ARTICLE VII: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town authorize the Selectmen to apply for, and accept and expend, without further action by the Town Meeting, money from the State, Federal or governmental unit or private source which becomes available during the fiscal year. Such article or item shall: 1. be used only for legal purposes for which a Town may appropriate money. 2. require the Selectmen to hold a prior public hearing on the action to be taken.

It was voted in the affirmative and it was so declared. The vote was unanimous.

ARTICLE VIII: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town vote to discontinue a portion of what is known as Porter Road, which portion is being realigned as shown on a survey plan entitled 'Town of Plainfield, Porter Road Alignment Change, Plainfield, N. H.' which plan is dated July 6, 1979 and prepared by K. A. LeClair Associates, Inc. which plan to be recorded in Sullivan County Registry of Deeds, said portion to be discontinued as shown on said plan as 'Old Road'.

It was voted in the affirmative and it was so declared. The vote was unanimous.

ARTICLE IX: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town vote to authorize the Selectmen to dispose of property acquired by Tax Collector's Deed upon such terms as they shall determine to be appropriate.

It was voted in the affirmative and was so declared. The vote was unanimous.

ARTICLE X: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town authorize and instruct the Selectmen to purchase in the name of the Town the so-called Theodore Lot gravel pit situated easterly of Lower River Road and southerly of Ferry Hill Road; that the sum of \$25,500 to be raised and appropriated for said purpose and that the Selectmen be authorized and instructed to take all necessary action relating thereto.

It was voted in the affirmative and it was so declared. The vote was unanimous.

ARTICLE XI: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town authorize the Conservation Commission to retain the unexpended portion of its 1980 appropriation and authorize the Selectmen to place said fund in a special conservation fund in accordance with R.S.A 36-A:5.

Voted in the affirmative and it was so declared. The vote was unanimous.

ARTICLE XII: The following resolution was offered and it was moved and seconded that it be adopted.

Resolved: That the Town vote to raise and appropriate the sum of \$360.00 as its share of the cost of supporting the Dartmouth-Lake Sunapee Regional Association, the official State of New Hampshire non-profit travel and tourism promotion association for this area.

SELECTMEN'S REPORT

1980 Review

Paul B. Franklin, who was elected to a second term as Selectman in March of 1980 found it necessary to resign from that office on July 15, 1980 due to demands on his time as a property assessor for the state.

Paul's resignation was accepted with regrets, by Selectmen Stockwell and Amidon, and for other officers and Town's people with whom he had worked as Selectman.

Don S. Burnett was appointed on September 3, 1980 to fill that vacancy until March 10, 1981 when the office will become open for election for the remaining two year term. Don, his wife Sharlene and three daughters live on Hopkins Road in Meriden.

Buildings: Meriden Town Hall was spruced-up by painting the front and blinds, by remortaring the brick foundation on the northwest side, by shoring-up the porch and reflooring the entrance. The drive was also improved.

A new water well was developed at the Highway Garage area since the old one was going dry about three months a year and the water it did provide was not fit for drinking. We have Selectman Stan Colby of Cornish to thank for successfully locating the new water source through his dousing ability, and efforts on our behalf.

Members of the Finance Committee joined the Selectmen in an up-keep tour of Town Halls, Libraries and Highway Buildings at their August 14, 1980 joint meeting.

Personnel Changes: In the Police Department we now have John Nugent and David Yendell who have joined Tim Crotts as Patrolmen.

In the Highway Department we now have John McNamara, Jr. and Stanley Rogers, who rejoined the crew, with Arnold Chapman and Norman Torrey.

Highways: Hayward Road Bridge was replaced, by our crew, with a king size culvert in August. This should have a long life and be maintenance free.

Also on our schedule was an arch type culvert purchased to replace the Westgate Road Bridge. However, installation of the new metal unit, along with the necessary concrete foundations was postponed due to other regular road maintenance, seemingly of greater urgency.

We were advised by bridge inspectors for the State of New Hampshire, in the latter part of November, that replacement of the bridge was of the utmost urgency, that the bridge should be closed. This was done immediately.

Replacement was decided against during the winter because of excessive cost at this season and because alternative routing was available.

We have acquired two pieces of Highway equipment of minor expense; a road sanding unit for use with the Town pick-up truck and a York rake, also used with the pick-up, for sweeping the larger stones to the sides of our gravel roads.

Benson Amendment: Under Article III of the Warrant for the March 29, 1980 Town Meeting, David Benson asked that the Town's borrowing sources not be limited to banks or lending institutions but that provision for the Town's borrowing from individuals be explored, that legal enablement to do so be arranged.

The practice and objectives suggested by the amendment do not appear to be in conflict with current N. H. statutes and thus should require no action in this regard, if the need should arise.

The proposal was discussed by the Finance Committee and Selectmen at their May 7, 1980 meeting.

It was concluded that until conditions making borrowing of funds, in larger amounts impossible or excessively expensive, we should continue to borrow commercially.

Health & Welfare: The early severe cold weather has rapidly depleted wood piles. Those burning oil have fared no better. New Hampshire Emergency Fuel Assistance has distributed \$14,500,000 to help those in need, also Southwestern Community Services (N.H.) has been available to assist qualified Plainfield applicants with aid.

Senior citizens of Plainfield were served by Lebanon and Windsor Meals-on-Wheels organizations.

Ambulance services continued to be provided by the Lebanon and Windsor units.

The Visiting Nurse Service, Well Child Clinic and W.I.C. continue to serve our Town.

General: The Cornish-Plainfield Town Line was perambulated by Selectmen from each Town, accompanied by interested citizens from Cornish. All line stones were located and marked, some after much searching. The report of findings was written up by Mrs. Dan Poor.

Taxes: The Town's share of the tax rate dropped from \$5.30 per thousand in 1979 to \$3.20 in 1980, while other communities were experiencing sizable increases. Modest appropriations and a surplus in excess of \$120,000 were the major reasons the low 1980 rate was possible.

1981 Preview

Taxes (continued): The Town's share of the tax rate is expected to rebound from the low of \$3.20 to perhaps over \$6.00 although appropriations are projected at but 19.4% over 1980.

Current Use Assessment assignments continue to increase, reducing the property tax base. We have included provision in the budget for at least a partial, fields and forest audit by professionals, to verify that acreages and types now being granted are correct.

We plan to be reviewing all Current Use sketches, descriptions and progress reports in the tax files, requesting up-dates or further details on many.

The State of New Hampshire Department of Administration has advised us that our Sales/Assessments ratio, or equalization factor, for property taxation, as of April 1, 1980, was 81%. This means that, on an over all basis, properties in Town were worth 23.5% more at that time, than they were when listed at the 1979 re-appraisal.

