SELECTMEN'S REPORT

As time passes, we inevitably have to say goodbye to people who have lived in Mason and contributed to our town. Charlotte Hastings was an institution. She was a hard worker and a member of a long line of Mason Town Clerks, who distinguished themselves as selfless individuals. Charlotte knew just about everything going on in town and could be counted on to render a candid observation and a hug.

Mark Richardson regretfully resigned as Chairman of the Board of Selectmen. A hard decision was made when Donna, his wife was offered the assistant directorship of the Grand Canyon National Park. After careful consideration of six candidates the Board appointed R. Peter McGinnity as Selectman to serve until March 2011. Mr. McGinnity had been active on the Financial Advisory Committee.

Winter weather of 2010 exacted a heavy toll on the roads of Mason and the surrounding towns. Water undermined the asphalt roads and expanded as it froze during last year's frequent freezing and thawing cycles. Frost heaves turned into pulverized asphalt then potholes.

The unexpected resignation of the town's Road Agent sparked a lengthy hiring process ending in Mark Brackett assuming the Road Agent's position. A Roads Committee was commissioned to assist the new Road Agent in his transition and to prioritize work on the neediest roads.

David Baker was named Fire Chief and made a very smooth transition into his new post. He has implemented changes resulting in increased efficiency, and commensurate with his lengthy experience in fire fighting.

The voluntary semi-annual tax bill will become a mandatory responsibility in 2011. Along with breaking the tax billing cycle into two payments, it will decrease the amount needed for the town's tax anticipation note and subsequently reduce note interest payments.

The need for broadband service has become a reoccurring theme. The luxury of broadband has turned into necessity. A Board Band Committee was commissioned to study different possibilities of increasing broadband service to the town. Steve Hoffman and Wolfgang Millbrandt have attended several state sponsored meetings and circulated a survey. They have been exploring different methods of providing broadband service.

Mason's Scout Troop 264 promoted two more scouts to the rank of Eagle Scout. Dan McGuire and Robert Guiry long time friends in scouting elected to have their Court of Honor together. The keynote speaker was David Ruoff Mason' first Eagle Scout, currently a lawyer in private practice.

One of the endearing qualities of in the New Hampshire rural heritage is the sense of community. Jim McCormick, Mason School District's new Superintendent brings a wealth of experience to the district. His philosophy of inclusiveness has seen the school facilities used for a number of community activities including a senior breakfast program.

Respectfully submitted,

C. Christopher Guiry, DMD, Anne Richards, R. Peter McGinnity

TOWN OFFICE HOURS AND MEETINGS

SELECTMEN

Office Hours: Mann House, 11:00 AM - 3:00 PM
Tuesday, Wednesday, Thursday

Meetings: Mann House 7:30 PM

**MASON TOWN WARRANT
The State of New Hampshire**

The polls will be open from 11:00 AM to 8:00 PM at: Mason Town Hall.
To the inhabitants of the Town of Mason, in the County of Hillsborough, in said State,
qualified to vote in Town affairs:

You are hereby notified to come to the polling place at the Town Hall in Mason at
11:00 AM on Tuesday, the 8th day of March, 2011 for the election of Town officers
pursuant to Article 1 of this Warrant, bringing in your ballots for the following:

Selectman	3 years
Selectman	2 years
Treasurer	1 year
Supervisor of the Checklist	3 years

Library Trustee	3 years
Trustee of Cemeteries	3 years
Trustee of Trust Funds	3 years

And to cast your ballots pursuant to Article 2 and Article 3 regarding amending the Town of Mason Planning and Zoning Ordinance Article IXX: Telecommunications Facilities Ordinance: Item IV, Location of Telecommunications Facilities and Item VII, Conditional Use Permits and Article 4 regarding adopting the provisions of RSA 40:13 (known as SB 2), as petitioned.

The polls will be open continuously until 8:00 PM when they shall close. You are hereby notified also to meet at Mason Elementary School at 9:00 AM on Saturday, the 12th day of March, 2011, to act upon Articles of this Warrant.

1. To choose all necessary Town Officers for the ensuing terms.

Article 2 and Article 3 were reviewed at public hearings on January 26, 2011.

2. Are you in favor of the adoption of Amendment No. 1, as proposed by the Mason Planning Board for the Town of Mason Planning and Zoning Ordinance, as follows:

AMEND Article IXX: Telecommunications Facilities Ordinance: Item IV, Location of Telecommunications Facilities; to replace "view to _____." with "scenic view.", so that the sentence reads "In no case, however, shall such a facility be sited in a location that would impact any scenic view."

The purpose is to clearly state that scenic views shall not be impacted by the location of a telecommunications facility. Approved by the Mason Planning Board.

3. Are you in favor of the adoption of Amendment No. 2, as proposed by the Mason Planning Board, to the Town of Mason Planning and Zoning Ordinance, as follows:

AMEND Article IXX: Telecommunications Facilities Ordinance: Item VII, Conditional Use Permits; to replace "every 3 years" with "annually", so the sentence reads "Permits shall be renewed annually."

The purpose is to require renewal of Conditional Use Permits annually, to better monitor for changes affecting compliance. Approved by the Mason Planning Board.

Article 4 was reviewed at a public hearing on February 21, 2011.

4. To see if the Town will vote to adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town. By petition.
5. To see if the Town will vote to raise and appropriate the sum of One million five hundred sixty-three thousand, six hundred fifty-seven dollars (\$1,563,657) which represents the operating budget. Said sum is exclusive of all Special or Individual Articles addressed.
6. To see if the Town will vote to authorize the Selectmen to enter into a three year lease/purchase agreement in the amount of thirty nine thousand eight hundred twenty-five dollars (\$39,825) to purchase a pickup truck for the Mason Highway Department and to raise and appropriate the sum of Fourteen thousand one

hundred nineteen dollars and twenty cents (\$14,119.20) for the first year's payment. This lease agreement contains an escape clause. Recommended by the Selectmen.

