

Resource List

Curated by UNH Extension specialists and staff

Plant ID

Go Botany gobotany.nativeplanttrust.org

Online plant key for New England flora with vivid photographs. Provides a platform to share your own plant photographs with expert botanists.

iNaturalist inaturalist.org

Online nature app for naturalists and citizen scientists to document and share observations of the natural world.

Northern Forest Atlases northernforestatlas.org/category/products/digital-atlases

Digital atlases for woody plants, mosses and sedges of the northern forests. Also available as field guides for purchase.

*Thank you to all Extension volunteers!
We simply could not carry out our work
and reach so many Granite Staters
without your help.*

Bird ID