Emergency Services: Effective February 1, 1981 Plainfield Police dispatching by radio is being performed by the Hanover, N. H. Municipal dispatching unit whose phone number is 1-643-2222, from all parts of town. This is for emergency police calls only.

All Fire and Ambulance dispatching by radio continues to be handled by the Lebanon Fire Dept. dispatching unit whose phone number is 448-1212 from exchanges 298 and 469. Calls from exchange 675 should be dialed 1-448-1212. These are for emergency Fire or Ambulance calls only.

Ambulance services continue to be furnished by the Windsor, Vt. and Lebanon, N. H. municipal systems. Dispatching units will send from the nearest ambulance service unless the further ambulance service is specifically requested.

The Town pays annual retainer fees to the systems to provide the service, however, there are per-mile charges in addition which are billed directly to those requesting and/or receiving the ambulance service.

The Cornish Rescue Squad, a very capable fully volunteer organization, is alerted by Fire and Ambulance dispatch and/or Plainfield Police and responds to all emergency calls in Plainfield, of possible bodily injuries.

Buildings: Remortaring the south-west brick foundation of the Meriden Town Hall and electrical work and painting of the entry room and kitchen of the Plainfield Town Hall are planned.

Personnel: The 1981 budget for Highway crew provided for increases in wages and insurance averaging 10.5%.

Officers: Officer's salaries, unchanged since 1977, were reviewed, with increases budgeted for some. The overall average being 7%.

Highways: Replacement of the Westgate Road Bridge, replacement of the Penniman Road Bridge, with a Hayward Bridge type culvert, and major repairs on the Jordan Lane Bridge are budgeted.

A heavy schedule of sand-blasting and painting of bridge beams is planned, for this summer, to extend the lives of those bridges not marked for early replacement. This program appears to justify the acquisition of an air compressor heavy enough to handle sand-blasting and jack-hammer requirements.

The 1973 gasoline powered dump truck should be replaced with a new diesel unit due to its age, maintenance-requirements, and the significant fuel cost savings obtainable by going to diesel power.

Road sealing is presently planned for Bean Road, Methodist Hill Road and the north-west end of main street in Meriden.

General: We are concerned with the mounting accumulations of rubbish, junk cars, etc. throughout the Town. We have requested the Conservation Committee to determine if a Town ordinance should and could be drawn-up by them to provide standards, along with provisions for enforcement, to help clean up the Town and to preserve its beauty.

We have directed the Chief of Police to develop a program for, and to enforce any laws now on the books, in this regard.

Notices have been posted at two stores and the two Town Halls reminding dog owners that the leash law, endorsed by vote at the November 4, 1980 election, will be enforced.

The Sullivan District Soil Conservation service completed and furnished to the Town an updated map of agricultural land in the Town on August 8, 1980 which is available for viewing at the Town Office.

Thanks again to all who have worked with, and helped us, to administer the Town's business, and to those who have kindly kept their demands for attention within our available times and means.

REPORT OF THE PLANNING BOARD

Your Planning Board had a busy and productive year in 1980. The Board held regular monthly meetings at 7:00 p.m. on the third Monday of every month as well as four special meetings throughout the year. In the course of these meetings, 22 Public Hearings were held for minor sub-divisions and 3 for major sub-divisions. Of the 22 minor sub-divisions formally applied for, all were approved. One of the proposed major sub-divisions was approved and considerable headway was made toward the approval of the second one applied for. All of this activity resulted in the creation of 28 new lots and 4 parcels for annexation to existing lots.

At least 40 private individuals consulted the Board on an informal basis prior to making formal subdivision application and we were asked to make recommendations on a number of other matters throughout the year. In addition to the usual requests from the ZBA on all Special Exceptions and Variances, recommendations were sought regarding an application for a Discretionary Easement and an application for the sale of development rights on agricultural land to the State. Members also made one site inspection and participated in a joint meeting of Town Officials to receive the new Important Farmlands Map of Plainfield from the Soil Conservation Service. Board member, Mary Cassidy, continued to serve with the Upper Valley-Lake Sunapee Regional Council. Members of the Board have also begun working with a regional committee that is presently concerned with the development situation at the Lebanon Airport.

This year the Board purchased a copy of Anderson's **American Law of Zoning** the acknowledged 'bible' in legal matters regarding zoning. The volumes are kept in the Town Office and have proved to be a handy reference.

The terms of Ad Benware and Sheila Stone expired this year, and the Board would like to thank them both for their years of service to Plainfield. In their places we have welcomed Bea Clark and 'veteran' planner Lou Houser.

The Board would also like to take this opportunity to thank road agent, Clayton Hutchins, and highway engineer, Jeff Albright, for their cooperation and expertise on matters of driveway location and new road construction.

FINANCE COMMITTEE REPORT

Your Finance Committee met quarterly with the Selectmen this past year. At each meeting, the budget was reviewed in detail, and an up-to-date accounting of expenditures was studied and analyzed for each period. It is the opinion of the Committee that the town's finances are in order and are well managed within the budget appropriations.

One meeting was devoted to an on-site study of the town's physical assets, ie: buildings and equipment and certain deficiencies were noted. Recommendations and suggestions have been made and priorities have been established for the correction of these deficiencies and for corrective measures where necessary.

Your committee was invited to meet with the School Board at their budget deliberations during January. Several members did attend and felt that their participation was of value to both groups. The Committee suggests that this participation be expanded to include all budget meetings of the School Board whenever possible so that both groups can benefit from each others input.

REPORT OF PLAINFIELD BOARD OF ADJUSTMENT

Special Exceptions were granted during the year 1980 to:

1. Robert and Mary Veale to allow the construction of a seasonal cottage in East Plainfield in the Conservation Zone.
2. Donald M. MacLeay to allow the establishment of a retail sales carpet store at MacLeay's garage and vehicle storage location on Route 12A in the V. R. Zone.
3. Walter and Dody Clifford to allow the operation of a saw mill and wood workshop on a lot on Eaton Road in East Plainfield in the R.C. 1 Zone.

Variances were granted in 1980 to:

1. The Plainfield Volunteer Fire Department to allow the construction of a 30' x 30' addition to the existing fire house with less than required side lot depth and to exceed the 20% limit for maximum lot coverage.
2. Steven Ladd to allow construction of an attached solar greenhouse with less than the required 30' set back from the public right of way.
3. Alfred Joslyn to construct a woodshed with less than the required side and rear yard dimensions.

Variances were denied to:

1. Henry Therrien, Jr. to allow the construction of an apartment over the 'Carpet Shed'.
2. Henry Therrien, Jr. to allow the erection of a business sign at his 'Carpet Shed' location with more than the permitted 32-square feet.