7. To see if the Town will vote to authorize the Selectmen to enter into a long term lease/purchase agreement in the amount of Thirty-two thousand dollars (\$32,000) payable over a term of three years to purchase a new cruiser for the Police Department and to raise and appropriate the sum of Fourteen thousand dollars (\$14,000) for the first year's payment. (Requires 2/3 ballot vote.) Recommended by the Selectmen.
8. To see if the Town will vote to raise and appropriate the sum of Four thousand dollars (\$4,000) for the purpose of equipping the new Police cruiser, or take any other action relative thereto. Recommended by the Selectmen.
9. To see if the Town will vote to raise and appropriate the sum of Fifty thousand dollars (\$50,000) for the purpose of chip sealing on Town roads, or take any other action relative thereto. Recommended by the Selectmen.
10. To see if the Town will vote to raise and appropriate the amount of Thirty thousand dollars (\$30,000) to purchase a truck for the Highway Department, with the funding as follows: Seven thousand five hundred eighty-four dollars (\$7,584) from the Highway Equipment Capital Reserve Fund created for this purpose and the balance to come from general taxation, or take any other action relative thereto. Recommended by the Selectmen.
11. To see if the Town will vote to raise and appropriate the sum of Twelve thousand dollars (\$12,000) for the purpose of conducting a Statistical Update of property values, as required by the State of New Hampshire Department of Revenue, or take any other action relative thereto. Recommended by the Selectmen.
12. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a Police Cruiser and to raise and appropriate the sum of Nine thousand dollars (\$9,000) to be placed in this fund and to appoint the Selectmen and the Police Chief as agents to expend from this fund. Recommended by the Selectmen.
13. To see if the Town will vote to raise and appropriate the sum of Six thousand five hundred dollars (\$6,500) to purchase a voting machine, or take any other action relative thereto.
14. To see if the Town will vote to authorize 20% of the Land Use Change Tax collected pursuant to RSA 79-A:25 to be deposited in the existing Conservation Fund in accordance with RSA 36-A:5, III as authorized by RSA 79-A:25, II. The remaining 80% of the Land Use Change Tax collected pursuant to RSA 79-A: 25 will be deposited in the Town's General Fund. If adopted this article shall take effect April 1, 2011, and shall remain in effect until altered or rescinded by future vote of the town meeting. (Majority vote required.) Recommended by the Selectmen.

15. To see if the Town will vote to raise and appropriate the sum of One hundred thirty-three dollars (\$133) to be added to the Cemetery Land Improvement Trust Fund, previously established and to authorize the transfer from the December 31, 2010 Fund Balance of that amount received from the 2010 sale of cemetery lots for this purpose. Recommended by the Selectmen.
16. To see if the Town will vote to raise and appropriate the sum of Seven thousand five hundred eighty-four dollars (\$7,584) to be added to the Highway Equipment Capital Reserve Fund, previously established and to authorize the use/transfer from the December 31, 2010 Fund Balance of that amount received from the 2010 sale of highway equipment for this purpose. Recommended by the Selectmen.
17. To see if the Town will vote to authorize the Selectmen and the Road Agent to sell or dispose of surplus equipment from the Highway Department, or take any other action relative thereto. This article shall remain in effect until altered or rescinded by future vote of the town meeting.
18. To see if the Town will vote to authorize the Selectmen and the Fire Chief to sell or dispose of surplus equipment from the Fire Department, or take any other action relative thereto. This article shall remain in effect until altered or rescinded by future vote of the town meeting.
19. To see if the Town will vote to authorize the Selectmen and Police Chief to sell or dispose of surplus equipment from the Police Department, or take any other action relative thereto. This article shall remain in effect until altered or rescinded by future vote of the town meeting.

Town Clerk & Tax Collector Report

It has been our pleasure to serve the residents of Mason this past year. We would like to summarize some of the developments during 2010.

In April, Deputy Clerk Debra Morrison received her certification as a Municipal Agent. She also attended the training for Vital Records and Motor Vehicle Safety.

For 2010 we licensed 466 dogs. As long as we have current rabies information, you may license your dog(s) via mail. Every year there is a rabies clinic scheduled in April, please call this office at 878-3768 for the date.

Now that we are on-line with Vital Records, we are able to assist residents in obtaining copies of any NH vital record copies.

2010 was the first year for semi-annual tax billing. The change was implemented to help the Town save money on the borrowing for the yearly TAN (Tax Anticipation Note). For 2010 only, property owners had the option to pay the entire tax bill in December as usual, or pay in the new, two installments. For 2011, the first tax bill must be paid when due in July and the second bill in December.

Respectfully submitted,

Susan Wagoner, Town Clerk/Tax Collector

Dee Mitchell, Deputy Debra Morrison, Deputy

TOWN CLERK'S REPORT

Cash on hand January 1, 2010	\$50

MASON HIGHWAY DEPARTMENT REPORT

Many challenges were met and overcome in 2010 for the Highway Department. Still many challenges lie ahead, but what would life be without a challenge.

David Cook resigned from the Highway Department after ten years of service. Roland Theriault one of the part time employees passed away. We also lost one of the full time employees Charles Buttrick who had been here for seven years. With Cook's resignation David Morrison stepped in until a new Road Agent was hired. There were also two committees formed: one to evaluate the roads, another for the evaluation of the equipment.

The Road Committee spent time measuring and evaluating the condition of the roads. They also researched the cost of different methods for repairs. The vehicle committee evaluated the fleet and decided that five trucks were not worth keeping in service. A sixth truck that was questionable was kept for the winter to salt with. A 2003 one ton diesel was purchased this year. We will need to continue building up the fleet after losing so many vehicles. In regards to the roads it will be a few years before we are able to just look at the cost of general maintenance. This will not be a quick fix. Our top priority will be repairing the recently overlaid roads. After preparing these roads a chip seal will be applied to insure we get the maximum amount of life from them. With the other roads we will repair the worst sections and take care of them as soon as possible.

