
the provisions of this act shall have the power and franchise of loaning or advancing to the shareholders thereof the moneys accumulated from time to time, and the power and right to secure the repayment of such moneys, and the performance of the other conditions upon which the loans are to be made, by bond, or mortgage, or other security, as well as the power and right to purchase or erect houses, and to sell, convey, lease, or mortgage the same at pleasure to their shareholders or others for the benefit of their shareholders; also, that the premiums taken by the said associations for the preference or priority of such loans shall not be deemed usurious. And in case of non-payment of installments, premiums, or interest by borrowing stockholders for six months, payment of principal, premiums, and interest, without deducting the premium paid or interest thereon, may be enforced by proceeding on their securities according to law.

Sect. 3. The capital stock of any corporation created for such purpose by virtue of this act shall at no time consist in the aggregate of more than one million dollars, to be divided into shares of the ultimate value of two hundred dollars each, to be issued in quarterly, half-yearly, or yearly series, in such amounts and at such times as the members may determine. No person shall hold more than twenty-five shares in the capital stock of any one association. No shares of a prior series shall be issued after the issue of a new series. No periodical payments of installments shall exceed one dollar per share; and such stock may be paid off and retired as the by-laws may direct. Every share of stock shall be subject to a lien for the payment of unpaid installments and other charges incurred thereon under the provisions of the by-laws, and the by-laws may prescribe the form and manner of enforcing such lien.

Sect. 4. Any shareholder wishing to withdraw from said corporation shall have power to do so, by giving thirty days' notice of his or her intention to withdraw, when he or she shall be entitled to receive the amount paid in by him or her, less all fines and other charges. But after the expiration of one year from the issuing of the series, such shareholders shall be entitled to and shall receive the withdrawing value of his shares as determined by the directors; provided, that at no time shall more than one half of the funds in the treasury be applicable, without the consent of the directors, to the demands of withdrawing members. The directors may, in their discretion and pursuant to the by-laws, retire the unpledged shares of any series, and enforce their withdrawal at any time after four years from the date of their issue. The shareholders whose shares are to be so retired shall be determined by lot, under such regulations as the directors may prescribe. The withdrawing value of a share shall be the amount of dues paid thereon, together with such proportion of the profits, according to the next preceding adjustment and valuation of shares, as the by-laws may determine, less all fines and a proportionate part of any unadjusted loss.

Sect. 5. Upon the death of a shareholder, his or her legal
representatives shall be entitled to receive the full amount paid in by him or her, and such proportion of interest and profits as said shares are entitled to, first deducting all charges that may be due on said shares. No fines shall be charged to a deceased member's account from and after his or her decease, unless the legal representatives of such decedent assume the future payment on the stock.

Sect. 6. The number, titles, functions, and compensation of the officers of any such corporation, their terms of office, the times of their election, as well as the qualifications of electors and the ratio and manner of voting, and the periodical meeting of said corporation, shall be determined by the by-laws, when not provided by this act; provided, however, that no shareholder shall be entitled to more than one vote in any meeting of the corporation, irrespective of the number of shares held, and no member shall vote by proxy.

Sect. 7. The said officers shall hold stated meetings, at which the money in the treasury, if over the amount fixed as the full value of a share, shall be offered for loan in open meeting, and the shareholder who shall bid the highest premium for the preference or priority of loan shall be entitled to receive a loan of not more than the amount fixed as the full value of a share for each share of stock held by such shareholder; provided, that a shareholder may borrow such fractional part of the full value of a share as the by-laws may provide. Good and ample security, as prescribed by the by-laws of the corporation, shall be given by the borrower to secure the repayment of the loan. In case the borrower shall neglect to offer security, or shall offer security that is not approved by the board of directors, by such time as the by-laws may prescribe, he or she shall be charged with legal interest, together with the expense incurred, and the loss in premium, if any, on a resale, and the money may be resold at the next stated meeting. In case of non-payment of installments or interest by borrowing shareholders for the space of six months, payment of principal and interest, without deducting the premium paid or interest thereon, may be enforced by proceeding on their securities according to law.

Sect. 8. A borrower may repay a loan at any time upon application to the corporation, whereupon, on settlement of his account, he shall be charged with the full amount of the original loan, together with all monthly installments of interest, premium, and fines in arrears, and shall be given credit for the withdrawing value of his shares, pledged and transferred as security, and the balance shall be received by the association in full satisfaction and discharge of said loan; provided, that all settlements made at periods intervening between stated meetings of the directors shall be made as of the date of the stated meeting next succeeding such settlement; and provided, that a borrower desiring to retain his shares and membership may, at his option, repay his loan without claiming credit for his shares, whereupon said shares shall be retransferred to him, and shall be free from any claim by reason of said canceled loan.
Sect. 9. No premiums, fines, or interest on such premiums that may accrue to said corporation, according to the provisions of this act, shall be deemed usurious, and the same may be collected as debts of like amount now collected in this state.

Sect. 10. No corporation or association created under this act shall cease or expire from neglect on the part of the corporators to elect officers at the time mentioned in their by-laws, and all officers elected by such corporation shall hold their offices until their successors are duly elected.