Special exceptions were denied to:

1. George West to allow the expansion of his car repair business on Route 12A.

Edmund Goodwin was issued a special Special Mobile Home Park Permit to operate the former Vernon Hood Park with a maximum of eighteen sites - permit to expire March 8, 1986.

On July 28, the Singing Hills Christian Fellowship, Inc. was granted their appeal of the Zoning Administrator's decision denying the construction of a chapel and twelve-unit family center. A rehearing on the matter was denied on August 11, 1980.

Linda and Robin Carpenter's appeal of the Zoning Administrator's decision granting Singing Hills Christian Fellowship, Inc. a zoning permit to allow the construction of a chapel and twelve-unit family center was denied.

REPORT OF THE PLAINFIELD CONSERVATION COMMISSION

Discussion of land issues dominated the Conservation Commission's meetings during 1980. For several years, we have been concerned with the proper use of the Spencer Lot, the town's conservation land on Columbus-Jordan Road. We were therefore receptive to a proposal from Debbie Rein, a Dartmouth student, that she be permitted to study the land and design for it a self-guiding nature trail. Ms. Rein's report was presented to the Commission in September. Our next task is to evaluate and implement her plans for the trail. We hope to receive help on this project from the Dartmouth Outing Club, as well as from interested townspeople.

The majority of Commission members feel that a need exists for conservation/recreation land which is more accessible from Plainfield Village. We've spent many hours looking at available properties whose location and nature fit our requirements, and whose cost is in line with the funds we have available. No decisions have been made yet regarding any particular property, and Commission members would appreciate receiving input from townspeople regarding the issue of land acquisition.

Town Clean-up Day was less successful in 1980 than in previous years, perhaps due to the inclement weather. There will be a sign-up sheet posted at Town Meeting again for those willing to take responsibility for covering specific roads, as well as for those willing to serve on a Clean-up Day Committee. The Commission thanks those who participated last year, and commends those like Yolande Moore, who pick up roadside litter throughout the year. Please try to join in the 1981 clean-up effort.

Continuing a fine tradition, the Plainfield Elementary School Class of 1980 planted a tree on school property, with the help of Ruth Ann Wheeler and Longacre's Nursery. Two members of that class were selected by the Commission to attend the Youth Conservation Camp at Interlochen. Sarah Spencer and Kate Whybrow indicated by their reports to the Commission that the camp is indeed effective in furthering conservation education for youth.

On Thanksgiving morning, a rabble of runners wound their way from the Plainfield Elementary School to the Plainfield Fire Station in the Commission's Annual Turkey Trot. Although we don't yet rival the Boston Marathon, this event is fun for the growing number of participants who turn out each year.

The revised edition of the Plainfield Town Map is still available at the Town Office at a cost of \$.50. The Conservation Commission would like to remind townspeople of its role to promote conservation in our town. We are empowered to accept gifts of land or money to be used for conservation purposes, and we can advise landowners who are interested in Conservation Restrictions.

RECREATION COMMISSION REPORT

This year, we on the Recreation Commission, feel that we sponsored several very successful recreational activities for the Town of Plainfield. Our summer baseball program included 1 T-Ball team, 3 Little League teams, and 1 midget team, in which approximately 70 town children participated.

We also had a summer recreation program this year, after a year's absence, which included crafts, sports, outdoor programs and swimming at Singing Hills. This program ran for eight weeks and attracted an average of 40 children a day.

We also have received much cooperation from Kimball Union Academy in the use of its facilities for public swimming and skating this year.

We are looking forward to another year of providing as many of the recreational activities needed in the Town of Plainfield, as possible.

REPORT OF THE HEALTH OFFICER

As of last February, the Health Officer no longer performs the inspections of new septic systems. This is now done by the representative from the New Hampshire Water Supply and Pollution Control Commission. This is presently Mr. Fred Mock who has an office in Lebanon City Hall. (448-3442)

There were two health hazard complaints investigated and three inspections were made.

In last year's report it was stated that the department's goal would be to keep our town a quiet place in which to live. 1980 was a successful year. Through the increase in community participation, (an increase of over 5%), and through the use of selective and preventive patrol methods our crime rate has dropped by 37% from 1979.

Because of the increase in motor vehicle enforcement activities, (an increase of over 325%) and because of the fine job done by our highway department and a decrease in inclement weather, our motor vehicle accident rate dropped over 10%.

This coming year there will be a change in our dispatching service. Effective February 1, 1981 our new phone number will be 643-2222. I would like to express my deepest thanks to Leigh Sykes for the outstanding service that was provided to our department during 1980.

A special thanks to Tim Crotts, Dave Yendell, John Nugent, and Bob Orr for the fine performance of their duties. I would also like to thank the fire departments for their speedy and efficient assistance during the several emergencies that occurred during the year.

In 1981, our department's plans include the completion of state certification of all part time police officers, along with an emphasis on burglary prevention and to drive our town's accident rate even lower. Again I want to stress the importance of community involvement, your help is needed to keep our community a safe one. Any suspicious activities or crimes in progress should be reported immediately to our dispatch.

Finally, I wish to thank the Board of Selectmen for their help and support throughout the year.

Very truly yours,

George T. Dunham, Jr.,
Chief of Police

REPORT OF REPRESENTATIVE SARA M. TOWNSEND REPRESENTATIVE TO THE NEW HAMPSHIRE GENERAL COURT

Inasmuch as this was an interim year there were no legislative activities on the floor of the House with the exception of two 'recall' days when we had to meet to bail our several state agencies which were in a financial bind. The Title XX monies were over-contracted and over-subscribed; also the education for the handicapped fund was short in the State's obligated share. We are told that this session will see a repeat of the latter plus a serious deficiency in highway funds. Look for increases in our current revenue raising measures.

I was chairman of a monitoring committee for the House which oversaw the low income fuel assistance program. It was considerably puzzling to watch the indecision of the agency in charge due mainly to the uncertainty of dates when Federal funding would come through. This year N. H. has an increased amount of money for this program, now known as HEAP. There was no problem in timing, and the agency in charge has done a good job.

My activities in politics involve my position as chairman of the Sub-committee on Aging of the National Conference of State Legislatures. It is an honor for N. H. to have a chair in this organization. I had charge of two different seminars on subjects of concern to the elderly; Social Security initiatives and Employment of the Older Worker, both held in Washington. I also represented the NCSL at a mini-White House conference on Energy and the Elderly held this fall in Newton, Mass. Energy is a big subject for action in this session of the Legislature. Hazardous waste disposal, solar, wind and alternate forms of energy for our state will consume much of our time. Also, it is my hope that N. H. can pass a bottle bill this term.