I would like to thank the individuals who participated in these committees for the time and research that they put in. Their suggestions have been noted and I look forward to working with them in the future.

In March heavy rains washed out some of the roads in town. Luckily some of the repair work was funded by FEMA. This work consisted of ditching, culvert work and some paving. A section of Townsend Road was shimmed and over laid during the summer by Brox Industries. The Highway Department did the prep work by ditching and trimming. After paving they shouldered the section. Fred Greenwood was able to make it all around town with the roadside mowing. Before we resume mowing in the fall some repair work will need to be done to the mower. With the grading around town some calcium was used. This year we will be increasing the application rate along with a combination of other materials to improve the quality of our dirt roads. Some culverts were replaced which would be the case again this year along with ditching to get the water off from our roads. This is the only way to successfully repair our roads. There is no sense in upgrading a road without taking care of the water first.

I would like to thank all of the Highway Department workers for their dedication and hard work. Also thanks to the Selectmen for their guidance and Barbara Milkovits for the time and effort that she puts in every year.

Respectfully submitted,

Mark B. Brackett

Road Agent

MASON POLICE DEPARTMENT

2010 proved to be a very busy year for the Police Department. We had an alarming rise in sexual assaults during 2010 with three Aggravated Felonious Sexual Assaults on children being reported and one adult victim reporting a sexual assault as well. The Police Department is also in the process of finalizing one of the largest child pornographic possession cases in the state. Each of these cases accounts for not only hundreds of investigative hours but also a lifetime of recovery for the victims. All suspects are being prosecuted to the fullest extent of the law. Narcotic and domestic violence related offenses have also increased.

With a continued decline in the economy we have seen an expected increase in residential burglaries. In December a resident reported an individual attempting to enter her home, the suspect then fled in a motor vehicle. The Police Department pursued the vehicle into New Ipswich where the department K9 Akih was used to remove the suspects from the vehicle. The three suspects in the vehicle were also connected to a second attempted home invasion in Mason on the same day. These cases are currently in the prosecution stage.

In addition to the above referenced case, K9 Akih was used several times to clear homes and businesses within Mason due to alarm activations and also to search motor vehicles for narcotics. Cocaine, heroin and marijuana were all seized during 2010 as a direct result of K9 Akih's indicating on motor vehicles. With K9 Akih, I participated in several public demonstrations of his skills throughout the year. Approximately \$900 was received through donations for the K9 program with the State Line Gun Shop being the top donor. All donations are graciously accepted no matter what the size.

I am again asking for the town to fund the purchase of a new police cruiser as the older of our two vehicles is a 2006 with high mileage that I believe is reaching a point of not being safe to use as a day to day emergency response vehicle. I understand that several residents have vehicles that are in excess of 100,000 miles and are driven daily but not in the same manner that the Police Department does. I do understand not wanting to spend money as I am also a taxpayer in Mason but this is an issue that is reaching a point that needs to be resolved.

The Mason Police Department can be reached by the following methods:

Emergency 911 or non-emergency Dispatch 878-1111. If you need to discuss a non-criminal issue with me directly, you may reach me through my email of masonpd181@myfairpoint.net. Please understand that NO official complaints can be received via email as we need them to channel through our dispatch for proper recording. In closing, thank you for your continued support and cooperation as we could not do our jobs without it.

Respectfully submitted,
Police Chief Barry G. Hutchins

MASON FIRE DEPARTMENT REPORT

First I would like to thank David Cook for over 35 years of dedicated service as a member of the Mason Fire Department and First Responders.

This past year we finally got the word out that we needed help and the town responded. Thank you! We have 10 new members and have a waiting list of additional interested individuals. Four of our new members are enrolled in Firefighter Level 1 which is the state required basic firefighting course. Two of our new members came already trained from other states where they resided.

In August I became Chief and with the help and support of everyone the department is ready to respond to calls when needed.

My thanks to all the dedicated men and women of the Fire Department and to the families for their support.

Respectfully submitted,

David A. Baker Fire Chief

Mason First Responders

We are in need of additional First Responders especially during the weekday. If you are interested or would like more information please contact me or any First Responder for more information.

I would like to thank the members of the Brookline Ambulance Service and their Director, Wes Whittier, for their excellent service to the town of Mason.

I especially would like to thank the Mason First Responders for responding to calls at all hours of the day or night and to their families for allowing them to give their time for calls and training.

PLANNING BOARD REPORT

It's been a very quiet year, with no new subdivision applications and only one lot line adjustment. Two workforce housing amendments were passed at the March 2010 town meeting, Amendment XX: Accessory Dwelling Unit Ordinance and Amendment XXI: Multi-Family Housing Overlay District. These bring Mason in compliance with the state Workforce Housing laws. The Planning Board thanks the residents of Mason for their support.

Year 2010 Hearings:

Month	Hearing	Applicant	Type	Outcome
June	10-01	Gerald and Judith Anderson	Lot Line Adj. L-31 L-31-1	Approved

Respectfully,

Mason Planning Board

REPORT of NRPC ACTIVITIES for the TOWN OF MASON

NRPC embarked on a number of new initiatives and projects in 2010, which promise to have long-term positive impacts for the future of the region and the state. NRPC has played a significant role in the NH Broadband Mapping Program as we began the process of identifying and mapping broadband resources across the state in collaboration with the other eight Regional Planning Commissions. In 2011, we will continue this work with a public outreach and planning component to the project that will engage the region in understanding and planning for broadband services.