Sect. 11. Any loan or building association incorporated by or under this act is hereby authorized and empowered to purchase, at any sheriff's or other judicial sale, or at any other sale, public or private, any real estate upon which such association may have or hold any mortgage, lien, or other incumbrance, or in which said association may have an interest, and the real estate so purchased, or any other that such association may hold or be entitled to at the passage of this act, to sell, convey, lease, or mortgage at pleasure to any person or persons whatsoever.

Sect. 12. All such corporations shall have full power to purchase lands, and to sell and convey the same, or any part thereof, to their stockholders or others.

Sect. 13. Minors may hold shares by trustees.

Sect. 14. Building and loan associations formed prior to the passage of this act are hereby made corporations, with all the rights, powers, and benefits given such corporations by this chapter.

4. May locate its line upon Lake Shore location.

Be it enacted by the Senate and House of Representatives in General Court convened:

Section 1. The Dover & Winnipiseogee Railroad is hereby authorized to extend its line of road with one or more tracks from its present terminus in the town of Alton through Alton, Gilford, and Laconia, or any of said towns, to some convenient point or points on line of the Boston, Concord & Montreal Railroad in the towns of Laconia or Gilford, and connecting therewith, one of which points shall be Lake Village, as near as practicable.

Sect. 3. Said Dover & Winnipiseogee Railroad is hereby authorized to lease its road, franchises, and appurtenances to the Boston & Maine Railroad, upon such terms as the directors of said corporations may agree; and the said Boston & Maine Railroad is hereby authorized to aid in the construction of said extension by subscribing for and holding stock in or guaranteeing the payment of bonds of the Dover & Winnipiseogee Railroad, authorized by section 2 of this act.

Sect. 4. The said Dover & Winnipiseogee Railroad is hereby authorized and empowered to locate its line, in extending the same between the termini thereof, over and upon any portion of the location which has been or may be hereafter made by the Lake Shore Railroad; provided, however, that such location by the Dover & Winnipiseogee Railroad shall be made within six months from the time of the passage of this bill; and provided, further, that if the Dover & Winnipiseogee Railroad shall not locate and extend its line according to the provisions of this act within the time limited herein, then nothing in this act shall be construed as depriving the Lake Shore Railroad of its franchises or rights to locate and construct its railroad under its charter.

Sect. 5. Either of said roads, or any person claiming to have an interest therein, may apply to the supreme court at a law term, or to a majority of the justices thereof in vacation, for the appointment of three commissioners to ascertain the interest, if any, of the Lake Shore Railroad, or of any stockholder therein, or of any other person, in said location; and, if it be found that such Lake Shore Railroad, or any stockholder therein, or any other person, has a valid and legal interest therein, to assess the value thereof. Said court, or a majority of the justices thereof in vacation, after having given notice to the parties applying, or after their appearance and waiver of notice, shall appoint commissioners, who shall be sworn to a faithful and impartial discharge of their duties, and who shall appoint a time and place when and where they will hear the parties upon the questions so referred to them, and shall give due notice thereof to said parties, unless they appear before them and waive such notice in writing. At the time and place so appointed, or at adjournments thereof, said commissioners shall hear the parties, their evidence and allegations, and after so doing shall make a report in writing to said court, determining the interest, if any, of said claimants, and, if it be found that they have any interest, assessing the value thereof, and within five days after so doing shall notify said parties that they have done so. the term of the court at which he will enter his said appeal, at least fourteen days before the commencement of said term, and he shall enter the same at the next trial term after the filing of his objections as aforesaid, provided a sufficient length of time intervenes to enable notice to be given as aforesaid, and if not, at the next succeeding trial term thereof. If the assessment by the jury differs from that by the commissioners, in favor of the party appealing, such party shall recover his taxable costs of the other party; but if it is the same, or differs to the prejudice of the party appealing, such party shall pay taxable costs to the other party. On payment of the amount appraised as aforesaid to the claimant, his interest in the location shall cease; and if he shall refuse to accept such payment, a deposit of said amount with the state treasurer shall have the same effect as payment. And in case there shall be any person or persons interested who have not appeared and whose residence is unknown, the amount appraised for their interest shall be deposited in such place and subject to such order as the court may direct, and thereupon his interest in such location shall vest in the Dover & Winnipiseogee Railroad.

Sect. 6. If an appeal is taken by either party, the claimant's interest in such location shall cease whenever said Dover & Winnipiseogee Railroad shall file with the court a bond that is satisfactory to the court, conditioned to pay the claimant whatever sum shall be awarded by the jury and such costs as shall be recovered in the proceeding. Upon payment or tender and deposit, or the giving of such bond, said Dover & Winnipiseogee Railroad shall become the owner of such interest, and be entitled to all the rights and privileges incident thereto.

Sect. 7. The legislature may alter, amend, or repeal this act whenever in its opinion the public good requires it, and it shall be void as to all that part of said road not constructed prior to January 1, 1891; and this act shall not take effect if the Lake Shore Railroad shall have their road graded and ready for laying of the rails on or before January 1, 1889, otherwise shall take effect from and after that date.