Once again I was appointed to represent the House on the N. H. State Council on Aging. This position has given me a great deal of satisfaction as we oversee all of the programs benefitting the older New Hampshire person. I believe that the towns and counties will see an ever-increasing responsibility in funding these programs in the future as the Federal Government pulls back.

As the newly appointed Majority Whip of the House, I shall be busy, since I have also retained my vice-chairmanship of the Executive Departments and Administration committee. We shall be dealing with the sunseting of 26 regulatory boards. Reapportionment of the state will also be coming up this time around. It looks like a full session.

Please feel free to call on me when I can be of help in any matter concerning state agencies. My number at home is 469-3313.

Respectfully submitted,
Sara M. Townsend

REPORT OF THE NURSING SERVICE

The nursing service and preventive health care to the Town of Plainfield continues to be supplied by the Lebanon Area Health Council. Our town has contracted with them for their service on a per capita residency fee of \$2.45 based on last year's populatin figure of 1,675. The fee is paid quarterly in installments of \$1,032.68.

A total of 118 skilled nursing and 43 physical therapy visits were rendered during the calendar year to Plainfield clients. Of that number persons over 65 years of age received 92 nursing and 35 physical therapy calls.

The well-child clinic cared for 15 children under 6 years of age and 8 of them attended the dental clinic. Nurses visited 9 new-born babies at home. The WIC (Women's, Infant's and Children's program) supplied nutritional supplements and dietary instruction to 2 infants, 23 children (ages one to five years) and seven women.

Because of the difficulty of the Sullivan County Homemaker Service in supplying our town with homemaker/home health aid service, the Lebanon Area Health Council has now contracted to provide this care in Plainfield. This should make it easier for our citizens to obtain these services. This contract was signed on December 8, 1980 and services have been available from the Lebanon Area Health Council since that date.

I urge our residents to call the Lebanon Area Health Council at **448-1597** and to use their services for skilled nursing care, physical therapy, well-child care and any questions pertaining to preventive health care. They are there to be of service to our community and will be most willing to cooperate.

Respectfully submitted,
Marie Steinsieck

REPORT OF HOUSING STUDY COMMITTEE

ELDERLY HOUSING FOR PLAINFIELD

The committee of three, Joan Bishop, Bob Sodemann and I called several meetings this past year. We began in February of 1980 with Mort Blumenthal of the New England Non-profit Housing corporation as our speaker. There was some enthusiasm for this way of building housing, but we would have needed at least \$1,500 up-front money plus an incorporated group with a lawyer and an architect as members, desirably. In connection with this plan, we attended a meeting of the Norwich group which has been working for over two years. It seemed to those of us who were there that we are too small to attempt this route. It would, however, be the most innovative.

Once again we consulted with the New Hampshire Housing commission and were given the word that this town could vote to pursue the HUD or FmHa Method of funding, with no expense to the town. The problem lies with the fact that no builder seems to be interested in building fewer than 15-20 units of housing. Our need at this time is not that great; ten would be more like it. However, if another survey were to be taken we might be surprised. The economy has dictated changes for people who did not think they would be willing to live in group housing.

At last year's town meeting a report was handed out, but there did not seem to be much enthusiasm for the project. We mentioned the need for a site with at least two and a half acres with central location and sewerage. No offers were heard. That would still apply.

There was an attempt to promote mobile home occupancy under subsidized housing in the court in Plainfield, but that was not accepted by the owner. A subsidy of up to \$75.00 per month could be allowed, but the court owner would have to agree to act as landlord, renting the mobile homes.

The latest attempt to find a way to achieve elderly housing for our citizens who need it was to have Michael Woodward of Stockton and Woodward speak to the committee. Once again, it seemed to us that the financing was just too complicated for a small group of volunteers to handle. Also, we did not have a site in mind. This seems to be a prerequisite of any future planning.

It is the opinion of this committee that there could indeed be more enthusiasm for a Housing project for the senior citizens of Plainfield than has heretofore been shown. We feel somewhat frustrated and would welcome debate at town meeting. For this purpose an article will be on the warrant. Please decide what direction the town should go in, or should the idea be discarded?

As chairman, I wish to thank the members of the committee, plus Len Koehler and Mary and George Akerstrom who have been helpful.

REPORT OF THE PLAINFIELD/KUA TAX STUDY COMMITTEE

This committee was appointed by the Selectmen and the Moderator in April, 1980 in response to a charge made by Dr. Peter Whybrow at the 1980 Town Meeting. His charge requested that this committee explore with the Kimball Union administration ways to clarify the present tuition arrangement of Plainfield students who wish to attend the Academy rather than Lebanon High School. The goal was for a tax arrangement which would be acceptable to both the Town and Kimball Union.

The committee met each month with subcommittees functioning in the interim. Two public meetings were held to receive suggestions from the community, to disseminate information, and to respond to voters' questions. After much fact-finding and thought your committee developed a new proposal which we can unanimously support. This proposal was presented and explained at the second public meeting held in Plainfield on January 15, 1981.

Your committee recommends that the town continue to grant KUA an exemption based on the educational services KUA provides to the town, but that instead of reimbursing KUA by this means for 100% of the services provided, as in former years, the Town of Plainfield will reimburse KUA for only 60% of these educational services. The remaining 40% of the cost of educational services provided by KUA but not reimbursed by the town through tax exemption would represent payment to the Town of Plainfield out of KUA resources to cover core town services of highways and bridges, rubbish removal, police and fire. An increment for grammar school education of KUA faculty children is also included.

We believe this is a fair and equitable arrangement for this year. Since the article must be reconsidered by the town each year, we also recommend that the moderator appoint a committee which will review this arrangement on an annual basis.

CERTIFICATE OF AUDIT

To the Selectmen, Town of Plainfield:

This is to certify that we have examined the books and accounts of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustees of Trust Funds, and other officers of the Town of Plainfield for the year ending December 31, 1980, and find them correct to the best of our knowledge.

To the Board of Selectmen
Town of Plainfield, New Hampshire

We have examined the financial statements of the various funds of the Town of Plainfield, New Hampshire, as indicated in the foregoing index, for the year ended December 31, 1979. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town records fixed assets at replacement cost. This practice is not in accordance with generally accepted accounting principles which require that fixed assets be recorded at original cost.