Our work on behalf of the Town of Mason includes:

TRANSPORTATION

NRPC as the designated Metropolitan Planning Organization (MPO) for the region is responsible for developing and maintaining the region's transportation planning program

Traffic Data Collection - Conducted 1 traffic count in Mason in the past year. This count was done at the request of the New Hampshire Department of Transportation and is used to support the Federal Highway Performance Monitoring System (HPMS).

Transportation Improvement Program – As the designated MPO for the region, NRPC maintains the Transportation Improvement Program (TIP). The TIP is a fiscally constrained document required under federal transportation regulations. All federally funded highway improvements must be included in the regions TIP in order to receive federal funding. NRPC is responsible for the development and maintenance of the TIP so that federal highway transportation dollars are available to Mason and the rest of the region.

LAND USE AND ENVIRONMENT

NRPC Energy Program – In 2008, NRPC received a 2 year grant from the US Environmental Protection Agency's Healthy Communities initiative to establish the Nashua Regional Energy Program. The Nashua Regional Energy Program works with municipalities to understand community needs and resources, assess current energy consumption within municipal buildings, take action to reduce energy consumption and implement renewable energy projects, and evaluate progress.

Over the past year, NRPC worked with Mason to conduct energy inventories for its municipal buildings, streetlights, and vehicle fleet. NRPC then wrote an Energy Efficiency Action Plan for Mason based on these energy inventory results. The plan contains a community profile,

background on the inventory process, inventory results, energy use by building, costs by building, greenhouse gas emissions by building, energy inventory analysis, and recommendations.

Development Review and Planning Services

Part of NRPC’s comprehensive solutions is to offer direct local land use planning assistance. In addition to the services mentioned in the Introduction, the Town of Mason continues to utilize contract planning services to directly assist the Planning Board. Services include assistance to applicants in submitting subdivision or site plan applications, provide written reviews of submissions to the Planning Board, attend hearings and work sessions to assist and answer questions, and support the Board and Town staff in preparing notices draft amendments and warrants for Town Meeting.

GEOGRAPHIC INFORMATION SYSTEMS (GIS)

The GIS staff at NRPC continues to maintain a diverse collection of spatial databases including local roads, real property parcels, zoning, land use, and environmental conditions. This data is applied extensively to provide mapping and analysis for local and/or regional projects.

Updated and printed multiple copies of the streets and Town Zoning Maps. GIS staff worked closely with the Town Planner to make needed updates. Multiple display size prints were provided as well as an electronic PDF version so that the Town can print additional copies.

Maintained Standard Map Series - Updated the Town Zoning map and NRPC Standard Map Library for Mason. These four standard maps show the Town’s Roads and Town Facilities, Environmental and Conservation Areas, Existing Land Use and an Aerial Image of the Town.

Updated online Google Maps NRPC Traffic Count application. At the end of the traffic counting season, GIS staff uploaded all current data to Google maps web application, showing the latest 24-hour and hourly counts for every location in Mason and the rest of the NRPC region. This year NRPC worked with the town assessor and the Registry of Deed database to update the town digital parcel map to include all changes to property data. This item is a critical component of many projects conducted in the town and is always available to the town from NRPC free of charge.

Completed regular maintenance tasks and performed updates to the Mason GIS data which is maintained by NRPC, including digitizing new roads, parcels, protected lands, zoning changes, trails, social service or child care providers, land use and other baseline data.

Continued to update and expand the regional annotation layers for improved clarity, accuracy and detail in mapping tasks.

Respectfully submitted,

Kernie Diers

Executive Director
Nashua Regional Planning Commission

Stewardship Fund 12/31/10.....	\$10,344
Rental Fund– 135 Old Ashby Road 12/31/10.....	\$5,027
Total All Funds 12/31/10	\$59,638

We finished the final round of clean-up and site restoration at the former Potter homestead on Greenville Road. The two barrels of oily liquid are gone (with the help of New England Disposal Technologies), the house razed, and the site filled and graded, yielding an overlook we hope will eventually become a nice picnic area once we've dealt with the Japanese knotweed imported in the soil used for fill.

We completed and dedicated two town conservation lands, the Florence Roberts Forest (39 acres) on Valley Road and the Esau "Ace" Stanley Wildlife Refuge (1.9 acres) on Campbell Mill Road. The ceremony for the Florence Roberts Forest marked the completion of the hiking trail and a wonderful bench and kiosk, all complements of Eagle Scouts Chris Elliott, Robert Guiry, and Dan McGuire. Along with numerous residents, Senator Peggy Gilmour attended. The Stanley Wildlife Refuge also sports a small kiosk built by CC members, a short trail, and another Guiry-supplied bench. While smaller in acreage than the other, this area is no less important because of the wetland it protects. The Stanley family was well represented by several generations at the poignant dedication ceremony.

In other land-protection news, we tried but failed to acquire funding for another important land purchase in northeast Mason. Using the Mitchell Brook conservation land (on Mitchell Hill Road) as a match, we put together a prospectus for the property and submitted our funding application to the Land and Community Heritage Investment Program (LCHIP). Unfortunately, LCHIP didn't choose our project for funding this year.

We had some personnel changes this year. Paula Babel withdrew to devote time to other endeavors. We thank her for her service. In her stead, we welcome Barbara DeVore and Rob Doyle as fledgling members. Barbara is our unofficial "PR Department" with her outgoing personality and enthusiasm for public education and participation. Rob brings his passion for wildlife and a strong dislike of the invasive plants encroaching on the town. Continuing her work from the previous year, Barbara put together another fine series of public information programs as part of the ongoing Florence Roberts Memorial Series. Presentations covered a broad set of diverse topics, including the ways of salamanders, dragonflies, ticks, and wolves, hunting mushrooms, landscaping for wildlife, and exploring the Alaskan wilderness. And Rob Doyle turned his passion into action, inspiring us to begin work with the Selectmen and Forestry Committee on a plan to deal with invasive plant infestations. Mason has a large and growing problem with Japanese knotweed and autumn olive (and they are not the only invasives identified in town). We hope to put a mitigation plan into action starting in the spring of 2011.

