REPORT OF SUPERINTENDENT

To the Citizens and School Board of Eaton:

Miss Alice Whiting, who had served several years as teacher, resigned at the end of last year to accept a position in Keene. Miss Annie Campbell was chosen to take her place. Miss Campbell is a graduate of Plymouth Normal School and has had several years of successful experience.

The number of different pupils registered so far this year is 23.

Statistics for last year follow: Total registration, 22; percentage of attendance, 95.8; tardiness, 98; number transported, 18; visits of superintendent, 15.

The medical inspection made last year by Dr. Charles E. Smith shows these defects:

Defective vision,	6
Defective hearing,	2
Teeth,	10
Tonsils,	9

It is clear that considerable remedial work is needed.

Miss Harriet Curren, R. N., is making the inspection this year and will be able to make several visits during the year which is a distinct advantage.

At the end of the fiscal year June 30, 1935, the selectmen were unable to pay over to the district the amount of money then due. The books of the school board were closed showing \$673.39 in unpaid bills due at that time. There was a deficit of \$29.79 at the end of the fiscal year. This amount should be raised at the school meeting. The total amount under article six, which the school board recommends, is \$2,214.99. This amount balances the budget and is the amount which should be raised as state aid is contingent upon a balanced budget.

JOHN H. FULLER,
Superintendent.

February 15, 1936.