In our opinion, except for the recording of fixed assets at replacement cost, as mentioned in the preceding paragraph, the aforementioned financial statements and the supporting schedule present fairly the financial position of the Town of Plainfield, New Hampshire as of December 31, 1979 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

PHILIP READ MEMORIAL LIBRARY

TRUSTEES REPORT

Several children's programs were held at the library this year. For pre-schoolers: a bedtime story hour, at which all wore their pajamas and had a bedtime snack; an Easter party with a goat providing entertainment; and a Dr. Seuss Birthday party. For older children: a mime and sign-language program by the N. H. Vo-Tech Troupe; summer art lessons including a field trip to St. Gaudens for a tour and clay workshop; a nature treasure hunt led by Peggy Meyette; a Jack-O-Lantern contest; and a Halloween spook walk and movie.

Adult programs included a gardening lecture, a quilting course taught by Ruth Wheeler, a discussion and slide show about sheep farming by Pauline Marriott of Sheep Hill Farm, and a quilting program and movie.

The Friends of the Library film group continue to sponsor a very successful program of free children's films at the library on the 2nd Friday of each month at 3:00 as well as family movies at the Plainfield Town Hall on the 3rd Friday of the month at 7:00. The evening films have been poorly attended and will be discontinued shortly in favor of occasional special films. Special thanks to Mr. and Mrs. Steve Roland who donated a ceiling-mounted movie screen.

Wilbur Overman completed work on a new section of bookcases and cabinets (with volunteers doing the staining and finishing) providing much-needed space for books and storage.

Special thanks to Hazel Amidon for coordinating the Wednesday night volunteers, and Joann Longacre for presiding over the Friends of the Library.

Librarian Nancy Norwalk and the trustees participated in a tour of the State Library and State Historical Society, attended the Children's Book Festival in Hanover, and marched in the 4th of July parade. Volunteer, Sally Dinan, attended a book-mending workshop. Mrs. Norwalk also attended several State Library meetings and Book-Buying Co-op meetings.

The library staff also managed to find time to train and handle (YUK) a champion racing worm. The 'Plainfield Puffer' brought fame and glory to the library and the town of Plainfield by winning the 3rd Annual Greater Claremont International Invitational Annelid (worm) Race sponsored by the Fiske Free Library. 'Puff's' achievement led to television appearances, newspaper articles, and a very long-distance radio interview from Australia. The 'Puffer's' greatest honor however, was his selection by Sports Illustrated Magazine as 'Pet of the Year'. His engraved silver Revere bowl is on permanent display at the library.

Library hours are Wednesday evenings 7-9, Friday afternoons 1-5, and Saturday mornings 9-12.

PLAINFIELD PUFFER

The "Plainfield Puffer" wins *Sports Illustrated Magazine* "Pet of the Year" Award. On behalf of *Sports Illustrated*, Clara DeCleene (left), Librarian, and Marilyn Nagy (right), Assistant Librarian at Fiske Free Library in Claremont, present an engraved silver bowl to Nancy Norwalk (center), Librarian, Philip Read Memorial Library. The "Plainfield Puffer" is the 1980 International Grand Champion of the Third Annual Claremont International Invitational Annelid (Worm) Race.

REPORT OF THE MERIDEN LIBRARY TRUSTEES

During the past year the library has continued to provide the following services to the community: Monthly movies, a summer story hour and crafts program for children, inter-library book exchange with Philip Read Memorial Library, the Plainfield School and a number of large print books were borrowed from the Claremont Library. A paperback book, coupon and sewing pattern swap has been established. The Miller Room continues to be used by many local organizations. It has been revitalized as a reading and games room and also houses a collection of Meriden Bird Club memorabilia. Circulation in 1980 was 5,374 not including paperbacks. The Bookmobile made three visits.

The Chellis Memorial Showcase held a variety of exhibits from local residents and organizations. Anyone wishing to display a hobby or collection may contact the librarian.

The Book Co-op, begun in the Upper Valley by Librarian, Peggy Williamsom, now has 30 members from public and school libraries. The Co-op enables members to obtain a higher discount on book purchases. The Fun Run initiated by Peggy was well attended by all ages and proved successful enough to become an annual affair.

With funds from the Meriden Library Association new shelves were built in the adult section for increased shelf space and to improve lighting and heat circulation. The funds also enabled the purchase of the popular cassette tapes and records for children.

The library was the appreciative recipient of a card catalog and a periodical case donated by Kimball Union Academy.

The Friends of the Library again sponsored the successful fall corn roast held on Chellis Field.

The new library hours for 1981 are: Monday 2 - 8
Tuesday 2 - 5
Thursday 2 - 6
Saturday 10 -12

As of May 1, Bettyann Dole became librarian, assisted by Lena Stebbins. Bettyann has already completed 2 of the 6 Public Library Techniques courses offered by the state.

The trustees wish to express their appreciation to Peggy Williamson who served as librarian for over four years.

Respectfully submitted,

Doris LeVarn

PLAINFIELD VILLAGE WATER DISTRICT 1980 ANNUAL REPORT OF COMMISSIONERS

To the Plainfield residents and the Plainfield Village Water District users.

Plainfield water works pumped more than an average amount of water for the year 1980 (1979 year 93,000 gallons pumped per week). This was due to different reasons, an extensive leak in an unoccupied home in July plus leaks caused by various reasons.

The year 1980 saw an above average amount of equipment failure in our system. Lack of precipitation the past year was a large factor in our well recovery rate. The water Commissioners want to impress on subscribers that water conservation is imperative.

The demands on our system determined by data accumulated the past year indicate a larger water source is necessary. A survey will be conducted this spring to determine whether a second well is feasible at the present site.

The water Commissioners wish to thank everybody for their cooperation and patience with the break downs we had this year.

P.V.W.D. COMMISSIONERS

James Crary
Leonard Koehler
George Adams

PLAINFIELD VILLAGE WATER DISTRICT CLERK'S REPORT

At the fifteenth annual meeting of the Plainfield Village Water District held in the Philip Read Memorial Library located in said Plainfield Village Water District on the Eighteenth day of March 1980, at 7:30 p.m., the articles in the Plainfield Village Water District Warrant were disposed of in the following manner.

The meeting was called to order by the Moderator, Wallace Pickering at 7:30 p.m. and read the articles of the Warrant.

ARTICLE 1. To choose necessary District officers for the ensuing year or otherwise as the law directs:

1. a moderator for one year
2. a clerk for one year
3. a treasurer for one year
4. a commissioner for three years
5. other officers and agents the voters judge necessary for managing District affairs, or as directed by law to be chosen.

James Crary offered the following resolution and moved its adoption: To choose necessary District officers for the ensuing year or other wise as the law directs:

1. a moderator for one year - Wallace Pickering
2. a clerk for one year - Elaine Wheeler
3. a treasurer for one year - Elaine Wheeler
4. a commissioner for three years - George Adams
5. other officers and agents the voters judge necessary for Managing District affairs. or as directed by law to be chosen. The motion was passed in the affirmative.