To accelerate progress on our Natural Resources Inventory (NRI), we formed a subcommittee dedicated to the task and made substantial progress. We have drafts of maps showing important town resources, and the accompanying write-up is underway. Look for a public release of this work sometime in 2011.

In more mundane matters, we funded several upgrades and repairs to the A-frame property on Old Ashby Road (part of the Bronson Potter bequest): furnace repair, a new septic system, and a new well were all called for last year. With labor contributed by our tenant, the rent collected on the property covered all expenses. Our rental arrangement is working well. In addition to all the above, we continue to monitor conservation easements, maintain the railroad trail, and do whatever else is needed to help maintain Mason's rural character.

Respectfully submitted,

Conservation Commission

MASON FORESTRY COMMITTEE

The Forestry Committee did not do any selective cutting in 2010. Timber prices have not been high enough to justify an appropriate return. The possibility of higher oil prices and the corresponding increase in firewood may be the impetus for cutting some low quality lots. If these lots were to be harvested during a period when firewood was not in demand, the monetary yield would be markedly decreased, offsetting an otherwise well designed selective cut. Next year may become a better opportunity.

The Forestry Committee met with the Conservation Commission to discuss a strategy to deal with the invasive weed species Japanese Knot Weed. Considerable effort has been expended in generating a map identifying this species in town. The survey has shown a large number of infested sites. The Forestry Committee voted to expend some of the railroad bed maintenance funds to run a prototype control program that could, in the future, be applied to the larger infestations around town. The State will be consulted as to the best method or methods to control this tenacious weed.

Respectfully submitted,

Mason Forestry Committee

HOME HEALTHCARE, Hospice & COMMUNITY SERVICES, INC.

Report to the Town of Mason
January 1, 2010- December 31, 2010
Annual Report

In 2010, Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Mason. Services included 28 nursing visits, 46 physical therapy visits, 5 occupational therapy visits, 1 medical social visit, and 10 home health aide visits. The cost of service provided with all sources of funding is projected to be \$13,419.00. The following services are available to Mason residents to assist residents to recover at home or to continue to live independently at home:

- Visiting Nurse
- Physical Therapy
- Occupational Therapy
- Speech Pathology
- Personal Care
- Customized Care –homemakers and respite care
- Geriatric Care Management
- Hospice care for patients and bereavement support for family members – in the home, in nursing home and assisted living facilities.

HCS also offers health promotion services:

- Prenatal care and well child services for income eligible families
- “Nurse Is In” clinics check blood pressure and answer questions for everyone
- Foot Care clinics

HCS welcomes inquiries at 532-8353 or 1-800-541-4145 or visit www.HCSservices.org. Our outreach program is available to talk with seniors and families about home care options at no charge. Thank you for your support of home care services.

MASON PUBLIC LIBRARY

The Mason Public Library remains a vital resource to the community. The MPL provides a diverse selection of new and classic books for all ages as well as a variety of magazines, audio books, and digital/video movies. Through our affiliation with the Hillstown Cooperative, a wide range of audio books, videos and DVD's rotate through our library every 2 months. We have access to all the collections of the State New Hampshire Library System through the Inter Library Loan program. We provide DSL Internet access to the public via our community access computer. The library continues to offer a variety of programming such as Storytime, Noon Book Club, the Summer Reading Program, and the traditional Holiday Greening. We remain the primary library support to the Mason Elementary School by providing individual weekly class visitation of all grades from Preschool through Grade 5.

We are grateful for the efforts of dedicated employees, volunteers, and trustees.
Respectfully submitted,

Library Trustees Elena Kolbenson, Lynn McCann, Christine Weiss

REPORT OF THE BUILDING INSPECTOR

There were twenty-nine (29) Building Permits issued during 2010. They were issued for the following, with the total valuation:

6	Permanent Dwellings	\$651,508
5	Decks/Porches Additions to Home	30,827
1	Yurt Deck	11,946
3	Garages	34,622
1	Electrical Service Upgrade	3,000
2	Sheds	17,637
4	Barns	78,258
1	Barn Addition	3,348
4	Septic Repair	12,000
1	House Remodeling (inside)	3,000
1	Shop Remodeling	84,224
	TOTAL	\$930,370

Of the six permanent dwellings, two were renewal permits. Of the four barns, two were renewal permits. There have been three Oil Burner and/or Oil Storage Permits issued. A permit is required for installing and operating oil-burning equipment that includes replacement oil burners and/or oil storage tanks.

Some residents do not understand when a Building Permit is required. Please refer to the Town of Mason Planning Ordinance, Article VII. I will be happy to help with any questions.

The House and Waterhole Numbering System is continually being updated and new numbers issued. It would be beneficial if all residents would use their correct house numbers and post the numbers using three-inch high reflective numbers, facing both directions.

Permanent boundary markers have to be checked on lots without an existing dwelling, before a Building Permit can be issued. If the lot has been created by a subdivision, every iron pin, drilled hole and granite bound that is shown on the plat must be checked. This was approved at the March 2004 Town Meeting.

In addition to the Building Inspection duties, I, also, at the Selectmen's request, act in the capacity of code enforcement officer and follow up on zoning issues.

I hold office hours at the Mann House on Tuesday evenings by appointment only. Please call 878-2894 for your appointment or questions.

Respectfully submitted,
Kenneth B. Wilson
Building Inspector

REPORT OF BUILDINGS and GROUNDS

The end of April 2010, the top of the chimney on the Mann House was replaced and a stainless steel liner was installed for the boiler. The shingles were replaced and a layer of plywood was added and several soffit and fascia boards were replaced. The roof over the Children's Room was also replaced. The roof over the Library will be replaced in the next few years.