ARTICLE 2. Gertrude West offered the following resolution and moved its adoption. To raise and appropriate such sums of money as may be necessary to defray District costs for 1980, and any assignments to debt service and/or capital reserves. The motion was passed in the affirmative.

ARTICLE 3. George Adams offered the following resolution and moved its adoption: To fix District officers salaries to be paid for the ensuing year, and to establish expenditures in 1980, by and for the District, to be paid by the Treasurer upon authorization by the commissioners. The motion was passed in the affirmative.

ARTICLE 4. Beulah Pickering offered the following resolution and moved its adoption: That we accept the District officers reports as presented. The motion was passed in the affirmative.

ARTICLE 5. James Crary offered the following resolution and moved its adoption: To authorize the District to transfer \$1,500 from current operating income to the Capital Reserve account. The motion passed in the affirmative.

ARTICLE 6. Gertrude West offered the following resolution and moved its adoption: To see if the District will authorize the increase on water usage overage from \$0.40 cents a thousand to \$0.50 cents a thousand. The motion passed in the affirmative after some explanation from the commissioner, George Adams.

ARTICLE 7. George Adams offered the following resolution and moved its adoption: To enact any other District business that may legally come before this meeting. John Meyette questioned what could be done about the Fire Dept. using the water to fill up between the hours of 5-7 p.m. after a fire. George Adams said the commissioners were going to have a meeting with the fire dept. and try to solve this problem. Wallace Pickering asked what was being done about the grant on the new reservoir. George Adams explained the commissioners were working with F.H.A. for funding. The motion passed in the affirmative.

John Meyette offered the motion to adjourn the meeting and it was seconded by Beulah Pickering and it was passed in the affirmative.

REPORT OF COMMISSIONERS

MERIDEN VILLAGE WATER DISTRICT

The Meriden Village Water District provided the community with an average of approximately 50,000 gallons per day of good quality water. Because of several marginal water-sample test results, the Commissioners decided to chlorinate the water supply. A chlorinator was purchased, and has been operating since last spring. Maintenance expenses were slightly higher than anticipated due to required overhaul of one pump.

The District was recently informed that EPA has approved a grant of \$1,182,832 for construction of our wastewater treatment facility. Efforts are now underway to obtain approval for funding, and financing, the 20% State share of project costs, as well as financing the District share of project costs. Construction is expected to begin this spring.

Respectfully submitted,

1980 ANNUAL REPORT OF THE CORNISH RESCUE SQUAD, INC.

The Cornish Rescue Squad has completed its seventh year of service with 20 active members. During the year the Squad responded to 40 emergencies in Cornish, 33 emergencies in Plainfield, as well as all fires in Cornish and mutual aid calls.

Our primary function continues to be to provide first response emergency medical care for the sick and injured. In addition we provide first aid and lighting coverage for all fires in Cornish and mutual aid fire calls in our neighboring towns, standby ambulance crews for Windsor and Claremont, and first aid coverage for community activities such as the Cornish Fair.

This year our expenses were over \$5,800.00 with \$1,500.00 being received from Cornish and the remaining from fund raising activities and donations. This next year the squad will be asking both the Towns of Cornish and Plainfield for money to assure services by the Squad at their Annual Town Meetings.

The Cornish Rescue Squad strives for the highest possible level of emergency medical care for our patients. In doing so our 20 members have attended monthly hospital critiques, attended regional educational seminars and maintained their level of training. Nine of our members have advanced skills and with direct medical control with Mary Hitchcock Memorial Hospital or Mt. Ascutney Hospital can provided timely use of this training and equipment.

We appreciate the continued support throughout the year.

Respectfully submitted,

John H. Rand, President

MERIDEN VOLUNTEER FIRE DEPARTMENT 1980 ANNUAL REPORT

The Meriden Volunteer Fire Department answered a record forty (40) calls during the past year. Since we are a volunteer department, in answering these alarms using the minimum wage of \$3.10/hour, we saved the town of Plainfield an estimated \$2,480 in salaries alone. This figure would be more than doubled if training hours were considered.

We had only one serious fire loss on this side of town, a house hit by lightning. Although the building was extensively damaged, the father and his two children, in the house when hit, were uninjured. Apparatus from Plainfield and Cornish assisted at this fire with Windsor sending an engine to Meriden for coverage. The other runs included mutual aid to neighboring towns and many satisfying fire saves in our town.

We were saddened by the loss of Frank Chellis, Charter Member of our department. Donations to the Department in Frank's memory were used to buy new yellow 'turn out' coats. The N. H. Telephone Association has also set up the Frank D. Chellis Trust Fund, making a formal presentation at our annual meeting. We were also saddened by the death of Frank Sullivan, Senior Meriden State Deputy Forest Fire Warden. Donations have also been received in Mr. Sullivan's memory.

I would like to thank the townspeople for their support, their donations and attendance at our Spring Dinner and Lobster/Chicken Bar-b-ques.

Special thanks to the officers, the firefighters and their families, the Ladies Auxiliary, and the KUA Fire Squad. Without all of their help, time and sacrifices, the Meriden Volunteer Fire Department would not be the effective firefighting service that I believe it is.

Sincerely,

Douglas C. Grearson, Jr.

REPORT OF THE PLAINFIELD VOLUNTEER FIRE DEPARTMENT

This year the fire department began building the new addition on the station. The volunteer members worked throughout the summer and fall and have completed about 90% of the building. This coming spring we will complete the painting and landscaping.

I would like to thank the people of Plainfield for their support through donations and articles donated to our auction to help raise money for the building fund. A very special thank you to those of you who made donations in memory of fireman Hector Dunham. This year when the building is done there will be a dedication ceremony and open house.

I would like to thank all the firemen and others that were involved with the building and supply of materials.

This year seven members have been training with members of the Lebanon Fire Department on their fire fighter certification course. The course will be completed in February.

The department has joined the Upper Valley Fire Prevention Society which enables us to obtain films on fire prevention. This year during fire prevention week, with the help of Captain Rich Mason, we began the 'Learn not to Burn' series for grades 1-4 at the Plainfield School.

We have pre-plan for major structural fires in the village of Plainfield. The plan reveals the severe lack of water in this area. The government pond dam is in disrepair and the town water system is inadequate to handle any major fire call. To alleviate this problem, we will rely on Lebanon Fire Department's 4" line to provide the hose we need to transport water over the 1/2 mile distance from Blow-Me-Down Brook on Daniels Road.