In addition to that repair work, we also replaced the glass doors in the Children's Room. One wall was framed in and a wall mounted air conditioner was installed. We installed two insulated windows in the other two walls. The old light fixtures were replaced with more efficient lighting. The Children's Room is now easier to heat in the winter and cooler in the summer. The rest of the year was spent doing some painting on the Mann House and the Town Hall and general upkeep.

Respectfully submitted,

Wallace A. Brown

Buildings and Grounds Manager

REPORT OF THE CEMETERY TRUSTEES

This past year was a very typical year for the cemeteries. During the spring, we fertilized and spread some lime. During the summer we cut brush and painted fences. We also added loam to many areas of Prospect Hill Cemetery. In the fall, leaf clean-up went very well and was completed.

Residents of Mason interested in purchasing cemetery lots at Prospect Hill Cemetery may contact

Wallace A. Brown, Sexton, at 878-1481 for details.

Respectfully submitted,

Cemetery Trustees

Wallace A. Brown

TOWN of MASON ELECTION MARCH 9, 2010

The Moderator, Catherine Schwenk, called the Town Election to order. The polls were declared open at 11:03 AM. Twenty nine absentee ballots were opened by the Moderator at 1pm. Checklist total was 990 (981 plus 9 newly registered voters). The polls were closed at 7:09 PM after 522 had voted.

The moderator administered the oath to the following ballot counters:
George Schwenk, Douglas Whitbeck, Mary McDonald, Lauren Mann, Anne Richards, Dee Mitchell, Jim DeMarco, Florence Wilson, Barbara Milkovits, Mark Richardson, Wolfgang Millbrandt, Dorothy Millbrandt, John Lewicke, Patricia Cross, Kathy Chapman, Nancy DeMarco, Linda Cotter-Cranston, Gary Wolpert, Kenneth Green, Jeannine Phalon and Joan Losee

The results of the Town Election on Article 1 were as follows:

Selectmen for 3 years: Mark Richardson 337
Alfred Stauble 133

Town Moderator for 2 years: Catherine Schwenk 436

Supervisor of the Checklist for 6 years: Charles Moser 411

Trustee of Cemeteries for 3 years: Wallace Brown 457

Trustee of Trust Funds for 3 years: George Schwenk 433

Library Trustee for 3 years: 34 write-in vote for Christine Weiss

Zoning Questions:

The results of **Article 2** – Are you in favor of the adoption of amendment No. 1, as proposed by the Mason Planning Board, to the Town of Mason Planning and Zoning Ordinance, as follows:

ADD new Article XX: Accessory Dwelling Unit Ordinance; to permit by special exception, a second dwelling unit that is secondary and accessory to the principal single-family dwelling unit. The owner must occupy one of the dwelling units, which must be within or attached to the principal dwelling unit. The purpose is to provide expanded rental opportunities, provide flexibility in household arrangements, and address workforce housing. Approved by the Mason Planning Board

Yes 371 No 139

The results of **Article 3** – Are you in favor of the adoption of amendment No. 2, as proposed by the Mason Planning Board, to the Town of Mason Planning and Zoning Ordinance, as follows:

ADD new Article XXI: Multi-Family Housing Overlay District Ordinance; to permit multi-family

dwelling on lots within the GRAF district that take frontage on New Hampshire Route 31. Individual structures may contain 2-5 dwelling units located on lots of at least one acre per unit, not including wetlands, steep slopes and rock outcroppings. The purpose is to provide a reasonable opportunity for affordable multi-family housing as required by the workforce housing statute. Approved by the Mason Planning Board.

Yes 290 No 220

The results of **Article 4** – To see if the Town will vote to adopt the provisions of RSA 466:30-a which make it unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such.

Yes 246 No 268

The results of **Article 5** – To see if the Town will vote to adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town. By petition. (By ballot, requires 3/5 vote)

Yes 303 No 211 308 Needed to pass. Article failed

Mason School District Results:

School Board Member 3 Years – Robert Hemmer 356
Dr. Christopher Guiry 132

There were 4 write-ins

The results of **Article 2** – Shall we adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the School District on the second Tuesday of March (3/5 majority ballot vote required). (By Petition)

Yes 316 No 202 Needed 311 to pass. Article passed

Susan J. Wagoner, Town Clerk

**MASON TOWN MEETING MARCH 13, 2010 at
the Mason Elementary School, 13 Darling Hill Road**

At 9:00AM Moderator Catherine Schwenk came to the microphone and expressed the general assembly's excitement at holding the first Town Meeting in the new Mason School hall. She thanked the School Board and general contractor, Sullivan, for the hard work in getting the Mason Elementary School multi-purpose hall at 13 Darling Hill Road ready for Town Meeting. Mark Richardson thanked David Cook, Fire Chief, and Ken Wilson, Building Inspector, for working with the contractors to approve the occupancy for the Town Meeting.

The Moderator then requested that non voters should wear non voter credentials and sit in the first row to the Moderator's left. There was no request for interpretive services. She then indicated the fire and emergency exits, acknowledged all those who were involved in the election, and introduced those who were sitting at the head table: Selectmen - Anne (Nancy) Richards, Mark Richardson, and Dr. Christopher Guiry; and Susan Wagoner, Town Clerk. She also acknowledged the former Town Clerk of Mason, Charlotte Hastings.

The Moderator reviewed the procedures for voters: Voters wishing to speak should use the microphones and address any questions to the chair; all amendments and substantive motions

must be in writing and signed by the maker and seconder; every voter is entitled to speak on a debatable motion unless the body by a two-thirds vote has ordered discussion stopped; a voter is entitled to speak a second time on the same question provided all voters who wish to speak have spoken. Five voters may request a ballot vote on any article.

Appreciation was given to Wally Brown and Rick Griffith for setting up the election facilities, Steve Tamulonis for setting up the sound system, the dedicated election workers, the Town Clerk and Deputy, the Supervisors of the Checklist, Selectmen, and Barbara Milkovits, Selectmen's Assistant.

There were 137 voters and 5 non voters.

The Moderator announced the results of the Town elections and the school district. Total votes cast were 522 out of a total of 990. She declared the winning candidates elected to their respective office.

Selectmen for 3 years: Mark Richardson 337
Alfred Stauble 133

Town Moderator 2 years: Catherine Schwenk 436

Supervisor of the Checklist 6 years: Charles Moser 411

Trustee of Cemeteries for 3 years: Wallace Brown 457

Trustee of Trust Funds 3 years: George Schwenk 433

Library Trustee for 3 years: Christine Weiss 34 write-in votes

The following articles were voted on at the polls on Tuesday March 9, 2010

Results of the Zoning Questions:

The results of **Article 2** – Are you in favor of the adoption of amendment No. 1, as proposed by the Mason Planning Board, to the Town of Mason Planning and Zoning Ordinance, as follows:

The Town Meeting was called to order by Moderator Catherine Schwenk at 9:06 AM.

The Boy Scouts of America are celebrating their 100th anniversary this year. The colors were presented by the following members of the Mason Boy Scout Troop #264: Jack McGuire, Nathan O'Brien, Nicholas Calderan, Josh McDugall and Robbie Anderson.

It was a distinct pleasure by the Moderator to present Katie Atkinson who led us in the Pledge of Allegiance to the Flag of the United States of America. Katie is a highly motivated, dedicated young woman. She has continually excelled at some of the most demanding courses, including advance courses and College courses at Franklin Pierce University. She is a member of the National Honor Society and serves as its secretary.

Dr. Christopher Guiry spoke briefly congratulating Bob Hemmer for winning the School Board member race and also made note that Representative Peggy Gilmour sent her regards, since she was unable to attend due to personal reasons.

There was no objection to waiving the reading of the warrant.

On motion of Mark Richardson it was VOTED unanimously to accept the reports of agents, auditors, committees and officers as printed in the annual report.

Five voters (Christine Weiss, William Weiss, Robert Ziminsky, Paula Babel and Jeff Babel) presented a written request to have a ballot vote on all articles.

Article 6: Mark Richardson moved and it was seconded that the Town vote to authorize the Selectmen to enter into a long term lease/purchase agreement not to exceed the amount of One hundred twenty-five thousand dollars (\$125,000) payable over a term of seven years to purchase a new backhoe for the Mason Highway Department and to negotiate the first year's payment of this lease to occur in 2011. (Requires 2/3 ballot vote.)

Dave Cook, Road Agent, moved to amend and it was seconded the article to strike out the \$125,000 (one hundred twenty five thousand) and insert \$90,000 (ninety thousand dollars). The amendment carried. The motion as amended carried.
The polls for the amended article were opened at 9:18AM and closed at 10:20AM.
There were 129 votes cast. 86 were needed to pass.
Yes 58 No 71 The article failed.

Article 7: Nancy Richards moved and it was seconded that the Town vote to raise and appropriate the sum of One million five hundred fifty-four thousand, four hundred twenty-three dollars (\$1,554,423) which represents the operating budget. Said sum is exclusive of all Special or Individual Articles addressed.

There was much discussion related to salaries and benefits. Shawn Jodoin presented an amendment "that all employee salary increases be approved by a majority ballot vote". The Moderator discussed the request with the Selectmen and determined that this request could not be accomplished as the dollar amounts were imbedded in multiple line items throughout the budget. This amendment failed.

Leland Craig moved the question which was seconded and passed by a 2/3 vote. This stopped all discussion on the budget. Although highly unusual, Mike Bromberg moved and it was seconded to reconsider stopping the debate on the budget. This amendment carried. Discussion continued.

The polls were opened at 10:50AM and closed at 11:22AM.
There were 134 votes cast.

Yes 104 No 30 The article passed.

Article 8: Dr. Christopher Guiry moved and it was seconded that the Town vote to authorize the Selectmen to enter into a long term lease/purchase agreement in the amount of Thirty-six thousand dollars (\$36,000) payable over a term of three years to purchase and equip a new cruiser for the Police Department and to negotiate the first year's payment of this lease to occur in 2011. (Requires 2/3 ballot vote.)

The Moderator read RSA40:4-a and noted that a request for a ballot vote must be made prior to each article. They had submitted a blanket request which was not acceptable.

After much discussion the polls were opened at 11:22AM and closed at 12:24PM. There were 130 votes cast. 87 were needed to pass.
Yes 85 No 45 The article failed.

Article 9: On motion of Mark Richardson it was VOTED unanimously that the Town raise and appropriate the sum of Twenty-three thousand nine hundred seventy-five dollars (\$23,975) for the following purposes: replace shingles on the Mann House roof, roof the sunroom and rebuild the chimney from the roof line up, or take any other action thereto.

Article 10: Nancy Richards moved and it was seconded that the Town vote to raise and appropriate the sum of Twenty thousand dollars (\$20,000) to be added to the Highway Equipment Capital Reserve, previously established, or take any other action relative thereto.
Prior to voting, the Moderator received a ballot vote request on Article #10 from Carol Iodice, Jeff Babel, Paula Babel, Robert Ziminsky and Christine Weiss.
The polls opened at 10:40AM and closed at 11:21AM.

There were 127 votes cast. Yes 77 No 50 The article passed.

Article 11: On motion of Dr. Christopher Guiry it was VOTED unanimously that the Town raise and appropriate the sum of Eight thousand dollars (\$8,000) for the following purposes: research bounds of Town land, lot G-61, removal of dangerous trees and RR Trail maintenance, replacement tree planting, sponsor lectures regarding wood lot ice storm damage and subsequent selective cutting, and to authorize the withdrawal of said sum from the Forest Maintenance Fund, previously established or take any other action relative thereto.