This year the department purchased two portable radios for better ground communications. The department would like to thank the ladies auxiliary for all their work and support. Their purchase of a hulligan tool and 4" suction grated Y smoke detectors saves lives! The department sells them.

Respectfully submitted,
Chief Peter Berry

REPORT OF FOREST FIRE WARDEN and STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business.

Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

REPORT OF DARTMOUTH-LAKE SUNAPEE REGION ASSOCIATION

The Officers and Board of Directors of the Dartmouth-Lake Sunapee Region Association (DLSRA) wish to thank the townspeople and officials of Plainfield for their generous appropriation at the 1980 Town Meeting.

DLSRA, a non-profit organization, worked hard to make this area a vacation destination during 1980. our 120 business members and volunteer board members believe that all businesses, not only inns and restaurants, benefit from a healthy vacation travel economy. We applied for and received over \$7,000 in N. H. State Matching Funds to produce and distribute 75,000 copies of our new color-covered vacation brochure. This was the first time our region had a selling piece that was competitive with other sections of the state and New England. Exactly \$7,332 in private funds were matched by a like amount of state dollars in November 1980 so that DLSRA could organize and carry out an important advertising campaign to promote mid-week skiing in our region. All major downhill and cross-country centers participated along with over 25 lodging and dining establishments. DLSRA also funded a seven day a week live ski information phone during the winter of 1979-80.

In addition to these major achievements DLSRA mailed nearly 4,000 vacation kits to people who wrote our office, handled several hundred phone inquiries, prepared several news releases and feature stories for over 90 travel editors throughout the East and established a unique theatre/lodging/dining discount program for summer arts enthusiasts.

This year promises to be busier than last and we would sincerely appreciate your continued support! Thank you.

Headrest, the Upper Valley's 24-hour Community Resource and Crisis Center is requesting \$500 from the Town of Plainfield at its 1981 Town Meeting. This is an increase of \$50.00 from the amount approved for 1980, an increase of 11%.

In 1980 a total of 20 Plainfield residents used our services a total of 59 times, which is 2% of our total contacts for the year. Since individuals who contact Headrest sometimes have a need for more than one service, there were 63 different "situations" involving town residents.

A breakdown of these is as follows:

Report of the School Nurse

Parents have been extremely cooperative in complying with the State of New Hampshire regulations regarding immunizations.

We continue to feel positive about our pre-school physical and developmental screening program. Because it is done in the spring of the year before children enter first grade, this profile is a valuable tool in classroom placement and for advanced planning by teachers.

Last year, 1979-80, the health office at school completed the following screenings, conferences, interventions and health teaching sessions.

<u>Screenings</u>	<u>Total No. Students</u>	<u>Number referred for Treatment</u>

PLAINFIELD SCHOOL DISTRICT
MINUTES
ANNUAL MEETING - MARCH 4, 1980

At a legal business meeting of the voters of the School District of the Town of Plainfield, qualified to vote in the District affairs, Moderator, Stephen H. Taylor, called the meeting to order at seven thirty-four o'clock in the evening of March 4, 1980, at the Plainfield School, in the village of Meriden, in said Plainfield.

ARTICLE I. The following resolution was presented, moved and seconded it be adopted. Resolved: That the reports of officers, agents and auditors be accepted as printed in the Annual School Report. The vote was in the affirmative and it was so declared by the Moderator.

ARTICLE II. The following resolution was presented, moved and seconded it be adopted. Resolved: That the District vote to change the purpose of the Capital Reserve Fund established to purchase school buses and instruct the Trustees of Trust Funds to release to the District Treasurer all funds held in the Capital Reserve Fund. Said funds to be used as income to reduce the district assessment supporting the FY-1981 School District budget. The vote was in the affirmative and it was so declared by the Moderator.

ARTICLE III. The following resolution was presented, moved and seconded it be adopted. Resolved: That the District authorize the School Board to borrow the sum of \$34,845.00 plus interest over a five-year period for the purpose of replacing the roof of the Plainfield School.

The following amendment was presented moved and seconded it be adopted. Resolved: That provision is made that an independent registered structural or civil engineer certifies that the new roof will support the expected additional snow load given the reduction in snow melt due to the increased insulation. A voice vote on the amendment was in the affirmative and it was so declared by the Moderator.

A motion was made and seconded for a paper ballot on the amended Article III: Balloting results Yes-54 No-17. It was a vote in the affirmative and it was declared by the Moderator.

ARTICLE IV. The following resolution was presented, moved and seconded it be adopted. Resolved: That the District vote to raise, appropriate and expend the sum of \$675,376.00 for the support of schools, for the salaries of the School District officials and agents and for the payment of statutory obligations of said appropriation of such sums as are estimated to be received from the state and federal governments, together with other income, the School Board to certify to the Selectmen the balance to be raised by taxation.

The following amendment was presented, moved and seconded it be adopted. Resolved: That \$2,000.00 be appropriated to provide on-site inspection of the application of the new roof on the Plainfield School, making a new total of \$677,376.00. A voice vote was in the affirmative and it was so declared by the Moderator.

A second amendment was presented, moved and seconded it be adopted. Resolved: That the total budget of the Plainfield School District be set at \$660,000.00. A standing vote on the amendment was taken. Results Yes-22 No-45. The vote was in the negative and it was so declared by the Moderator.

A vote was taken on the amended Article IV. It was in the affirmative and was so declared by the Moderator.

ARTICLE V. The following resolution was presented, moved and seconded it be adopted. Resolved: That the District authorize the School Board to make application for, to accept on behalf of the District, and to expend for the purpose intended, any or all grants or other funds which may now or hereafter be forthcoming from the United States Government, from the State of New Hampshire, or from private foundations, trusts, or individuals. The vote was in the affirmative and it was so declared by the Moderator.

ARTICLE VI. The following resolution was presented, moved and seconded it be adopted. Resolved: That the District vote to transact any other business that may legally come before this meeting. The resolution was declared redundant by the Moderator who then ordered the meeting adjourned at 9:44 p.m.

The election of School District Officials was to take place March 11, 1980 at ten a.m. Due to convenience, it was postponed. Election of School District Officials will take place Saturday, March 29, 1980 at ten o'clock in the forenoon along with the election of Town Officials at the Plainfield School in the Village of Meriden, in said Plainfield.

Respectfully submitted,

Sarah T. Longacre

PLAINFIELD SCHOOL DISTRICT
Special School Meeting
December 15, 1980

At a legal business meeting of the voters of the School District of the Town of Plainfield qualified to vote in the District affairs, Moderator Stephen Taylor called the meeting to order at seven o'clock in the evening of Monday, December 15, 1980 at the Plainfield School, in the Village of Meriden, in said Plainfield.