Article 12: On motion of Mark Richardson it was VOTED unanimously that the Town raise and appropriate the sum of Five thousand dollars (\$5,000) to purchase five new air bottles for the Fire Department, or take any other action relative thereto.

Article 13: On motion of Anne Richards it was VOTED unanimously that the Town raise and appropriate the sum of Two thousand dollars (\$2,000) for the purchase of ballistic vests for the Police Department, or take any other action relative thereto.

Article 14: On motion of Dr. Christopher Guiry it was VOTED unanimously that the Town raise and appropriate the sum of Two hundred dollars (\$200) to be added to the Cemetery Land Improvement Trust Fund, previously established. This sum to come from the December 31, 2009 Fund Balance (surplus) being monies received from the 2009 sale of cemetery lots, and no amount to be raised from taxation.

Article 15: On motion of Mark Richardson it was VOTED unanimously that the Town raise and appropriate the sum of Five hundred dollars (\$500) to be added to the Highway Equipment Capital Reserve Fund, previously established. This sum to come from the December 31, 2009 Fund Balance (surplus) being that amount received from the 2009 sale of highway equipment, and no amount to be raised from taxation.

Article 16: Anne Richards moved and it was seconded to see if the Town will vote to authorize the Selectmen and the Road Agent to sell or dispose of surplus equipment from the Highway Department.

Jeff Babel made a motion and it was seconded to amend the article to state "all surplus will be sold at public bid with all proceeds to be added to general fund to offset taxes". The amendment failed.

Next, Jeff Babel made a motion and it was seconded that the article read "to be advertised in the Mason Grapevine – all surplus". The amendment failed.

The article passed unanimously as originally written.

Article 17: On motion of Dr. Christopher Guiry it was VOTED unanimously that the Town authorize the Selectmen and the Fire Chief to sell or dispose of surplus equipment from the Fire Department.

Article 18: On motion of Mark Richardson it was VOTED unanimously that the Town authorize the Selectmen and the Police Chief to sell or dispose of surplus equipment from the Police Department.

While waiting for the results of the last ballot vote, Barbara Devore spoke about upcoming Conservation Committee programs. Steve Hoffman also spoke about the possibility of Mason being included in a Google grant to bring high speed Internet to the town.

The Moderator thanked all those who set up the chairs in the hall for the Town Meeting, including the Richardson children and other children. The Moderator also thanked everyone for recycling,

since this is a new green building.

The Moderator acknowledged the members of the building committee for all their hard work on the new Mason Elementary School – Robert Bergeron, Robert Hemmer, Fred Greenwood, Mary McDonald, Sheila Bergeron-Dunn and Bernie O'Grady.

On motion of Michael Bromberg, and seconded by many voices, the meeting was adjourned Sine Dai at 12:24 PM.

Susan J. Wagoner, Town Clerk

NEW HAMPSHIRE State Primary Election September 14, 2010

The Moderator, Catherine Schwenk, declared the polls open at 11:00AM. The total number of voters on the checklist was 978. There were 6 walk-in new voters and 25 absentee voters. 78 Undeclared voters voted Republican and 31 Undeclared voters voted Democrat. A total of 225 residents voted: 138 Republicans and 87 Democrats.

The ballot clerks were Pauline Bergeron, Florence Wilson, Lauren Mann, and Kenneth Greene.

Since the Selectmen decided to hold a special hearing regarding the condition of the roads in Mason, per RSA 669:58 they appointed three proxy Selectmen: Joseph McGuire, Wolfgang Millbrandt and Susanne Wolpert. The oath of office was administered by the Moderator.

The Moderator installed the following ballot counters: Pam McGinnity, James DeMarco, Garth Fletcher, Gary R. Wolpert, Patricia Cross, George Schwenk, Douglas Whitbeck, Linda Cotter-Cranston, Mary McDonald, and Dorothy Millbrandt.

The State of New Hampshire Primary Election Results are as follows:

Republican:

Governor	Jack Kimball Jr	43
	John Stephen	112
	Karen Testerman	36
	Frank Robert Emiro Sr	10
US Senator	Ovide Lamontagne	52
	Tom Alciere	1
	Kelly Ayotte	91
	Gerard Beloin	0
	Jim Bender	30
	Bill Binnie	39
	Dennis Lamare	1
US Representative	Joseph G. Reilly	5
	Wesley M. Sonner Jr	9

PLODZIK AND SANDERSON 2009 AUDIT

We have audited the accompanying financial statements of the governmental activities, the major general fund and the aggregate remaining fund information of the Town of Mason as of and for the fiscal year ending December 31, 2009, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the major general fund and the aggregate remaining fund information of the Town of Mason as of December 31, 2009, and the respective changes in

financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Plodzik & Sanderson Professional Associates

1810 History Highlights

There were three marriages performed by Rev. William Eliot.
There were nine marriages performed by Rev. Ebenezer Hill
Births – from December 31, 1809 to December 31, 1810 – 30
Deaths – There were 20 deaths; ranging in age from two days old to seventy-five years old.
By the United States Census there were 1,077 residents in Mason. This was a sharp decrease from 1809 “owing to the active emigration, then tending to the new lands in Vermont and Western New York.”

Moderator	Timothy Dakin
Town Clerk	John Blodgett
Selectmen	John Blodgett
	Joses Bucknam
	Samuel Smith, Jr.
Treasurer:	Selectmen
Representative:	Deacon R.W. Weson

The above information came from **The History of the Town of Mason, N.H. from the First Grant in 1749, to the Year 1858** by John B. Hill.

Footnote: For many years the information for the **History Highlights** was researched and provided by Peg Schuster. Peg passed away in 2010 and is missed by many of us who appreciated her friendship, kindness and love for the history of Mason.