Article I. The following resolution was presented, moved and seconded it be adopted. Resolved: To approve the signing of a warranty deed and agreement for an easement to allow the Meriden Water District to lay a pipeline, roadway and utility lines across school property, and an easement to prohibit the erection of habitable buildings over a second parcel of 3.4 acres, as described in Dufresne-Henry Engineering Drawing 'Proposed Conveyances to the Meriden Village Water and Sewer District'. The vote was in the affirmative by voice vote.

The meeting was adjourned at twenty-one minutes after seven by a motion from the voters.

Respectfully submitted,

Sarah T. Longacre

1979-80 Principal's Report

This past year we implemented several new instructional programs within the curriculum. After extensive review and study, a format was developed and adopted outlining a sequential eight year program in mathematics and language arts. The programs are designed to follow the progress of each student through his/her years at Plainfield School and at the same time allow for the use of varying texts, books, tapes, trips and other educational media within individual classrooms. A comprehensive teacher/administrative evaluation program was also implemented. Copies of all of the programs are available for your review at the school.

The State of New Hampshire mandated that an accountability program in the areas of mathematics, language arts and social studies be designed and implemented by the 1981-82 school year. Working with other teachers in School Administrative Unit No. 32, we have developed educational objectives in each of the required areas. Obtainment of these skills will be tested in grades four and eight.

During this year several New Hampshire and Vermont towns have sent groups to study our school. The idea of using the building for school, town government, and community use is considered a way of making substantial savings and of great interest to towns currently considering building and renovating.

Very special thanks are given to Audrey Logan. Audrey has been a major influence in bringing about the fine educational system we have in Plainfield. As the learning center, following her suggestion, is located by design in the center of our school, so also is reading a high priority she encouraged in her students' lives. She developed within that learning center, a school library shown to be one of the best in the Upper Valley. Audrey gave support, approval, praise; she taught with friendliness, determination and love. Students, staff members and friends miss our daily times with her. 'I couldn't agree with you more' always gave us a boost. It is fortunate that Audrey is continuing to work for the young people of Plainfield.

**PLAINFIELD SCHOOL DISTRICT
WARRANT**

State of New Hampshire

Sullivan, ss:

School District of Plainfield

To the inhabitants of the School District of Plainfield, in the County of Sullivan, and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Plainfield School in the Village of Meriden, in said Plainfield, on Monday, March 2, 1981, at 7:30 P.M. in the evening to act on the following subjects:

ARTICLE I. To hear the reports of agents, auditors, committees, and other officers heretofore chosen and to pass any vote relating thereto.

ARTICLE II. To see if the District will vote to authorize the school board to take such action on behalf of the District as may be required to join as party plaintiff in a suit against the State of New Hampshire and proper officials thereof to compel the state to provide funds to the school districts for the purpose of more nearly equalizing the opportunities for the children to receive a basic education and to see if the district will raise and appropriate the sum of \$1,000.00 for this purpose.

ARTICLE III. To see if the District will vote to accept the AREA Agreement among the school districts of Grantham, Lebanon and Plainfield as revised and recommended by the School Board acting as the area school plan review board, said revision being establishment of tuition rates based on the estimated per pupil cost for the current year and an extension of the agreement for ten additional years to 1997.

ARTICLE IV. To see what sum of money the District will raise, appropriate, and expend for the support of schools, for the salaries of the School District officials and agents and for the payment of statutory obligations of said District and to authorize the application against said appropriation of such sums as are estimated to be received from the state and federal governments, together with other income, the School Board to certify to the Selectmen the balance to be raised by taxation.

ARTICLE V. To see if the District will vote to advise the School Board to hold future Annual School District Meetings on the first Saturday of March.

ARTICLE VI. To see if the District will authorize the School Board to make application for, to accept on behalf of the District, and to expend for the purpose intended, any or all grants or other funds which may now or hereafter be forthcoming from the United States Government, from the State of New Hampshire, or from private foundations, trusts or individuals.

ARTICLE VII. To transact any other business that may legally come before said meeting.

NOTE: Election of School District Officials will take place at the same time and place as the election of Town Officials on March 10, 1981. (See separate warrant)

Given under our hands and seals at said Plainfield on the 28th day of January, 1981.

AUDITORS' REPORT

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Plainfield, New Hampshire of which the above is a true summary for the fiscal year ending June 30, 1980, and find them correct in all respects.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

This winter has been colder than normal; however, the oil bills for the Plainfield School prove the wisdom of the District's investment in insulation during the recent reroofing of the school.

Two major questions need your consideration on this year's warrant for the Annual School District Meeting. Article II asks you to authorize the School Board to become a party to a suit against the State of New Hampshire to force the development of a more equitable system of funding education. Plainfield is a property poor town. We do not have factories, shopping centers, or public utilities to ease the burden on residential taxpayers. If successful, the proposed legal challenge to the present system of funding education in New Hampshire would substantially reduce the property tax paid by each Plainfield resident to support education. Article III asks you to authorize changes in the agreement among the Grantham, Lebanon, and Plainfield School Districts designating Lebanon High School as the AREA High School. The law establishing AREA schools allows the contract to be changed by mutual agreement. Lebanon is offering a ten-year extension of the contract in return for a change in the method of determining the tuition rate. When the original agreement was written, the rate of inflation was minimal; therefore, the tuition rate was based on the previous year's approved budget. For several years, the high annual rate of inflation has resulted in Lebanon's spending more to educate the students from Grantham and Plainfield than it received in tuition for those students. It would seem fair and in the best interest of the Plainfield students to exchange a ten year extension of the agreement in return for a tuition change based on the current year's costs.

PLAINFIELD SCHOOL DISTRICT SPECIAL WARRANT State of New Hampshire

Sullivan, ss:

School District of Plainfield

To the inhabitants of the School District of Plainfield, in the County of Sullivan, and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Plainfield School in the Village of Meriden in said Plainfield on Tuesday, March 10, 1981, at ten o'clock in the forenoon to act on the following subject:

Article I. To choose by ballot a Moderator, a Clerk, and a Treasurer for the ensuing year, an Auditor for the ensuing two years, and a member of the School Board for the ensuing three years. (Polls will open at 10:00 A.M. and close at 6:00 P.M., unless the Town votes to keep the polls open until a later hour.)

NOTE: All other school business will be considered at the School District Meeting to be held on Monday, March 2, 1981, at 7:30 P.M. at the Plainfield School.

Given under our hands and seals at said Plainfield this 26th day of January, 1981.

A true copy of Warrant - Attest:

James Griffiths, Chairman
M. Ruth Whybrow
Donald E. Garfield
